Written communications pursuant to Rule 425 under the Securities Act (17 CFR 230.425)

Edgar Filing: Regional Management Corp. - Form 8-K

Soliciting material pursuant to Rule 14a-12 under the Exchange Act (17 CFR 240.14a-12)

Pre-commencement communications pursuant to Rule 14d-2(b) under the Exchange Act (17 CFR 240.14d-2(b))

Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Indicate by check mark whether the registrant is an emerging growth company as defined in Rule 405 of the Securities Act of 1933 (§230.405 of this chapter) or Rule 12b-2 of the Securities Exchange Act of 1934 (§240.12b-2 of this chapter).

Emerging growth company

If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the Exchange Act.

Item 1.01. Entry into a Material Definitive Agreement.***Securitization***

On June 28, 2018 (the Closing Date), Regional Management Corp. (the Company) completed its first private offering and sale of \$150.0 million principal amount of investment grade asset-backed notes (the 2018-1 Securitization). The 2018-1 Securitization consisted of the issuance of three classes of fixed-rate asset-backed notes (the Notes) issued by Regional Management Issuance Trust 2018-1 (the Issuer), a newly formed special purpose entity that is indirectly owned by the Company. To facilitate the private offering, the Company formed Regional Management Receivables III, LLC, a Delaware special purpose subsidiary (the Depositor). The Notes are collateralized by a pool of hard secured and soft secured consumer loans having an aggregate principal balance of approximately \$168.5 million as of May 31, 2018 (the Loans). Credit Suisse Securities (USA) LLC and Wells Fargo Securities, LLC each acted as joint bookrunner and co-lead manager and as initial purchasers. The Notes were rated by DBRS, Inc. on the issue date.

The following table summarizes certain aspects of the 2018-1 Securitization:

Principal Amount:	\$129.7 million (Class A)
	\$9.3 million (Class B)
	<u>\$11.0 million (Class C)</u>
	\$150.0 million (Total)
Interest Rate:	3.83% (Class A)
	4.28% (Class B)
	4.87% (Class C)
Revolving Period:	Ends on the close of business on June 30, 2020
Optional Call Date:	Beginning July 15, 2020
Final Maturity Date:	July 15, 2027

To implement the 2018-1 Securitization, Regional Management Receivables II, LLC, a special purpose entity and wholly-owned subsidiary of the Company (the Warehouse Borrower), sold and conveyed the Loans and related assets to the Company pursuant to a purchase agreement, dated as of the Closing Date, by and between the Warehouse Borrower and the Company (the Purchase Agreement). The Company then sold and conveyed the Loans and related assets and a certificate representing a beneficial interest in certain Loans (the Certificate) to the Depositor pursuant to a loan purchase agreement, dated as of the Closing Date, by and between the Company and the Depositor (the Loan Purchase Agreement). The Depositor then conveyed the Loans and related assets and the Certificate to the Issuer pursuant to a sale and servicing agreement, dated as of the Closing Date, by and among the Depositor, the Issuer, the Company as servicer (the Servicer), certain affiliates of the Company as subservicers, and Regional Management North Carolina Receivables Trust (the Sale and Servicing Agreement).

The Purchase Agreement and the Loan Purchase Agreement each contain customary corporate representations and warranties and customary covenants of the Warehouse Borrower and the Company, respectively, including negative covenants (a) restricting the sale, assignment, or transfer of the purchased Loans and related assets (or any interest

therein) to another person and (b) the taking of any other action that is inconsistent with the ownership of the purchased Loans and related assets. In order for a Loan to be eligible for sale by the Company to the Depositor, the Loan must meet all applicable eligibility criteria. The eligibility criteria includes, among other things, that the applicable Loan (a) has an amount financed that is greater than \$2,500 and less than \$20,000, (b) has an original and current annual percentage rate equal to or greater than 5.00% and equal to or less than 36.00%, (c) has been serviced and at all times maintained in accordance with the Company's credit and collection policy by the Company or an affiliate, (d) arises from or in connection with a bona fide sale or loan transaction (including any amounts in respect of interest and other charges and fees assessed on the Loan), and (e) complies in all material respects with applicable law.

The Loans will be serviced pursuant to the terms of the Sale and Servicing Agreement. The Servicer may delegate servicing responsibilities to other persons and will enlist the affiliates of the Company that originated the Loans to act as subservicers. The Sale and Servicing Agreement contains customary servicer defaults (subject to materiality thresholds and cure periods), including (a) failure by the Servicer to make any required payment, transfer, or deposit or to give instructions or notice to the Indenture Trustee to make such payment, transfer, or deposit, in an aggregate amount exceeding \$50,000, (b) non-compliance with covenants, (c) breach of a representation, warranty, or certification, or (d) an insolvency event involving the Servicer. If the Company, as servicer, defaults in its obligations under the Sale and Servicing Agreement, Wells Fargo, National Bank, as indenture trustee (the Indenture Trustee), may (and upon the written direction of the required noteholders shall) terminate and replace the Servicer.

The Notes were issued by the Issuer pursuant to an indenture, dated as of the Closing Date, by and among the Issuer, the Indenture Trustee, Wells Fargo National Bank, as the account bank, and the Servicer (the Indenture). The stated maturity of the Notes is July 15, 2027. Prior to maturity, the Issuer may redeem the Notes in full, but not in part, at its option (an Optional Call) on any Note payment date on or after the payment date occurring in July 2020 (as applicable, the Redemption Date). The amount at which the Notes may be redeemed must equal the sum of (i) the aggregate principal balance of the Notes on the record date preceding the Redemption Date, plus (ii) accrued and unpaid interest on the Notes, plus (iii) any other contractual expenses, indemnification amounts, or other amounts owed by the Issuer, minus (iv) all amounts then on deposit in the collection account, principal distribution account, and reserve account (the Note Accounts) and available to be distributed pursuant to the priority of payments on the Redemption Date.

No payments of principal of the Notes will be made during the Revolving Period. The Company may indirectly sell and convey additional Loans to the Issuer during the Revolving Period until the earlier of the close of business on June 20, 2020 and the close of business immediately preceding the day on which an early amortization event or event of default (as described below) is deemed to have occurred, provided that after the Revolving Period is terminated it may be restarted in certain limited circumstances. Under the Indenture, an early amortization event includes a servicer default.

The Indenture also contains customary events of default (subject to materiality thresholds and cure periods), including (a) failure of the Indenture Trustee to maintain a first priority perfected security interest in all or a material portion of the trust estate, (b) the Issuer or the Depositor becoming taxable as an association or a publicly traded partnership taxable as a corporation under the Internal Revenue Code, (c) failure to pay the principal balance of all outstanding Notes of any class, together with all accrued and unpaid interest thereon, in full on the stated maturity for such class, (d) non-compliance with covenants on the part of the Issuer or the Depositor, or (e) a breach of a representation, warranty, or certification by the Issuer, the Depositor, or the Servicer.

In the case of an event of default under the Indenture (except for an event of default relating to an insolvency event with respect to the Issuer or the Depositor), the Indenture Trustee shall, at the written direction of the required noteholders, declare all Notes immediately due and payable by notice to the Issuer, and upon such declaration, the unpaid principal amount of the Notes, together with any accrued and unpaid interest, will become immediately due and payable. In the case of an event of default that relates to an insolvency event with respect to the Issuer or the Depositor, the unpaid principal of the Notes, together with any accrued and unpaid interest, will become automatically due and payable.

Pursuant to the Sale and Servicing Agreement and in accordance with the Indenture, the Servicer may, on any Note payment date occurring on or after the date on which the aggregate principal balance of the outstanding Notes is reduced to 10% or less of the initial principal balance of the Notes, at its option purchase all of the Loans and related assets at a redemption price equal to the then aggregate fair market value of the Loans and related assets as of the date which is five (5) business days prior to the payment date on which such option is exercised. The Issuer will redeem and retire the Notes in the event that the Servicer exercises the optional purchase right, and the Servicer may only exercise the optional purchase right if the redemption price equals or exceeds the sum of (i) the amount necessary for the Issuer to redeem all of the Notes in full on the Redemption Date in accordance with the priority of payments (taking into account all amounts of available funds and any other amounts then on deposit in the Note Accounts and available to be distributed pursuant to the priority of payments on the Redemption Date) and (ii) any other contractual expenses, indemnification amounts, or other amounts owed by the Issuer.

On the Closing Date, the Depositor applied the net proceeds of the sale of the Notes to the purchase price of the initial Loans and the Certificate transferred to the Issuer on the Closing Date and to fund the reserve account. The Company applied the net proceeds of the sale of the initial Loans and the Certificate transferred to the Depositor on the Closing Date to repay existing indebtedness under the Warehouse Facility (as defined below) and its senior revolving credit

facility.

The Notes were offered in the United States to qualified institutional buyers under Rule 144A under the Securities Act of 1933, as amended (the Securities Act). The Notes were not and will not be registered under the Securities Act or any state securities laws, and, unless so registered, may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements. Credit ratings are opinions of the relevant rating agency. They are not facts and are not opinions of the Company. They are not recommendations to purchase, sell, or hold any securities and can be changed or withdrawn at any time.

For a complete description of the terms of the Sale and Servicing Agreement and the Indenture, see Exhibits 10.1 and 4.1 hereto. The foregoing description is only a summary, does not purport to be complete, and is qualified in its entirety by reference to the full text of the Sale and Servicing Agreement and the Indenture, which are incorporated by reference herein. On June 28, 2018, the Company issued a press release announcing the 2018-1 Securitization. A copy of this press release is filed as Exhibit 99.1 hereto and incorporated herein by reference. On or after the first payment date, which is August 15, 2019, the Company will make available the monthly servicer reports relating to the 2018-1 Securitization on its investor relations website at www.regionalmanagement.com.

Warehouse Facility

On the Closing Date, the Company and the Warehouse Borrower entered into an Omnibus Amendment (the Omnibus Amendment) to the Credit Agreement, dated June 20, 2017, by and among the Company, as servicer (the Warehouse Servicer), the Warehouse Borrower, the lenders from time to time parties thereto (the Lenders), Wells Fargo Bank, National Association, as account bank, image file custodian, and backup servicer, Wells Fargo Bank, National Association, as administrative agent (the Administrative Agent), and Credit Suisse AG, New York Branch, as structuring and syndication agent (the Credit Agreement). The Credit Agreement provides for \$150 million aggregate principal amount of borrowings (the Warehouse Facility) and is secured by certain Loans that were directly originated by the Company's subsidiaries, Regional Finance Corporation of Alabama, Regional Finance Company of Georgia, LLC, Regional Finance Company of New Mexico, LLC, Regional Finance Corporation of North Carolina, Regional Finance Company of Oklahoma, LLC, Regional Finance Corporation of South Carolina, Regional Finance Corporation of Tennessee, Regional Finance Corporation of Texas, and Regional Finance Company of Virginia, LLC.

The Omnibus Amendment amends certain defined terms and references used in the Credit Agreement and certain related transaction documents and provides consent by the required lenders to create the Certificate that is transferred to the Issuer in connection with the 2018-1 Securitization. The Credit Agreement contains covenants that require the Warehouse Servicer with respect to any collection period to maintain certain delinquency ratios, extension ratios, and annualized charge-off ratios. A failure to maintain such ratios may result in a Level I Trigger Event, Level II Trigger Event, or Level III Trigger Event. Pursuant to the Omnibus Amendment, the Lenders and the Administrative Agent have agreed to waive the occurrence of certain Level I Trigger Events, Level II Trigger Events, and Level III Trigger Events, in each case, to the extent that any such event occurs with respect to the collection periods ending June 30, 2018 or July 31, 2018 (it being understood that such collection periods shall be excluded from the determination of a Level I Trigger Event, Level II Trigger Event, and Level III Trigger Event with respect to such waived events for any payment date occurring after the date of the Omnibus Amendment).

For a complete description of the terms of the Omnibus Amendment, see Exhibit 10.2 hereto. The foregoing description is only a summary, does not purport to be complete, and is qualified in its entirety by reference to the full text of the Omnibus Amendment, which is incorporated by reference herein.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth under Item 1.01 of this Current Report on Form 8-K is incorporated by reference herein.

Item 9.01 Financial Statements and Exhibits.
