A Special Merger Message

From Vincent J. Delie, Jr., President & CEO

As announced earlier today (view full press release beginning below), FNB's acquisition of Yadkin Financial Corporation, the holding company and parent of North Carolina-based Yadkin Bank, creates a unique regional banking franchise with nearly \$30 billion in pro-forma assets and over 400 locations. We are very excited about welcoming new Yadkin team members, customers and communities in the Southeast to the FNB family.

FNB has completed 20 successful bank and branch acquisitions since 2000, including nine since 2010. Our proven history of merger successes would not be possible without the expertise and commitment demonstrated by both our support teams and front-line employees. I am proud of our past accomplishments and confident that we will continue to excel as an established merger integrator.

Being a successful merger integrator means employing a consistent merger strategy with a disciplined decision-making process. FNB strives to ensure that transactions are strategically sound, will result in growth for our Company, are positioned in strategically important markets and will enable successful implementation of our sustainable business model.

There are many compelling strategic and financial reasons for our merger with Yadkin Financial Corporation:

FNB and Yadkin Financial Corporation: A Great Partnership

Well-Positioned to Deliver Superior Long-Term Shareholder Value

A subsidiary of Yadkin Financial Corporation, Yadkin Bank is the largest community bank in North Carolina. Headquartered in Raleigh, NC, Yadkin was founded in 1968 as Yadkin Valley Bank. Over the years, the company grew organically and through numerous acquisitions of community banks with rich histories dating back as far as 1919. Yadkin's 100 branch network extends across North Carolina and upstate South Carolina.

With its most recent acquisition of NewBridge Bank in 2015, Yadkin's footprint encompasses the top metropolitan statistical areas (MSAs) in North Carolina, solidifying its position as the premier community bank in the state. Our combination with Yadkin will extend FNB's distribution network into the attractive, faster growing Southeastern markets with access to 189,000 new commercial prospects and a population of more than 10 million. The pro-forma company will hold a top 10 market share in five major metro markets – Pittsburgh MSA, Baltimore MSA, Raleigh MSA, Charlotte MSA and the Piedmont Triad (Greensboro-High Point MSA and Winston-Salem MSA).

Characterized by strong organic loan and deposit growth, Yadkin's culture and similar relationship banking approach are highly compatible with FNB. The combined company will have a broader suite of products and services to offer new and existing commercial, wealth management and retail customers. Both FNB and Yadkin teams have a history of significant acquisition experience and are well-positioned to complete a successful cultural integration.
