Item 7.01 Regulation FD Disclosure

On June 16, 2016, Cott Corporation (the Company) issued a press release announcing that its wholly owned subsidiary, Cott Finance Corporation (the Escrow Issuer), priced the previously announced offering of the Escrow Issuer's \$450 million in aggregate principal amount of 5.50% Senior Notes due 2024 (the New Notes). The New Notes will mature on July 1, 2024 and interest on the New Notes will accrue and be payable semi-annually commencing on January 1, 2017 at the rate of 5.50% per annum. The New Notes will yield gross proceeds to the Escrow Issuer of \$450 million. The Escrow Issuer has been declared an unrestricted subsidiary under the indentures governing Cott Beverages Inc.'s 5.375% Senior Notes due 2022 and its 6.75% Senior Notes due 2020, as well as DS Services of America, Inc.'s 10.000% Senior Notes due 2021. Each of Cott Beverages Inc. and DS Services of America, Inc. is a wholly owned subsidiary of Cott Corporation.

A copy of the press release is attached hereto as Exhibit 99.1. The information furnished pursuant to this Item 7.01, including Exhibit 99.1 attached hereto, shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), and it shall not be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended (the Securities Act), or the Exchange Act, except as expressly set forth by specific reference in such filing.

The Escrow Issuer will amalgamate with the Company and the combined company, Cott Corporation, will assume all of the obligations of the Escrow Issuer under the New Notes substantially simultaneously with the closing of the previously announced acquisition (the Eden Acquisition) of Hydra Dutch Holdings 1 B.V. by Carbon Acquisition Co B.V., a wholly-owned subsidiary of the Company, which is subject to closing conditions. Substantially simultaneously with the closing of the Eden Acquisition, the New Notes will be guaranteed on a senior basis by all of the Company's existing subsidiaries that are obligors under its existing ABL credit facility (the ABL Facility) and by any wholly-owned subsidiary that guarantees certain indebtedness of the Company or any of the other guarantors.

Item 8.01 Other Events

On June 16, 2016, the Escrow Issuer entered into a purchase agreement (the Purchase Agreement) with certain initial purchasers named in Schedule I therein (the Initial Purchasers) for a private placement offering of the New Notes. Pursuant to the Purchase Agreement, the Initial Purchasers agreed to purchase the New Notes. On the Release Date (as defined in the Purchase Agreement), the Company and certain subsidiaries of the Company, as guarantors (the Guarantors), are expected to execute and deliver a joinder agreement to the Purchase Agreement (the Joinder Agreement), whereby the Company and each of the Guarantors will agree to observe and fully perform all of the rights, obligations and liabilities contemplated therein. Following the Release Date, the Escrow Issuer will be combined with the Company by way of an amalgamation under applicable Canadian corporate law, and the combined company, Cott Corporation, will continue as the issuer of the New Notes.

Among other things, pursuant to the Purchase Agreement, the Escrow Issuer, and upon execution of the Joinder Agreement, the Company and each of the Guarantors, (i) agreed, for a period of 60 days, not to, without the prior written consent of the Deutsche Bank Securities Inc., as representative of the Initial Purchasers, offer for sale, sell, or otherwise dispose of (or enter into any transaction or device that is designed to, or would be expected to, result in the disposition by any person at any time in the future of) any debt securities of the Company or the Escrow Issuer substantially similar to the New Notes or securities convertible into or exchangeable for such debt securities of the Company or the Escrow Issuer, or sell or grant options, rights or warrants with respect to such debt securities of the Company or the Escrow Issuer or securities convertible into or exchangeable for such debt securities of the Company or the Escrow Issuer; and (ii) agreed to indemnify the Initial Purchasers with respect to certain aspects of the offering of the New Notes. The Purchase Agreement also contains customary representations, warranties and agreements by the Escrow Issuer, and upon execution of the Joinder Agreement, the Company and each of the Guarantors.

The New Notes were offered and are anticipated to be sold by the Escrow Issuer to the Initial Purchasers at a price set forth in the Purchase Agreement in reliance on an exemption pursuant to Section 4(a)(2) of the Securities Act and other applicable laws. Delivery to the Initial Purchasers of, and payment for, the New Notes is anticipated to be made on or about June 30, 2016. The New Notes have not been registered under the Securities Act and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements. In Canada, the New Notes will be offered and sold on a private placement basis in certain provinces to accredited investors in reliance on available exemptions from the prospectus requirement of applicable Canadian securities laws.

The obligation of the Initial Purchasers to purchase the New Notes are subject to customary terms and conditions, including accuracy of representations and warranties of the Escrow Issuer, and upon execution of the Joinder Agreement, the Company and each of the Guarantors and receipt of legal opinions and certificates, in each case as set forth in the Purchase Agreement.
