Appointment of Director.

Effective June 8, 2015, the Supervisory Board of LyondellBasell Industries N.V. (the Company), appointed Lincoln E. Benet, Chief Executive Officer of Access Industries, as a Class III director, with a term expiring at the Annual General Meeting of Shareholders in 2016. This appointment increases the size of the Supervisory Board from eleven to twelve members. It is unknown at this time on which committee(s) of the Supervisory Board, if any, Mr. Benet may serve.

Mr. Benet was appointed to the Supervisory Board pursuant to the Amended and Restated Nomination Agreement (the Nomination Agreement), dated March 10, 2015, with AI International Chemicals S.à.R.L., an affiliate of Access Industries (Access), pursuant to which Access has the right to nominate three individuals to the Supervisory Board as long as it owns eighteen percent (18%) or more of the Company's shares outstanding. As of June 5, 2015, there were 470,834,115 shares of the Company outstanding. Prior to Mr. Benet's appointment, two of the eleven existing Supervisory Board members, Stephen F. Cooper and Robin Buchanan, were nominated by Access pursuant to the Nomination Agreement. For a description of the Nomination Agreement, please see the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission on March 16, 2015.

Except for the Nomination Agreement, there were no arrangements or understandings pursuant to which Mr. Benet was appointed to the Supervisory Board, and there are no transactions between Mr. Benet and the Company since the beginning of the Company's last fiscal year or any currently proposed transaction, or series of similar transactions, in which the amount involved exceeds \$120,000.

As a member of the Supervisory Board, Mr. Benet will receive compensation from the Company pursuant to the Company's annual compensation arrangements for Supervisory Board members, including (i) a cash retainer of \$115,000 payable in quarterly installments; (ii) a cash retainer of \$10,000 (\$15,000 for Audit Committee), payable in quarterly installments, for any committees on which he serves, if applicable; and (iii) a grant of restricted stock units under the Company's Long-Term Incentive Plan, as amended and restated, valued at \$170,000. Mr. Benet's grant of restricted stock units in 2015 is pro-rated for services to be rendered from the date of appointment through May 7, 2016, the one-year anniversary of the Supervisory Board members' 2015 equity grant.
