(1) Per US\$1,000 or 1,000, as applicable. The Total Consideration includes an early tender premium equal to US\$30.00 per US\$1,000 principal amount for each series of US dollar denominated Old Notes accepted for purchase, and 30.00 per 1,000 principal amount for each series of Euro denominated Old Notes accepted for purchase.

PGF has accepted for purchase all of the Old Notes validly tendered in the Tender Offers on or prior to the Early Tender Date. The early settlement date on which PGF will make payment for Old Notes accepted in the Tender Offers is expected to be January 30, 2017 (the <u>Early Settlement Date</u>).

Holders of Old Notes that validly tendered on or prior to the Early Tender Date and whose Old Notes have been accepted for purchase are entitled to receive the total consideration set forth in the table above, which includes an

early tender premium as set forth therein, and to receive accrued and unpaid interest on their accepted Old Notes from the last interest payment date to, but not including, the Early Settlement Date. Holders of Old Notes that are validly tendered after the Early Tender Date but on or before 11:59 p.m., New York City time, on February 8, 2017 (the Expiration Date) and whose Old Notes are accepted for purchase will receive only the applicable tender offer consideration, which is equal to the total consideration set forth in the table above *minus* the applicable early tender premium as set forth therein, and to receive accrued and unpaid interest on their accepted Old Notes from the last interest payment date to, but not including, the final settlement date.

The total cash payment to purchase the accepted Old Notes on the Early Settlement Date will be approximately US\$5,821,471,639.26, excluding accrued and unpaid interest, based on the US dollar exchange rate described herein. Old Notes that have been validly tendered on or prior to the Early Tender Date, or that are validly tendered after the Early Tender Date and on or prior to the Expiration Date cannot be withdrawn, except as may be required by applicable law.

Subject to the terms and conditions of the Tender Offers, if the purchase of all Old Notes validly tendered in the Tender Offers would cause PGF to purchase an aggregate principal amount of Old Notes that would result in an aggregate amount in cash to be paid to holders, excluding accrued and unpaid interest, in excess of US\$6.0 billion (the Tender Cap), then only an aggregate principal amount of Old Notes that results in the payment of an aggregate amount to holders not in excess of the Tender Cap will be accepted in the Tender Offers. Old Notes tendered on or prior to the Early Tender Date, which have been accepted for purchase on the Early Settlement Date, will have priority over Old Notes tendered after the Early Tender Date. If, on the final settlement date, only a portion of Old Notes tendered after the Early Tender Date may be accepted for purchase consistent with the Tender Cap, PGF will pro rate such Old Notes accepted in the Tender Offers pursuant to the acceptance priority procedures described in the offer to purchase dated January 9, 2017 (as may be amended or supplemented from time to time, the Offer to Purchase). Any tendered Old Notes that are not accepted for purchase will be returned or credited without expense to the holder s account.

The Tender Offers will expire at 11:59 p.m., New York City time, on February 8, 2017.

The exchange rate used in translating Euro into US dollars was US\$1.0725 per Euro, the applicable exchange rate as of 2:00 p.m., New York City time on January 25, 2017, as reported on Bloomberg screen page FXIP under the heading FX Rate vs. USD.
