EXPLANATORY NOTE

This Post-Effective Amendment No. 1 to the registration statement on Form S-8 (File No. 333-122002) filed by Meridian Bioscience, Inc. (the Company) with the Securities and Exchange Commission (the Commission) on January 12, 2005 (the Form S-8) is being filed in order to deregister securities remaining under such registration statement.

A total of 250,000 shares of the Company's common stock were originally registered on the Form S-8 for issuance under the Company's Savings and Investment Plan (the Plan) in connection with the Company stock investment option under the Plan.

Effective December 15, 2016, Company stock was frozen as a Plan investment option. As a result of the freeze, participants will no longer be able to make a new investment in Company stock through the Plan. Following the freeze, participants with existing investments in Company stock in their Plan account will generally have the ability to sell their Company stock at any time (subject to certain limitations).

As a result of the freeze of the Company stock investment option, employer securities will no longer be offered to participants in the Plan. In accordance with Item 512(a)(3) of Regulation S-K and the undertaking made by the Company in the Form S-8 to remove from registration, by means of a post-effective amendment, any shares of Company stock which remain unsold at the termination of the offering under the Plan, the Company is filing this Post-Effective Amendment No. 1 in order to deregister the 229,519 shares of the Company's common stock that remained unsold on the effective date of the freeze, and that will not be issued under the Plan.
