GETTY REALTY CORP.

PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS

This Proxy Statement is furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors of Getty Realty Corp. (hereinafter called the Company or Getty), to be voted at the Annual Meeting to be held at Arent Fox LLP, 1675 Broadway (corner 52nd street), 34th Floor, New York, NY 10019 on May 19, 2016 at 3:30 p.m., and at any adjournments or postponements thereof (the Annual Meeting), for the purposes of electing a Board of Directors, holding an advisory vote to approve named executive officer compensation, ratifying the appointment of independent auditors and transacting such other business as may properly come before the meeting or any adjournments or postponements thereof.

Record Date, Voting Rights, Outstanding Shares and Quorum

At the close of business on March 24, 2016, the record date for stockholders entitled to vote at the Annual Meeting, there were 33,701,186 shares of Getty common stock outstanding. Each outstanding share of common stock is entitled to one vote. The common shares vote as a single class. In order to constitute a quorum at the Annual Meeting, there must be present, or voting by proxy, holders of a majority of the outstanding common stock.

Under Maryland law, shares represented by proxies that reflect abstentions or broker non-votes (i.e., shares held by a broker or nominee which are represented at the Annual Meeting, but with respect to which such broker or nominee is not empowered by the beneficial owner of the stock to vote on a particular proposal) will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum.

Voting Requirements

If your shares are held in the name of a bank, broker or other holder of record, you will receive instructions from the holder of record. You must follow the instructions of the holder of record in order for your shares to be voted. If your shares are not registered in your own name and you plan to vote your shares in person at the Annual Meeting, you should contact your broker or agent to obtain a legal proxy or broker's proxy card and bring it to the Annual Meeting in order to vote.

All valid proxies received before the Annual Meeting will be exercised. All shares represented by a proxy will be voted, and where a proxy specifies a stockholder's choice with respect to any matter to be acted upon, the shares will be voted in accordance with that specification. If no choice is indicated on the proxy, the shares will be voted in favor of each of the proposals. At the discretion of the persons named in the enclosed proxy card or vote instruction form, the proxies may vote on any other matter that may properly come before the Annual Meeting or any adjournments or postponements of the Annual Meeting.

Vote Required

If a quorum is achieved at the Annual Meeting, the following voting requirements will apply:

Board Elections. To be elected to serve until our 2017 annual meeting and until his successor is elected and qualifies, a director nominee will be elected if the number of votes cast FOR that director exceeds the number of votes cast AGAINST that director. For purposes of the election of directors, abstentions and broker non-votes, if any, will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the

presence of a quorum.

Advisory vote to approve named executive officer compensation. The affirmative vote of a majority of the votes cast at the Annual Meeting will be necessary to approve the advisory vote on executive compensation. Abstentions and broker non-votes are not considered votes cast and will have no effect on the outcome of this proposal.

Ratify the appointment of PricewaterhouseCoopers LLP. A majority of the votes cast at the Annual Meeting is necessary to ratify the appointment of the independent registered public accounting firm. Abstentions and broker non-votes are not considered votes cast and will have no effect on the outcome of this proposal.

Broker Non-Votes and Abstentions

A broker non-vote occurs when a broker submits a proxy card with respect to shares held in a fiduciary capacity (generally referred to as being held in street name) but declines to vote on a particular matter because the broker has not received voting instructions from the beneficial owner. Brokers may not vote your shares on the election of directors or on the advisory vote to approve named executive officer compensation in the absence of your specific instructions as to how to vote, so we encourage you to provide instructions to your broker regarding the voting of your shares. In the absence of instructions, shares subject to such broker non-votes will not be counted as voted on any of the proposals and therefore will have no effect on the vote. Abstentions and broker non-votes will be counted for the purpose of determining whether a quorum is present.

If you vote by proxy, the individuals named on the proxy card (your proxies) will vote your shares in the manner you indicate. You may specify whether your shares should be voted for or against all, some or none of the nominees for director and whether your shares should be voted for or against the other proposals.

Solicitation of Proxies

We will bear the cost of soliciting proxies. In addition to soliciting stockholders by mail through our employees, we will request banks, brokers and other custodians, nominees and fiduciaries to solicit customers for whom they hold our stock and we will reimburse them for their reasonable, out-of-pocket costs. We may also use the services of our officers, directors and others to solicit proxies personally or by telephone, without additional compensation.

Notice Regarding the Availability of Proxy Materials

From the date of mailing of the Notice of Internet Availability through the conclusion of the Annual Meeting, stockholders will be able to access all of the proxy materials on the internet at www.proxyvote.com. The proxy materials will be available free of charge. The Notice of Internet Availability will instruct you as to how you may access and review all of the important information contained in the proxy materials (including our Annual Report to stockholders) over the internet or through other methods specified at the website designated in the Notice of Internet Availability. We have delivered only one Notice of Internet Availability or Annual Meeting materials to multiple stockholders who share an address, unless we received contrary instructions from the impacted stockholders prior to the mailing date. The Notice of Internet Availability or Annual Meeting materials is being sent to stockholders on, and will be available on the internet on or about, April 7, 2016.

CORPORATE GOVERNANCE AND RELATED MATTERS

Board of Directors and Board Leadership Structure

Our Board of Directors is currently comprised of Leo Liebowitz, Howard B. Safenowitz, Milton Cooper, Philip E. Coviello, Richard E. Montag and Christopher J. Constant. Our Board is elected by the stockholders to oversee the performance of the business affairs of the Company and to set broad strategy for the Company's growth. The Board of Directors acts as an advisor to senior management and monitors its performance. It also oversees the Company's compliance efforts. To help discharge its responsibilities, the Board of Directors has adopted Corporate Governance Guidelines on significant corporate governance issues. The Corporate Governance Guidelines address, among other things, the size of the Board of Directors, director independence, committee membership and structure, meetings and executive sessions, and director selection and training.

The Charters for each of the committees of the Board of Directors, the Corporate Governance Guidelines, and Getty's Business Conduct Guidelines (which serve as our code of ethics under the Sarbanes-Oxley Act of 2002 and our code of business conduct and ethics under the New York Stock Exchange (NYSE) rules, and covers officers, employees and directors), may all be accessed through the Getty website at www.gettyrealty.com by clicking on Corporate Governance. Additionally, copies of any such documents may be obtained by submitting a written request to Mr. Joshua Dicker, Senior Vice President, General Counsel and Secretary, at the address for Getty's executive offices provided in this Proxy Statement. The Business Conduct Guidelines apply to all employees, officers and directors of the Company and waivers of the Business Conduct Guidelines for directors or executive officers, if any, will be disclosed as required by the rules and regulations of the SEC. There were no such waivers in 2015.

For the year ended December 31, 2015, our Board of Directors had six members. The Board of Directors has nominated six candidates for election as directors for a one year term ending at the 2017 annual meeting of the Company's stockholders and when their successors are duly elected and qualified. If a quorum is achieved at the Annual Meeting, a director will be elected if the number of votes cast FOR that director exceeds the number of votes cast AGAINST that director.

The Board does not have a policy regarding the separation of the roles of Chief Executive Officer (CEO) and Chairman of the Board as the Board believes it is in the best interests of the Company for the Board to have the flexibility to make the determination whether the same person should serve as both the CEO and Chairman of the Board at any given point in time, or whether the roles should be separate, depending, among other factors, on the position and direction of the Company and the membership of the Board. The Board believes that its current leadership structure, with the separation of the Chairman and the CEO position, is appropriate for the Company because it separates the leadership of the Board from the day to day leadership of the Company. The Board believes that, in addition to the Lead Independent Director, separating the position of Chairman from the CEO better positions the Board to evaluate the performance of management and enables the Chairman to provide guidance to the CEO.

In his role as Chairman of the Board, Mr. Liebowitz is responsible for enhancing Board effectiveness, in particular by ensuring the Board works as a cohesive team; ensuring that the Board has adequate resources and that there is a process in place to assure that the Board is presented with full, timely and relevant information; ensuring that there is a process in place to monitor best practices that relate to the responsibilities of the Board; and assessing the effectiveness of the overall Board, and individual directors on a regular basis. He is also responsible for Board management, in particular by providing oversight on the agendas for Board meetings; consulting with the CEO regarding the membership and the chairs for Board committees ensuring that the independent directors meet regularly without management present to discuss the effectiveness of the CEO and the Board, and by chairing Board meetings.

In his role as the CEO, Mr. Constant is responsible for setting a strategic vision for the Company and seeking to align the Company, internally and externally, with that strategic vision. In addition, Mr. Constant, as CEO, is responsible

for day to day leadership of the Company, promoting Company performance through his leadership, and leading the Company in the execution of its business plan. Our CEO also serves on our Board, which we believe helps the CEO serve as a bridge between management and the Board of Directors, ensuring that both groups act with a common purpose. We believe that the CEO's presence on the Board enhances his ability to provide insight and direction on important strategic initiatives to both management and the independent directors and, at the same time, ensures that the appropriate level of independent oversight is applied to all decisions by the Board.

Role of Board of Directors in Risk Oversight

It is management's responsibility to assess and manage the various risks the Company faces and the Board's responsibility to oversee management in this effort. In exercising its oversight, the Board has delegated primary responsibility for risk assessment and risk management oversight to the Audit Committee. Under its Charter, the Audit Committee's responsibilities include discussing with management the Company's policies with respect to risk assessment and risk management, and the Company's material financial risk exposures and the actions management has taken to limit, monitor or control such exposure. The Audit Committee receives periodic reports from management on the Company's enterprise risk management practices and our risk mitigation efforts. The Audit Committee also oversees the Company's legal and regulatory compliance programs and internal audit function. Our full Board periodically reviews the Company's strategic plans and objectives, including the risks that may affect the achievement of these strategic plans and objectives.

Independence of Directors

The Board of Directors has determined that Messrs. Cooper, Coviello, Montag and Safenowitz are independent as defined in the listing standards of the NYSE. In making these determinations, the Board of Directors considered all relevant facts and circumstances, including the independence standards set forth in Section 303A.02 of the rules of the NYSE. The Board of Directors affirmatively determined that none of the directors, or any of their respective family members, other than (a) Mr. Liebowitz, by reason of his having been an employee of the Company within the last three years, and (b) Mr. Constant, who is the President and Chief Executive Officer of the Company, has had any relationship with Getty (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company), other than as a stockholder and director of Getty, within the last three years. Accordingly, the Board of Directors has affirmatively determined that each of the directors, other than Mr. Liebowitz and Mr. Constant, is independent.

It has been and will continue to be the practice of the Board of Directors to meet at least quarterly each year and have Mr. Liebowitz, as Chairman, chair such meetings. Additionally, it has been the practice of the independent directors to meet in executive session at least quarterly each year, and to have Mr. Safenowitz, who has served since February 25, 2010 as the Company's Lead Independent Director, chair such sessions.

Directors Meetings

During the year ended December 31, 2015, the Board of Directors held ten (10) meetings (including four (4) regular meetings and six (6) special meetings). Each of the directors nominated for election at the 2016 Annual Meeting attended all of the 2015 meetings of the Board of Directors, and all of the 2015 meetings of Committees of the Board on which such director served, except for Mr. Constant, who became a member of the Board on January 1, 2016. Each of the directors nominated for election at the 2016 Annual Meeting also attended the annual meeting of stockholders in May 2015.

Committees

The Board of Directors has an Audit Committee, a Nominating/Corporate Governance Committee and a Compensation Committee, the membership and functions of which are described below.

Audit Committee

The Audit Committee met five (5) times in 2015. The Audit Committee consisted of Messrs. Coviello (Chairman), Montag, and Safenowitz. The Audit Committee selects the firm of independent public accountants that audits the consolidated financial statements of Getty and its subsidiaries, discusses the scope and the results of the audit with the

accountants and discusses Getty's financial accounting and reporting practices. The Audit Committee also examines and discusses the adequacy of Getty's internal control over financial reporting with the accountants and with management. The Board has designated the Audit Committee to take the lead in overseeing our risk assessment and risk management, along with compliance with our Business Conduct Guidelines. In addition to

regular meetings, at least one Audit Committee member meets telephonically with management and Getty's independent auditors to review the Company's quarterly reports and other reports, as appropriate, prior to their filing with the SEC. The Audit Committee met with management and Getty's independent auditors to review the Company's audited financial statements for the year ended December 31, 2015 and recommended to the Board of Directors that the financial statements be included in the Company's Annual Report on Form 10-K for such year. See "Role of Board of Directors in Risk Oversight" on page 10 of this Proxy Statement for a discussion of the Audit Committee's role in risk assessment and risk management oversight. Additionally, the Audit Committee reviews and discusses with management, management's specific disclosures contained in "Management's Discussion and Analysis of Financial Condition and Results of Operations" in our Annual Report on Form 10-K and Quarterly Reports on Form 10-Q. Please also see the Audit Committee Report included in this Proxy Statement.

The Board of Directors determined that for the year ended December 31, 2015, each member of the Audit Committee (a) was (1) independent and (2) financially literate as such terms are defined in the listing standards of the NYSE and (b) met the independence tests set forth in Section 301 of the Sarbanes-Oxley Act of 2002 and regulations promulgated thereunder by the SEC. The Board of Directors also determined that for the year ended December 31, 2015, Mr. Coviello and Mr. Montag each qualified as an audit committee financial expert under the relevant rules of the SEC, and that each of Messrs. Coviello and Montag had the requisite accounting/financial management expertise required by the listing standards of the NYSE.

The Charter of the Audit Committee provides that members of the Audit Committee may not be members of the audit committee of three or more other public companies unless such other memberships have been disclosed to the Board and the Board has determined that such simultaneous service does not impair the ability of such member to serve effectively on the Audit Committee. None of the Audit Committee members served on the audit committee of three or more other public companies during 2015.

Nominating/Corporate Governance Committee

The Nominating/Corporate Governance Committee met two (2) times in 2015. The Nominating/Corporate Governance Committee consisted of Messrs. Safenowitz (Chairman), Cooper, and Coviello. The Nominating/Corporate Governance Committee recommends nominees for election to the Board and reviews the role, composition and structure of the Board and its committees. As part of this review, the Committee evaluates (i) whether to have a Lead Independent Director, (ii) the responsibilities of the positions of Chairman of the Board and Lead Independent Director, and (iii) the qualifications for those positions, including whether the position of Chairman of the Board of Directors should be held by the Chief Executive Officer, an independent director, or a non-independent director other than the Chief Executive Officer. The Nominating/Corporate Governance Committee also recommends candidates to the Board for election as officers.

For a discussion of the specific experience, qualifications, attributes or skills of the nominees for election to the Board, see the "Nominees for Election at the Annual Meeting" section on page 5 of this Proxy Statement.

The Nominating/Corporate Governance Committee does not have a formal policy with regard to the consideration of diversity in identifying director nominees. However, consistent with the Committee's charter, when identifying director nominees the Committee considers general principles of diversity, and does so in the broadest sense. The Nominating/Corporate Governance Committee seeks to recommend the nomination of directors who represent different qualities and attributes and can represent a mix of backgrounds and experiences that will enhance the quality of the Board's deliberations and oversight of the Company's business.

The Board of Directors has determined that each member of the Nominating/Corporate Governance Committee is independent as such term is defined in the listing standards of the NYSE. The Nominating/Corporate Governance Committee Charter includes policies with regard to stockholder recommendations of nominees to the Board of

Directors.

Stockholders wishing to recommend candidates for election to the Board must supply information in writing regarding the candidate to Mr. Joshua Dicker, Senior Vice President, General Counsel and Secretary of the Company, at the Company's executive offices. This information should include the candidate's name, biographical data and an analysis of the candidate based on the director candidate criteria described below. The recommendation must also include all information relating to the proposed director nominee that would be required to be disclosed in

a solicitation of proxies for election of directors in an election contest under applicable securities law. Stockholders wishing to nominate a candidate must comply with the advance notice requirements in our By-Laws. Please refer to our By-Laws for more specific information. Additional information regarding any proposed nominees may be requested by the Nominating/Corporate Governance Committee.

Each nominee must possess fundamental qualities of intelligence, honesty, good judgment, and high standards of ethics, integrity, fairness and responsibility. The Nominating/Corporate Governance Committee also will consider the following criteria, among other criteria the Committee deems appropriate, including the specific needs of the Board at the time:

experience in corporate management, such as serving as an officer or former officer of a publicly held company, and a general understanding of marketing, finance and other elements relevant to the success of a publicly-traded company in today's business environment;

The Nominating/Corporate Governance Committee uses the same process for evaluating

all nominees, regardless of the source of the recommendation. This process includes, among other things, personal interviews, discussions with professional references, background checks, credit checks and resume verification.

The Nominating/Corporate Governance Committee has not received any recommendation for a director nominee from any stockholder or group of stockholders.

Compensation of Getty's executive officers (with the exception of the CEO) is recommended by the CEO to the Compensation Committee and is discussed, reviewed and established by the Compensation Committee. EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Compensation Committee is responsible for setting and administering the compensation policies and practices for the executive officers of the Company. The Company's executive compensation program consists primarily of the following elements: base salary, cash incentive compensation, equity compensation and retirement plans. We do not utilize compensation policies or practices that create risks which are reasonably likely to have a material adverse effect on the Company. This Compensation Discussion and Analysis section describes generally the compensation policies and practices that the Company applies to our current Chief Executive Officer (the CEO), our Chief Financial Officer (CFO), and our three other most highly compensated current executive officers (collectively, the Named Executive Officers or NEOs). For purposes of 2015, as a result of departures from the Company in 2015 by certain executives, the following discussion predominantly relates only to our current Chief Executive Officer, Christopher J. Constant, Chief Operating Officer, Mark J. Olear, and General Counsel, Joshua Dicker. See Election of Directors Executive Officers and Summary Compensation Table for additional details about all of our NEOs for 2015.

2015 Company Performance and Compensation Highlights

The following presents a summary of operational and financial highlights achieved by the Company in 2015 which, among other factors, were considered by the Compensation Committee in reaching its determinations regarding the performance and compensation of Messrs. Constant, Olear and Dicker. (See our filings with the SEC, including our Annual Report on Form 10-K for the year ended December 31, 2015, for additional details regarding each of these highlights.)

Strong Financial Performance. For the year ended December 31, 2015, including the effect of \$18.2 million of one-time income received from the Getty Petroleum Marketing Inc. Liquidating Trust (the GPMI Trust), the Company reported net earnings of \$37.4 million, or \$1.11 per share, funds from operations (FFO) of \$69.1 million or \$2.04 per share and adjusted funds from operations (AFFO) of \$65.2 million, or \$1.93 per share. The Company's 2015 AFFO increased by \$22.6 million from the prior year, including the effect of one-time income received from the GPMI Trust in 2015.

Dividend Increase and Special Dividend. In 2015, the Company increased its annual dividend rate by 13.6% over the prior year. In addition, primarily as a result of our receipt of distributions from the GPMI Trust, the Company declared a special dividend of \$0.22 per share on November 25, 2015.

Significant Increase in our Long Term Net Lease Portfolio. The Company's long term net lease portfolio grew in 2015 by 109 properties, or 16% over the prior year, due to new acquisitions and the leasing of properties previously categorized as transitional. The Company's long term triple net lease portfolio currently consists of 724 properties leased to 25 regional and national fuel distributors under unitary or master triple-net leases and 81 properties leased under single unit triple-net leases.

Significant Reduction in Transitional Properties. The Company made significant progress during 2015 with respect to its program of disposing of non-core properties and re-leasing other transitional properties. As of December 31, 2015, the Company had 46 transitional properties, a significant reduction from the 167 transitional properties held as of December 31, 2014. During 2015, the Company sold 84 properties (70 of

which were classified as transitional) for \$25.1 million in the aggregate. In addition, during 2015, the Company leased 58 transitional properties to tenants under long-term triple-net leases.

¹ AFFO and FFO are non-GAAP measures. For a description of how Getty calculates AFFO and FFO and for a reconciliation of these non-GAAP measures to the nearest comparable GAAP measure, see Item 6 (Selected Financial Data) in the Annual Report on our Form 10-K for the year ended December 31, 2015.

Positioning the Company's Balance Sheet for Growth Initiatives. In 2015, the Company terminated its existing \$175 million senior secured credit facility and entered into a new \$225 million senior unsecured credit agreement (the "New Credit Agreement") with a new bank group. As a result of the New Credit Agreement, mortgage liens and other security interests on certain of the Company's properties and assets held by the lenders under the Company's prior credit agreement were released. In addition, during 2015, the Company entered into an amended and restated note purchase agreement (the "Restated Note Purchase Agreement") with The Prudential Insurance Company of America ("Prudential") and a Prudential affiliate. Pursuant to the Restated Note Purchase Agreement, Prudential and its affiliate released mortgage liens and other security interests held on certain of the Company's properties and assets, redenominated the existing notes in the aggregate amount of \$100 million issued under the prior note purchase agreement, and issued \$75 million of new notes bearing interest at 5.35% and maturing in June 2023. As a result of these refinancing activities, the Company significantly reduced its exposure to interest rate increases and obtained more flexible covenant packages than those which had existed under the prior credit and fixed rate debt facilities.

Accretive Growth. For 2015, the Company acquired fee interests in 80 convenience store and gasoline station properties for an aggregate purchase price of \$219.2 million. The vast majority of this acquisition activity related to the completion of our 77 site transaction with United Oil which, in addition to being immediately accretive to our earnings, served to enhance the Company's geographic diversity by adding sites in growth markets of the Western United States and Colorado, and also improved the overall credit quality of our portfolio and increased our tenant revenue diversification. For certain of our 2015 acquisitions, the Company also successfully structured forward and reverse 1031 exchanges enabling us to defer a portion of our taxable gains from property dispositions.

Successful Conclusion of Claims against Getty Petroleum Marketing, Inc. The Company's executive team continued to be instrumental in managing a successful strategy to maximize the Company's recovery of losses incurred in the Getty Petroleum Marketing, Inc. ("Marketing") bankruptcy. In 2015, the Company received distributions from the GPMI Trust totaling approximately \$18.2 million on account of its unsecured claims.

Effective Management of Litigation Matters. In 2015, the Company continued to successfully enforce property rights through legal proceedings against former Marketing subtenants who had wrongfully remained in occupancy of our properties after the master lease with Marketing was terminated. For example, in January 2015, the Connecticut Supreme Court affirmed lower court rulings in our favor against holdover subtenants at numerous Connecticut gas stations enabling us to regain and reposition these sites. Additionally, in January 2016, the New York State Supreme Court awarded judgment to the Company on motions pending during 2015 which confirmed the Company's right to receive use and occupancy payments and legal fees from, and dismissed claims for damages asserted by, certain affiliated holdover subtenants who were forced to vacate their gas stations in 2012 but continued to litigate payment obligations thereafter. The Company also continued the successful defense of other legal actions, including those described in the Company Annual Report on Form 10-K for the year ended December 31, 2015.

Successful Implementation of Updated Software Platform. In 2015, the Company implemented the replacement of outdated financial and business management software platform with modern computer systems and cloud-based programs, significantly enhancing the Company's business, accounting and financial functionalities.

The compensation of every NEO (except for the CEO) is recommended by the CEO to the Compensation Committee and is discussed, reviewed and established by the Compensation Committee. After consideration of various factors, including the operational and financial achievements noted above and the individual contributions of the NEOs which advanced those achievements, the Compensation Committee made the following determinations in March 2016 with respect to Messrs. Constant, Olear and Dicker:

Cash bonuses were awarded to the NEOs, as described below.

Mr. Constant's base salary for 2016 was reset at \$450,000 per annum commensurate with his election to the offices of President and CEO effective January 1, 2016 (representing a 69.8% increase over his salary in 2015 as Vice President, CFO and Treasurer), and base salaries for 2016 were increased 8.3% for Mr. Dicker and 2.7% percent for Mr. Olear. The Compensation Committee also set the base salary at \$240,000 for Mr. Danion Fielding, who joined the Company as Vice President, CFO and Treasurer in February 2016.

Profit sharing contributions, matching contributions to the Company's 401(k) retirement savings plan and contributions to the Supplemental Retirement Plan stayed substantially the same for each NEO as the amounts contributed by the Company for the past three years.

An annual discretionary grant under the 2004 Plan of 15,000 restricted stock units (RSUs) was awarded to Mr. Constant, 10,000 RSUs to Mr. Olear and 10,000 to Mr. Dicker. Mr. Fielding was also awarded 5,000 RSUs in connection with his hiring as the Company's Vice President, CFO and Treasurer in February 2016.

See the Summary Compensation Table on page 24 for additional details.

Overview of Getty's Compensation Program

Getty's compensation program for executive officers is designed to effectively manage the Company's aggregate annual compensation expense while providing executive officers with a total compensation package that is adequate to retain them, encourage and motivate their high performance and promote their accountability. Getty's compensation policies are also designed to promote increased stockholder value by aligning the financial interests of Getty's executive officers with those of its stockholders. The Compensation Committee believes that its current policies, plans and programs are adequate for these purposes.

Getty's executive compensation program involves a combination of annual cash compensation, discretionary incentive compensation (cash incentive awards and equity incentive awards like RSUs with dividend equivalents), retirement and other plans, and perquisites and other benefits. Although the Compensation Committee has not adopted any formal policies for allocating compensation among the foregoing compensation components, in conducting its review and rendering its determinations the Compensation Committee evaluates whether each executive officer is provided with a total compensation opportunity that achieves the key objectives of the compensation program while maintaining an appropriate cost structure.

Base salary levels for executive officers are, in combination with other compensation components, considered by the Compensation Committee to be sufficient to achieve the objectives of Getty's compensation program. Total compensation, including discretionary annual cash incentive awards and RSU grants (including dividend equivalents paid with respect to such RSUs), are in aggregate amounts which the Compensation Committee considers sufficient to retain its executive officers and to align their interests with those of Getty's stockholders.

Total compensation determinations for each NEO are influenced in large part by the particular responsibilities of the applicable executive position with additional consideration given to such NEO's individual performance. Our CEO reviews the performance of each NEO (other than himself) and provides compensation recommendations for the NEOs (other than himself) to the Compensation Committee with respect to base salary amounts, cash bonuses and grants of equity based awards under the 2004 Plan consisting of RSUs (including dividend equivalents with respect to such RSUs). The Compensation Committee reviews and deliberates upon the CEO recommendations and establishes the compensation for the NEOs. Although the Compensation Committee takes the CEO's recommendations under advisement, it independently evaluates the compensation recommendations for each NEO and in all instances exercises its discretion in making final compensation decisions in accordance with its authority and formal

responsibilities set forth in its charter. The Compensation Committee also has direct knowledge of the performance of the NEOs through regular and special reports by these executives to the Board of Directors and Board Committees and through other interactions. The compensation of the CEO is discussed, deliberated upon and approved solely by the Compensation Committee.

The Compensation Committee may periodically engage outside professional firms to assist in understanding compensation levels and programs in the broader marketplace. The Compensation Committee will periodically assess its decision to engage outside firms based on need and the Company's financial situation. In 2015, the Compensation Committee did not engage the services of a compensation consultant and did not benchmark compensation elements against a peer group.

Section 162(m) of the Internal Revenue Code denies publicly-held corporations the federal income tax deduction for compensation in excess of \$1.0 million paid to its chief executive officer and the three most highly compensated executive officers during a year (other than the CEO and CFO) unless the compensation is qualified performance-based compensation. At this time the compensation paid to our CEO and other executive officers does not approach the \$1.0 million limit on non-performance based deductible compensation imposed by Section 162(m) of the Internal Revenue Code. In the event that the compensation of any executive officer is anticipated to exceed the Section 162(m) limitation in the future, the Compensation Committee will consider such limitation in determining such officer's total compensation. It is the policy of the Compensation Committee to periodically evaluate the qualification of compensation for exclusion from the \$1.0 million deduction limit under Section 162(m) of the Internal Revenue Code, as well as other sections of the Internal Revenue Code, while maintaining flexibility to take actions with respect to compensation that it deems to be in the interest of the Company and its stockholders which may not qualify for tax deductibility.

The primary elements of compensation for our NEOs are the following:

- Base salary;
- Incentive compensation (discretionary annual cash incentive awards and equity incentive awards like RSUs with dividend equivalents);
- Retirement and other plans; and
- Perquisites and other benefits.

Base Salary

The Compensation Committee examines whether each executive's base salary is competitive and appropriate in view of such person's role, level of responsibility, experience and value to the Company, and relative to achieving the overall goals of the compensation program for all executive officers. The Compensation Committee reviews base salaries annually and in the interim if an executive officer's position or responsibilities change or if the Committee believes it is otherwise necessary or appropriate. Salaries are not automatically increased on an annual basis if the Committee believes that a raise is not warranted by either individual or Company performance, or that other forms of compensation are more appropriate to further compensation program objectives.

As part of its process and in order to achieve the overall goals of Getty's executive compensation program, the Compensation Committee determined to increase base salaries in 2016 from those in effect in 2015 by the following amounts for the following NEOs: Mr. Constant's base salary for 2016 was reset at \$450,000 per annum commensurate with his election to the offices of President and CEO effective January 1, 2016 (representing a 69.8% increase over his salary in 2015 as Vice President, CFO and Treasurer), and base salaries for 2016 were increased by 8.3% for Mr. Dicker and 2.7% percent for Mr. Olear from those in effect in 2015. The Compensation Committee also set the base salary at \$240,000 for Mr. Danion Fielding, who joined the Company as Vice President, CFO and Treasurer in February 2016.

Incentive Compensation

Cash Bonus

The Compensation Committee believes that discretionary cash bonuses are useful on a case by case basis to motivate and reward executives for their contribution to annual operating results and Company achievements that help create value for our stockholders. Cash bonuses for executive officers are not guaranteed, but have been awarded from time to time at the discretion of the Compensation Committee. In deciding whether to award discretionary cash bonuses, the Compensation Committee makes its determinations based upon recommendations from the Company's CEO (except as to the CEO himself) and upon the Compensation Committee's informed judgment in view of the Company's operational and financial performance, the individual executive's responsibilities and efforts, such executive's contribution to the Company's overall performance and success, the complexity or difficulty of the objectives that have been achieved by the executive, the relative significance of a cash bonus award toward meeting the overall goals of Getty's compensation program, and other relevant considerations. These factors are considered subjectively and no one factor is accorded any specific weight. In March 2016, the Compensation Committee awarded discretionary cash bonuses as reflected in the Summary Compensation Table for 2015. Specifically, Mr. Constant was paid a cash bonus of \$170,000, Mr. Dicker was paid a cash bonus of \$150,000 and Mr. Olear was paid a cash bonus of \$120,000.

Equity Incentive Awards

The Company maintains the stockholder-approved 2004 Plan for officers and other valued employees of the Company and its subsidiaries, and members of the Board. The 2004 Plan allows for the grant of various types of stock-based awards, other than stock options, to eligible individuals. The 2004 Plan is administered by the Compensation Committee which has the power to determine eligibility, the types and sizes of awards, the price and timing of awards, terms of vesting, the acceleration or waiver of any vesting restriction and the timing and manner of settling vested awards.

Generally, to better align the interests of the Company's executive officers with the interests of the Company's stockholders and to promote performance that will have a positive long-term impact on total stockholder return, the Compensation Committee annually grants equity based awards under the 2004 Plan to the Company's executive officers consisting of RSUs (including dividend equivalents paid with respect to such RSUs). These RSU awards generally vest over a five year period subject to continued employment through the vesting date and, for all such RSU awards granted since 2009, are settled in shares of the Company's common stock upon the earlier of ten years after grant or termination of employment.

In February 2015, the Compensation Committee, acting pursuant to the Company's annual equity grant program, approved grants of 7,500 RSUs to Messrs. Constant, Olear and Dicker based on each such NEO's individual performance during 2014. In addition, in February 2015, the Compensation Committee approved grants of 10,000 RSUs to David B. Driscoll, our President and CEO at the time of such grant, and 6,000 RSUs to Kevin C. Shea, our Executive Vice President at the time of such grant, based on each such NEO's individual performance during 2014. Mr. Driscoll retired from his positions as President and CEO of the Company effective December 31, 2015. See [Driscoll Retirement Agreement](#) on page 23 of this Proxy Statement. Mr. Shea left the employment of the Company effective August 25, 2015. See [Shea Severance Agreement](#) on page 22 of this Proxy Statement. All of the above-described RSU grants are reflected in the [2015 Grants of Plan-Based Awards](#) table on page 26 of this Proxy Statement.

The Compensation Committee's determination in February 2015 to grant RSUs under the annual equity grant program to each executive officer was in keeping with its annual practice of using RSUs as part of the compensation program and was based on the Committee's determination that an annual grant of RSUs fosters the equivalent of stock ownership by the Company's executive officers, thereby aligning their personal interests with the long term interests of

the Company's stockholders, and also encourages executive retention because the awards vest over a five year period. The size of the annual equity award granted to each NEO is commensurate with the role and responsibilities of such NEO and with historical trends.

In March 2016, the Compensation Committee approved RSU grants to certain NEOs in accordance with its annual equity grant program, based on such NEO's individual performance during 2015, in the following amounts: 15,000 RSUs to Mr. Constant and 10,000 RSUs to Messrs. Olear and Dicker. The Compensation Committee also granted 5,000 RSUs to Mr. Fielding in connection with his hiring as Vice President, CFO and Treasurer of the Company in February 2016. These RSU grants will be reflected in the 2016 Grants of Plan-Based Awards table that will be included in our Proxy Statement for the annual meeting of stockholders to be held in 2017. All such RSU grants include related dividend equivalents. The Compensation Committee's decision to increase the number of RSUs granted to certain of the NEOs was in furtherance of the overall goals of Getty's executive compensation program and in order to bring the Company's incentive compensation practices more in line with comparative practices at other REITs.

In making executive compensation determinations, the Compensation Committee has also considered the results of the non-binding, advisory stockholder votes on our executive compensation program. Our stockholders approved the Company's executive compensation program each year since the advisory vote has first been sought, most recently approving it by 96.93% of votes cast on the say-on-pay proposal in our 2015 proxy statement. The Compensation Committee was mindful of our stockholders' endorsement of the Compensation Committee's decisions and policies and has maintained its general approach to executive compensation for decisions made to date. The Compensation Committee will continue to consider the results from this year's and future advisory stockholder votes regarding the executive compensation program.

Retirement Plans

Getty has a retirement and profit-sharing plan with 401(k) deferred savings plan provisions (the Retirement Plan) for employees, including the NEOs, meeting certain service requirements. An annual discretionary profit sharing contribution to the Retirement Plan is determined by the Board of Directors. The contribution is calculated as a percentage of the sum of (i) the employee's compensation (as defined in the Retirement Plan) up to the maximum allowed under Internal Revenue Service regulations, and (ii) the excess of that amount over the social security taxable wage base. For 2015, the Board of Directors elected to contribute 1% of that sum for each eligible employee. This percentage was consistent with prior years. Under the terms of the Retirement Plan, the Company matches 50% of each participating employee's elective contribution to the Retirement Plan, but in no event more than 3% of the employee's compensation. The Company's contributions to the Retirement Plan vest in accordance with a six-year vesting schedule and are paid upon retirement, death, disability, or termination of employment, as described more fully in the Retirement Plan.

Getty also has the Supplemental Retirement Plan for executive officers and other senior management employees. The Board of Directors has sole discretion to select annually the eligible employees for whom contributions will be made. Under the Supplemental Retirement Plan, which is not qualified for purposes of Section 401(a) of the Internal Revenue Code, a participating employee may receive in his trust account an amount equal to 10% of his compensation (as defined in the Supplemental Retirement Plan), reduced by the amount of any contributions allocated to the employee by the Company under the Retirement Plan. The amounts held in trust under the Supplemental Retirement Plan may be used to satisfy claims of general creditors in the event of Getty's or any of its subsidiaries' bankruptcy. An employee's account vests in the same manner as under the Retirement Plan and is paid upon separation of service from the Company. Under the Supplemental Retirement Plan, during any year, the Board of Directors may elect not to make any payment to the account of any or all eligible employees.

Shea Severance Agreement

On August 25, 2015, Kevin C. Shea, former Executive Vice President of the Company, left the employment of the Company. The Company entered into a severance agreement and general release (the Severance Agreement) with Mr. Shea on September 17, 2015. Pursuant to the Severance Agreement, Mr. Shea served in a limited advisory capacity until December 31, 2015. In addition, as set forth in the Severance Agreement, Mr. Shea received:

(a) \$16,154, representing his regular base salary at the rate in effect on August 25, 2015 (the Severance Date) from the Severance Date through September 14, 2015, (b) \$86,154 of severance pay, (c) \$79,692 of accrued and unused vacation, holiday and sick pay, and (d) \$900, representing the amount of the automobile allowance Mr. Shea would have received had he been employed through the month of September 2015.

With respect to the outstanding RSUs of the Company owned by Mr. Shea, he received (a) \$354,956 in cash for the RSUs that vested as of the Severance Date by reason of his termination of service, and (b) 31,900 shares of the Company's common stock in payment for the vested RSUs that he owned as of the Severance Date (from which federal and state tax withholding was made). In consideration for his compliance with the terms of the Severance Agreement, Mr. Shea will also receive five lump sum cash payments, each in the amount of \$48,000, to be paid quarterly from December 2015 through December 2016. In addition, the Company provided reimbursement for the full cost of continuation coverage through the end of 2015 for Mr. Shea and his eligible dependents under the Company's medical and dental plan.

Driscoll Retirement Agreement

David B. Driscoll retired from his positions as President and CEO of the Company and resigned as a director on the Board of Directors of the Company, effective December 31, 2015. In connection with Mr. Driscoll's retirement, he and the Company entered into a retirement agreement and release (the "Retirement Agreement") on November 5, 2015. Pursuant to the Retirement Agreement, Mr. Driscoll received \$80,769, representing his regular base salary as in effect on November 5, 2015 through December 31, 2015, as well as a bonus payment for 2015 of \$415,000. As set forth in the Retirement Agreement, Mr. Driscoll will continue in the full time employ of the Company and provide services in a non-officer capacity from January 1, 2016 to September 30, 2016. Mr. Driscoll will be paid a salary in accordance with Getty's regular payroll practices in the amount of \$43,750 per month from January 1, 2016 through July 31, 2016, and \$20,000 per month from August 1, 2016 through September 30, 2016. In addition, Mr. Driscoll will be eligible to participate in the Company's 401(k) plan, profit sharing plan and medical and dental plans, and will continue to vest in all awards previously granted to him under the 2004 Plan. After his employment by the Company, Mr. Driscoll will provide consulting services to the Company from October 1, 2016 to May 31, 2017, and will be compensated by the Company at a rate of \$20,000 per month from October 1, 2016 through October 31, 2016, and \$12,500 per month from November 1, 2016 through May 31, 2017. In accordance with the Retirement Agreement, on October 1, 2016, all of Mr. Driscoll's unvested restricted stock units granted under the 2004 Plan shall become fully vested and shall be settled in accordance with their terms.

- (1) Stock awards are in the form of restricted stock units (RSUs). The amount reflected is the grant date fair value computed in accordance with FASB ASC Topic 718. The value of future dividends is assumed to be reflected in the closing per share price of the common stock, and, consequently, in the fair value of each award. Therefore, the dividend equivalents paid on RSUs are not shown separately in this table. The Company pays dividend equivalents on RSUs only to the extent dividends are declared on shares of its common stock.
- (2) All Other Compensation includes (a) profit sharing and Company matching contributions under the Retirement Plan, (b) contributions under the Supplemental Retirement Plan for the year 2015 (which amount was determined and authorized in March 2016), (c) life insurance premiums, (d) perquisites and other personal benefits received by the Named Executive Officers that exceeded \$10,000 in the aggregate for the year, which consist only of automobile allowances, and (e) severance amounts paid to Mr. Shea in 2015. See All Other Compensation table, below.
- (3) During the fiscal year ended 2015, Mr. Constant served as the Vice President, Chief Financial Officer and Treasurer of the Company. Effective January 1, 2016, Mr. Constant was appointed President and Chief Executive Officer of the Company.
- (4) Mr. Driscoll retired from his position as President and Chief Executive Officer of the Company and resigned as a director of the Company, effective December 31, 2015. For additional details, see Driscoll Retirement Agreement on page 23 of this Proxy Statement and the Form 8-K filed by the Company with the SEC on November 6, 2015.
- (5) The Driscoll Retirement Agreement provides that he would receive a bonus of \$415,000 for 2015.

- (6) On August 25, 2015, Mr. Shea left the employment of the Company. For additional details, see [Shea Severance Agreement](#) on page 22 of this Proxy Statement, the Form 8-K filed by the Company with the SEC on August 31, 2015, and the Form 8-K/A filed by the Company with the SEC on September 22, 2015.

- (1) The amount reported for each executive in the column Registrant Contributions in Last FY for the Supplemental Retirement Plan represents the respective amount reported for each executive for the prior year, 2014, in the column Supplemental Retirement Plan in the All Other Compensation Table above, and the amount reported for Vested RSUs is equal to the Value Realized on Vesting reflected in the 2015 Option Exercises and Stock Vested table above.
- (2) For RSUs, the aggregate earnings (loss) reflect the change in value of the shares of Getty common stock subject to the RSUs calculated based on the change in the closing price from December 31, 2014 to December 31, 2015, for RSUs that vested prior to 2015, and the change in the closing price from the vesting date to December 31, 2015 for RSUs that vested in 2015.
- (3) The Aggregate Balance includes the balances accumulated under the Supplemental Retirement Plan and the aggregate value of all vested RSUs for which settlement has been deferred based on \$17.15 per share, the closing price of Getty common stock on December 31, 2015.

Getty maintains the Supplemental Retirement Plan for executive officers and other senior management employees. The Board of Directors has sole discretion to select annually the eligible employees for whom contributions will be made. Under the Supplemental Retirement Plan, which is not qualified for purposes of Section 401(a) of the Internal Revenue Code, a participating employee may receive in his trust account an amount equal to 10% of his compensation (as defined in the Supplemental Retirement Plan), reduced by the amount of any contributions allocated to the employee by the Company under the Retirement Plan. Amounts contributed by the Company for 2015 to the Supplemental Retirement Plan for our NEOs were based upon an amended definition of eligible compensation in the Supplemental Retirement Plan adopted by the Compensation Committee in 2012 so as to exclude anything other than base salary as the basis for computation of eligible compensation. The amounts held in trust under the Supplemental Retirement Plan may be used to satisfy claims of general creditors in the event of Getty's or any of its subsidiaries bankruptcy. An employee's account vests in the same manner as under the Retirement Plan and is paid upon separation of service from the Company. Under the Supplemental Retirement Plan, during any year, the Board of Directors may elect not to make any payment to the account of any or all eligible employees.

Potential Payments upon Termination or Change in Control

Each of the award agreements for outstanding RSUs granted to our employees, including our NEOs, contains a provision that causes the unvested RSUs to vest upon the NEO's death or our termination of the NEO's employment without cause. In the event of a termination of employment without cause, the value as of December 31, 2015 of RSUs that would vest upon such termination would be as follows: Mr. Constant (\$288,120); Mr. Olear (\$197,225); Mr. Dicker (\$361,865); and Mr. Driscoll (\$540,315)¹.

The RSUs that vested upon Mr. Shea's termination without cause, valued as of the date of his termination of employment (August 25, 2015), was \$304,780, and he received cash severance payments (including reimbursement for the cost of continuation medical coverage) of \$146,076 in 2015. See All Other Compensation table at page 25. In addition, Mr. Shea will be entitled to receive additional severance payments totaling \$192,000 in 2016, provided he complies with certain cooperation and transition obligations and restrictive covenants.

We do not provide any compensation or benefits to any of our NEOs solely on account of the occurrence of a change in control of the Company. The RSU award agreements do not provide for accelerated vesting upon the occurrence of a change in control.

¹ In accordance with his Retirement Agreement, on October 1, 2016, all of Mr. Driscoll's unvested RSUs will become fully vested. See Driscoll Retirement Agreement on page 24 of this Proxy Statement.

Director Compensation

The following text and table discuss the compensation paid to each of our non-employee directors for 2015.

For 2015, (i) all Directors received an annual director fee of \$30,000, which included attendance at all meetings of our Board of Directors; (ii) Members of our Audit Committee received an annual fee of \$12,500, except for the Chairman of the Audit Committee, who received an annual fee of \$20,000, which included attendance at all meetings of our Audit Committee; (iii) Members of our Compensation Committee received an annual fee of \$5,000, except for the Chairman of the Compensation Committee, who received an annual fee of \$7,500, which included attendance at all meetings of our Compensation Committee; and (iv) Members of our Nominating and Corporate Governance Committee received an annual fee of \$5,000, except for the Chairman of the Nominating and Corporate Governance Committee, who received an annual fee of \$7,500, which included attendance at all meetings of our Nominating and Corporate Governance Committee. In addition, Mr. Safenowitz received a fee of \$50,000 for his services as Lead Independent Director. All annual fees payable to Directors are paid in four equal quarterly installments.

Directors are also reimbursed for travel and other expenses related to Company business.

Mr. Liebowitz has served as our Chairman of the Board since 1971 and continues to do so. Mr. Liebowitz retired as an employee of the Company on June 28, 2013. For 2015, Mr. Liebowitz received a fee of \$125,000 (paid quarterly) for his services as Chairman of the Board, in addition to the annual director fee of \$30,000 paid to all Directors, as noted above. Mr. Constant is not separately compensated for his services on the Board; his compensation for services as an employee is discussed in the Compensation Discussion and Analysis section of this Proxy Statement above.

Generally, to better align the interests of our Directors with the interests of the Company's stockholders, the Compensation Committee grants equity based awards under the 2004 Plan to the Company's directors consisting of RSUs (including dividend equivalents paid with respect to such RSUs). RSU awards generally vest over a five year period. RSUs granted before 2009 provide for settlement upon termination of service as a director and RSUs granted in 2009 and thereafter provide for settlement upon the earlier of ten years after grant or upon termination of service as a director.

In February 2015, the Compensation Committee approved a grant of 5,000 RSUs to each of the non-employee Directors (which was consistent with the grant made to each non-employee Director in 2014). The Compensation Committee's determination to award RSUs was in order to further align the interests of directors with the Company's stockholders and also to provide additional value to directors for their contributions to the Company.

Name	Fees Earned or Paid in Cash (\$)	Stock Awards ⁽¹⁾ (\$)	Option Awards (\$)	Non-Equity Incentive Plan Compensation (\$)	Change in Pension Value and Nonqualified Deferred Compensation	All Other Compensation (\$)	Total (\$)
Leo Liebowitz	155,000	90,200					245,200
Milton Cooper	42,500	90,200					132,700
Philip E. Coviello	60,000	90,200					150,200
Richard E. Montag	47,500	90,200					137,700
Howard B. Safenowitz	105,000	90,200					195,200

- (1) The Company granted 5,000 RSUs to each non-employee director in 2015. The fair value of these RSUs was determined based on the closing market price of Getty's stock on the date of grant without consideration of the five-year vesting period of the restricted stock award. These RSUs provide for settlement, to the extent vested, upon the earlier of ten years after grant or termination of service from the Board of Directors. At December 31, 2015, Messrs. Cooper, Coviello, Liebowitz and Safenowitz each had 16,700 vested and 13,800 unvested RSUs outstanding of which, in each case, 4,100 RSUs vested during the year ended December 31, 2015. At December 31, 2015, Mr. Montag had 11,700 vested and 13,800 unvested RSUs outstanding of which 4,100 RSUs vested during the year ended December 31, 2015.

Compensation Committee Interlocks and Insider Participation

PROPOSAL NO. 2

ADVISORY (NON-BINDING) VOTE

ON EXECUTIVE COMPENSATION (SAY-ON-PAY)

(Item No. 2 on the Proxy Card)

Background

The Dodd-Frank Wall Street Reform and Consumer Protection Act, or the Dodd-Frank Act, requires that our stockholders have the opportunity to cast an advisory (non-binding) vote on executive compensation, commonly referred to as a Say-on-Pay vote.

The advisory vote on executive compensation is a non-binding vote on the compensation of our NEOs as described in the Compensation Discussion and Analysis section, the tabular disclosure regarding such compensation, and the accompanying narrative disclosure, set forth in this Proxy Statement. The Compensation Discussion and Analysis section starts on page 17 of this Proxy Statement. Please read the Compensation Discussion and Analysis section which provides a detailed discussion of our executive compensation program and compensation philosophy, including information about 2015 compensation of our NEOs. This advisory vote on executive compensation is not a vote on our general compensation policies, the compensation of our Board, or our compensation policies as they relate to risk management.

The vote solicited by this Proposal No. 2 is advisory, and therefore is not binding on the Company, our Board or our Compensation Committee. The outcome of the vote will not require the Company, our Board or our Compensation Committee to take any action and will not be construed as overruling any decision by the Company, our Board or our Compensation Committee. Furthermore, because this non-binding, advisory resolution primarily relates to the compensation of our NEOs that has already been paid or contractually committed, there is generally no opportunity for us to revisit these decisions. However, our Board, including our Compensation Committee, values the opinions of our stockholders, and, to the extent there is any significant vote against the executive officer compensation as disclosed in this Proxy Statement, we will consider our stockholders' concerns and evaluate what actions, if any, may be appropriate to address those concerns. Stockholders will be asked at the Annual Meeting to approve the following resolution pursuant to this Proposal No. 2:

RESOLVED, that the stockholders of Getty Realty Corp. approve, on an advisory basis, the named executive officer compensation.

Recommendation

The Board of Directors unanimously recommends a vote FOR approval of the foregoing resolution. Proxies will be so voted unless stockholders specify otherwise in their proxies.

Pursuant to Section 16(a) of the Exchange Act and the rules issued thereunder, Getty's officers and directors are required to file reports of ownership and changes in ownership of Getty equity securities with the SEC and the NYSE. As a matter of practice, our administrative staff assists our executive officers and directors in preparing initial ownership reports and reporting ownership changes, and typically files those reports on their behalf. Based solely on a review of the Forms 3, 4 and 5 filed with the SEC during 2015 and written representations provided by our directors and officers, Getty believes that during 2015 all of our officers and directors complied with the Section 16(a) requirements.
