Item 1.01 Entry into a Material Definitive Agreement.

Contribution Agreement for Contribution of Membership Interests in Sunoco, LLC and Legacy Retail Business

On November 15, 2015, ETP Retail Holdings, LLC (ETP Retail), an indirect wholly-owned subsidiary of Energy Transfer Partners, L.P. (ETP), entered into a Contribution Agreement (the Contribution Agreement) by and among Sunoco LP (SUN), Sunoco GP LLC (SUN GP), Sunoco, LLC (Sunoco LLC), Sunoco, Inc. (Sunoco Inc.), ETP Retail and, solely with respect to certain provisions, ETP. Pursuant to the terms of the Contribution Agreement, SUN has agreed to a transaction (the Transaction) in which SUN will acquire from ETP Retail 68.42% of the issued and outstanding membership interests in Sunoco LLC, and a 100% interest in Sunoco Retail, LLC (SUN Retail), a new entity that will own the legacy retail marketing business of Sunoco Inc. (collectively, the Acquired Interests). SUN previously acquired a 31.58% interest in Sunoco LLC and, upon consummation of the Transaction, will own 100% of Sunoco LLC. Pursuant to the terms of the Contribution Agreement, ETP has agreed to guarantee the obligations of ETP Retail and Sunoco Inc. under the Contribution Agreement.

Sunoco LLC distributes motor fuels across more than 26 states in the east, midwest and southeast regions of the United States to (i) approximately 860 Sunoco-branded dealer locations under long-term fuel supply agreements, (ii) other distributors of Sunoco-branded fuel that supply 3,700 third-party retail fuel outlets, and (iii) approximately 400 other commercial customers under short-term contracts. The fuel sold by SUN Retail is supplied by Sunoco LLC at 438 company-operated Sunoco- and APlus-branded convenience stores and other retail fuel outlets across the United States.

Upon the closing of the Transaction, in exchange for the contribution by ETP Retail of the Acquired Interests, SUN will pay ETP Retail approximately \$2.032 billion in cash (the Cash Consideration) and issue to ETP Retail 5,710,922 common units (SUN Common Units) representing limited partner interests of SUN valued at approximately \$194 million based on the five-day volume weighted average price of SUN 's common units as of November 13, 2015 (collectively with the Cash Consideration, the Contribution Consideration). The Cash Consideration will be financed by SUN through a new \$2.035 billion Term Loan A Credit Agreement with Credit Suisse, Bank of America Merrill Lynch, Compass Bank, Mizuho Bank and Toronto Dominion. The SUN Common Units issued to ETP Retail as part of the Contribution Consideration will be issued and sold in a private transaction exempt from registration under Section 4(a)(2) of the Securities Act of 1933, as amended. The parties expect the transaction to close in February 2016, subject to customary closing conditions. There can be no assurance that all of the closing conditions will be satisfied or that the anticipated benefits of the Transaction will be realized.

The Contribution Agreement contains customary representations, warranties, covenants, indemnification obligations and conditions to closing. One of the conditions to closing requires that SUN must have obtained necessary financing to fund the Cash Consideration. In addition, pursuant to the terms of the Contribution Agreement, ETP Retail has agreed to provide a guarantee of collection, but not of payment, with respect to the Term Loan A debt incurred by SUN (the Guarantee of Collection). ETP Retail has further agreed to distribute the Cash Consideration to its members, Sunoco, Inc. (R&M) (SUN R&M) and Atlantic Refining & Marketing Corp. (Atlantic R&M). SUN R&M and Atlantic R&M have agreed to enter into Support Agreements providing support for ETP Retail 's obligations under its Guarantee of Collection, subject

to a support cap equal to the amount of the Cash Consideration distributed to each of SUN R&M and Atlantic R&M.

Currently, ETP indirectly owns SUN Common Units and SUN subordinated units representing an approximately 50.8% limited partner interest in SUN. In addition, Energy Transfer Equity, L.P. (ETE), the entity that owns ETP's general partner, indirectly owns the general partner interests and incentive distribution rights in SUN.

A conflicts committee (the Conflicts Committee) of the Board of Directors of Energy Transfer Partners, L.L.C., the general partner of Energy Transfer Partners GP, L.P., the general partner of ETP (the Board), evaluated the Transaction on behalf of ETP with the assistance of independent legal and financial advisors and considered various factors in recommending the Transaction to the Board. In connection with the Transaction, the Conflicts Committee also received an opinion from its financial advisor as to the fairness, from a financial point of view and as of the date of such opinion, to ETP of the consideration to be received by ETP in the Transaction.

The above description of the Contribution Agreement is not complete and is qualified in its entirety by reference to the full text of the Contribution Agreement which is filed hereto as Exhibit 10.1 and is incorporated in this Item 1.01 by reference.
