by re-voting by Internet or by telephone as instructed above;

by notifying the Secretary of the Company in writing before the Special Meeting that you have revoked your proxy; or

by attending the Special Meeting in person and voting in person. Attending the Special Meeting in person will not in and of itself revoke a previously submitted proxy. You must specifically request at the Special Meeting that it be revoked.

Your most current vote, whether by telephone, Internet, or proxy card is the one that will be counted.

Table of Contents

What if I receive more than one proxy card?

You may receive more than one proxy card if you hold shares of our common stock in more than one account, which may be in registered form or held in street name. Please vote in the manner described above under "How do I vote?" for each account to ensure that all of your shares are voted.

Will my shares be voted if I do not vote?

If your shares are registered in your name, they will not be counted if you do not vote as described above. If your shares are held in street name and you do not provide voting instructions to the bank, broker or other holder of record that holds your shares, the bank, broker or other holder of record has the authority to vote your unvoted shares on Proposal 1, even if it does not receive any instructions from you. We encourage you to provide voting instructions. This ensures your shares will be voted at the meeting in the manner you desire. If your bank, broker or other holder of record cannot vote your shares on a particular matter because it has not received instructions from you and does not have discretionary voting authority on that matter or because your broker chooses not to vote on a matter for which it does have discretionary voting authority, this is referred to as a "broker non-vote."

What vote is required to approve each proposal and how are votes counted?

Except as set forth herein, the affirmative vote of a majority of the Company's outstanding common stock present in person or represented by proxy at the Special Meeting and entitled to vote on each proposal presented herein is generally required for the approval of such proposal. Under NASDAQ rules, the holders of the securities issued on October 15, 2015 pursuant to the Securities Purchase Agreement and the shares issued under the Common Stock Purchase Agreement dated as of July 24, 2015 (the "Aspire Purchase Agreement") are not entitled to vote such shares on Proposal 1. All votes will be tabulated by the inspector of election appointed for the special meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. Only votes cast for a proposal constitute affirmative votes. A properly executed proxy marked "abstain" will not be voted, although it will be counted for purposes of determining whether there is a quorum. Since abstentions will not be votes cast for a proposal, they will have the same effect as negative votes or votes against that proposal.

Proposal 1: Approve the issuance of up to an aggregate of 6,447,861 shares of our common stock

The affirmative vote of a majority of the Company's outstanding common stock is required to approve the issuance of up to an aggregate of 6,447,861 shares of our common stock, consisting of:

- (i) 3,637,049 shares of common stock issuable upon the conversion of approximately 6,728.5 shares of Series A Convertible Preferred Stock, of which 1,283.5 were sold at the First Closing and 5,445 are available for sale and issuance at the Second Closing pursuant to the Securities Purchase Agreement, for an aggregate purchase price of approximately \$6,728,540 and based upon a fixed conversion price of \$1.85 per share on an as-converted basis;

(ii) 2,702,704 shares of our common stock (based on the full \$10,000,000 investment) issuable upon exercise of Series D Common Stock Purchase Warrants, of which Series D Common Stock Purchase Warrants exercisable for 1,231,082 shares of common stock were sold at the First Closing and Series D Common Stock Purchase Warrants exercisable for 1,471,622 shares of common stock are available for sale and issuance at the Second Closing pursuant to the Securities Purchase Agreement, based on a fixed per share exercise price of \$2.46; and

Table of Contents

(iii) 108,108 shares of our common stock issuable upon exercise of Common Stock Warrants, of which Common Stock Warrants exercisable for 49,243 shares were issued at the First Closing and Common Stock Warrants exercisable for 58,865 are available for issuance at the Second Closing, based on a fixed per share exercise price of \$2.46, issuable to Maxim Group, LLC, as our placement agent, pursuant to the Engagement Letter.

Brokerage firms have authority to vote customers' unvoted shares held by the firms in street name on this proposal. If a broker does not exercise this authority, such broker non-votes, as well as any abstentions, will be treated as votes against this proposal.

Could other matters be decided at the Special Meeting?

The Board of Directors knows of no other matter to be presented at the meeting. If any other matter should be presented at the meeting upon which a vote may be properly taken, shares represented by all proxies will be voted with respect thereto in accordance with the judgment of the persons named as proxies in the proxy card.

We will publish preliminary results, or final results if available, in a Current Report on Form 8-K within four business days of the Special Meeting. If final results are unavailable at the time we file the Form 8-K, then we will file an amended report on Form 8-K to disclose the final voting results within four business days after the final voting results are known.

What constitutes a quorum for the Special Meeting?

The presence, in person or by proxy, of the holders of a majority of the voting power of all outstanding shares of our common stock entitled to vote at the Special Meeting is necessary to constitute a quorum at the Special Meeting. Votes of stockholders of record who are present at the Special Meeting in person or by proxy, abstentions, and broker non-votes are counted for purposes of determining whether a quorum exists.

Who are the persons selected by the Board to serve as proxies?

Anish Bhatnagar, M.D and David D. O Toole, the persons named as proxies on the proxy card and voting instruction card accompanying this proxy statement, were selected by the Board to serve in such capacity. Anish Bhatnagar, M.D is the Chief Executive Officer of the Company and David D. O Toole is the Chief Financial Officer of the Company.

Who will count the vote?

At the Special Meeting, the results of stockholder voting will be tabulated by the inspector of elections appointed by us for the meeting.

Is there a list of stockholders entitled to vote at the Special Meeting?

Yes. A list of stockholders entitled to vote at the Special Meeting, arranged in alphabetical order, showing the address of, and number of shares registered in the name of, each stockholder, will be open to the examination of any stockholder, for any purpose germane to the Special Meeting, during ordinary business hours, commencing November 10, 2015, and continuing through the date of the Special Meeting, at our principal offices located at 1235 Radio Road, Suite 110, Redwood City, CA 94065.

NASDAQ Rule 5635(d) requires stockholder approval prior to an issuance of securities in connection with a transaction other than a public offering involving the sale, issuance or potential issuance by a company of common stock equal to 20% or more of the common stock or 20% or more of the voting power outstanding before the issuance for less than the greater of book and market value of our common stock as of the time of execution of the definitive agreement with respect to such transaction. The per share price of our common stock for which we have commitments

and the price per share of our common stock for which we obtain future commitments, if any, in connection with the private placement under the Securities Purchase Agreement was less than the greater of book or market value at the time of execution of the definitive agreements with respect to the private placement under the Securities Purchase Agreement. As a result, the Company is seeking stockholder approval for the sale and issuance of such shares in connection with the private placement under the Securities Purchase Agreement pursuant to NASDAQ Rule 5635(d).

Consequences if Stockholder Approval is Not Obtained

Pursuant to the Purchase Agreement, we agreed to seek stockholder approval of the issuance of the securities pursuant to the private placement no later than January 13, 2016. If we obtain stockholder approval at the November 20, 2015 Special Meeting of Stockholders, this provision will have been satisfied.

Furthermore, if on or after at any time on or after the earlier of April 16, 2016 and the Shareholder Approval Date (the date on which the Series D Warrants are first exercisable), the holders of Series D Warrants to purchase approximately 2,702,704 shares of Common Stock seek to exercise those warrants for Common Stock but are prevented from doing so because stockholder approval has not been obtained, the Company will be required to pay cash, instead of issuing Common Stock, equal to the difference between the weighted-average price of the Common Stock on The NASDAQ Capital Market and the exercise price, as of the date of the attempted exercise.

PROPOSAL NO. 1

APPROVAL OF ISSUANCE OF COMMON STOCK ISSUABLE UPON CONVERSION

OF SERIES A CONVERTIBLE PREFERRED, EXERCISE OF SERIES D COMMON STOCK PURCHASE WARRANTS, AND EXERCISE OF PLACEMENT AGENT COMMON STOCK PURCHASE WARRANTS

Description of Proposal

We are seeking stockholder approval as required by NASDAQ Rule 5635(d) (as described above) to issue additional shares of common stock at a Second Closing of the private placement under the Securities Purchase Agreement in order to satisfy commitments heretofore given to us from several investors. The approximately 6,447,861 shares of common stock being issued upon the conversion or exercise of securities sold and issued or available for sale and issuance under the Securities Purchase Agreement consist of:

- (i) 3,637,049 shares of common stock issuable upon the conversion of approximately 6,728.5 shares of Series A Convertible Preferred Stock, of which 1,283.5 were sold at the First Closing and 5,445 are available for sale and issuance at the Second Closing pursuant to the Securities Purchase Agreement, for an aggregate purchase price of approximately \$6,728,540 and based upon a fixed conversion price of \$1.85 per share on an as-converted basis;
- (ii) 2,702,704 shares of our common stock (based on the full \$10,000,000 investment) issuable upon exercise of Series D Common Stock Purchase Warrants, of which Series D Common Stock Purchase Warrants exercisable for 1,231,082 shares of common stock were sold at the First Closing and Series D Common Stock Purchase Warrants exercisable for 1,471,622 shares of common stock are available for sale and issuance at the Second Closing pursuant to the Securities Purchase Agreement, based on a fixed per share exercise price of \$2.46; and
- (iii) 108,108 shares of our common stock issuable upon exercise of Common Stock Warrants, of which Common Stock Warrants exercisable for 49,243 shares were issued at the First Closing and Common Stock Warrants exercisable for 58,865 are available for issuance at the Second Closing, based on a fixed per share exercise price of \$2.46, issuable to Maxim Group, LLC, as our placement agent, pursuant to the Engagement Letter.

Vote Required

The affirmative vote of the holders of a majority of the shares of common stock present in person or represented by proxy and voting on the matter, excluding shares acquired in the initial closing of the private placement under the Securities Purchase Agreement, is necessary under NASDAQ Marketplace Rule 5635(e)(4) to approve this Proposal 1. Accordingly, failure to vote and broker non-votes will not affect whether this proposal is approved, but an abstention will have the same effect as a vote against the proposal.

Potential Effects of this Proposal

The 6,447,861 shares which are the subject of this Proposal 1 represent approximately 82% of our shares of common stock outstanding as of July 24, 2015, the day before the closing under the Aspire Purchase Agreement. The issuance

of such shares will result in an increase in the number of shares of common stock outstanding and the respective percentage interests of current stockholders in the voting power, liquidation value, and book and market value of our company, and in our future earnings will be reduced. Such effects could be significantly enhanced if one or more of the other proposals are also adopted. The sale or resale of these shares could cause the market price of our common stock to decline.

We will have broad discretion to use the net proceeds to us from the sale of such shares, and you will be relying solely on the judgment of our board of directors and management regarding the application of these proceeds. Our use of the proceeds may not improve our operating results or increase the value of your investment.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and other intermediaries, such as brokers and banks, to satisfy the delivery requirements for proxy materials with respect to two or more stockholders sharing the same address by delivering a single copy of the applicable proxy materials addressed to those stockholders. This process, which is commonly referred to as householding, potentially means extra convenience for stockholders and cost savings for companies.

A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive separate proxy materials, please notify your broker, direct your written request to Capnia, Inc., Investor Relations; 1235 Radio Road, Suite 110, Redwood City, California 94065 or contact us at ir@capnia.com or (650) 213-8444. Stockholders who currently receive multiple copies of the proxy materials at their address and would like to request householding of their communications should contact their brokers.
