### Item 7.01 Regulation FD Disclosure.

On March 19, 2019, Allison Transmission Holdings, Inc. (the Company ) announced that its wholly owned subsidiary, Allison Transmission, Inc. (the Borrower ), is seeking to enter into a new term loan facility in the amount of \$648 million and a new revolving credit facility in the amount of \$600 million (collectively, the New Senior Secured Credit Facilities ). In connection therewith, the Company announced that it intends for the Borrower to commence an offering of \$500 million in aggregate principal amount of senior unsecured notes due 2029 (the Notes ) in a private placement (the Offering ) exempt from registration under the Securities Act of 1933, as amended (the Securities Act ), subject to market conditions. To the extent the Borrower elects to proceed with the Offering, it currently intends to use the net proceeds from the Offering, together with borrowings under its New Senior Secured Credit Facilities and cash on hand, to repay all outstanding borrowings under the Borrower's existing senior secured credit facilities and to pay related transaction fees and expenses. Any increase or decrease in the size of the Offering would result in a corresponding decrease or increase, respectively, in borrowings under the New Senior Secured Credit Facilities and/or use of cash on hand.

This Current Report is for information purposes only and is neither an offer to sell nor a solicitation of an offer to buy any security. The Notes will not be registered under the Securities Act and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements.
