Item 1. Security and Issuer

The class of equity securities to which this statement relates is the common stock, \$0.01 par value per share (the Common Stock), of Revett Mining Company, Inc., a Delaware corporation (Issuer). The principal executive offices of Issuer are located at 11115 E Montgomery Dr., Suite G, Spokane Valley, Washington 99206.

Item 2. Identity and Background

This statement is being filed jointly, pursuant to a joint filing agreement included as Exhibit 1 hereto, by:

(i) Hecla Mining Company, a Delaware corporation (Parent). The principal office of Parent is 6500 North Mineral Drive, Suite 200, Couer d Alene, Idaho 83815-9408.

(ii) RHL Holdings, Inc., a Delaware corporation (Buyer and together with Parent, the Reporting Persons). The principal office of Buyer is 6500 North Mineral Drive, Suite 200, Couer d Alene, Idaho 83815-9408.

The name, business address, present principal occupation or employment and certain other information relating to each of the directors and executive officers of the Reporting Persons is set forth on Schedule A hereto, and is incorporated by reference.

During the last five years, none of the Reporting Persons or, to the best of the Reporting Persons knowledge, any of the persons listed on Schedule A attached hereto have (i) been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, U.S. federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration

The Shareholder Agreements described in Item 4 of this Schedule 13D (the terms of which are hereby incorporated by reference) were entered into between Parent and each of Urion Holdings (Malta) Limited, John G. Shanahan, Timothy R. Lindsey, Kenneth S. Eickerman, Douglas Miller, Monique Hayes, Albert F. Appleton, Larry M. Okada and John B. McCombe (each a Shareholder and collectively, the Shareholders). The Shareholders entered into the Shareholder Agreements as an inducement to Buyer and Parent to enter into the Merger Agreement described in Item 4 (the terms of which are hereby incorporated by reference). Neither Buyer nor Parent paid additional consideration to the Shareholders in connection with the execution and delivery of the Shareholder Agreements and thus no funds were used for such purpose.

All of the 725,000 shares of the Common Stock reported under Item 5 as directly owned by Buyer were acquired using cash from working capital. Total consideration paid for the shares equaled approximately \$3,200,000.

All of the 72,917 shares of Common Stock reported under Item 5 as directly owned by Phillips S. Baker, Jr., the President and Chief Executive Officer of Parent, were acquired using personal funds of Mr. Baker. Total consideration paid for his shares equaled \$28,125.

Item 4. Purpose of Transaction

Agreement and Plan of Merger

On March 26, 2015, Parent and its wholly-owned subsidiary, Buyer, entered into an Agreement and Plan of Merger (the Merger Agreement) with Issuer. Under the terms of the Merger Agreement, Parent will acquire Issuer pursuant to a reverse triangular merger (the Merger) of Buyer with and into Issuer with Issuer surviving the Merger as a wholly-owned subsidiary of Parent (the Surviving Corporation). In the Merger, each outstanding share of Common Stock (excluding shares of Common Stock held by Parent, Buyer or any of their subsidiaries, shares in the treasury of Issuer and shares held by any subsidiary of Issuer) will be exchanged for 0.1622 shares of Parent's common stock, par value \$0.25 per share. No fractional shares of Parent will be issued in the Merger and holders of outstanding shares of Common Stock who otherwise would be entitled to receive a fractional share of Parent common stock will receive cash in lieu of such fractional shares based on the merger consideration closing value pursuant to the Merger Agreement.

The 725,000 shares of Common Stock directly owned by Buyer were initially acquired by Buyer for investment purposes. As disclosed above, such shares of Common Stock directly owned by Buyer will be canceled and retired and will cease to exist at the effective time of the Merger. All of the 72,917 shares of Common Stock reported under Item 5 as directly owned by Mr. Baker were initially acquired by Mr. Baker for investment purposes. Each share of Common Stock directly owned by Mr. Baker will be treated in the same manner as the other outstanding shares of Common Stock pursuant to the Merger Agreement as described above and will be converted into the right to receive 0.1622 shares of common stock of Parent and cash in lieu of any fractional shares of common stock of Parent Mr. Baker is otherwise entitled to receive at the effective time of the Merger.

Pursuant to the terms of the Merger Agreement, at the effective time of the Merger, the directors and officers of Buyer immediately prior to the effective time of the Merger will be the directors and officers of the Surviving Corporation, each to hold office in accordance with the certificate of incorporation and bylaws of the Surviving Corporation. In addition, pursuant to the terms of the Merger Agreement, at

the effective time of the Merger, a revised Certificate of Incorporation of Issuer (in the form set forth as an exhibit to the Merger Agreement) will be the certificate of incorporation of the Surviving Corporation and the bylaws of Buyer in effect immediately prior to the effective time of the Merger will be the bylaws of the Surviving Corporation. If the Merger is completed, the shares of Common Stock will be delisted from the New York Stock Exchange/Market Division and the Toronto Stock Exchange and will be deregistered under the Securities Exchange Act of 1934, as amended (the Exchange Act).

The Merger Agreement has been approved by the Board of Directors of each of Issuer, Buyer and Parent. The Merger is currently expected to close in the second quarter of 2015 and is subject to customary closing conditions, including, among others, the affirmative vote of holders of a majority of the outstanding shares of Common Stock approving the principal terms of the Merger Agreement and the Merger, the accuracy of the representations and warranties therein of the parties thereto (generally subject to a material adverse effect standard) and material compliance by the parties thereto with their obligations under the Merger Agreement, including, among others, covenants, subject to certain exceptions, of Issuer to not solicit any takeover proposals or change or withdraw its recommendation to stockholders of Issuer to approve the Merger and the Merger Agreement.

The description contained in this Item 4 of certain principal terms of, and the transactions contemplated by, the Merger Agreement is qualified in its entirety by reference to the full text of the Merger Agreement, the terms of which are incorporated herein by reference to Exhibit 2 hereto.

Shareholder Agreements

In order to induce Buyer and Parent to enter into the Merger Agreement, each of the Shareholders entered into a Shareholder Agreement with Parent dated as of March 26, 2015 (each a Shareholder Agreement and collectively the Shareholders Agreement). The Shareholders collectively directly own 5,784,664 shares of Common Stock. Pursuant to each Shareholder Agreement, the Shareholder party thereto agreed to vote such Shareholder's shares of Common Stock beneficially owned by such Stockholder, and to cause any holder of record of shares of Common Stock beneficially owned by such Stockholder to vote: (i) in favor of the Merger and the Merger Agreement, at every meeting of the shareholders of Issuer at which such matters are considered and at every adjournment or postponement thereof; (ii) against (1) any Takeover Proposal (as defined in the Merger Agreement), (2) any action, proposal, transaction or agreement which could reasonably be expected to result in a breach of any covenant, representation or warranty or any other obligation or agreement of Issuer under the Merger Agreement or of the Shareholder under the Shareholder Agreement and (3) any action, proposal, transaction or agreement that could reasonably be expected to impede, interfere with, delay, discourage, adversely affect or inhibit the timely consummation of the Merger or the fulfillment of Issuer's, Parent's or Buyer's conditions under the Merger Agreement or change in any manner

the voting rights of any class of shares of the Issuer (including any amendments to the Charter Documents (as defined in the Merger Agreement) of Issuer). Each of the Shareholders agreed to grant an irrevocable proxy appointing Parent as the Shareholder's proxy and attorney-in-fact (with full power of substitution) to vote such Shareholder's shares at any meeting of the shareholders of Issuer called with respect to any of the matters specified in the Shareholder Agreements, and in accordance and consistent with the above.

The description contained in this Item 4 of certain principal terms of, and the transactions contemplated by, the Shareholder Agreements is qualified in its entirety by reference to the full text of the Shareholder Agreements, the terms of each of which are incorporated herein by reference to [Exhibit 3](#) through [Exhibit 11](#), hereto.

Except as set forth in this Schedule 13D, the Merger Agreement and the Shareholder Agreements, none of the Reporting Persons have any plans or proposals which relate to or which would result in or relate to any of the actions specified in subparagraphs (a) through (j) of Item 4 of Schedule 13D of the Exchange Act.

Item 5. Interest in Securities of the Issuer

(a)-(b) By virtue of the Shareholder Agreements, Parent and Buyer may be deemed to share the power to vote, and may be deemed to be the beneficial owners of, 5,784,664 shares of Common Stock, representing approximately 14.73% of the outstanding shares of Common Stock (based upon a total number of 39,273,989 shares outstanding, as represented and warranted by Issuer in the Merger Agreement). The Reporting Persons, however, hereby disclaim beneficial ownership of such shares and this statement shall not be construed as an admission that the Reporting Persons are, for any or all purposes, the beneficial owner of the securities covered by this statement.

Buyer directly owns 725,000 shares of Common Stock, representing approximately 1.85% of the outstanding shares of Common Stock (based upon a total number of 39,273,989 shares outstanding, as represented and warranted by Issuer in the Merger Agreement). Parent is the sole stockholder of Buyer and ultimately in control of Buyer and may be deemed to beneficially own, and to share the power to vote and dispose, such shares of Common Stock directly owned by Buyer. Mr. Baker directly owns 72,917 shares of Common Stock, representing less than 1% of the outstanding shares of Common Stock (based upon a total number of 39,273,989 shares outstanding, as represented and warranted by Issuer in the Merger Agreement). The Reporting Persons hereby disclaim beneficial ownership of such 72,917 shares directly owned by Mr. Baker.

(c) Except as described in this Schedule 13D, no Reporting Person and, to the best of the Reporting Persons knowledge, no person listed on [Schedule A](#) hereto has beneficial ownership of, or has engaged in any transaction during the past 60 days involving, any shares of Common Stock.

(d) No Reporting Person and, to the best of the Reporting Persons' knowledge, no person listed on Schedule A hereto has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the 5,784,664 shares of Common Stock directly owned by the Shareholders and that may be deemed to be beneficially owned by the Reporting Persons. Buyer has the right to receive and the power to direct the receipt of dividends from, or the proceeds from the sale of, the 725,000 shares of Common Stock that it directly owns. Mr. Baker has the right to receive and the power to direct the receipt of dividends from, or the proceeds from the sale of, the 72,917 shares of Common Stock that he directly owns.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer

The information set forth under Items 3, 4 and 5 and the agreements filed as Exhibits 2 through 11 hereto are incorporated herein by reference. Other than the Merger Agreement and the Shareholder Agreements described in Item 4, there are no contracts, arrangements, understandings or relationships (legal or otherwise) between the Reporting Persons and any person with respect to the securities of Issuer, including, but not limited to, transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies.
