Item 1.01 Entry into a Material Definitive Agreement

Combination Agreement

On January 19, 2016, Acorda Therapeutics, Inc., a Delaware corporation (Acorda), entered into a Combination Agreement (the Combination Agreement) with Biotie Therapies Corp. (Biotie). Pursuant to the terms of the Combination Agreement, Acorda will offer to acquire all of the outstanding shares, American Depositary Shares (ADS), options, restricted unit awards and warrants (collectively, the Equity Interests) in Biotie through a public tender offer (the Tender Offer), and, if necessary, through subsequent compulsory redemption proceedings in accordance with the Finnish Companies Act (together with the Tender Offer, the Transaction).

Pursuant to the terms and conditions of the Combination Agreement, the consideration offered by Acorda for all issued and outstanding shares, ADSs, options, restricted unit awards and warrants of Biotie in the Transaction is (i) EUR 0.2946 in cash per share, (ii) EUR 23.5680 in cash per ADS, (iii) various prices for the options and restricted unit awards depending on their exercise price and (iv) EUR 0.1664 in cash per warrant, representing an aggregate equity purchase price of approximately EUR 334 million (or approximately \$363 million) based on the average exchange rate from the last 5 trading days to January 15, 2016 of 1.0864 USD to 1.00 EUR.

The consummation of the Transaction is subject to certain customary conditions, including, among others, (i) the valid tender to (or other acquisition by) Acorda of at least 90 percent of the issued and outstanding shares and voting rights of Biotie on a fully diluted basis, (ii) the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act and (iii) the Combination Agreement not having been terminated.

Consummation of the Transaction is not conditioned on Acorda's receipt of any financing. The consummation of the Tender Offer is expected to occur in the first or second quarter of 2016 and the consummation of the Transaction is expected to occur in the third quarter of 2016.

Each of Acorda and Biotie has made customary representations and warranties in the Combination Agreement.

The Combination Agreement includes certain customary termination provisions. In particular, the Combination Agreement may be terminated with immediate effect at any time prior to closing (i) by Biotie if Biotie's board of directors has cancelled or changed its recommendation concerning the Transaction in compliance with the provisions of the Combination Agreement, (ii) by Acorda if Biotie's board of directors has cancelled or changed its recommendation concerning the Transaction in a manner detrimental to Acorda or (iii) by either party if the closing of the Transaction has not occurred by June 19, 2016 (except where the failure of the transaction to close by such date resulted from such party's breach of the Combination Agreement). The Combination Agreement also provides for Biotie to pay to Acorda a termination fee of USD 4,500,000 as compensation for Acorda's reasonable costs if the Combination Agreement is, as a result of a competing offer or competing proposal, terminated by Biotie or Acorda in connection with a cancellation or change of the recommendation of Biotie's board of directors concerning the transaction.

The Combination Agreement is governed by and construed in accordance with the laws of Finland.

Certain Biotie shareholders and ADS holders representing in total approximately 59 percent of the outstanding shares and votes (on a fully diluted basis) in Biotie have subject to certain customary conditions irrevocably undertaken to accept the Tender Offer. This includes all the holders of Biotie warrants and members of the management team of Biotie, who have subject to certain customary conditions irrevocably undertaken to tender their equity instruments into the Tender Offer. Each of the undertakings will terminate upon certain customary termination events, including in the event the Combination Agreement is terminated.

The foregoing description of the Combination Agreement and the transactions contemplated thereby is not complete and is subject to and qualified in its entirety by reference to the Combination Agreement, a copy of which is attached hereto as Exhibit 2.1 and the terms of which are incorporated herein by reference. The Combination Agreement has been included to provide investors and securityholders with information regarding its terms. It is not intended to be a source of financial, business or operational information, or provide any other factual information, about Acorda, Biotie or their respective subsidiaries or affiliates. The representations, warranties and covenants contained in the Combination Agreement are made only for purposes of such agreement; are as of specific dates; are solely for the benefit of the parties thereto (except as specifically set forth therein); may be subject to limitations agreed upon by the parties thereto, including being qualified by

confidential disclosures made for the purposes of allocating contractual risk between the parties, instead of establishing these matters as facts; and may be subject to standards of materiality and knowledge applicable to the contracting parties that differ from those applicable to investors. Investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of Acorda or Biotie or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Combination Agreement, which subsequent information may or may not be fully reflected in Acorda's public disclosures or public disclosures concerning Biotie.

A copy of the press release issued by Acorda announcing the Transaction is attached as Exhibit 99.1 to this Current Report on Form 8-K, and incorporated by reference into this Item.

Item 7.01 Regulation FD Disclosure

Private Placement

Acorda also announced that it has entered into an agreement to issue \$75 million of its common stock (the Shares) in a private placement transaction exempt from registration under the Securities Act of 1933, as amended (the Securities Act). Acorda intends to use the net proceeds from the issuance of the Shares to fund, in part, the acquisition of Biotie described above. Completion of the issuance of the Shares is not contingent upon the consummation of the acquisition of Biotie or the terms of the acquisition. If the acquisition of Biotie is not consummated for any reason, Acorda will use all of the net proceeds from the issuance of the Shares for general corporate purposes.

The Shares will not be registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent an effective registration statement or an applicable exemption from registration requirements or a transaction not subject to the registration requirements of the Securities Act or any state securities laws.

A copy of the press release issued by Acorda announcing the private placement is attached as Exhibit 99.1 to this Current Report on Form 8-K, and incorporated by reference into this Item. The attached press release was issued pursuant to Rule 135(c) under the Securities Act and shall not constitute an offer to sell or the solicitation of an offer to buy any security and shall not constitute an offer, solicitation or sale in any jurisdiction in which such offering, solicitation or sale would be unlawful.

Asset Based Revolving Credit Commitment

In addition, Acorda announced that it has received a commitment from JPMorgan Chase Bank N.A. for a \$60 million asset based revolving credit agreement which will be secured by its assets and the assets of its domestic subsidiaries. Availability under the facility will be based on the accounts receivable, inventory and certain machinery and equipment of Acorda and its domestic subsidiaries, and the closing of the facility is subject to customary conditions, including the negotiation and execution of definitive documentation.

A copy of the press release issued by Acorda announcing the asset based revolving credit commitment is attached as Exhibit 99.1 to this Current Report on Form 8-K, and incorporated by reference into this Item.
