**Item 1.01. Entry into a Material Definitive Agreement.**

On January 24, 2018, Karyopharm Therapeutics Inc. (the *Company*) entered into an Asset Purchase Agreement (the *Agreement*) with Biogen MA Inc., a Massachusetts corporation and subsidiary of Biogen, Inc. (*Biogen*), pursuant to which Biogen acquired exclusive worldwide rights to develop and commercialize the Company's oral Selective Inhibitor of Nuclear Export (SINE) compound KPT-350 and certain related assets with an initial focus in amyotrophic lateral sclerosis (ALS).

Under the terms of the Agreement, Biogen purchased KPT-350 and certain related assets and assumed certain related liabilities. The Company will receive a one-time upfront payment of \$10 million from Biogen and is eligible to receive additional payments of up to \$207 million based on the achievement by Biogen of future specified development and commercial milestones. The Company will also be eligible to receive tiered royalty payments that reach low double digits based on future net sales until the tenth anniversary of the first commercial sale of the applicable product or the expiration of specified patent protection for the applicable product, determined on a county-by-country basis.

The Company and Biogen have made customary representations and warranties and agreed to customary covenants in the Agreement, including covenants requiring Biogen to use commercially reasonable efforts to develop KPT-350 in specified neurological indications, including ALS, in any of the United States, United Kingdom, France, Spain, Germany or Italy. The Agreement will continue in effect until the expiration of all royalty obligations, provided that the Agreement may be terminated earlier by Biogen, subject to the requirements that Biogen (i) negotiate in good faith with the Company regarding an assignment or license back to the Company of the purchased assets and (ii) not transfer or license the purchased assets to a third party unless such third party assumes Biogen's obligations to the Company under the Agreement.

Each party has also agreed to indemnify the other party from certain liabilities specified in the Agreement.

The Company expects to file the Agreement as an exhibit to its Quarterly Report on Form 10-Q for the quarter ending March 31, 2018. The foregoing description of certain terms of the Agreement is intended to be a summary of the material terms and is qualified in its entirety by reference to the text of the Agreement when filed.

A copy of the Company's press release announcing the entry into the Agreement is filed as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.
