3. To approve a proposal to adopt the Exantas Capital Corp. Second Amended and Restated Omnibus Equity Compensation Plan.

A list of stockholders entitled to vote at the Meeting will be available for inspection at the Meeting and for 10 days before the Meeting at our offices at 1845 Walnut Street, 18th Floor, Philadelphia, Pennsylvania.

By order of the Board of Directors,

YOUR VOTE IS IMPORTANT

Instead of mailing a printed copy of our proxy materials to all of our stockholders, we are using the Notice and Access method of providing proxy materials to stockholders via the Internet. This process provides stockholders with a convenient and quick way to access the proxy materials and vote, while allowing us to conserve natural resources and reduce the costs of printing and mailing these materials. Accordingly, on or about April 18, 2019, we will begin

Edgar Filing: Exantas Capital Corp. - Form DEF 14A

mailing a Notice of Internet Availability of Proxy Materials (the Notice) to all stockholders of record on our books at the close of business on April 12, 2019, which is the record date for the Meeting, and will post our proxy materials on the website referenced in the Notice. As more fully described in the Notice, stockholders may choose to access our proxy materials on the website referred to in the Notice or may request a printed set of our proxy materials. In addition, the Notice and website provide information regarding how you may request receipt of proxy materials in printed form by mail, or electronically by email, on an ongoing basis.

If you are a stockholder of record, you may vote in one of the following ways:

Vote over the Internet, by going to www.proxyvote.com (have your Notice or proxy card in hand when you access the website);

Vote by Telephone, by calling the toll-free number 1-800-690-6903 (have your Notice or proxy card in hand when you call);

Vote by Mail, if you received a printed copy of the proxy materials, by returning the proxy card (signed and dated) in the envelope provided; or

Vote in person at the Meeting.

If your shares are held in street name, meaning that they are registered in the name of a broker or other nominee, you will receive instructions from such broker or nominee that you must follow for your shares to be voted.

Whether or not you plan to attend the Annual Meeting in person, we encourage you to vote as soon as possible to ensure that your shares are represented at the Meeting.

IMPORTANT NOTICE REGARDING INTERNET AVAILABILITY OF PROXY MATERIALS FOR ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON JUNE 12, 2019: The proxy statement and our 2018 annual report are available at <http://exantas.gcs-web.com/annual-report-and-proxy-statement>.

PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON WEDNESDAY, JUNE 12, 2019

ABOUT THE MEETING

Solicitation of Proxies. This proxy statement and the accompanying proxy are furnished to stockholders of Exantas Capital Corp. (the *Company*) in connection with the solicitation by our Board of Directors (the *Board*) of proxies for use at the 2019 annual meeting of stockholders of Exantas Capital Corp. (the *Meeting*), to be held on June 12, 2019, at 11:00 a.m. at 1845 Walnut Street, 18th Floor, Philadelphia, Pennsylvania, and at any and all adjournments, postponements or continuations thereof.

Mailing Date. In accordance with rules and regulations adopted by the Securities and Exchange Commission (the *SEC*), instead of mailing a printed copy of our proxy materials to each stockholder of record, we are now furnishing proxy materials to our stockholders on the Internet. If you received a Notice of Internet Availability of Proxy Materials by mail, you will not receive a printed copy of the proxy materials, unless specifically requested. Instead, the Notice of Internet Availability of Proxy Materials will instruct you as to how you may access and review all of the important information contained in the proxy materials. The Notice of Internet Availability of Proxy Materials also instructs you as to how you may submit your proxy via the Internet, telephone or by mail. If you received a Notice of Internet Availability of Proxy Materials by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials included in the Notice of Internet Availability of Proxy Materials.

It is anticipated that the Notice of Internet Availability of Proxy Materials will be mailed to stockholders on or about April 18, 2019.

Who Can Vote. Only holders of record of our common stock at the close of business on April 12, 2019 will be entitled to notice of, and to vote at, the Meeting. Each of the approximately 31,867,106 shares of our common stock outstanding on that date is entitled to one vote on each matter that comes before the Meeting.

How to Vote Proxy Instructions. If you are a holder of record of Exantas Capital Corp. common stock, you may vote your shares over the Internet, by telephone, by using a traditional proxy card or in person at the Meeting. Refer to the Notice of Internet Availability of Proxy Materials or your proxy or voting instruction card to see which options are available to you and how to use them. Stockholders who hold their shares in *street name* will receive a Notice of Internet Availability of Proxy Materials from the institution that holds their shares and should follow the voting instructions given by that institution.

Edgar Filing: Exantas Capital Corp. - Form DEF 14A

You may specify whether your shares should be voted for all, some or none of the nominees for director (Proposal 1); you may specify whether your shares should be voted for or against, or whether you abstain from voting on, the approval of our 2018 executive compensation program (Proposal 2); you may specify whether your shares should be voted for or against, or whether you abstain from voting on, the adoption of the Exantas Capital Corp. Second Amended and Restated Omnibus Equity Compensation Plan (the Omnibus Plan) (Proposal 3); and you may specify whether your shares should be voted for or against, or whether you abstain from voting on, the ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2019 (Proposal 4).

If you do not vote your shares on the election of directors, Say on Pay or the Omnibus Plan, your brokerage firm may not vote them for you and your shares will remain unvoted. Therefore, it is important that you vote your shares for all proposals, including Proposals 1, 2 and 3, each of which are viewed as non-routine matters for which brokerage firms may not vote on your behalf without your instructions.

If you sign your proxy card or voting instruction card with no further instructions, your shares will be voted in accordance with the recommendations of the Board, FOR: the election of all directors in Proposal 1; the approval of the Say on Pay vote in Proposal 2; the adoption of the Omnibus Plan as set forth in Proposal 3; and the ratification of our independent registered public accounting firm in Proposal 4.

Broker Non-Votes. A broker non-vote occurs when a nominee, such as a bank or broker, holding shares for a beneficial owner, does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. Generally banks and brokers may vote their customers' shares on proposals considered routine and may not vote their customers' shares on proposals that are not considered routine if the customers have not furnished voting instructions within a specified period of time prior to the Meeting. **This means that if you do not directly vote your shares and you do not give your broker or nominee specific instructions on how to vote your shares, then your broker or nominee does not have authority to vote your shares with respect to such matters and your shares will not be voted on such matters.** Proposals 1, 2 and 3 described below are not considered routine matters. Proposal 4 described below is considered a routine matter.

Revocation of Proxies. If you are a holder of record, you may revoke your proxy at any time before it is exercised in any of three ways:

- 1) by submitting written notice of revocation to our Secretary;
- 2) by submitting another proxy by mail that is later dated and properly signed; or
- 3) by voting in person at the Meeting.

If your shares are held in street name, you must contact your broker or nominee to revoke and vote your proxy.

Quorum. A quorum of stockholders is necessary to hold a valid meeting. A quorum will exist if the holders representing a majority of the votes entitled to be cast by the stockholders at the Meeting are present, in person or by proxy. Broker non-votes and abstentions are counted as present at the Meeting for purposes of determining the existence of a quorum, but because they are neither a vote cast in favor of, nor a vote cast opposing, a proposed action, abstentions and broker non-votes typically will not be counted as a vote cast on any matter, except with respect to matters subject to New York Stock Exchange approval standards where abstentions are deemed to be votes cast for New York Stock Exchange (NYSE) compliance purposes.

Required Vote. The number of votes required for someone to be elected as a director is dependent on whether an election is contested or uncontested. Our bylaws define an election as contested if there are more candidates for election than the number of directors to be elected. The election described in Proposal 1 below is an uncontested election. In order to be elected as a director in an uncontested election as described in Proposal 1 below, each director is elected by a majority of votes cast with respect to such director nominee at a meeting of stockholders duly called and at which a quorum is present. A majority of votes cast means that the number of shares voted for a director's election exceeds 50% of the total number of votes cast with respect to that director's election. Votes cast include votes for and votes against, but exclude abstentions and broker non-votes with respect to a director's election. In the case of any contested election, our bylaws provide that directors shall be elected by a plurality of votes cast at a meeting of stockholders duly called and at which a quorum is present.

Edgar Filing: Exantas Capital Corp. - Form DEF 14A

In order to approve our Say on Pay vote as described in Proposal 2, adopt our Omnibus Plan as described in Proposal 3 and ratify the appointment of Grant Thornton as our independent registered public

accounting firm for the fiscal year ending December 31, 2019 as described in Proposal 4 below, the affirmative vote of the holders of at least a majority of the shares present in person or by proxy at the Meeting is required. Abstentions will have the effect of votes against Proposals 2, 3 and 4. Proposal 2 is advisory and not binding on the Board or us.

Other Business. We do not intend to bring any business before the meeting other than that set forth in the Notice of the Annual Meeting and described in this proxy statement. However, if any other business should properly come before the meeting, the persons named in the proxy card intend to vote in accordance with their best judgment on such business and on any matters dealing with the conduct of the meeting pursuant to the discretionary authority granted in the proxy.

Costs. We pay for the preparation and mailing of the Notice of the Annual Meeting and proxy statement. Our directors, officers and employees may solicit proxies personally or by letter or telephone, but no director, officer or employee will be specially compensated for soliciting such proxies. We have also made arrangements with brokerage firms and other custodians, nominees and fiduciaries for forwarding proxy-soliciting materials to the beneficial owners of our common stock at our expense.

Householding of Proxy Materials. The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as householding, potentially provides extra convenience for stockholders and cost savings for companies. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, or if you are receiving multiple copies of the proxy statement and wish to receive only one, please notify your broker if your shares are held in a brokerage account or us if you hold common stock directly. Requests should be addressed to American Stock Transfer & Trust Company, 6201 15th Avenue, Brooklyn, New York 11219, Attention: Shareholder Services Department, or by calling 1-800-937-5449 (+1-718-921-8200 for foreign stockholders). We will promptly furnish a separate copy of the proxy statement upon a written or oral request by a stockholder currently subject to householding.

SECURITY OWNERSHIP

The following table sets forth the number and percentage of shares of common stock owned, as of April 12, 2019, by (a) each person who, to our knowledge, is the beneficial owner of more than 5% of the outstanding shares of our common stock, (b) each of our present directors and nominees for director, (c) each of our named executive officers and (d) all of our executive officers and directors as a group. This information is reported in accordance with the beneficial ownership rules of the SEC under which a person is deemed to be the beneficial owner of a security if that person has or shares voting power or investment power with respect to such security or has the right to acquire such ownership within 60 days of April 12, 2019. Shares of common stock issuable pursuant to options, warrants or the conversion of debt securities are deemed to be outstanding for purposes of computing the percentage of the person or group holding such options or warrants but are not deemed to be outstanding for purposes of computing the percentage of any other person.

CORPORATE GOVERNANCE

Our Board of Directors and Its Committees

Our common stock is listed on the NYSE under the symbol XAN, and we are subject to the NYSE's listing standards. The Board has determined that each of Messrs. Beach, Hart, Ickowicz, Levin, Neff and Silverman and Ms. Wiggins satisfies the requirement for independence set out in Section 303A.02

of the rules of the NYSE and that each of these directors has no material relationship with us (other than being a director and/or a stockholder). In making its independence determinations, the Board sought to identify and analyze all of the facts and circumstances relating to any relationship between a director, his or her immediate family or affiliates and our Company and our affiliates and did not rely on categorical standards other than those contained in the NYSE rules.

The Board held a total of 15 meetings during fiscal year 2018. Each of the directors attended at least 75% of the total number of meetings of the Board and (if applicable) of the committees on which he or she served during fiscal year 2018.

The Board has four standing committees: the Audit Committee; the Compensation Committee; the Nominating and Governance Committee; and the Investment Committee. All of the members of each committee, other than the Investment Committee, are independent directors as that term is defined in the NYSE's listing standards.

The Board believes that its structure and processes provide each director with an equal stake in the Board's actions and oversight role and make them equally accountable to stockholders.

Executive Sessions. As set forth in our Corporate Governance Guidelines and in accordance with NYSE listing standards, the non-management directors have the opportunity to meet in executive sessions quarterly without management. The director who presides at these meetings is rotated among the chairs of the Audit Committee, Compensation Committee and Nominating and Governance Committee in the following order: Audit Committee chairman; Compensation Committee chairman; and Nominating and Governance Committee chairman. The Board believes that this rotation provides different directors the opportunity to guide the Board's agenda and facilitates collegiality among board members.

Interested parties wishing to communicate directly with the non-management directors may contact the chairman of the Audit Committee, P. Sherrill Neff, at Quaker BioVentures, Cira Centre, 2929 Arch Street, Philadelphia, Pennsylvania 19104.

Board Self-Assessment. Pursuant to our Corporate Governance Guidelines and the charter of the Nominating and Governance Committee, every year our Nominating and Governance Committee oversees the evaluation process to ensure that the full Board conducts an assessment of its performance and effectiveness and solicits feedback for enhancement and improvement. Directors are provided with a questionnaire that they can complete to evaluate the Board and the committees, specifically focusing on areas of potential improvement. The Nominating and Governance Committee reviews the feedback and then discusses it with the full Board. The evaluation process is designed to facilitate ongoing, systematic examination of the Board's effectiveness and accountability, and to identify opportunities for improving its operations and procedures.

Audit Committee. The Audit Committee reviews the scope and effectiveness of audits by the internal and independent accountants, is responsible for the engagement of independent accountants and reviews the adequacy of our internal financial controls. Members of the committee since the last annual meeting are Messrs. Neff (Chairman), Beach and Hart and Ms. Wiggins. The Board has determined that each member of the Audit Committee meets the independence standards for Audit Committee members set forth in the NYSE listing standards and in the Exchange Act and that each of Messrs. Beach and Neff qualifies as an audit committee financial expert as that term is defined in the NYSE and Exchange Act rules and regulations. The committee held four meetings during fiscal year 2018. The Audit Committee charter is available on our website at www.exantas.com, and we will provide a printed copy to any stockholder who requests it.

Compensation Committee. The principal functions of the Compensation Committee are to:

review the compensation payable to our directors;

review the compensation and fees payable to our Manager under our management agreement; and

administer the issuance of any stock or stock options issued to our employees and/or the employees of our Manager or its affiliates who perform services for us.

Under the management agreement with our Manager, our Manager assumes principal responsibility for managing our affairs and providing the personnel that we need to conduct our operations. Our Manager and its affiliates are responsible for paying the compensation of all such personnel and, consequently, such personnel do not receive separate compensation from us. However, we reimburse our Manager for all of the wages, salary and benefits established and paid by our Manager or an affiliate to our Chief Financial Officer and several accounting, finance, tax and investor relations professionals.

The members of the committee since the last annual meeting are Messrs. Beach (Chairman), Levin and Neff. The committee held one meeting during fiscal year 2018. The Compensation Committee Charter is available on our website at www.exantas.com, and we will provide a printed copy to any stockholder who requests it.

Nominating and Governance Committee. The principal functions of the Nominating and Governance Committee are to:

assist us in maintaining an effective and knowledgeable Board, including assisting the Board by identifying individuals qualified to become directors and recommend to the Board the director nominees for the next annual meeting of stockholders and the directors to be appointed to the Audit, Compensation and Nominating and Governance Committees; and

develop and recommend for the Board's consideration governance guidelines for us.

The committee has not adopted specific, minimum qualifications or specific qualities or skills that must be met by a recommended nominee. The committee seeks to ensure that the members of the Board and each committee satisfies all relevant NYSE listing standard requirements, applicable laws and requirements of our governance documents. The committee seeks to achieve a mixture of skills that are related to our business and seeks candidates who have diverse backgrounds and areas of expertise so that each member can offer a unique and valuable perspective. The nature of the specific qualifications, qualities or skills that the committee may look for in any particular director nominee is dependent on the qualifications, experience and skills of the rest of the directors at the time of any vacancy on the Board.

The Nominating and Governance Committee identifies director nominees by first evaluating the current members of the Board willing to continue in service. Current members with skills and experience that are relevant to our business and are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining a new perspective. If any member of the Board does not wish to continue in service, if the Nominating and Governance Committee or Board decides not to re-nominate a member for re-election or if we decide to expand the Board, then the committee identifies the desired skills and experience of a new nominee consistent with the Nominating and Governance Committee's criteria for Board service. Current members of the Board and management are polled for their recommendations. Research may also be performed or third parties retained to identify qualified individuals. To date, we have not engaged third parties to identify or evaluate potential nominees; however, we may in the future choose to do so.

The members of the Nominating and Governance Committee since the last annual meeting are Messrs. Levin (Chairman), Beach and Hart. The committee took action via unanimous written consent in lieu of a meeting twice

during 2018. Our Corporate Governance Guidelines and Nominating and Governance Committee charter are both available on our website at www.exantas.com, and we will provide a printed copy to any stockholder who so requests it.

Stockholder Recommendations for Director Nominees. The Nominating and Governance Committee will consider candidates for nomination as a director recommended by stockholders, directors, officers, third-party search firms and other sources. In evaluating candidates, the committee considers the attributes of the candidate (including skills, experience, international versus domestic background, diversity and legal and regulatory requirements) and the mixture of skills and experience of the members of the Board, and will review all candidates in the same manner, regardless of the source of the recommendation. The Nominating and Governance Committee does not have a formal policy regarding the consideration of diversity in identifying candidates beyond being committed to ensuring that no person would be excluded from consideration for service as a director as a result of their gender, race, religion, creed, sexual orientation or disability. The committee will consider individuals recommended by stockholders for nomination as a director in accordance with the procedures described under Stockholder Proposals for the 2020 Annual Meeting. Recommendations should include the following:

such information as may be reasonably necessary to determine whether the director candidate is independent from the stockholder that has recommended the candidate;

such information as may be reasonably necessary to determine whether the director candidate is qualified to serve on the Board; and

such information as may be reasonably necessary to determine whether the director candidate meets the independence standards of the NYSE.

The Board may also request such additional information concerning the proposed nominee as may be reasonably required to determine whether each person recommended by a stockholder meets the criteria discussed above and to enable us to make appropriate disclosures to stockholders.

Investment Committee. The Investment Committee reviews and approves loan originations and real estate, preferred equity and other investments that are between \$35 million and \$50 million. Investments under such threshold are approved only by our Manager's investment committee, and investments over such threshold are approved by our full Board. The members of the committee are Messrs. Farkas (Chairman), Beach, Ickowicz, Kessler and Silverman. The committee held three meetings during fiscal year 2018.

Communication with the Board. The Board has established a process for stockholders to send communications to it. Stockholders may communicate with the Board, or any director or committee chairperson, by writing to such parties in care of Michele R. Weisbaum, Senior Vice President, Chief Legal Officer and Secretary, Exantas Capital Corp., 1845 Walnut Street, 18th Floor, Philadelphia, PA 19103. Communications addressed to the Board generally will be forwarded either to the appropriate committee chairperson, all directors or the individual directors to whom the communication is addressed. Communications may be submitted confidentially and anonymously. Under certain circumstances, we may be required by law to disclose the information or identity of the person submitting the communication. No action was taken by the Board as a result of any communication received during fiscal year 2018 from a stockholder. Some concerns communicated to the Board also may be referred to our internal auditor or our Chief Legal Officer. The Chairman of the Board or the Chairman of the Audit Committee may direct that concerns be presented to the Audit Committee, or to the full Board, or that they otherwise receive special treatment, including retention of external counsel or other advisors.

Attendance at Annual Meetings. We do not have a formal policy regarding Board member attendance at our annual meeting of stockholders. All of our Board members attended last year's annual meeting of stockholders, and we anticipate that all of them will attend the Meeting.

Board Leadership Structure and Role in Risk Oversight

We have no specific policy with respect to the separation of the offices of Chairman and Chief Executive Officer. Currently, Andrew L. Farkas serves as Chairman of the Board and Robert C. Lieber

serves as Chief Executive Officer. The Board believes that our Corporate Governance Guidelines provide it with appropriate flexibility to determine from time to time the leadership structure that best enables us to pursue our business strategies and goals. The Board believes that the most effective leadership structure at the present time is to have separate Chairman of the Board and Chief Executive Officer positions because this allows the Board to benefit from having two strong voices bringing separate views and perspectives to meetings and gives us the benefit of the significant expertise that both Messrs. Farkas and Lieber have in finance and real estate.

Risk management, led by our officers and the Board, is a company-wide function that is an integrated effort to identify, assess and manage risks that may affect our ability to execute on our business strategy and fulfill our business objectives. The Board's role is to oversee this function. The Audit Committee enhances the Board's oversight of risk management. The Audit Committee's role is also one of oversight, recognizing that management is responsible for executing our risk management policies. The Audit Committee's responsibilities include discussing with management our major financial risk exposures and the steps management has taken to monitor and control such exposures, including our risk assessment and risk management policies. The Audit Committee also discusses guidelines and policies to govern the process by which risk assessment and management is undertaken. The Audit Committee also oversees our internal audit function and is responsible for monitoring the integrity, and ensuring the transparency, of our financial reporting processes and systems of internal controls regarding finance, accounting and regulatory compliance. The Audit Committee incorporates its risk oversight function into its regular reports to the Board.

With respect to cybersecurity risk oversight, the Audit Committee receives periodic reports and/or updates from management on the primary cybersecurity risks that we and our Manager face and the measures we are taking to mitigate such risks. Additionally, the Audit Committee receives updates from management regarding changes to our cybersecurity risk profile or certain newly identified risks. The Audit Committee updates the Board on cybersecurity matters.

The Compensation Committee and the Nominating and Governance Committee assist the Board in fulfilling its oversight responsibilities with respect to the management of risks arising from our compensation policies and programs and risks associated with Board organization, membership and structure, succession planning and corporate governance. The Board reviewed with the Compensation Committee its compensation policies and practices applicable to our Manager that could affect our assessment of risk and risk management. Following such review, the Board determined that our compensation policies and practices, pursuant to which we pay no cash compensation to our officers and Resource America's and C-III's employees (with the exception of reimbursements for certain officers, which we discuss in the Compensation Discussion and Analysis) because they are compensated by Resource America or C-III, do not create risks that are reasonably likely to have a material adverse effect on us. The Board also considered that while we may grant shares of our stock to our officers, or Resource America's or C-III's employees, such grants align their interests with our interests and do not create risks that are reasonably likely to have a material adverse effect on us.

The Investment Committee exercises the authority of the Board to supervise our Manager's compliance with the investment guidelines approved by the Board and to approve any proposed investments within the limits set forth in the investment guidelines described above.

Diversity and Inclusion

Our commitment to corporate responsibility and sustainability is built on a strong foundation of transparency, governance and ethics. We are committed to operating with integrity, contributing to the local communities surrounding our offices, promoting diversity and inclusion and being thoughtful stewards of natural resources. We have one female director, representing 12.5% of the non-executive members of the Board. Through our Code of Business Conduct and Ethics, we have policies that prohibit discrimination and harassment and promote the highest

standards of ethics and compliance for our business.

Code of Business Conduct and Ethics

We have adopted a code of business conduct and ethics applicable to all directors, officers and employees. We will provide to any person without charge, upon request, a copy of our code of business conduct and ethics. Any such request should be directed to us as follows: Exantas Capital Corp., 1845 Walnut Street, Philadelphia, PA 19103, Attention: Secretary. Our code of business conduct and ethics is also available on our website at www.exantas.com.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee consisted of Messrs. Beach, Levin and Neff during fiscal year 2018. No such person was an officer or employee of ours or any of our subsidiaries or affiliated companies during fiscal year 2018 or was formerly an officer or employee of ours. None of our executive officers was a director or executive officer of any entity of which any member of the Compensation Committee was a director or executive officer during fiscal year 2018.

2018 NON-EMPLOYEE DIRECTOR COMPENSATION

Our 2018 compensation package for non-employee directors was comprised of cash (annual retainer) and restricted stock awards. The annual pay package is designed to attract and retain highly-qualified, independent professionals to represent our stockholders. Our compensation package is also designed to create alignment between our directors and our stockholders through the use of equity-based grants. Each independent director is entitled to compensation consisting of an annual cash retainer of \$65,000 and an annual restricted stock award valued at approximately \$35,000 on the date of grant, which is the anniversary of the date on which each independent director became a director. In addition, the members of the Investment Committee (Messrs. Beach, Ickowicz, Kessler and Silverman) each received an additional \$20,000 in cash (which was decreased in January 2018 from \$100,000), the members of the Audit Committee (Messrs. Neff, Beach and Hart and Ms. Wiggins) each received an additional \$10,000 in cash and the members of the Compensation Committee (Messrs. Beach, Levin and Neff) each received an additional \$5,000 in cash. In addition, the chairmen of the Audit Committee and the Compensation Committee (Messrs. Neff and Beach, respectively) each received an additional restricted stock award valued at approximately \$5,000.

The following table sets forth director compensation for each of our non-employee directors for 2018:

COMPENSATION DISCUSSION AND ANALYSIS

This Compensation Discussion and Analysis describes our executive compensation program for 2018. We use this program to attract, motivate and retain our named executive officers (NEOs) and other executives. In particular, we will explain how the Compensation Committee of the Board made 2018 compensation decisions for our 2018 NEOs:

Robert C. Lieber, our Chief Executive Officer;

Matthew J. Stern, our President;

David J. Bryant, our Senior Vice President, Chief Financial Officer and Treasurer;

Thomas C. Elliott, our Executive Vice President - Finance and Operations; and

Eldron C. Blackwell, our Vice President and Chief Accounting Officer.

Objectives of Our Compensation Program

We are externally managed by our Manager pursuant to a management agreement among our Manager, Resource America and us. We do not have any employees. All of our NEOs are employees of C-III or Resource America. We have not paid, and do not intend to pay, any cash compensation to our NEOs. We do reimburse Resource America for the wages, salary and benefits paid to our Chief Financial Officer and Chief Accounting Officer and a portion of Mr. Elliott's wages, salary and benefits. With the exception of our Chief Financial Officer who is fully dedicated to our operations, the management agreement does not require our NEOs to dedicate a specified amount of time to fulfilling the Manager's obligations to us under the management agreement and does not require a specific amount or percentage of the fees paid to the Manager to be allocated to the NEOs. Our Compensation Committee has, from time to time, granted equity awards in the form of restricted stock to our NEOs pursuant to our Amended and Restated Omnibus Equity Compensation Plan. These awards are designed to align the interests of our NEOs with those of our stockholders, by correlating their compensation to the performance of our stock and by allowing them to share in the creation of value for our stockholders through stock price appreciation and dividends. These equity awards are subject to time-based vesting requirements designed to promote the retention of management, incentivize long term objectives and achieve strong performance for us. These awards further provide us flexibility in our ability to enable Resource America and C-III to attract, motivate and retain talented individuals for our Manager.

Setting Executive Compensation

Our NEOs are employees of Resource America or C-III. The base salaries and cash incentive compensation paid to our Chief Financial Officer and Chief Accounting Officer are recommended by our Chief Executive Officer to the Compensation Committee for approval. The determination of the base salary and cash incentive compensation paid to

our other NEOs is made solely by Resource America and/or C-III, as applicable. The analyses and determinations for our NEOs' compensation are not based upon any particular compensation matrix or formula, but are instead based upon qualitative evaluations of their contributions to the Company. Resource America determines the base salary and bonus for Mr. Elliott and has allocated a portion of his wages, salary and benefits to us for reimbursement to Resource America beginning on July 1, 2017. Approximately 41% of the cash and stock award compensation paid to Messrs. Bryant, Elliott and Blackwell was for fixed pay (i.e., base salary) and approximately 59% was for incentive pay (i.e., cash bonus and stock award). We pay fees to our Manager pursuant to the management agreement, and although we do not control how such fees are allocated by Resource America or C-III, we believe that an unspecified portion of the base salary and cash incentive compensation paid to our NEOs is derived from fees paid by us. We disclose the cash amounts paid by Resource America to our Chief Financial Officer and Chief Accounting Officer (for which we reimburse Resource America), our only two NEOs who devote their full business time to our affairs, in the Summary Compensation Table below.

Our Chief Executive Officer's incentive stock compensation is determined by the Compensation Committee. All other grants of Exantas Capital Corp.'s incentive stock compensation are recommended by our Chief Executive Officer for approval by our Compensation Committee. Our Chief Executive Officer provides the Compensation Committee with key elements of our NEOs' performance during the year and their contribution to the Company to assist the committee in its determinations and approvals. Our Chief Executive Officer, at the Compensation Committee's request, might attend committee meetings to provide insight into our NEOs' performance.

Our Compensation Committee operates under a written charter adopted by our Board, a copy of which is available on our website at www.exantas.com. Our Compensation Committee determines compensation amounts after the end of our fiscal year and makes equity awards shortly thereafter. Our Compensation Committee has the discretion to issue equity awards at other times during our fiscal year.

Elements of Our Compensation Program

As described above, our NEOs do not receive cash compensation from us, although beginning in October 2009, we agreed to reimburse Resource America for the wages, salary and benefits of our Chief Financial Officer and in March 2014, we agreed to reimburse Resource America for the wages, salary and benefits of our Chief Accounting Officer. In addition, beginning in July 2017, we agreed to reimburse Resource America for a portion of the wages, salary and benefits of Mr. Elliott. Our Compensation Committee has, from time to time, granted equity awards in the form of restricted stock to our NEOs pursuant to our Amended and Restated Omnibus Equity Compensation Plan.

Grants of restricted stock reward stockholder value creation slightly differently than stock options. Restricted stock is impacted by all stock price changes, both increases and decreases. Restricted stock generally vests 33.33% per year and includes a right to receive dividends on unvested shares.

How We Determined 2018 Compensation

As discussed above, our Compensation Committee believes that it is important for our NEOs, who are employees of Resource America or C-III, to remain significantly aligned with the interests of our stockholders. Accordingly, we have traditionally made grants of restricted stock to such NEOs.

The restricted stock grants vest 33.33% per year over three years and have full voting and dividend rights. Our Compensation Committee analyzed the management agreement and reviewed how our operating costs compared to other REITs' operating costs. Our Compensation Committee also considered our growth, complexity and performance. The Committee also considered the amount of our restricted stock that had been granted in recent years. In particular, the Compensation Committee desired to continue to build alignment between key employees of our Manager and our stockholders, provide meaningful incentive for the retention of such key employees and ensure that total compensation paid to our Manager and its employees is consistent with competitors in the commercial real estate lending industry. In January 2019, our Compensation Committee approved the awards discussed below for 2018, based upon our performance and the individual performance of our NEOs. In particular, this year our Compensation Committee focused on the efforts to increase commercial real estate (CRE) debt investments, strategically acquire CMBS investments, reduce our cost of capital, dispose of certain legacy CRE debt investments and non-core assets and reduce our other expenses. Our Compensation Committee also considered our ability to successfully originate, manage and finance quality investment products.

Upon our CEO's recommendation, other than for himself, our Compensation Committee in January 2019 approved the following awards for fiscal year 2018:

Mr. Lieber was awarded 12,278 shares of restricted stock for fiscal year 2018, which had the same aggregate dollar value as the 13,020 shares of restricted stock awarded for fiscal year 2017.

Mr. Stern was awarded 12,278 shares of restricted stock for fiscal year 2018, which had the same aggregate dollar value as the 13,020 shares of restricted stock awarded for fiscal year 2017.

Mr. Elliott was awarded 9,823 shares of restricted stock for fiscal year 2018, which had the same aggregate dollar value as the 10,416 shares of restricted stock awarded for fiscal year 2017.

Mr. Bryant was awarded 9,823 shares of restricted stock for fiscal year 2018, which had the same aggregate dollar value as the 10,416 shares of restricted stock awarded for fiscal year 2017.

Mr. Blackwell was awarded 2,946 shares of restricted stock for fiscal year 2018, which had the same aggregate dollar value as the 3,125 shares of restricted stock awarded for fiscal year 2017.

Compensation and Risks

We believe that the risks material to our business are those that derive from broad-based economic trends and specific trends relating to particular loans, assets securing such loans and properties we hold. We do not believe that these risks are materially affected by, or materially arise from our compensation policies, as our compensation is in the form of equity grants that typically vest over time. We believe this encourages our executives to focus on sustained share price appreciation, rather than short-term results.

Compensation Committee Report

We have reviewed and discussed with management the Compensation Discussion and Analysis prepared by management. Based on this review and discussion, we have recommended to the Board of Directors that the Compensation Discussion and Analysis prepared by management be included in this Proxy Statement and incorporated by reference into our 2018 Annual Report.

Additionally, if any NEO commits any act of malfeasance or wrongdoing affecting us or our affiliates, breaches any covenant not to compete or an employment contract with us or an affiliate or engages in conduct that would warrant its discharge for cause, all unvested stock awards will immediately be forfeited.

Anti-Hedging and Pledging Policies

We have a policy prohibiting directors, officers and employees from speculative trading in our securities, including hedging transactions, short selling, trading in put options, call options or other derivative securities or holding our securities in margin accounts. Management Agreement

We have a management agreement with our Manager pursuant to which our Manager provides the day-to-day management of our operations. The agreement was amended and restated on December 14, 2017. The management agreement requires our Manager to manage our business affairs in conformity with the policies and investment guidelines established by our Board. Our Manager provides its services under the supervision and direction of our Board. Our Manager is primarily responsible for the selection, purchase and sale of our portfolio investments, our financing activities and providing us with investment advisory services. Our Manager and its affiliates also provide us with a Chief Financial Officer and a sufficient number of additional accounting, finance, tax and investor relations professionals. Our Manager receives fees and is reimbursed for its expenses as follows:

A monthly base management fee equal to 1/12th of the amount of our equity multiplied by 1.50%; provided, however, that the base management fee was fixed at \$937,500 per month for each of the 15 successive months beginning on October 1, 2017. Under the management agreement, equity is equal to the net proceeds from issuances of shares of capital stock (or the value of common shares upon the conversion of convertible securities), less offering-related costs, plus or minus our retained earnings (excluding non-cash equity compensation incurred in current or prior periods) less all amounts we have paid for common stock and preferred stock repurchases. The calculation is adjusted for one-time events due to changes in GAAP as well as other non-cash charges, upon approval of our independent directors.

Incentive compensation, calculated quarterly as follows: (A) 20% of the amount by which our Core Earnings (as defined in the management agreement) for a quarter exceeds the product of (i) the weighted average of (x) the per share book value of our common shares at September 30, 2017 (subject to adjustments for certain items of income or loss from operations or gain or loss on resolutions of the Plan assets from October 1, 2017 through December 31, 2018) and (y) the per share price (including the conversion price, if applicable) paid for our common shares in each offering (or issuance upon the conversion of convertible securities) by us subsequent to September 30, 2017, multiplied by (ii) the greater of (x) 1.75% and (y) 0.4375% plus one-fourth of the Ten Year Treasury Rate for such quarter; multiplied by (B) the weighted average number of common shares outstanding during such quarter; subject to adjustment (a) to exclude events pursuant to changes in GAAP or the application of GAAP as well as non-recurring or unusual transactions or events, after discussion between our Manager and the independent directors and approval by a majority of the independent directors in the case of non-recurring or unusual transactions or events, and (b) to deduct an amount equal to any fees paid directly by a taxable REIT subsidiary, or TRS, (or any subsidiary thereof) to employees, agents and/or affiliates of the Manager with respect to profits of such TRS (or subsidiary thereof) generated from the services of such employees, agents and/or affiliates, the fee structure of which shall have been approved by a majority of the independent directors and which fees may not exceed 20% of the net income (before such fees) of such TRS (or subsidiary thereof).

Per loan underwriting and review fees in connection with valuations of and potential investments in certain subordinate commercial mortgage pass-through certificates, in amounts approved by a majority of the independent directors.

Reimbursement of out-of-pocket expenses and certain other costs incurred by our Manager and its affiliates that relate directly to us and our operations.

Reimbursement of our Manager's (and its affiliates') expenses for (A) the wages, salaries and benefits of our Chief Financial Officer, (B) a portion of the wages, salaries and benefits of our accounting, finance, tax and investor relations professionals, in proportion to such personnel's percentage of time allocable to our operations and (C) personnel principally devoted to our ancillary operating subsidiaries.

Incentive compensation is calculated and payable quarterly to our Manager to the extent it is earned. Up to 75% of the incentive compensation is payable in cash and at least 25% is payable in our common stock. Our Manager may elect to receive more than 25% of its incentive compensation in common stock.

The management agreement's current contract term ends on March 31, 2020, and the agreement provides for automatic one year renewals on such date and on each March 31 thereafter until terminated in accordance with its terms.

For the year ended December 31, 2018, our Manager earned base management fees of approximately \$11.3 million, of which \$938,000 was payable as of December 31, 2018. No incentive management fee was earned for the year ended December 31, 2018. During the year ended December 31, 2018, we reimbursed our Manager \$5.0 million for compensation expenses and costs. Also, at December 31, 2018, we had payables to Resource America and its subsidiaries pursuant to the management agreement aggregating approximately \$333,000.

At December 31, 2018, we retained equity in five securitization entities that were structured for us by our Manager, although three of the securitization entities have been substantially liquidated. Under the management agreement, our Manager was not separately compensated by us for executing these transactions and is not separately compensated for managing the securitization entities and their assets.

Relationship with Resource Real Estate, LLC. Resource Real Estate, LLC, an indirect wholly-owned subsidiary of Resource America and C-III, originates, finances and manages our commercial real estate loan portfolio. We reimburse Resource Real Estate for loan origination costs associated with all loans originated. At December 31, 2018, we had a receivable from Resource Real Estate of \$26,000 for a loan deposit.

Resource Real Estate served as special servicer for the following liquidated real estate debt securitization transactions, which provided financing for our commercial real estate loan portfolio: (i) Resource Capital Corp. With respect to each specialty serviced mortgage loan, Resource Real Estate receives special servicing fees, payable monthly on an asset-by-asset basis, equal to the product of (a) the special servicing fee rate, 0.25% per annum, multiplied by (b) the outstanding principal balance of such specialty serviced mortgaged loan. Resource Real Estate did not earn any special servicing fees during the year ended December 31, 2018.

Relationship with C-III Asset Management. C-III Asset Management LLC (C3AM), a wholly-owned subsidiary of C-III, serves as the primary servicer for RCC 2017-CRE5 and Exantas Capital Corp. 2018-RSO6, Ltd. (XAN 2018-RSO6), a \$514.2 million securitization that closed in June 2018, and receives servicing fees, payable monthly on an asset-by-asset basis, equal to the product of (a) the servicing fee rate, 0.05% per annum, multiplied by (b) the outstanding principal balance of each mortgage loan. C3AM also serves as special servicer for XAN 2018-RSO6 and Wells Fargo Commercial Mortgage Trust 2017-C40, of which we purchased 95% of the Class E, F, G, H and J (B-piece) certificates of this trust, under which it receives a base special servicing fee equal to the product of (a) the special servicing fee rate, 0.25% per annum, multiplied by (b) the outstanding principal balance of a specially serviced mortgage loan. During the year ended December 31, 2018, C3AM earned approximately \$321,000 and we had a payable to C3AM of approximately \$26,000 at December 31, 2018.

Relationship with RCM Global. In July 2014, we formed RCM Global Manager to invest in RCM Global, which held a portfolio of structured product securities that were liquidated in the second quarter of 2018. We received \$191,000 of distributions during the year ended December 31, 2018 as a result of RCM Global's liquidation completed in 2018.

Relationship with Pelium Capital. In September 2014, we made an initial contribution to Pelium Capital, a specialized credit opportunity fund managed by a subsidiary of Resource America. During 2018, we received proceeds of \$10.4 million as a result of the liquidation of Pelium Capital's investments in 2018.

Policies and Procedures Regarding Related Party Transactions

We have established written policies regarding investing in investment opportunities in which our Manager, Resource America or C-III has an interest and regarding investing in any investment fund or CLO or CDO vehicles structured, co-structured or managed by our Manager, Resource America or C-III.

We will not be permitted to invest in any investment fund, CLO or CDO structured, co-structured or managed by our Manager, Resource America or C-III other than those structured, co-structured or managed primarily on our behalf unless approved by a majority of our independent directors. Our Manager, Resource America and C-III will not receive base asset management fees allocable to us from any such investment vehicle to the extent we invest in it.

Unless approved by a majority of our independent directors, we will not be permitted to enter into any transaction with our Manager, Resource America or C-III or any investment entity or fund managed by them, including but not limited to purchasing any investment from, or selling any investment to, them, except that we may purchase an investment originated by our Manager, Resource America or C-III if it was originated either (i) within 60 days before such investment is acquired by us or (ii) with the specific intent to sell it to us.

Investments that may be appropriate for us, on the one hand, and one or more of our Manager, Resource America, C-III or investment funds or entities managed or advised by any of them, on the other hand, are generally required to be allocated between us and such other entities in accordance with C-III's allocation policies and procedures in effect from time to time.

Except as described above, we have not adopted a policy that expressly prohibits transactions between us and any of our directors, officers, employees, security-holders or affiliates. However, our code of business conduct and ethics prohibits any transaction that involves an actual or potential conflict, except for transactions permitted under guidelines that may be adopted by our Board. No such guidelines have been adopted as of the date of this proxy

statement. In addition, our Board may approve a waiver of the code of business conduct and ethics for a specific transaction, which must be reported to our stockholders to the extent required by applicable law or NYSE rules.

PROPOSAL 2: ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

Section 14A of the Exchange Act requires our Board to provide our stockholders with the opportunity to vote, on a non-binding, advisory basis, on the compensation of our NEOs as set forth in this proxy statement in accordance with the compensation disclosure rules of the SEC. This proposal is also referred to as the "Say on Pay" vote.

As discussed in the Compensation Discussion and Analysis section of this Proxy Statement, although we do not pay cash compensation to any of our NEOs, we do reimburse Resource America for the compensation and benefits paid to our Chief Financial Officer, Chief Accounting Officer and a portion of the compensation and benefits paid to our Executive Vice President - Finance and Operations. Further, we make awards under our equity compensation plans to align the interests of our NEOs with those of our stockholders, by connecting their compensation to the performance of our stock and by allowing them to share in the creation of value for our stockholders through stock price appreciation and dividends.

This vote is non-binding. However, we highly value the opinions of our stockholders. Accordingly, the Board and the Compensation Committee will take the results of this advisory vote into consideration with respect to future executive compensation arrangements for our NEOs.

For the reasons set forth above, the Board recommends that you vote **FOR the following resolution:**

RESOLVED, that the compensation paid to the named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion of this proxy statement, is hereby approved.

THE BOARD OF DIRECTORS HEREBY RECOMMENDS A VOTE FOR THE ADVISORY RESOLUTION SET FORTH IN THIS PROPOSAL 2, APPROVING THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT.

PROPOSAL 3: APPROVAL OF THE EXANTAS CAPITAL CORP.

SECOND AMENDED AND RESTATED OMNIBUS EQUITY COMPENSATION PLAN

We are asking stockholders to approve the Exantas Capital Corp. Second Amended and Restated Omnibus Equity Compensation Plan, which we refer to herein as the Omnibus Plan. The Board adopted the Omnibus Plan on March 25, 2019, subject to the receipt of stockholder approval. The Omnibus Plan has been amended to: (i) increase the number of shares authorized for issuance under the Omnibus Plan by an additional 1,500,000 shares of common

stock; (ii) extend the expiration date of the Omnibus Plan to June 2029; and (iii) make other clarifying and updating amendments to the Omnibus Plan. The Board recommends approval of the Omnibus Plan by our stockholders at the Meeting.

As of April 12, 2019, we had 31,867,106 shares of common stock outstanding. Additionally, as of April 12, 2019, we had 515,360 shares available for grant under the Omnibus Plan and no shares available under the 2005 Stock Incentive Plan. Also, as of April 12, 2019, we had a total of 10,000 stock options outstanding under the 2005 Stock Incentive Plan with a weighted average exercise price of \$25.60 and weighted average remaining term of 2.1 years.

The Board believes that the approval of the Omnibus Plan by our stockholders will continue to support our compensation structure and strategy. Our ability to attract, retain and motivate top quality directors and other persons who provide services to us, including employees of our Manager, C-III, Resource America and their affiliates, is material to our success, and the Board has concluded that this would be enhanced by our ability to make grants under the Omnibus Plan. In addition, the Board believes that our interests and those of our stockholders will be advanced if we can offer such employees and directors the opportunity to acquire or increase their proprietary interests in our company.

The material terms of the Omnibus Plan are summarized below. A copy of the Omnibus Plan is set forth in full in Annex A to this Proxy Statement. The following description of the Omnibus Plan is not complete and is qualified in its entirety by reference to Annex A.

The Omnibus Plan includes several features designed to protect stockholder interests, including the following:

limitations on recycling of shares back into the pool available for issuance consistent with best practices, and

a minimum vesting requirement of at least one year.

Material Features of the Omnibus Plan

General. The Omnibus Plan provides that grants may be in any of the following forms: incentive stock options, nonqualified stock options, stock appreciation rights (referred to as SARs), stock units, performance shares, stock awards, dividend equivalents and other stock-based awards.

The Omnibus Plan authorizes up to 4,775,000 shares of common stock (adjusted for the one-for-four reverse stock split in August 2015) for issuance, subject to adjustment as described below. The original plan approved in 2007 authorized up to 500,000 shares. In 2011 the plan was amended and restated to increase it by 850,000 shares, and in 2014 it was amended and restated to increase it by 1,925,000 shares (all adjusted for the reverse stock split). The number of shares authorized under the proposed Omnibus Plan includes the previously authorized 3,275,000 shares plus 1.5 million additional shares.

If and to the extent options and SARs granted under the Omnibus Plan terminate, expire or are cancelled, forfeited, exchanged or surrendered without being exercised or if any stock awards, stock units, performance shares, dividend equivalents or other stock-based awards are forfeited or terminated, or otherwise not paid in full, the shares subject to such grants will become available again for purposes of the Omnibus Plan. If any shares of common stock are withheld to pay the exercise price of an option or withheld for purposes of satisfying our minimum tax withholding obligations with respect to a grant, such shares will not be available for re-issuance under the Omnibus Plan. If SARs are granted, the full number of shares subject to the SARs will be considered issued under the Plan, without regard to the number of shares issued upon exercise of the SARs. To the extent any grants are paid in cash, and not in shares of common stock, any shares previously subject to such grants will not count against the share limits under the Omnibus Plan.

The Omnibus Plan provides that the maximum aggregate number of shares of common stock with respect to which grants, other than dividend equivalents, may be made to any individual during any calendar year is 1,000,000 shares, subject to adjustment as described below. Grantees may not accrue dividend equivalents during any calendar year under the Omnibus Plan in excess of \$350,000. The individual limits described in this paragraph apply without regard to whether the grants are to be paid in common stock or in cash. All cash payments (other than dividend equivalents)

must equal the fair market value of the shares of common stock to which the cash payment relates.

If approved by the stockholders, the Omnibus Plan will become effective on June 12, 2019.

Administration. The Omnibus Plan is administered and interpreted by the Compensation Committee of our Board, except that our Board may make grants under the Omnibus Plan to our non-employee directors. The Administrator may delegate its authority under the Omnibus Plan, as appropriate, with respect to grants to persons who are not subject to Section 16 of the Exchange Act. References to the Administrator mean the Compensation Committee or the Board, including any delegates, as appropriate. The Administrator has the authority to (i) determine the individuals to whom grants will be made under the Omnibus Plan, (ii) determine the type, size and terms of the grants, (iii) determine the time when grants will be made and the duration of any applicable exercise or restriction period, including the criteria for exercisability and the acceleration of exercisability, (iv) amend the terms of any previously issued grant, subject to the limitations described below, (v) adopt guidelines separate from the Omnibus Plan that set forth the specific terms and conditions for grants under the Omnibus Plan and (vi) deal with any other matters arising under the Omnibus Plan. The determinations of the Administrator are made in its sole discretion and are final, binding and conclusive.

Eligibility for Participation. All of our directors, as well as other persons who provide services to us, including employees of our Manager, C-III, Resource America and their affiliates, will be eligible for grants under the Omnibus Plan. As of April 12, 2019, 13 of the Company's officers as well as employees of our Manager, C-III and Resource America, and any individual who provide services to these entities, are eligible to receive grants under the Omnibus Plan.

Types of Awards.

Stock Options

The Administrator may grant options that are intended to qualify as incentive stock options within the meaning of section 422 of the Code (ISOs) or nonqualified stock options that are not intended to so qualify (NQSOs) or any combination of ISOs and NQSOs. Anyone eligible to participate in the Omnibus Plan may receive a grant of NQSOs. Only employees of the Company, if any, and certain of our subsidiaries may receive a grant of ISOs.

The Administrator fixes the exercise price per share for options on the date of grant. The exercise price of any option granted under the Omnibus Plan may not be less than the fair market value of the underlying shares of common stock on the date of grant. However, if the grantee of an ISO is a person who holds more than 10% of the total combined voting power of all classes of outstanding stock of the Company or a subsidiary, the exercise price per share of an ISO granted to such person must be at least 110% of the fair market value of a share of common stock on the date of grant. To the extent that the aggregate fair market value of shares of common stock, determined on the date of grant, with respect to which ISOs become exercisable for the first time by a grantee during any calendar year exceeds \$100,000, such ISOs will be treated as NQSOs for tax purposes.

The Administrator determines the term of each option; provided, however, that the term may not exceed ten years from the date of grant and, if the grantee of an ISO is a person who holds more than 10% of the combined voting power of all classes of outstanding stock of our company or a subsidiary, the term for such person may not exceed five years from the date of grant. The vesting period for options commences on the date of grant and ends on such date as is determined by the Administrator, in its sole discretion, which is specified in the grant letter. A grantee may pay the exercise price and any withholding taxes upon exercise of an option: (i) in cash or by certified check, (ii) with the approval of the Administrator, by withholding shares of common stock having a fair market value on the date of exercise equal to the exercise price, by delivering shares of common stock already owned by the grantee and having a fair market value on the date of exercise equal to the exercise price or through attestation to ownership of such shares, (iii) through a broker-assisted cashless exercise, or (iv) by such other method as the Administrator may approve, to the extent permitted by applicable law.

SARs

The Administrator may grant SARs to anyone eligible to participate in the Omnibus Plan. SARs may be granted in connection with, or independently of, any option granted under the Omnibus Plan. Upon exercise of a SAR, the grantee will receive an amount equal to the excess of the fair market value of the common stock on the date of exercise over the base amount set forth in the grant letter. The base amount shall not be less than the fair market value of the common stock subject to the SARs on the date of grant. Such payment to the grantee will be in cash, in shares of common stock, or in a combination of cash and shares of common stock, as determined by the Administrator. The Administrator will determine the period when SARs vest and become exercisable, the base amount for SARs and whether SARs will be granted in connection with, or independently of, any options. SARs have a maximum term of ten years from the grant date, provided that in the case of a SAR granted that is related to an Incentive Stock Option granted to a Participant who owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or any subsidiary, such SAR shall not be exercisable after the expiration of five years from the date of grant. SARs may be exercised while the grantee is employed by or providing service to our company or within a specified period of time after termination of such employment or service.

Stock Units

The Administrator may grant stock units to anyone eligible to participate in the Omnibus Plan. Each stock unit provides the grantee with the right to receive a share of common stock or an amount based on the value of a share common stock at a future date. The Administrator determines the number of stock units that will be granted, whether stock units will become payable if specified performance goals or other conditions are met, or under other circumstances, and the other terms and conditions applicable to the stock units. Stock units may be paid at the end of a specified period or deferred to a date authorized by the Administrator. If a stock unit becomes distributable, it will be paid to the grantee in cash, in shares of common stock or in a combination of cash and shares of common stock, as determined by the Administrator.

Performance Shares

The Administrator may grant performance shares to anyone eligible to participate in the Omnibus Plan. Each performance share provides the grantee with the right to receive a share of common stock or an amount based on the value of a share common stock, if specified performance goals are met. The Administrator determines the number of performance shares that will be granted, the performance goals and other conditions for payment of performance shares, the target amount that will be paid under a performance share based on the achievement of the performance goals and the other terms and conditions applicable to the performance shares. Payments with respect to performance shares will be made in cash, in shares of common stock or in a combination of cash and shares of common stock, as determined by the Administrator.

Stock Awards

The Administrator may grant stock awards to anyone eligible to participate in the Omnibus Plan. The Administrator may require that grantees pay consideration for the stock awards and may impose restrictions on the stock awards. If restrictions are imposed on stock awards, the Administrator will determine whether they will lapse over a period of time or according to such other criteria as the Administrator determines. The Administrator determines the number of shares of common stock subject to the grant of stock awards and the other terms and conditions of the grant. Unless otherwise specified by the Administrator, holders of grants of stock awards will have the rights of a stockholder with respect to the

right to receive dividends and vote such shares during the restriction period. The Administrator may determine that a grantee's entitlement to dividends or other distributions with respect to stock awards will be subject to the achievement of performance goals or other conditions.

Dividend Equivalents

The Administrator may grant dividend equivalents to anyone eligible to participate in the Omnibus Plan. Dividend equivalents may be granted in connection with any grants under the Omnibus Plan, other than options or SARs, and may be payable in cash or shares of common stock. Dividend equivalents may be paid currently or accrued as contingent cash obligations or converted to stock units, as determined by the Administrator. The terms and conditions of dividend equivalents are determined by the Administrator. Dividend equivalents may accrue on unearned performance awards but shall not be payable unless and until such performance metrics are met.

Other Stock-Based Awards

The Administrator may grant other stock-based awards (which are awards other than options, SARs, stock units, performance shares, stock awards and dividend equivalents) under the Omnibus Plan. The Administrator may grant such other stock-based awards to anyone eligible to participate in the Omnibus Plan. These grants may be cash-based or based on, measured by or payable in shares of common stock, and will be payable in cash, in shares of common stock or in a combination of cash and shares of common stock. The terms and conditions for these grants will be determined by the Administrator.

Deferrals. The Administrator may permit or require grantees to defer receipt of the payment of cash or the delivery of shares of common stock that would otherwise be due to the grantee in connection with a grant under the Omnibus Plan. The Administrator will establish the rules and procedures applicable to any such deferrals.

Adjustment Provisions. If there is any change in the number or kind of shares of common stock by reason of a stock dividend, spinoff, recapitalization, stock split or combination or exchange of shares, by reason of a merger, reorganization or consolidation, by reason of a recapitalization or change in par value or by reason of any other extraordinary or unusual event affecting the outstanding shares of common stock as a class without our receipt of consideration, or if the value of outstanding shares of common stock is substantially reduced as a result of a spinoff or our payment of an extraordinary dividend or distribution, the number of shares of common stock available for grants, the limit on the number of shares of common stock for which any individual may receive pursuant to grants in any year, the number of shares covered by outstanding grants, the kind of shares to be issued or transferred under the Omnibus Plan, and the price per share or the applicable market value of such grants will be equitably adjusted by the Administrator to reflect any increase or decrease in the number or kind of issued shares of common stock in order to preclude, to the extent practicable, the enlargement or dilution of the rights and benefits under such grants.

Change of Control. If a change of control occurs where the Company is not the surviving entity (or survives only as a subsidiary of another entity), unless the Administrator determines otherwise, all outstanding options and SARs that are not exercised will be assumed by, or replaced with comparable options and rights by, the surviving entity (or a parent or subsidiary of the surviving entity), and other grants that remain outstanding will be converted to similar grants of the surviving entity (or a parent or subsidiary of the surviving entity).

In the event of a change of control, the Administrator may also take any of the following actions with respect to outstanding grants: (i) provide that all outstanding options and SARs will automatically accelerate and become fully exercisable, (ii) provide that the restrictions and conditions on all outstanding

stock awards will immediately lapse, (iii) provide that grantees holding outstanding stock units, performance shares, dividend equivalents and other stock-based awards will receive payment in settlement of such award in an amount determined by the Administrator, (iv) require that grantees surrender their outstanding options and SARs in exchange for payment, in cash or shares of common stock as determined by the Administrator, in an amount equal to the amount (if any) by which the then fair market value subject to the grantee's unexercised options and SARs exceeds the exercise price of the option or the base amount of the SAR, as applicable, or (v) after giving grantees the opportunity to exercise their outstanding options and SARs, the Administrator may terminate any or all unexercised options and SARs at such time as the Administrator determines appropriate. The Administrator making the determinations following a change of control must be comprised of the same members as those on the Administrator immediately before the change of control.

No Repricing of Options or SARs. Except in connection with a corporate transaction involving us (including, without limitation, any stock dividend, stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination or exchange of shares), the terms of outstanding awards may not be amended to reduce the exercise price of outstanding options or SARs or cancel outstanding options or SARs in exchange for cash, other awards or options or SARs with an exercise price that is less than the exercise price of the original options or SARs, without stockholder approval.

Amendment and Termination of the Omnibus Plan. The Board may amend or terminate the Omnibus Plan at any time, subject to stockholder approval if such approval is required under any applicable law or stock exchange requirement. The Omnibus Plan will terminate on June 12, 2029, unless the Omnibus Plan is terminated earlier by the Board or is extended by the Board with the approval of the stockholders.

New Plan Benefits. Grants under the Omnibus Plan are discretionary, so it is currently not possible to predict the number of shares of common stock that will be granted or who will receive grants under the Omnibus Plan after the Meeting.

The last sales price of our common stock on April 12, 2019, was \$10.71 per share.

Federal Income Tax Consequences

The federal income tax consequences arising with respect to grants under the Omnibus Plan will depend on the type of grant. The following provides only a general description of the application of federal income tax laws to grants under the Omnibus Plan. This discussion is intended for the information of stockholders considering how to vote at the Meeting and not as tax guidance to grantees in the Omnibus Plan, as the consequences may vary with the types of grants made, the identity of the recipients and the method of payment or settlement. The summary does not address the effects of other federal taxes or taxes imposed under state, local or foreign tax laws.

From a recipient's standpoint, as a general rule, ordinary income will be recognized at the time of payment of cash, or delivery of actual shares of common stock. Future appreciation on shares of common stock held beyond the ordinary income recognition event will be taxable at capital gains rates when the shares of common stock are sold. As a general rule, we will be entitled to a tax deduction that corresponds in time and amount to the ordinary income recognized by the recipient, and we will not be entitled to any tax deduction in respect of capital gain income recognized by the recipient.

Exceptions to these general rules may arise under the following circumstances: (i) if shares of common stock, when delivered, are subject to a substantial risk of forfeiture by reason of failure to satisfy any employment or performance-related condition, ordinary income taxation and our tax deduction will be delayed until the risk of forfeiture lapses (unless the recipient makes a special election to ignore the risk of forfeiture under section 83(b) of the Internal Revenue Code of 1986, as amended (the "Code")); (ii) if an

employee is granted an option that qualifies as an incentive stock option, no ordinary income will be recognized, and we will not be entitled to any tax deduction, if shares of common stock acquired upon exercise of such option are held until the greater of one year from the date of exercise and two years from the date of grant; (iii) we will not be entitled to a tax deduction for compensation attributable to grants to any of our principal executive officer, principal financial officer and three other most highly compensated officers if and to the extent the total compensation of any such officer in any year exceeds \$1 million; and (iv) an award may be taxable to the recipient as ordinary income, with an additional 20% tax, at the time it becomes vested (even if the vesting date is prior to settlement of the award), if the award constitutes deferred compensation under section 409A of the Code, and the requirements of section 409A of the Code are not satisfied.

We have the right to require that grantees pay to us an amount necessary to satisfy our federal, state or local tax withholding obligations with respect to grants under the Omnibus Plan. We may withhold from amounts payable under the Omnibus Plan or other compensation an amount necessary to satisfy tax withholding obligations. The Administrator may permit a grantee to satisfy the withholding obligation by having shares withheld from payment of a grant, provided that the number of shares withheld does not exceed the minimum applicable tax withholding for federal, state and local tax liabilities. The Administrator may permit a grantee to satisfy our withholding obligation that exceeds the minimum applicable withholding rate by transferring to us previously acquired shares of common stock.

Recommendation

The Board believes strongly that approval of the adoption of the Omnibus Plan is essential to our success. Equity-based awards such as those provided under the Omnibus Plan are vital to our ability to attract and motivate outstanding performance and leadership.

THE BOARD OF DIRECTORS HEREBY RECOMMENDS A VOTE FOR THE APPROVAL OF THE OMNIBUS PLAN.

PROPOSAL 4: RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

We are asking our stockholders to ratify the appointment of Grant Thornton LLP (Grant Thornton) as our independent registered public accounting firm to audit our financial statements for the fiscal year ending December 31, 2019. Although approval is not required by our Bylaws or otherwise, the Board is submitting the appointment of Grant Thornton to our stockholders for ratification as a matter of good corporate practice. If the selection of Grant Thornton is not ratified, the Audit Committee will consider whether it is appropriate to select another independent registered public accounting firm. Even if Grant Thornton is approved, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of us and our stockholders.

We expect that representatives of Grant Thornton will be present at the annual meeting. These representatives will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

Principal Accountant Fees and Services

Audit Fees. The aggregate fees billed by Grant Thornton, our independent auditors, for professional services rendered for the audit of our annual financial statements for the years ended

December 31, 2018 and 2017 (including a review of internal controls for the years ended December 31, 2018 and 2017 as required under Section 404 of the Sarbanes-Oxley Act of 2002) and for the reviews of the consolidated financial statements included in our Quarterly Reports on Form 10-Q during each of the years then ended were \$846,000 and \$922,000, respectively.

Audit-Related Fees. We did not incur any audit-related fees in 2018 or 2017.

Tax Fees. Fees totaling \$184,000 and \$181,000 were paid to Grant Thornton for professional services related to tax compliance, tax advice or tax planning for the years ended December 31, 2018 and 2017, respectively.

All Other Fees. We did not incur any fees in 2018 and 2017 for other services not included above.

Audit Committee Pre-Approval Policies and Procedures. The Audit Committee, on at least an annual basis, reviews audit and non-audit services performed by Grant Thornton as well as the fees charged by Grant Thornton for such services. Our policy is that all audit and non-audit services must be pre-approved by the Audit Committee. All of such services were pre-approved during the year ended December 31, 2018.

THE BOARD OF DIRECTORS HEREBY RECOMMENDS A VOTE FOR THE RATIFICATION OF THE SELECTION OF GRANT THORNTON LLP TO AUDIT OUR FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2019.

3. Administration

(a) The Plan shall be administered by the Administrator. The Administrator shall have the sole authority to (i) determine the Participants to whom Grants shall be made under the Plan, (ii) determine the type, size and terms of the Grants to be made to each Participant, (iii) determine the time when the Grants will be made and the duration of any applicable exercise or restriction period, including the criteria for exercisability and the acceleration of exercisability, (iv) amend the terms of any previously issued Grant, subject to the provisions of Section 19, (v) adopt guidelines separate from the Plan that set forth the specific terms and conditions for Grants under the Plan, and (vi) deal with any other matters arising under the Plan.

(b) The Administrator shall have full power and express discretionary authority to administer and interpret the Plan, to make factual determinations and to adopt or amend such rules, regulations, agreements and instruments for implementing the Plan and for the conduct of its business as it deems necessary or advisable, in its sole discretion. The Administrator's interpretations of the Plan and all determinations made by the Administrator pursuant to the powers vested in it hereunder shall be conclusive and binding on all persons having any interest in the Plan or in any awards granted hereunder. All powers of the Administrator shall be executed in its sole discretion, in the best interest of the Company, not as a fiduciary, and in keeping with the objectives of the Plan and need not be uniform as to similarly situated individuals.

(c) The Administrator, in its discretion, may delegate to one or more officers of the Company all or part of the Administrator's authority and duties with respect to grants and awards to individuals who are not subject to the reporting and other provisions of Section 16 of the Exchange Act. The Administrator may revoke or amend the terms of a delegation at any time but such action shall not invalidate any prior actions of the Administrator's delegate or delegates that were consistent with the terms of the Plan and the Administrator's prior delegation. Any delegation by the Administrator pursuant to this Section shall be subject to such conditions and limitations as may be determined by the Administrator and shall be subject to and limited by applicable law or regulation, including without limitation the rules and regulations of the New York Stock Exchange or such other securities exchange on which the Stock is then listed.

4. Grants

Grants under the Plan may consist of Options, SARs, Stock Units, Performance Shares, Stock Awards, Dividend Equivalents and Other Stock-Based Awards. All Grants shall be subject to the terms and conditions set forth herein and to such other terms and conditions consistent with the Plan as the Administrator deems appropriate and as are specified in writing by the Administrator in separate guidelines or to the individual in the Grant Instrument or an amendment to the guidelines or Grant Instrument. Subject to the provisions of Sections 3 and 17 hereof, the period during which a Grant, or the shares of Stock underlying a Grant, are forfeitable or otherwise restricted shall not end before the first anniversary of the Date of Grant. The Administrator shall approve the form and provisions of each Grant Instrument. All Grants shall be made conditional upon the Participant's acknowledgment, in writing or by acceptance of the Grant, that all decisions and determinations of the Administrator shall be final and binding on the Participant, his or her beneficiaries, and any other person having or claiming an interest under such Grant. Grants under a particular Section of the Plan need not be uniform as among the Participants.

5. Shares of Stock Subject to the Plan

(a) Shares Authorized. The total aggregate number of shares of Stock that may be issued or transferred under the Plan is 4,775,000 shares, subject to adjustment as described below. The shares may be authorized but unissued shares of Stock or reacquired shares of Stock, including shares purchased by the Company on the open market for purposes of the Plan. Grants paid in cash shall not count against the foregoing share limits.

A-4

(b) Share Counting. For administrative purposes, when the Administrator makes a Grant payable in Stock, the Administrator shall reserve shares of Stock equal to the maximum number of shares of Stock that may be payable under the Grant. If and to the extent Options or SARs granted under the Plan terminate, expire, or are canceled, forfeited, exchanged or surrendered without having been exercised or if any Stock Awards, Stock Units, Performance Shares, Dividend Equivalents or Other Stock-Based Awards are forfeited or terminated, or otherwise are not paid in full, the shares subject to such Grants which have not been issued shall again be available for purposes of the Plan. Shares of Stock withheld in payment of the Option Price of an Option or withheld for purposes of satisfying the Employer's minimum tax withholding obligations with respect to Grants under the Plan shall not be available for re-issuance or transfer under the Plan. Upon the exercise of an Option through the withholding of shares or upon the exercise of a SAR, then both for purposes of calculating the number of shares of Stock remaining available for issuance under the Plan and the number of shares of Stock remaining available for exercise under the Option or SAR, the number of such shares shall be reduced by the gross number of shares for which the Option or SAR is exercised. To the extent that any Grants are paid in cash and not shares of Stock, such Grants shall not count against the share limits in subsection (a) above. For the avoidance of doubt, if shares of Stock are repurchased on the open market with the proceeds of the exercise price of Options, such shares may not again be made available for issuance under the Plan.

(c) Individual Limits. All Grants under the Plan, other than Dividend Equivalents, shall be expressed in shares of Stock. The maximum aggregate number of shares of Stock with respect to which all Grants, other than Dividend Equivalents, may be made under the Plan to any individual during any calendar year shall be 1,000,000 shares, subject to adjustment as described below. A Participant may not accrue Dividend Equivalents during any calendar year in excess of \$350,000. The individual limits described in this subsection (c) shall apply without regard to whether the Grants are to be paid in Stock or in cash. All cash payments (other than Dividend Equivalents) shall equal the Fair Market Value of the shares of Stock to which the cash payment relates.

(d) Adjustments. If there is any change in the number or kind of shares of Stock outstanding (i) by reason of a stock dividend, spinoff, recapitalization, stock split, or combination or exchange of shares, (ii) by reason of a merger, reorganization or consolidation, (iii) by reason of a reclassification or change in par value, or (iv) by reason of any other extraordinary or unusual event affecting the outstanding Stock as a class without the Company's receipt of consideration, or if the value of outstanding shares of Stock is substantially reduced as a result of a spinoff or the Company's payment of an extraordinary dividend or distribution, the maximum number of shares of Stock available for issuance under the Plan, the maximum number of shares of Stock for which any individual may receive pursuant to Grants in any year, the number of shares covered by outstanding Grants, the kind of shares to be issued or transferred under the Plan, and the price per share or the applicable market value of such Grants shall be equitably adjusted by the Administrator, in such manner as the Administrator deems appropriate, to reflect any increase or decrease in the number of, or change in the kind or value of, issued shares of Stock to preclude, to the extent practicable, the enlargement or dilution of rights and benefits under such Grants; provided, however, that any fractional shares resulting from such adjustment shall be eliminated. In addition, in the event of a Change in Control of the Company, the provisions of Section 18 of the Plan shall apply. Any adjustments to outstanding Grants shall be consistent with section 409A or 424 of the Code, to the extent applicable. Any adjustments determined by the Administrator shall be final, binding and conclusive.

6. Eligibility for Participation

Any Participant is eligible to participate in the Plan if the Administrator, in its sole discretion, determines that such person has contributed significantly or can be expected to contribute significantly to the profits or growth of the Company or an Affiliate of the Company. Grants will be made only to persons who are employees, directors, consultants or advisors of the Company for purposes of Form S-8 registration under the Securities Act of 1933, as amended. Options and SARs may be granted only to persons who perform direct services to the Company on the Date of Grant, as determined under section 409A of the Code.

7. Options

(a) General Requirements. The Administrator may grant Options to a Participant upon such terms and conditions as the Administrator deems appropriate under this Section 7.

(b) Number of Shares. The Administrator shall determine the number of shares of Stock that will be subject to each Grant of Options to Participants.

(c) Type of Option and Price.

(i) The Administrator may grant Incentive Stock Options or Nonqualified Stock Options or any combination of Incentive Stock Options and Nonqualified Stock Options. Incentive Stock Options may be granted only to employees of the Company or its Subsidiaries. No Option that is intended to be an Incentive Stock Option shall be invalid for failure to qualify as an Incentive Stock Option. Nonqualified Stock Options may be granted to any Participant.

(ii) The Option Price shall be determined by the Administrator and may be equal to or greater than the Fair Market Value of the shares of Stock subject to the Grant on the Date of Grant; provided, however, that an Incentive Stock Option may not be granted to any person who, at the Date of Grant, owns stock possessing more than ten percent of the total combined voting power of all classes of stock of the Company or any Subsidiary, unless the Option Price is not less than 110% of the Fair Market Value on the Date of Grant.

(d) Option Term. The Administrator shall determine the term of each Option. The term of an Option shall not exceed ten years from the Date of Grant. However, an Incentive Stock Option that is granted to an Employee who, at the Date of Grant, owns stock possessing more than ten percent of the total combined voting power of all classes of stock of the Company, or any Subsidiary, may not have a term that exceeds five years from the Date of Grant.

(e) Exercisability of Options. Subject to Section 4 hereof, Options shall become exercisable in accordance with such terms and conditions as may be determined by the Administrator and specified in the Grant Instrument. The Administrator may accelerate the exercisability of any or all outstanding Options at any time for any reason.

(f) Termination of Employment or Service. Except as provided in the Grant Instrument, an Option may only be exercised while the Participant is employed by, or providing service to, the Company, an Affiliate or another entity as designated in the Grant Instrument. The Administrator shall specify in the Grant Instrument under what circumstances and during what time periods a Participant may exercise an Option after termination of employment or service.

(g) Exercise of Options. A Participant may exercise an Option that has become exercisable, in whole or in part, by delivering a notice of exercise to the Company or its designated agent. The Participant shall pay the Option Price and any withholding taxes for the Option (i) in cash or by certified check, (ii) with the approval of the Administrator, by withholding shares of Stock subject to the Option, by delivering shares of Stock owned by the Participant or by attestation (on a form prescribed by the Administrator) to ownership of shares of Stock (in each case, such shares of Stock shall have an aggregate Fair Market Value on the date of exercise equal to the Option Price), (iii) by a broker-assisted cashless exercise, or (iv) by such other method as the Administrator may approve, to the extent permitted by applicable law. Shares of Stock used to exercise an Option shall have been held by the Participant for the requisite period of time to avoid adverse accounting consequences to the Company with respect to the Option. Payment for the shares pursuant to the Option, and any required withholding taxes, must be received by the time specified by the Administrator depending on the type of payment being made.

(h) Limits on Incentive Stock Options. Each Incentive Stock Option shall provide that if the aggregate Fair Market Value on the Date of Grant with respect to which Incentive Stock Options are exercisable for the first time by a Participant during any calendar year, under the Plan or any other stock option plan of the Company or a Parent or Subsidiary, exceeds \$100,000, then the Option, as to the excess, shall be treated as a Nonqualified Stock Option.

(i) Stockholder Rights. No Participant shall have any rights as a stockholder with respect to shares of Stock subject to an Option until the date of exercise of such Option.

8. SARs

(a) General Requirements. The Administrator may grant SARs to any Participant, upon such terms and conditions as the Administrator deems appropriate under this Section 8. Each SAR shall represent the right of the Participant to receive, upon settlement of the SAR, shares of Stock or cash equal to the amount by which the Fair Market Value of a share of Stock on the date of exercise of the SAR exceeds the base amount of the SAR as described below in Section 8(c).

(b) Terms of SARs. The Administrator shall determine the terms and conditions of SARs and may grant SARs separately from or in tandem with any Option (for all or a portion of the applicable Option). Tandem SARs may be granted either at the time the Option is granted or any time thereafter while the Option remains outstanding; provided, however, that in the case of an Incentive Stock Option, SARs may be granted only at the time of the grant of the Incentive Stock Option. Subject to Section 4 hereof, the Administrator will determine the number of SARs to be granted, the base amount, the vesting and other restrictions applicable to SARs and the period during which SARs will remain exercisable; provided, however, that no Participant may be granted Tandem SARs that are related to Incentive Stock Options which are first exercisable in any calendar year for shares of Stock having an aggregate Fair Market Value (determined as of the date the related Option is granted) that exceeds \$100,000. The term of SARs shall not exceed ten years from the Date of Grant; provided, however, that in the case of a Tandem SAR that is related to an Incentive Stock Option granted to a Participant who owns stock possessing more than ten percent of the total combined voting power of all classes of stock of the Company, or any Subsidiary, such Tandem SAR shall not be exercisable after the expiration of five years from the Date of Grant.

(c) Base Amount. The Administrator shall establish the base amount of the SAR at the time the SAR is granted. The base amount shall not be less than the Fair Market Value of the shares of Stock subject to the Grant on the Date of Grant.

(d) Payment With Respect to SARs. The Administrator shall determine whether the appreciation in an SAR shall be paid in the form of cash, in Stock, or in a combination of the two, in such

A-7

proportion as the Administrator deems appropriate. For purposes of calculating the number of shares of Stock to be received, Stock shall be valued at its Fair Market Value on the date of exercise of the SAR. If shares of Stock are to be received upon exercise of an SAR, cash shall be delivered in lieu of any fractional share.

(e) Requirement of Employment or Service. The Administrator shall determine in the Grant Instrument under what circumstances a Participant may retain SARs after termination of the Participant's employment or service, and the circumstances under which SARs may be forfeited.

(f) Stockholder Rights. No Participant shall have any rights as a stockholder as a result of receiving an SAR until the date that the SAR is exercised and then only to the extent that the SAR is settled by the issuance of Stock.

9. Stock Units

(a) General Requirements. The Administrator may grant Stock Units to a Participant, upon such terms and conditions as the Administrator deems appropriate under this Section 9. Each Stock Unit shall represent the right of the Participant to receive a share of Stock or an amount based on the value of a share of Stock. All Stock Units shall be credited to accounts on the Company's records for purposes of the Plan.

(b) Terms of Stock Units. The Administrator may grant Stock Units that are payable if specified performance goals or other conditions are met, or under other circumstances. Subject to Section 4 hereof, Stock Units may be paid at the end of a specified period, or payment may be deferred to a date authorized by the Administrator. The Administrator shall determine the number of Stock Units to be granted and the requirements applicable to such Stock Units.

(c) Payment With Respect to Stock Units. Payment with respect to Stock Units shall be made in cash, in Stock, or in a combination of the two, as determined by the Administrator. The Grant Instrument shall specify the maximum number of shares that shall be paid under the Stock Units.

(d) Requirement of Employment or Service. The Administrator shall determine in the Grant Instrument under what circumstances a Participant may retain Stock Units after termination of the Participant's employment or service, and the circumstances under which Stock Units may be forfeited.

(e) Stockholder Rights. No Participant shall have any rights as a stockholder as a result of receiving an award of Stock Units until the award of Stock Units is earned and settled in shares of Stock.

10. Performance Shares

(a) General Requirements. The Administrator may grant Performance Shares to a Participant, upon such terms and conditions as the Administrator deems appropriate under this Section 10. Each Performance Share shall represent the right of the Participant to receive a share of Stock or an amount based on the value of a share of Stock, if specified performance goals are met. All Performance Shares shall be credited to accounts on the Company's records for purposes of the Plan.

(b) Terms of Performance Shares. The Administrator shall establish the performance goals and other conditions for payment of Performance Shares. Subject to Section 4 hereof, Performance Shares may be paid at the end of a specified performance or other period, or payment may be deferred to a date authorized by the Administrator. The Administrator shall determine the number of Performance Shares to be granted and the requirements applicable to such Performance Shares.

A-8

(c) Payment With Respect to Performance Shares. Payment with respect to Performance Shares shall be made in cash, in Stock, or in a combination of the two, as determined by the Administrator. The Administrator may establish in the Grant Instrument a target amount to be paid under a Performance Share based on achievement of the performance goals.

(d) Requirement of Employment or Service. The Administrator shall determine in the Grant Instrument under what circumstances a Participant may retain Performance Shares after termination of the Participant's employment or service, and the circumstances under which Performance Shares may be forfeited.

(e) Stockholder Rights. No Participant shall have any rights as a stockholder as a result of receiving an award of Performance Shares until the award of Performance Shares is earned and settled in shares of Stock.

11. Stock Awards

(a) General Requirements. The Administrator may issue or transfer shares of Stock to a Participant under a Stock Award, upon such terms and conditions as the Administrator deems appropriate under this Section 11. Shares of Stock issued or transferred pursuant to Stock Awards may be issued or transferred for cash consideration or for no cash consideration, and subject to restrictions or no restrictions, as determined by the Administrator. Subject to Section 4 hereof, the Administrator may establish conditions under which restrictions on Stock Awards shall lapse over a period of time or according to such other criteria as the Administrator deems appropriate, including restrictions based upon the achievement of specific performance goals.

(b) Number of Shares. The Administrator shall determine the number of shares of Stock to be issued or transferred pursuant to a Stock Award and any restrictions applicable to such shares.

(c) Requirement of Employment or Service. The Administrator shall determine in the Grant Instrument under what circumstances a Participant may retain Stock Awards after termination of the Participant's employment or service, and the circumstances under which Stock Awards may be forfeited.

(d) Restrictions on Transfer. While Stock Awards are subject to restrictions, a Participant may not sell, assign, transfer, pledge or otherwise dispose of the shares of a Stock Award except upon death as described in Section 16. Each certificate, or electronic book entry equivalent, for a share of a Stock Award shall contain a legend giving appropriate notice of the restrictions in the Grant. The Participant shall be entitled to have the legend removed when all restrictions on such shares have lapsed. The Administrator may retain possession of any stock certificates for Stock Awards until all restrictions on such shares have lapsed.

(e) Stockholder Rights. Unless otherwise specified in accordance with the applicable Grant Instrument, during the period when the shares of Stock granted pursuant to the Stock Award may be forfeited or are nontransferable, a Participant will have the rights of a stockholder with respect to a Stock Award, including the right to receive regularly paid dividends and vote the shares of Stock.

12. Dividend Equivalents

(a) General Requirements. When the Administrator makes a Grant under the Plan, other than an Option or SAR, the Administrator may grant Dividend Equivalents in connection with such Grants, under such terms and conditions as the Administrator deems appropriate under this Section 12. Dividend Equivalents may be paid to Participants currently or may be deferred, as determined by the Administrator.

A-9

All Dividend Equivalents that are not paid currently shall be credited to accounts on the Company's records for purposes of the Plan. Dividend Equivalents may be accrued as a cash obligation, or may be converted to Stock Units for the Participant, as determined by the Administrator. Unless otherwise specified in the Grant Instrument, deferred Dividend Equivalents will not accrue interest. The Administrator may provide that Dividend Equivalents shall be payable based on the achievement of specific performance goals. Dividend Equivalents may accrue on unearned performance awards but shall not be payable unless and until such performance metrics are met.

(b) Payment with Respect to Dividend Equivalents. Dividend Equivalents may be payable in cash or shares of Stock or in a combination of the two, as determined by the Administrator.

13. Other Stock-Based Awards

The Administrator may grant other awards that are cash-based or based on, measured by or payable in Stock to Participants, on such terms and conditions as the Administrator deems appropriate under this Section 13. Other Stock-Based Awards may be granted subject to achievement of performance goals or other conditions and may be payable in Stock or cash, or in a combination of the two, as determined by the Administrator in the Grant Instrument.

14. Deferrals

The Administrator may permit or require a Participant to defer receipt of the payment of cash or the delivery of shares of Stock that would otherwise be due to the Participant in connection with any Grant. The Administrator shall establish rules and procedures for such deferrals. Any deferrals under the Plan shall be intended to comply with the requirements of section 409A of the Code and any corresponding regulations and guidance.

15. Withholding of Taxes

(a) Required Withholding. All Grants under the Plan shall be subject to applicable federal (including FICA), state and local tax withholding requirements. The Employer may require that the Participant or other person receiving or exercising Grants pay to the Employer the amount of any federal, state or local taxes that the Employer is required to withhold with respect to such Grants, or the Employer may deduct from other wages paid by the Employer the amount of any withholding taxes due with respect to such Grants.

(b) Election to Withhold Shares. If the Administrator so permits, a Participant may elect to satisfy the Employer's tax withholding obligation with respect to Grants paid in Stock by having shares withheld, at the time such Grants become taxable, up to an amount that does not exceed the minimum applicable withholding tax rate for federal (including FICA), state and local tax liabilities. In addition, with respect to any required tax withholding amount that exceeds the minimum applicable withholding tax rate, the Administrator may permit a Participant to satisfy such tax withholding obligation with respect to such excess amount by providing that the Participant may elect to deliver to the Company shares of Stock owned by the Participant that have been held by the Participant for the requisite period of time to avoid adverse accounting consequences to the Company. The elections described in this subsection (b) must be in a form and manner prescribed by the Administrator and may be subject to the prior approval of the Administrator.

16. Transferability of Grants

(a) In General. Except as provided in this Section 16, only the Participant may exercise rights under a Grant during the Participant's lifetime. A Participant may not transfer those rights except by will

A-10

or by the laws of descent and distribution, or, with respect to Grants other than Incentive Stock Options, if permitted in any specific case by the Administrator, pursuant to a domestic relations order. When a Participant dies, the Successor Participant may exercise such rights in accordance with the terms of the Plan. A Successor Participant must furnish proof satisfactory to the Company of his or her right to receive the Grant under the Participant's will or under the applicable laws of descent and distribution.

(b) Transfer of Nonqualified Stock Options. Notwithstanding the foregoing, the Administrator may provide in a Grant Instrument that a Participant may transfer Nonqualified Stock Options to family members of the Participant, one or more trusts in which family members of the Participant have more than 50% of the beneficial interest, foundations in which family members of the Participant (or the Participant) control the management of assets, or any other entity in which family members of the Participant (or the Participant) own more than 50% of the voting interests, consistent with applicable securities laws, according to such terms as the Administrator may determine, provided that the Participant receives no consideration for the transfer of a Nonqualified Stock Option and the transferred Nonqualified Stock Option shall continue to be subject to the same terms and conditions as were applicable to the Nonqualified Stock Option immediately before the transfer.

17. Consequences of a Change in Control

(a) Assumption of Grants. Upon a Change in Control where the Company is not the surviving corporation (or survives only as a subsidiary of another corporation), unless the Administrator determines otherwise, all outstanding Options and SARs that are not exercised shall be assumed by, or replaced with comparable options or rights by, the surviving corporation (or a parent or subsidiary of the surviving corporation), and other outstanding Grants shall be converted to similar grants of the surviving corporation (or a parent or subsidiary of the surviving corporation).

(b) Other Alternatives. Notwithstanding the foregoing, in the event of a Change in Control, the Administrator may take any of the following actions with respect to any or all outstanding Grants: the Administrator may (i) determine that outstanding Options and SARs shall accelerate and become exercisable, in whole or in part, upon the Change in Control or upon such other event as the Administrator determines, (ii) determine that the restrictions and conditions on outstanding Stock Awards shall lapse, in whole or in part, upon the Change in Control or upon such other event as the Administrator determines, (iii) determine that Participants holding Stock Units, Performance Shares, Dividend Equivalents, and Other Stock-Based Awards shall receive a payment in settlement of such Stock Units, Performance Shares, Dividend Equivalents, and Other Stock-Based Awards in an amount determined by the Administrator, (iv) require that Participants surrender their outstanding Options and SARs in exchange for a payment by the Company, in cash or Stock, as determined by the Administrator, in an amount equal to the amount by which the then Fair Market Value of the shares of Stock subject to the Participant's unexercised Options and SARs exceeds the Option Price of the Options or the base amount of SARs, as applicable, or (v) after giving Participants an opportunity to exercise their outstanding Options and SARs, terminate any or all unexercised Options and SARs at such time as the Administrator deems appropriate. Such surrender, termination or settlement shall take place as of the date of the Change in Control or such other date as the Administrator may specify. The Administrator shall have no obligation to take any of the foregoing actions, and, in the absence of any such actions, outstanding Grants shall continue in effect according to their terms (subject to any assumption pursuant to subsection (a)). In addition, if a Change in Control constitutes a payment event with respect to any Option, SAR, Stock Award, Stock Unit, Performance Share or Other Stock-Based Award that provides for the deferral of compensation and is subject to Section 409A of the Code, no payment will be made under that award on account of a Change in Control unless the event described in subsection (i), (ii), (iii) or (iv) under the definition of Change in Control, as applicable, constitutes a change in control event as defined in Treasury Regulation Section 1.409A-3(i)(5).

(c) Administrator. The Administrator making the determinations under this Section 17 following a Change in Control must be comprised of the same members as those constituting the Administrator immediately before the Change in Control.

(d) Limitation of Benefits. The benefits that a Participant may be entitled to receive under the Plan and other benefits that a Participant is entitled to receive under other plans, agreements and arrangements (which, together with the benefits provided under the Plan, are referred to as Payments), may constitute Parachute Payments that are subject to Code Sections 280G and 4999. As provided in this Section 17, the Parachute Payments (defined below) will be reduced pursuant to this section if, and only to the extent that, a reduction will allow a Participant to receive a greater Net After Tax Amount (defined below) than a Participant would receive absent a reduction. The Accounting Firm (defined below) will first determine the amount of any Parachute Payments that are payable to a Participant. The Accounting Firm also will determine the Net After Tax Amount attributable to the Participant's total Parachute Payments. The Accounting Firm will next determine the largest amount of Payments that may be made to the Participant without subjecting the Participant to tax under Code Section 4999 (the Capped Payments). Thereafter, the Accounting Firm will determine the Net After Tax Amount attributable to the Capped Payments.

The Participant will receive the total Parachute Payments or the Capped Payments, whichever provides the Participant with the higher Net After Tax Amount. If the Participant will receive the Capped Payments, the total Parachute Payments will be adjusted by first reducing the amount of any benefits under the Plan or any other plan, agreement or arrangement that are not subject to Section 409A of the Code (with the source of the reduction to be directed by the Participant) and then by reducing the amount of any benefits under the Plan or any other plan, agreement or arrangement that are subject to Section 409A of the Code (with the source of the reduction to be directed by the Participant) in a manner that results in the best economic benefit to the Participant (or, to the extent economically equivalent, in a pro rata manner). The Accounting Firm will notify the Participant and the Company if it determines that the Parachute Payments must be reduced to the Capped Payments and will send the Participant and the Company a copy of its detailed calculations supporting that determination.

As a result of the uncertainty in the application of Code Sections 280G and 4999 at the time that the Accounting Firm makes its determinations under this section, it is possible that amounts will have been paid or distributed to the Participant that should not have been paid or distributed hereunder (Overpayments), or that additional amounts should be paid or distributed to the Participant hereunder (Underpayments). If the Accounting Firm determines, based on either the assertion of a deficiency by the Internal Revenue Service against the Company or the Participant, which assertion the Accounting Firm believes has a high probability of success or controlling precedent or substantial authority, that an Overpayment has been made, the Participant must repay the Overpayment to the Company, without interest; provided, however, that no amount will be payable by the Participant to the Company unless, and then only to the extent that, the repayment would either reduce the amount on which the Participant is subject to tax under Code Section 4999 or generate a refund of tax imposed under Code Section 4999. If the Accounting Firm determines, based upon controlling precedent or substantial authority, that an Underpayment has occurred, the Accounting Firm will notify the Participant and the Company of that determination and the amount of that Underpayment will be paid, without interest, to the Participant promptly by the Company.

For purposes of this Section 17, the term Accounting Firm means the independent accounting firm engaged by the Company immediately before the date of the Change in Control. The term Net After Tax Amount means the amount of any Parachute Payments or Capped Payments, as applicable, net of taxes imposed under Code Sections 1, 3101(b) and 4999 and any state or local income taxes applicable to the Participant on the date of payment. The determination of the Net After Tax Amount shall be made using the highest combined effective rate imposed by the foregoing taxes on income of the same character as the

Parachute Payments or Capped Payments, as applicable, in effect on the date of payment. The term Parachute Payment means a payment that is described in Code Section 280G(b)(2), determined in accordance with Code Section 280G and the regulations promulgated or proposed thereunder. Notwithstanding any other provision of this section, this Section 17 shall not limit or otherwise supersede the provisions of any other agreement or plan which provides that a Participant cannot receive Payments in excess of the Capped Payments.

18. Requirements for Issuance of Shares

No shares of Stock shall be issued or transferred in connection with any Grant hereunder unless and until all legal requirements applicable to the issuance of such Stock have been complied with to the satisfaction of the Administrator. The Administrator shall have the right to condition any Grant made to any Participant hereunder on such Participant's undertaking in writing to comply with such restrictions on his or her subsequent disposition of such shares of Stock as the Administrator shall deem necessary or advisable, and certificates representing such shares may be legended to reflect any such restrictions. Certificates representing shares of Stock issued or transferred under the Plan, if any, will be subject to such stop-transfer orders and other restrictions as may be required by applicable laws, regulations and interpretations, including any requirement that a legend be placed thereon.

19. Amendment and Termination of the Plan

(a) Amendment. The Board may amend or terminate the Plan at any time; provided, however, that the Board shall not amend the Plan without approval of the stockholders of the Company if such approval is required in order to comply with the Code, applicable laws and stock exchange requirements, or as required by Section 20(b) below. No amendment or termination of the Plan shall, without the consent of the Participant, impair any rights or obligations under any Grant previously made to the Participant, unless such right has been reserved in the Plan or the Grant Instrument, or except as provided in Section 20(b) below.

(b) No Repricing Without Stockholder Approval. Except in connection with a corporate transaction involving the Company (including, without limitation, any stock dividend, stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination, or exchange of shares), the terms of outstanding awards may not be amended to reduce the exercise price of outstanding Options or SARs or cancel outstanding Options or SARs in exchange for cash, other awards or Options or SARs with an exercise price that is less than the exercise price of the original Options or SARs without stockholder approval.

(c) Termination of Plan. The Plan shall terminate on the day immediately preceding the tenth anniversary of the Effective Date, unless the Plan is terminated earlier by the Board or is extended by the Board with the approval of the stockholders. The termination of the Plan shall not impair the power and authority of the Administrator with respect to an outstanding Grant.

20. Miscellaneous

(a) Grants in Connection with Corporate Transactions and Otherwise. Nothing contained in the Plan shall be construed to (i) limit the right of the Administrator to make Grants under the Plan in connection with the acquisition, by purchase, lease, merger, consolidation or otherwise, of the business or assets of any corporation, firm or association, including Grants to employees thereof who become Employees, or for other proper corporate purposes, or (ii) limit the right of the Company to grant stock options or make other awards outside of the Plan. Without limiting the foregoing, the Administrator may make a Grant to an employee of another corporation who becomes an Employee by reason of a corporate

merger, consolidation, acquisition of stock or property, reorganization or liquidation involving the Company in substitution for a grant made by such corporation. The terms and conditions of the substitute Grants may vary from the terms and conditions required by the Plan and from those of the substituted stock incentives. The Administrator shall prescribe the provisions of the substitute Grants.

(b) Compliance with Law.

(i) The Plan, the exercise of Options or SARs and the obligations of the Company to issue or transfer shares of Stock under Grants shall be subject to all applicable laws and to approvals by any governmental or regulatory agency as may be required. With respect to persons subject to Section 16 of the Exchange Act, it is the intent of the Company that the Plan and all transactions under the Plan comply with all applicable provisions of Rule 16b-3 or its successors under the Exchange Act. In addition, it is the intent of the Company that the Plan and applicable Grants comply with the applicable provisions of sections 409A and 422 of the Code. To the extent that any legal requirement of Section 16 of the Exchange Act or sections 409A or 422 of the Code as set forth in the Plan ceases to be required under section 16 of the Exchange Act or sections 409A or 422 of the Code, that Plan provision shall cease to apply. The Administrator may revoke any Grant if it is contrary to law or modify a Grant to bring it into compliance with any valid and mandatory government regulation. The Administrator may also adopt rules regarding the withholding of taxes on payments to Participants. The Administrator may, in its sole discretion, agree to limit its authority under this Section.

(ii) The Plan is intended to comply with the requirements of section 409A of the Code, to the extent applicable. Each Grant shall be construed and administered such that the Grant either (A) qualifies for an exemption from the requirements of section 409A of the Code or (B) satisfies the requirements of section 409A of the Code. If a Grant is subject to section 409A of the Code, (I) distributions shall only be made in a manner and upon an event permitted under section 409A of the Code, (II) payments to be made upon a termination of employment shall only be made upon a separation from service under section 409A of the Code, (III) unless the Grant specifies otherwise, each installment payment shall be treated as a separate payment for purposes of section 409A of the Code, and (IV) in no event shall a Participant, directly or indirectly, designate the calendar year in which a distribution is made except in accordance with section 409A of the Code.

(iii) If a payment obligation under an award or an Agreement arises on account of the Participant's termination of employment and such payment obligation constitutes deferred compensation (as defined under Treasury Regulation section 1.409A-1(b)(1), after giving effect to the exemptions in Treasury Regulation sections 1.409A-1(b)(3) through (b)(12)), it shall be payable only after the Participant's separation from service (as defined under Treasury Regulation section 1.409A-1(h)); *provided, however*, that if the Participant is a specified employee (as defined under Treasury Regulation section 1.409A-1(i)) then, subject to any permissible acceleration of payment by the Committee under Treasury Regulation Section 1.409A-3(j)(4)(ii) (domestic relations orders), Treasury Regulation Section 1.409A-3(j)(4)(iii) (conflicts of interest) or Treasury Regulation Section 1.409A-3(j)(4)(iv) (payment of employment taxes), any such payment that is scheduled to be paid within six months after such separation from service shall accrue without interest and shall be paid on the first day of the seventh month beginning after the date of the Participant's separation from service or, if earlier, within fifteen days after the appointment of the personal representative or executor of the Participant's estate following the Participant's death.

(c) Enforceability. The Plan shall be binding upon and enforceable against the Company and its successors and assigns.

- (d) Funding of the Plan; Limitation on Rights. The Plan shall be unfunded. Neither the Company nor any other employer shall be required to establish any special or separate fund or to make any other segregation of assets to assure the payment of any Grants under the Plan. Nothing contained in the Plan and no action taken pursuant hereto shall create or be construed to create a fiduciary relationship between the Company or any other Employer and any Participant or any other person. No Participant or any other person shall under any circumstances acquire any property interest in any specific assets of the Company. To the extent that any person acquires a right to receive payment from the Company hereunder, such right shall be no greater than the right of any unsecured general creditor of the Company.
- (e) Rights of Participants. Nothing in the Plan shall entitle any Participant or other person to any claim or right to receive a Grant under the Plan. Neither the Plan nor any action taken hereunder shall be construed as giving any individual any rights to be retained by or in the employment or service of the Employer.
- (f) No Fractional Shares. No fractional shares of Stock shall be issued or delivered pursuant to the Plan or any Grant. The Administrator shall determine whether cash, other awards or other property shall be issued or paid in lieu of such fractional shares or whether such fractional shares or any rights thereto shall be forfeited or otherwise eliminated.
- (g) REIT Status. The Plan shall be interpreted and construed in a manner consistent with the Company's status as a real estate investment trust (REIT). No award shall be granted or awarded, and with respect to any award granted under the Plan, such award shall not vest, be exercisable or be settled (i) to the extent that the grant, vesting, exercise or settlement could cause the Participant or any other person to be in violation of the share ownership limit or any other limitation on ownership or transfer prescribed by the Company's charter, or (ii) if, in the discretion of the Committee, the grant, vesting, exercise or settlement of the award could impair the Company's status as a REIT.
- (h) Clawback Policies. All Grants under this Plan are subject to the applicable provisions of (i) the Company's clawback or recoupment policy approved by the Board, if any, as such policy may be in effect from time to time, and (ii) any law, rule, requirement or regulation that imposes mandatory recoupment or forfeiture, under circumstances set forth in such law, rule, requirement or regulation.
- (i) Governing Law. The validity, construction, interpretation and effect of the Plan and Grant Instruments issued under the Plan shall be governed and construed by and determined in accordance with the laws of the State of Maryland, without giving effect to the conflict of laws provisions thereof.
