**Proxy Statement**

**GENERAL INFORMATION**

We are furnishing this Proxy Statement in connection with the solicitation of proxies by the Board of Directors of Rand Capital Corporation ( Rand or the Corporation ) for the Annual Meeting of Shareholders to be held on April 21, 2016 ( Annual Meeting ). Only shareholders of record at the close of business on March 4, 2016 ( Record Date ) are entitled to notice of and to vote at the Annual Meeting, and at any adjournment thereof. On the Record Date, Rand had outstanding 6,328,538 Common Shares (net of treasury shares), par value \$.10 per share ( shares ).

Each share entitles the holder to one vote. Shares cannot be voted at the Annual Meeting unless the shareholder is present or represented by proxy. If the enclosed form of proxy is returned properly executed and dated, the shares represented thereby will be voted at the Annual Meeting in accordance with the instructions contained in the proxy, unless the proxy is revoked prior to its exercise. Any shareholder may revoke a proxy by executing a subsequently dated proxy or a notice of revocation, provided that the subsequent proxy or notice is delivered to us prior to the taking of a vote, or by voting in person at the Annual Meeting.

Under the New York Business Corporation Law (the BCL ) and our by-laws, the presence, in person or by proxy, of the holders of a majority of the outstanding shares is necessary to constitute a quorum of the shareholders to take action at the Annual Meeting. The shares that are present at the Annual Meeting or represented by a proxy will be counted for quorum purposes. Proxies submitted with abstentions and broker non-votes will be counted in determining whether or not a quorum is present. Under the BCL and our by-laws, once a quorum is established, Directors standing for election may be elected by a plurality of the votes cast, and other matters expected to be brought before the Annual Meeting may be approved by a majority of votes cast in favor of the matter. Votes withheld, broker non-votes, and abstentions will not be counted as votes cast on any matter and will have no effect on the results of the vote. A broker non-vote occurs when a broker holding shares for a beneficial owner does not vote on a particular proposal because the broker does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner.

This Proxy Statement and accompanying form of proxy are being mailed to shareholders on or about March 17, 2016. A copy of Rand s 2015 Annual Report, which contains financial statements, accompanies this Proxy Statement.

We will bear the cost of soliciting proxies in the accompanying form. We do not expect to pay any compensation for the solicitation of proxies, but may pay brokers, nominees, fiduciaries and other custodians their reasonable fees and expenses for sending proxy materials to beneficial owners and obtaining their instructions. In addition to solicitation by mail, our Directors, officers and employees may solicit proxies in person or by telephone, and they will receive no additional compensation therefor.

Our office is located at 2200 Rand Building, Buffalo, New York 14203 and our telephone number is 716-853-0802.

### **PROPOSAL 1.ELECTION OF DIRECTORS**

Eight Directors are to be elected at the Annual Meeting. The eight nominees were each elected at the last Annual Meeting of Shareholders held in April 2015.

Each of the nominees was recommended for re-election by the Governance and Nominating Committee, which is comprised of non-employee, independent Directors. Each of the nominees has consented to serve as a Director if elected. If at the time of the Annual Meeting any nominee should be unable to serve, it is the intention of the persons designated as proxies to vote, in their discretion, for such other person as may be designated as a nominee by the Board of Directors.

#### **Director Independence**

The Board of Directors affirmatively determined that six of the non-employee Directors, Erland E. Kailbourne, Ross B. Kenzie, Reginald B. Newman II, E. Wycliffe Orr, Jr., Jayne K. Rand and Robert M. Zak are Independent Directors under the rules of the SEC and under the rules and guidelines of the NASDAQ Stock Market, including without limitation NASDAQ Rule 5605(a)(2), and, therefore, that a majority of Rand's eight-person Board of Directors is currently independent as so defined. The Board of Directors has determined that there are no relationships between Rand and the Directors classified as independent other than service on its Board of Directors and compensation paid to Directors.

The nominees for the 2016 Election of Directors have been selected by the Independent Directors of the Board upon the recommendation of Rand's Governance and Nominating Committee comprised solely of independent Directors in compliance with NASDAQ Rule 5605(e)(1).

Two of the Directors are deemed to be an interested person under Section 2(a)(19) of the Investment Company Act of 1940, as amended (Investment Company Act) with respect to Rand: Allen F. Grum because he is an executive officer of Rand, and Robert S. McLeese because he directly or indirectly owns, controls or holds, with power to vote, more than 5% of Rand's outstanding shares. Persons who are interested persons are not independent directors under the rules and guidelines of the NASDAQ Stock Market.

The independence determination of the Board of Directors under the SEC rules and under the NASDAQ Stock Market rules and guidelines also included conclusions that:

each of the members of the Audit Committee, the Governance and Nominating Committee, and the Compensation Committee are independent under the applicable NASDAQ rules and guidelines and SEC rules for purposes of determining independence for each of those committees;

the 2015 compensation of the executive officers of Rand was determined by a majority of the Independent Directors of the Board;

each of the members of the Audit Committee also meets the additional independence requirements under SEC Rule 10A-3(b) and NASDAQ Rule 5605(a)(2); and

each of the members of the Compensation Committee also meet the independence requirements under the rules and guidelines of the NASDAQ Stock Market, including without limitation, NASDAQ Rule 5605(d) and 5605(a)(2).

Proxy 4

Proxy Statement Rand Capital Corporation

Rand's Chairman, Mr. Newman, serves as chair of meetings of the Independent Directors. It is currently contemplated that executive sessions of the Independent Directors will occur at least twice during the fiscal year ending December 31, 2016, in addition to separate meetings of standing committees of the Board of Directors.

**Board Leadership Structure**

Reginald B. Newman II has served as Chairman of the Board of Directors of the Corporation since 1996 and is not an interested person under Section 2(a)(19) of the Investment Company Act with respect to Rand. His long standing business experience is invaluable to the Corporation's Board of Directors discussions. Robert M. Zak was appointed Vice Chair on November 5, 2014 and is not an interested person under Section 2(a)(19) of the Investment Company Act with respect to Rand. Allen F. Grum has served as President since 1996 and is an interested person under Section 2(a)(19) of the Investment Company Act with respect to Rand. The Corporation believes that separating the Chairman and President (CEO) roles provides independent oversight of the Corporation, enhanced leadership by the Independent Directors, and a check on management.

**The Board's Role in Risk Oversight**

The Board's role in the Corporation's risk oversight process consists of receiving regular reports from Rand's senior management on areas of material risk to the Corporation, including operational, financial, legal and regulatory, and strategic and reputational risks. The full Board of Directors (or the appropriate Committee in the case of risks that are under the purview of a particular Committee) reviews these reports from the Corporation to understand and provide input on management of these risks.

**Shareholder Communications**

Communications to an individual Director, to non-management Directors as a group, or to the entire Board of Directors, should be addressed as follows: Reginald B. Newman, II, Security Holder Board Communications, 2200 Rand Building, Buffalo, New York, 14203, with an indication of the individual or subgroup (if any) to whose attention the communication is directed. All security holder communications addressed in that manner will be delivered directly to Mr. Newman, who will receive communications for the Board of Directors and non-management Directors, and who will deliver the communication unopened to any individual indicated Director.

**Meeting Attendance**

Each of the Directors elected at the Annual Meeting of Shareholders attended the 2015 Annual Meeting of Shareholders, and each of the current nominees is expected to attend the Annual Meeting this year. Directors are expected to attend the Annual Meeting, but such attendance is not required.

### **Compensation Committee**

Edgar Filing: RAND CAPITAL CORP - Form DEF 14A

The Compensation Committee is comprised of independent Board members, each of whom meet the independence requirements of the NASDAQ Stock Market and applicable law, and advises the independent members of the Board of Directors with respect to the compensation of the executive officers and reviews the criteria that form the basis for management compensation. None of the persons on the Compensation Committee are interested persons as defined in Section 2(a)(19) of the Investment Company Act.

Proxy 9

Proxy Statement Rand Capital Corporation

The compensation levels of Rand's President/CEO and Executive Vice President were recommended by Rand's Compensation Committee and approved by the independent members of the Board of Directors, which represents a majority of its membership.

The Compensation Committee's Charter may be accessed at Rand's website, [www.randcapital.com](http://www.randcapital.com).

**Governance and Nominating Committee**

The primary purposes of the Governance and Nominating Committee include:

developing, recommending to the Board of Directors and assessing corporate governance policies for Rand;

overseeing the evaluation of the Board of Directors and its Committees; and

recommending to the Board of Directors the individuals qualified to serve on Rand's Board of Directors for election by shareholders at each annual meeting of shareholders, and recommending to the Board of Directors candidates to fill vacancies on the Board of Directors.

The Governance and Nominating Committee's Charter may be accessed at Rand's website, [www.randcapital.com](http://www.randcapital.com). None of the persons on the Governance and Nominating Committee are interested persons as defined in Section 2(a)(19) of the Investment Company Act. The Governance and Nominating Committee is comprised of members each of whom meet the independence requirements of the NASDAQ Stock Market.

**Nomination of Directors**

The Governance and Nominating Committee, as part of its responsibilities under its Charter, oversees the identification of qualified individuals to serve on the Board.

We seek Directors who have the required and appropriate skills and characteristics, including business experience and personal skills in finance, marketing, business and other areas that are necessary to contribute to an effective Board of Directors and who meet the criteria set forth in Rand's Corporate Governance Guidelines. We identify new Director candidates from prominent business persons and professionals in the communities Rand serves or who have a shared interest in the types of investments in which Rand transacts. We consider nominees of shareholders in the same manner as other nominees.

If a Board of Directors vacancy occurs, or if the size of the Board of Directors is changed, the Governance and Nominating Committee may recommend the candidate to the Board of Directors. The Board of Directors may appoint the new Director to fill any unexpired term of the seat. Annually, the Governance and Nominating Committee will recommend a slate of new and/or continuing candidates for the Board of Directors. The Board of Directors will select a slate of nominees for Director from recommendations of the Governance and Nominating Committee, and submit the slate of nominees to be voted on by shareholders at Rand's next annual meeting of shareholders. Rand's by-laws provide that an annual meeting of shareholders shall be held on the fourth Tuesday in April, or such other time within 30 days before or after such date as the Chairman or Board of Directors shall determine. The number of Directors is

determined by the Board of Directors, but in no event may it be less than three.

### **Criteria and Diversity**

In considering whether to recommend any candidate for inclusion in the Board's slate of recommended director nominees, including candidates recommended by shareholders, the Governance and Nominating Committee will apply the criteria set forth in Rand's Corporate Governance Guidelines. These criteria include the candidate's experience, business skill set and the ability to act in the interests of all shareholders. Our Corporate Governance Guidelines specify that the value of diversity on the Board should be considered by the Governance and Nominating Committee in the director identification and nomination process. The Governance and Nominating Committee seeks nominees with a broad diversity of experience, professions, skills, and backgrounds. The Governance and Nominating Committee does not assign specific weights to particular criteria and no particular criterion is necessarily applicable to all prospective nominees. Rand believes that the backgrounds and qualifications of the Directors, considered as a group, should provide a significant composite mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities. Nominees are not discriminated against on the basis of race, religion, national origin, sexual orientation, disability or any other basis proscribed by law.

### **Code of Ethics**

Rand has adopted a Code of Ethics which applies to Rand's chief executive officer, chief financial officer, and vice president of finance, and a Business Ethics Policy applicable to Rand's Directors, officers and employees. The Code of Ethics and the Business Ethics Policy are available in the Governance section of Rand's website at [www.randcapital.com](http://www.randcapital.com).

They are also available in print to any shareholder who requests it. Rand will disclose any substantive amendments to, or waiver from provisions of, the Code of Ethics made with respect to the chief executive officer, chief financial officer or vice president of finance via its website.

### **Audit Committee**

The Board of Directors has determined that none of the members of the Audit Committee are interested persons as defined in Section 2(a)(19) of the Investment Company Act. The Audit Committee is comprised of independent members, all of whom meet the independence requirements of the NASDAQ Stock Market and the rules of the SEC. The Board of Directors has determined that Ross B. The Audit Committee's charter may be accessed at Rand's website, [www.randcapital.com](http://www.randcapital.com). The Audit Committee reviews the scope and results of the annual audit, receives reports from Rand's independent public accountants, and reports the Audit Committee's findings and recommendations to the Board of Directors.

The Audit Committee has adopted necessary reporting procedures for the confidential submission, receipt, retention and treatment of accounting and auditing complaints.

### **Audit Committee Report**

The Audit Committee has reviewed and discussed Rand's audited consolidated financial statements with management. In addition, the Audit Committee has discussed with Rand's independent accountants, Freed Maxick CPAs, P.C., the matters required to be discussed by Auditing Standards No. 16, *Communications with Audit Committees*.

The Audit Committee has received the written disclosures and the letter from Freed Maxick CPAs, P.C required by the Public Company Accounting Oversight Board regarding the independent accountants' communications with the Audit Committee concerning independence, and has discussed it with them.

Based on the Audit Committee's review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in Rand's Annual Report on Form 10-K for the year ended December 31, 2015 for filing with the Securities and Exchange Commission.

## COMPENSATION DISCUSSION AND ANALYSIS

Rand's principal executive officer is its President, Allen F. Grum, and Rand's principal financial officer is its Executive Vice President/Chief Financial Officer, Daniel P. Penberthy. They are Rand's Named Executive Officers (NEOs).

The President and Executive Vice President serve as the Management and Investment Committee of Rand's wholly owned subsidiary, Rand Capital SBIC, Inc. (Rand SBIC), and are parties to a Profit Sharing Plan (the Profit Sharing Plan) of Rand SBIC that was adopted by Rand as a requirement for the licensing of Rand SBIC as a Small Business Investment Company by the U.S. Small Business Administration (SBA).

The Compensation Committee, all of the members of which are independent members of the Board, makes determinations and recommendations to the Board of Directors with respect to the compensation of the NEOs. Each of the members (i) satisfies all of the independence requirements under the current rules and guidelines of the NASDAQ Stock Market as discussed under the Director Independence section of the Proxy Statement; (ii) are outside Directors (as defined in the regulations pursuant to Section 162(m) of the Code and (iii) are non-employee Directors (as defined in Rule 16b-3 of the Securities Exchange Act of 1934). The Compensation Committee's responsibilities and authority are set forth in the Compensation Committee Charter which is disclosed on the Rand Capital website. The Compensation Committee recommendations are then reviewed by the independent members of the Board, who are responsible for establishing such compensation. Rand's President is responsible for the compensation of Rand's staff other than the NEOs.

### Introduction

This Compensation Discussion and Analysis is designed to provide shareholders with an understanding of our compensation philosophy and objectives as well as the analysis that we performed in setting executive compensation. It discusses the Compensation Committee's determination of how and why, in addition to what, compensation actions were taken for the NEOs.

### Objectives of Rand's Compensation Programs and What they are Designed to Reward

Rand depends on the management and analytical abilities of its NEOs for its long-term success and the enhancement of long-term shareholder value. The objectives of Rand's compensation programs are to provide appropriate levels of compensation, reward above average corporate performance, recognize individual initiative and achievement, attract and retain qualified individuals to contribute to Rand's success, and motivate management to enhance shareholder value.

### Key Elements of Rand's Compensation Plans and Why they are Paid:

**Base Salary** Base salaries should meet the objectives of attracting and retaining the management talent needed to operate the business successfully. Individual salary amounts are not determined by formulas, but instead reflect the Compensation Committee's judgment with respect to each NEO's responsibility, performance, experience and past compensation, internal equity considerations and other factors, including retention. Annually, the Board, on recommendation of the Compensation Committee, sets base salaries for the NEOs that it believes are appropriate given the scope of their duties and

responsibilities.

Proxy 14

Proxy Statement Rand Capital Corporation

**Bonus** Rand provides the opportunity to earn bonuses to its NEOs and staff based on the Compensation Committee's and Board's evaluation of performance and results, as well as to motivate them to achieve results that exceed the annual budget or provide value to the Corporation. The bonus is based on a qualitative consideration of individual and company performance. The Committee considered the Corporation's performance for 2015, the price performance of the Corporation's common shares, and the accomplishments of each officer during the year, the scheduled sale of Gemcor and the development of the Strategic Plan. The Compensation Committee considers, and may make appropriate adjustments for, unusual items that are deemed to be outside the control of the executives. For 2015, a total of \$50,000 was awarded to each of the NEOs.

**Profit Sharing Plan** Rand provides long-term incentives to its NEOs through the Profit Sharing Plan, which allows them to participate in the growth of its portfolio and aligns their long-term interests with those of Rand's shareholders. The terms of Rand's license to operate Rand SBIC require that it maintain a profit sharing plan, which provides for payment by Rand of designated percentages of net realized capital gains (net of all realized capital losses and unrealized depreciation) of Rand SBIC. Amounts paid or accrued pursuant to the Profit Sharing Plan cannot exceed 20% of Rand's net income. The Compensation Committee does not have discretion to change the amounts due under the Profit Sharing Plan. For 2015, no profit sharing payments were due pursuant to the Plan.

**Equity** Although we believe that equity ownership by management incentivizes management to increase shareholder value, restrictions imposed by the Investment Company Act preclude Rand from offering stock options or other equity incentives to its NEOs at any time when they participate in a profit sharing plan.

**Standard Employee Benefits** Rand provides employee benefits that are considered competitive and necessary to attract and retain talented personnel. Rand maintains a 401(k) plan for its employees under which participants may elect to contribute up to 20% of their compensation on a pretax basis, to a maximum of \$18,000 (\$24,000 if age 50 or over) for 2015. Rand makes a contribution of 1% of compensation for each participant and matches participant contributions up to 5% of compensation subject to IRS annual compensation and contribution limits. Rand may also elect to contribute discretionary amounts under the 401(k) plan as determined by the Board. No discretionary amounts have been contributed since the 401(k) plan's inception. Rand also provides life insurance and automobile reimbursement benefits to its NEOs.

**Consideration of Prior Shareholder Advisory Vote on Executive Compensation**

At our Annual Meeting, we will provide our shareholders the opportunity to vote to approve, on an advisory basis, the compensation of our NEOs. At the 2015 Annual Meeting, our shareholders cast 2,453,781 votes, or 97%, in favor of approving the compensation, and 53,858 votes, or 3% against. Our Compensation Committee and Board value the opinions expressed by our shareholders, including the non-binding advisory vote on executive compensation. We are mindful of the strong support our shareholders expressed for our philosophy of linking compensation to our operating objectives and the enhancement of shareholder value. As a result, our Compensation Committee took the results of the vote into account when determining that our 2015, and anticipated 2016, executive compensation policies should largely remain consistent with our policies in prior years and should continue to emphasize the performance,

alignment, and retention objectives described above.

Proxy 15

Proxy Statement Rand Capital Corporation

## **How the Amounts of Each Element of the Compensation are Determined and How They Fit Into Rand's Overall Compensation Objectives**

### **Salary, Bonus and Profit Sharing**

The Compensation Committee determined that the salary paid to NEOs for the 2015 fiscal year was in the best interests of shareholders. A discretionary bonus payment was paid for 2015 to each of Mr. Grum and Mr. Penberthy for the reasons noted above. In making its determination, the Compensation Committee considered whether the salaries, bonuses and profit sharing amounts due to its NEOs were consistent with the compensation philosophy described above.

### **The Analysis Used in Setting Compensation Levels**

When making individual compensation decisions for NEOs, the Compensation Committee takes many factors into account, including the individual's role and responsibilities, performance, and experience; the overall performance of Rand; the recommendations of Board Committee Chairs; the individual's past compensation; and comparison to the other NEO of Rand. The Compensation Committee may engage a compensation consultant to provide insight into setting compensation levels.

Specifically, the Committee has considered factors such as:

total compensation in relation to Rand's size, and the composition and performance of its investments and total investment capital available;

Rand's success in identifying appropriate investment opportunities and returns on its investments;

the value of Rand's assets in accordance with Accounting Standards Codification 820 fair value measurement ;

the responsibilities and duties of the NEOs;

whether there has been any adjustment or potential recovery of prior payments resulting from the restatement of prior performance measures upon which bonus or profit sharing awards were based (no such adjustments or recovery occurred during 2013, 2014 or 2015); and

realized income from investment exits in the consolidated Rand and Rand SBIC portfolios.

### **Evaluating Performance**

Edgar Filing: RAND CAPITAL CORP - Form DEF 14A

The Compensation Committee evaluates the performance of the NEOs annually, and consults with the other Directors and Committee Chairs regarding that performance. The Compensation Committee also seeks the advice of the President in connection with the performance evaluation for the other NEO; however, the President is not present when the Compensation Committee meets to evaluate his performance and recommend compensation for the NEOs.

Proxy 16

## Proxy Statement Rand Capital Corporation

The Compensation Committee uses discretion in a qualitative evaluation of individual performance and considers the following factors, among others, in recommending to the Board any annual bonus awards to the NEOs: the input of other Board Committee Chairs, and each NEO's contribution to Rand's leadership, management, strategic planning, business development, and investment returns.

### **Change of Control and Termination Benefits**

Rand does not provide any employment contracts, or change of control or termination benefits to its employees.

### **Accounting and Tax Treatments of Compensation**

The Compensation Committee's policy is to structure compensation in a way that allows it to be fully deductible, where doing so will further the purposes of the executive compensation programs. The Committee also considers it important to retain flexibility to design compensation programs that recognize a full range of criteria important to Rand's success, even where compensation payable under the programs may not be fully deductible.

### **Compensation Consultant**

During 2012, the Compensation Committee engaged, at Rand's expense, The Burke Group to serve as compensation consultant to the Compensation Committee. The Committee assessed the independence of The Burke Group (and any individuals working on the Corporation's account on The Burke Group's behalf) in accordance with NASDAQ Listing Rules and determined that its work on behalf of the Compensation Committee raised no conflict of interest. Following such determination, The Burke Group was engaged as an independent advisor to provide the following services:

To review NEO compensation levels;

To review compensation levels in an appropriate peer group of Rand;

To review compensation levels as reported in survey data for the Financial Industry; and

To review Rand's overall compensation strategy, including base salary, bonus, profit sharing plan and equity, identifying industry best practices, trends, and areas for improvement.

The Burke Group delivered its report to the Compensation Committee in 2013, noting that the unique nature of Rand's corporate structure, market capitalization, asset base, and regulatory requirements creates challenges in both establishing and implementing a compensation strategy. Other than changes to the NEOs' base salary, the Compensation Committee did not make changes to the key elements of Rand's compensation programs as a result of the report. The Compensation Committee remains focused on the best means to align management's and Rand's interests to enhance shareholder value. The Compensation Committee anticipates using an independent advisor periodically.

### **Profit Sharing Plan**

We believe Rand's salaries, bonuses and the Profit Sharing Plan create an appropriate focus on long-term objectives and promote NEO retention. The terms of the SBA's license for Rand's SBIC subsidiary require it to maintain a profit sharing plan that provides for payment of the designated percentages of the net realized capital gains (net of all unrealized capital losses and unrealized depreciation) of the SBIC that are provided for in the Profit Sharing Plan to our NEOs. The Compensation Committee does not have discretion to change the amounts due under the Profit Sharing Plan.

Proxy 17

Proxy Statement Rand Capital Corporation

Under the Profit Sharing Plan, Rand pays its NEOs cumulative profit sharing payments equal to 12% of realized capital gains of Rand SBIC, net of realized capital losses and unrealized depreciation of Rand SBIC, for each fiscal year of Rand SBIC, computed in accordance with the Profit Sharing Plan and Rand's interpretation of the Profit Sharing Plan.

The profit sharing payments are shared equally between Rand's two NEOs, who are fully vested in the Profit Sharing Plan. Under the Investment Advisers Act of 1940 (Section 205 (b)(3)) requirements, the aggregate amount which may be paid or accrued under the Profit Sharing Plan and any other incentive based plan maintained by Rand during any fiscal year, may not exceed 20% of Rand's net income after taxes, as defined, for that fiscal year. In accordance with Investment Company Act requirements, a majority of the members of the Board who were not interested persons approved the Profit Sharing Plan on the basis that it is reasonable and fair to Rand's shareholders, and does not involve overreaching of Rand or its shareholders on the part of any person concerned.

In 2015, Rand recognized approximately \$42,000 of net realized loss before income taxes from the sale of shares of one portfolio company, the shutdown of one business and other adjustments of prior realized gains and losses. In addition, as of December 31, 2015, Rand had recorded unrealized depreciation under the Profit Sharing Plan on eight portfolio investments in the amount of \$2.7 million. Approximately \$182,000 of accrued Profit Sharing payments, associated with years prior to 2015, is expected to be paid following release of funds from related escrows in 2016. No payment will be accrued nor paid in 2016 for the 2015 results on the Profit Sharing Plan.

**Disbursement Triggers on Non-Equity Incentive Compensation**

Realized gains from portfolio exits are typically received in a combination of lump sum payment (cash), and a release of escrow twelve to twenty-four months following closing. Profit sharing payments under the Profit Sharing Plan that are accrued by the Corporation are typically retained, and disbursed to the NEOs upon the receipt of cash proceeds. If a loss or deduction to funds held in escrow occurs due to certain post-closing adjustments or claims, the pro-rata profit sharing obligation payable to NEOs under the Profit Sharing Plan will be forfeited.

**Risk Considerations in our Compensation Program**

The compensation of the NEOs consists of fixed and variable compensation. The fixed (or salary) portion of compensation is designed to provide a steady income so executives do not feel pressured to focus exclusively on short-term gains or annual stock price performance, which may be to the detriment of long-term appreciation and other business metrics. The variable (cash bonus and profit sharing) portions of compensation are designed to reward both short- and long-term corporate performance. For short-term performance, bonuses are qualitatively determined by the Compensation Committee and approved by the Board. For long-term performance, profit sharing is determined based on realized income from portfolio investment exits, net of realized and unrealized losses and depreciation. In addition, the following risk mitigation components exist:

Bonus payments are not tied directly to specific financial metrics, which reduces the risk that management is inappropriately incented to achieve desired targets and performance metrics;

Proxy Statement Rand Capital Corporation

Maintenance of the Profit Sharing Plan is required under the terms of the SBA's license for our SBIC subsidiary, and the SBA's requirement to maintain the Profit Sharing Plan suggests that it believes that the Profit Sharing Plan provides for compensation to participants in an appropriate manner and in appropriate amounts;

Profit sharing payments are limited by the Investment Advisors Act of 1940 to 20% of Rand's net income after taxes as defined in any fiscal year;

The Board, Compensation Committee and independent accountants review all profit sharing calculations prior to disbursement;

The NEOs' personal investment portfolios include significant amounts of Rand's shares, which aligns their interests with the interests of our shareholders in Rand's long-term success and stock price appreciation. At the end of 2015, Allen F. Grum owned 123,642 shares and Daniel P. Penberthy owned 67,800 shares.

The Profit Sharing and bonus plan each have been in place for a number of years, and we have seen no evidence that they encourage unnecessary or excessive risk taking;

Rand has specific quarterly reporting, review and approval processes with its Board of Directors, which we believe are adequately designed to prevent manipulation by any employee, including our NEOs; and

The compensation and bonus of non-executive officers are qualitatively determined by the President, which we believe encourages a balanced approach to overall corporate performance.

**Conclusion**

Through the compensation and incentive structure described above, a significant portion of the amounts that may be payable as compensation have been, and will continue to be, contingent on Rand's performance, and realization of incentive benefits is closely linked to increases in long-term shareholder value. Rand remains committed to this philosophy of pay for performance, recognizing the volatility of Rand's business may result in highly variable compensation from year to year.

In January 2016 the independent members of the Board approved a \$50,000 discretionary bonus for 2015 and a 3% raise for each of the NEOs.

**DIRECTOR COMPENSATION**

During 2015, under Rand's standard compensation arrangements with Directors, the Chairman of the Board received an annual Chairman retainer of \$7,500 and each non-employee Director received an annual fee of \$7,500 plus \$1,500 for attendance at each meeting of the Board of Directors. Audit Committee and Compensation Committee members received \$1,000 for each meeting attended and Governance and Nominating Committee members received \$750 for each meeting attended. Rand reimburses Directors for reasonable out of pocket expenses incurred in attending Board and Committee meetings.

The following table sets forth information with respect to the compensation paid to or earned by each non-employee Director for the 2015 fiscal year. Rand did not pay or accrue any other compensation to the following Directors for the 2015 fiscal year.

<b>Name</b>	<b>Fees Earned or Paid in Cash</b>

During 2015, the Compensation Committee engaged, at Rand's expense, The Burke Group to serve as compensation consultant to the Compensation Committee for purposes of reviewing Rand's director compensation. Prior to engagement, the Committee assessed the independence of The Burke Group (and any individuals working on the Rand's account on The Burke Group's behalf) in accordance with NASDAQ Listing Rules and determined that its work on behalf of the Compensation Committee raised no conflict of interest.

The Burke Group delivered its report to the Compensation Committee in October 2015, in which it reported that there is a trend in director compensation of moving away from the use of meeting fees and toward the use of annual retainers as a replacement. In addition, The Burke Group reported that for Rand's size as compared to its peers and based upon market surveys, Rand's director compensation was low. After consideration of this report and other factors, the Compensation Committee recommended to the Board and the Board subsequently approved the updated director compensation described immediately below.

Effective January 1, 2016, Board compensation has changed so that each Board member will receive a \$25,000 per annum stipend for Board and Committee service. Each Committee Chair will receive an additional \$2,500 (Audit), \$1,000 (Compensation) and \$1,000 (Governance and Nominating). The Board Chair will receive an additional \$10,000. All amounts will be paid quarterly in equal installments. The rationale for this change is to align the contributions of the Directors with their service to shareholders on an annual basis rather than on a per meeting basis.

### **Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires Rand's Directors and executive officers, and persons who own more than ten percent of Rand's shares, to file with the SEC initial reports of stock ownership and reports of changes to stock ownership. Reporting persons are required by SEC regulations to furnish Rand with all Section 16(a) reports they file.

To our knowledge, based solely on review of the copies of such reports furnished to Rand and written representations that no other reports were required, Rand believes all Section 16(a) filing requirements applicable to its executive officers, Directors and greater than ten percent beneficial owners of Rand's shares were complied with during the fiscal year ended December 31, 2015.

### **Directors and Officer's Liability Insurance**

Rand has an insurance policy from Illinois National Insurance Company effective December 31, 2015 that indemnifies (1) Rand for any obligation incurred as a result of its indemnification of its Directors and officers under the provisions of the New York Business Corporation Law and Rand's by-laws, and (2) Rand's Directors and officers as permitted under the New York Business Corporation Law and Rand's by-laws. The policy covers all Directors and officers of Rand for the 12 months ending December 31, 2016 for a total premium of \$25,002. No sums have been paid to Rand or its Directors or officers under the insurance contract.

### **PROPOSAL 2. ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION**

Subject to the rules of the SEC, we are providing shareholders with the opportunity to vote at the Annual Meeting on an advisory resolution, commonly referred to as a "say-on-pay" proposal, which will express whether or not they approve of the compensation paid to Rand's NEOs and is required by Section 14A of the Securities Exchange Act of 1934, as amended. The compensation of Rand's NEOs is described under the heading "Compensation Discussion and Analysis" in this proxy statement.

The Compensation Committee and the Board of Directors have developed the philosophy and policies described in the Compensation Discussion and Analysis for the purpose of attracting, retaining, and motivating NEOs who will help Rand achieve its strategic and financial goals. The Compensation Discussion and Analysis and the tabular disclosures regarding NEO compensation, together with the accompanying narrative disclosures, allow you to view the trends in compensation and the application of our compensation philosophy and practice over the years presented.

Shareholders are being asked to vote on the following advisory resolution:

RESOLVED, that the shareholders of Rand Capital Corporation approve the compensation paid to its NEOs as disclosed in this proxy statement pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and related narrative discussion.

Your vote is advisory and will not be binding upon the Board of Directors. Nevertheless, the Compensation Committee and the Board of Directors will take into account the outcome of the vote when considering future executive compensation arrangements. We believe that both Rand and its shareholders will benefit by maintaining a constructive dialogue between the Board and Rand's shareholders. This proposal is one aspect of Rand's corporate

governance program and practices that helps to promote a dialogue that is intended to develop long-term shareholder value.

Proxy 23

Proxy Statement Rand Capital Corporation

Section 14A of the Exchange Act also requires that shareholders have the opportunity, at least once every six years, to cast an advisory vote with respect to whether future executive compensation advisory votes will be held every one, two, or three years. At our 2011 Annual Meeting of Shareholders held on April 29, 2011, our shareholders indicated their preference for an advisory vote on the compensation of our NEOs to be held annually, which annual frequency was also the recommendation of our Board. Our Board subsequently determined that we will hold an advisory vote to approve the compensation of our NEOs on an annual basis until the next required vote on the frequency of such advisory votes (2017), or until the Board otherwise determines that a different frequency for such votes is in the best interests of our shareholders.

*Our Board of Directors recommends that you vote FOR the approval of Rand's compensation of its NEOs as disclosed in this proxy statement pursuant to the compensation disclosure rules of the SEC.*

**PROPOSAL 3. RATIFICATION OF APPOINTMENT OF REGISTERED PUBLIC ACCOUNTING FIRM**

Our Audit Committee has selected Freed Maxick CPAs, P.C. ( Freed ), independent registered public accounting firm, as our auditors for the fiscal year ending December 31, 2016. Although shareholder approval of the selection of Freed is not required by the Investment Company Act or our by-laws, our Board of Directors believes that it is advisable to give shareholders an opportunity to ratify this selection. If this proposal is not approved by our shareholders at the 2016 Annual Meeting, our Audit Committee will reconsider its selection of Freed.

Representatives of Freed are expected to be present at the Annual Meeting. They will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from shareholders.

*Our Board of Directors recommends that you vote FOR the ratification of the selection of Freed as our independent registered public accounting firm for the 2016 fiscal year.*

Proxy Statement Rand Capital Corporation

**Multiple Copies of our Annual Report and Proxy Statement (Householding)**

When more than one holder of Rand common stock shares the same address, we may deliver only one annual report and one proxy statement to that address unless we have received contrary instructions from one or more of those shareholders. Similarly, brokers and other intermediaries holding shares of Rand common stock in street name for more than one beneficial owner with the same address may deliver only one annual report and one proxy statement to that address if they have received consent from the beneficial owners of the stock.

Rand will deliver promptly upon written or oral request a separate copy of the annual report and proxy statement to any shareholder, including a beneficial owner of stock held in street name, at a shared address to which a single copy of either of those documents was delivered. To receive additional copies of our annual report and proxy statement, you may call or write Elspeth A. Donaldson, Office Manager, Rand Capital Corporation, 2200 Rand Building, Buffalo, New York 14203, telephone (716) 853-0802 or email her at eadonaldson@randcapital.com. You may also access a copy of Rand's annual report and proxy statement on our website, [www.randcapital.com](http://www.randcapital.com), or via the SEC's EDGAR home page, [www.sec.gov/edgar/searchedgar/companysearch.html](http://www.sec.gov/edgar/searchedgar/companysearch.html).

You may also contact Miss Donaldson at the address or telephone number above if you are a shareholder of record of Rand and you wish to receive a separate annual report and proxy statement in the future, or if you are currently receiving multiple copies of our annual report and proxy statement and want to request delivery of a single copy in the future. If your shares are held in street name and you want to increase or decrease the number of copies of our annual report and proxy statement delivered to your household in the future, you should contact the broker or other intermediary who holds the shares on your behalf.
