Item 2.04 Triggering Events That Accelerate or Increase a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement.

On October 1, 2015, an event of default (the Specified Default) occurred under the indenture related to notes issued by HLSS Servicer Advance Receivables Trust (HSART), a wholly-owned subsidiary of New Residential Investment Corp. (the Company).

The Specified Default occurred as a result of (and solely as a result of) Ocwen Loan Servicing, LLC s (Ocwen) master servicer rating downgrade to Below Average , announced by Standard & Poor s Rating Services on September 29, 2015. After giving effect to such downgrade, Ocwen ceased to be an Eligible Subservicer under the indenture causing the Collateral Test under the indenture to not be satisfied. The continuing failure of the Collateral Test as of close of business on October 1, 2015 resulted in the occurrence of the Specified Default.

The Specified Default caused \$2.525 billion of term notes issued by HSART to become immediately due and payable, without premium or penalty, as of the close of business on October 1, 2015, in accordance with the terms of HSART s indenture.

HSART repaid all of the term notes on October 2, 2015 in full with the proceeds of draws by HSART on variable funding notes previously issued by HSART. The holders of the variable funding notes issued by HSART previously agreed that the Specified Default would not be deemed an event of default under HSART s indenture for purposes of their variable funding notes.

After giving effect to the repayment of the term notes issued by HSART, the only outstanding notes issued by HSART are variable funding notes. The aggregate principal balance of such variable funding notes immediately after giving effect to the repayment of the term notes on October 2, 2015 equaled approximately \$2.9 billion. No other material obligation of HSART arises, increases or accelerates as a result of the transactions described herein.

Item 7.01 Regulation FD Disclosure.

On October 2, 2015, the Company issued a press release announcing HSART s repayment in full of \$2.525 billion of term notes with previously secured surplus servicer advance financing. A copy of the Company s press release is attached to this Current Report on Form 8-K (the Current Report) as Exhibit 99.1 and is incorporated herein solely for purposes of this Item 7.01 disclosure.

This Current Report, including the exhibit attached hereto, is being furnished and shall not be deemed to be filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liabilities of that section, nor shall it be incorporated by reference into any of the Company s filings under the Securities Act of 1933, as amended, or the Exchange Act, unless expressly set forth as being incorporated by reference into such filing.
