Item 1.01. Entry into a Material Definitive Agreement

On July 24, 2015, Builders FirstSource, Inc. (the "Company") entered into a purchase agreement (the "Purchase Agreement") with respect to an offering of \$700.0 million aggregate principal amount of its 10.75% senior notes due 2023 (the "Notes"). The offering of the Notes is expected to close on or about July 31, 2015, subject to customary closing conditions.

The Purchase Agreement contains customary representations, warranties and agreements by the Company. In addition, the Company has agreed to indemnify the initial purchasers against certain liabilities, including liabilities under the Securities Act of 1933, as amended (the "Securities Act"), or to contribute to payments the initial purchasers may be required to make in respect of those liabilities. Furthermore, the Company has agreed with the initial purchasers not to offer or sell any debt securities issued or guaranteed by the Company for a period of 180 days after the date of the Purchase Agreement without the prior written consent of the representative of the initial purchasers.

The Company intends to use the net proceeds from the offering of the Notes to (i) pay a portion of the consideration for the acquisition of ProBuild Holdings LLC, a Delaware limited liability company ("ProBuild"), in which the Company will acquire all of the operating affiliates of ProBuild through the purchase of its issued and outstanding equity interests (the "ProBuild Acquisition"), (ii) repay certain of its and ProBuild's existing indebtedness and (iii) pay related transaction fees and expenses.

The Notes will be issued in a private transaction that is exempt from the registration requirements of the Securities Act to qualified institutional buyers in accordance with Rule 144A under the Securities Act and to non-U.S. persons outside of the United States pursuant to Regulation S under the Securities Act. Accordingly, the Notes and the related guarantees will not be registered under the Securities Act and the Notes and the related guarantees may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act. This Current Report on Form 8-K is neither an offer to sell nor a solicitation of an offer to buy the Notes or any other securities and shall not constitute an offer, solicitation or sale in any jurisdiction in which such offer, solicitation or sale would be unlawful.

The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the complete terms of Purchase Agreement, a copy of which is filed as Exhibit 10.1 hereto, and which is incorporated herein by reference.
