Subject line: Acquisition Update

AV Homes Employees,

We are roughly 60 days into the process of closing the acquisition that will make us a part of Taylor Morrison and I wanted to provide a point-in-time update on our latest progress.

First, I would like to reiterate some of the strong performance metrics Taylor Morrison shared during the company's Q2 2018 earnings call last week. Taylor Morrison's sales for their quarter were 2,342 with an average community count of 297 with a sales pace of 2.6. For the full year, Taylor Morrison anticipates delivering home closings between 8,400 and 8,800 units, with a community count between 280 and 285. What was also noteworthy about the earnings call was hearing the investors and analysts echo many of the strategic rationales for the transaction. Additionally, for Q2 2018, AV Homes reported 620 sales on 71 communities and 592 closings.

To date, a little more than 240 AV Homes employees have accepted offers to continue their employment with the combined company, contingent on the closing of the acquisition. All remaining offers are expected to be distributed by early next week, at which time Taylor Morrison will have completed the talent assessment process in just a little over two months—a remarkably fast pace. By that time, all employees will have been communicated to regarding their anticipated role in the future combined business.

As for next steps, Taylor Morrison is continuing work on the anticipated organizational charts in the divisions. I know they are quite anxious to get the rest of this work complete and we believe they are getting very close.

The Taylor Morrison and AV Homes leadership teams understand communication is always key, especially in times of change. Each Monday morning the go-forward Operations teams from Taylor Morrison and AV Homes in our overlapping regions are meeting with Taylor Morrison's Integration Management Office. These calls will empower our leaders to provide updates on the integration planning process in real time.

We are expecting the deal to close at the end of Q3 or early Q4 and I will continue sharing updates with you along the way. Until then, thank you for staying the course and delivering for our customers.

Regards,

Roger A. Cregg

President and Chief Executive Officer
