At the date hereof each American Depositary Share represents nine (9) CPOs deposited under the Deposit Agreement with the Custodian which at the date of execution of the Deposit Agreement is Banco Nacional de Mexico miembro del Grupo Financiero Citigroup ("Banamex") (such custodian or any successor custodian, the "Custodian"). Edgar Filing: GRUPO RADIO CENTRO SA DE CV - Form 424B3

(1) The Deposit Agreement. This American Depositary Receipt is one of an issue (herein called the "Receipts"), all issued and to be issued upon the terms and conditions set forth in the Deposit Agreement, dated as of June 30, 1993 (as amended from time to time, the "Deposit Agreement"), by and among the Company, the Depositary and all Holders from time to time of Receipts issued thereunder, each of whom by accepting a Receipt agrees to become a party thereto and becomes bound by all the terms and provisions thereof. The Deposit Agreement sets forth the rights of Holders and the rights and duties of the Depositary in respect of the CPOs deposited thereunder and any and all other securities, property and cash from time to time received in respect of such CPOs and held thereunder (such CPOs, securities, property and cash are herein called "Deposited Securities"). Copies of the Deposit Agreement are on file at the Principal Office of the Depositary and the Custodian. The statements made on the face and the reverse of this Receipt are summaries of certain provisions of the Deposit Agreement and are qualified by and subject to the detailed provisions of the Deposit Agreement, to which reference is hereby made. Terms used and not defined herein shall have the same meaning as in the Deposit Agreement. The Depositary makes no representation or warranty as to the validity or worth of the Deposited Securities.

(2) Surrender of Receipts and Withdrawal of Deposited Securities. Upon surrender at the Principal Office of the Depositary of this Receipt for the purpose of withdrawal of the Deposited Securities represented hereby, and upon receipt of payment of all fees (including the fee of the Depositary for cancellation of this Receipt), expenses, taxes, and governmental charges, if any, payable in connection with such surrender, and written instructions of the Holder of this Receipt, subject to the terms and conditions of the Deposit Agreement, the Trust, the Estatutos and to the provisions of or governing Deposited Securities, the Holder hereof is entitled to (a) physical delivery, to him or upon his order, of the Deposited Securities other than CPOs, at the time represented by this Receipt or (b) with respect to CPOs (and to other Deposited Securities that are issuable and transferable in book-entry

A-2

form, and cannot be withdrawn in certificated form), electronic transfer, through Indeval, of such deposited securities to an account in the name of the Holder or such other name as specified in such written instructions. In accordance with the terms of the Trust and the CPO Deed, holders of CPOs are not entitled to receive physical certificates evidencing such CPOs. Such delivery will be made without unreasonable delay and, at the option of the Holder hereof, either at the office of any Custodian or at the Principal Office of the Depositary, provided that the forwarding of certificates evidencing Deposited Securities, if any, for such delivery at the Principal Office shall be at the risk and expense of the Holder hereof.

(3) Transfers, Split-ups and Combinations. The transfer of this Receipt is registrable on the books of the Depositary by the Holder hereof in person or by duly authorized attorney, upon surrender of this Receipt to the Principal Office of the Depositary properly endorsed or accompanied by proper instruments of transfer and duly stamped as may be required by any applicable laws and upon compliance with such regulations, if any, as the Depositary may establish; provided, however, that, subject to article (23) of this Receipt, the Depositary may close the transfer books, at any time or from time to time, when deemed expedient by it in connection with the performance of its duties under the Deposit Agreement. This Receipt may be split into other Receipts or may be combined with other Receipts into one Receipt, representing the same aggregate number of American Depositary Shares as the Receipt or Receipts surrendered. As a condition precedent to the execution and delivery, registration of transfer,

Edgar Filing: GRUPO RADIO CENTRO SA DE CV - Form 424B3

split-up, combination or surrender of any Receipt or withdrawal of any Deposited Securities, the Depositary, the Custodian or the Company (on its own behalf or on behalf of the Trust) may require (a) payment from the depositor of CPOs, the presenter of a Receipt, Holder or the presenter of written instructions, of a sum sufficient to reimburse it for any tax or other governmental charge and any Share or CPO transfer or registration tax or fee with respect thereto (including any such tax, charge, or fee with respect to CPOs being deposited or withdrawn) and payment of any applicable fees as provided in article (6) of this Receipt, (b) the production of proof satisfactory to it as to the identity and genuineness of any signature and (c) compliance with any laws or governmental regulations relating to American Depositary Receipts, the withdrawal of Deposited Securities and such reasonable regulations, if any, as the Depositary and the Company may establish consistent with the provisions of the Deposit Agreement.

The Depositary may refuse to execute and to deliver Receipts, register the transfer of any Receipt, or make any distribution of, or related to, Deposited Securities until it has received such proof of citizenship, residence, exchange control approval or other information as it may deem necessary or proper in accordance with applicable laws and regulations and the terms of the Deposit Agreement.

A-3

The delivery of Receipts against deposits of CPOs may be suspended or withheld, or the registration of transfer of Receipts in particular instances may be refused, or the registration of transfer generally may be suspended, during any period when the transfer books of the Depositary, the CPO Trustee, Indeval, or the Company (or any other agent for the transfer and registration of CPOs or Shares) are closed, or if any such action is deemed necessary or advisable by the Depositary or the Company, at any time or from time to time because of any requirement of law or of any governmental body or commission or in accordance with the Deposit Agreement, the Estatutos or the provisions of or governing Deposited Securities, or for any other reason.

The Depositary and the Custodian may refuse to accept CPOs for deposit whenever notified that the Company has restricted transfer of such CPOs to comply with the disclosure requirements referred in Sections 2.06, 3.04 and 3.05 of the Deposit Agreement.

Notwithstanding any provision of the Deposit Agreement or this Receipt, the surrender of outstanding Receipts and withdrawal of Deposited Securities may not be suspended, except as permitted in General Instructions IA(1) to Form F-6 (as may be amended from time to time) under the Securities Act of 1933. Without limitation of the foregoing, the Depositary will not knowingly accept for deposit under the Deposit Agreement any CPOs or other Deposited Securities, which, if sold by the holder thereof in the United States or its territories, would be subject to the registration provisions of the United States Securities Act of 1933, as from time to time amended, unless a registration statement is in effect as to such CPOs or other Deposited Securities.

(4) Liability of Holder For Taxes. If any Mexican tax or other governmental charge or assessment imposed under applicable laws shall become payable with respect to any Deposited Securities represented hereby, such tax, other governmental charge or expense shall be payable by the Holder hereof to the Depositary. The Depositary may refuse, and the Company shall be under no obligation to effect any transfer, split up or combination of this Receipt or any deposit or withdrawal of Deposited Securities represented hereby until such payment is made, and may withhold or deduct any dividends or other

Edgar Filing: GRUPO RADIO CENTRO SA DE CV - Form 424B3

distributions, or may sell for the account of the Holder hereof any part or all of the Deposited Securities represented hereby, and may apply such dividends or other distributions or the proceeds of any such sale in payment of such tax, other governmental charge or expense, the Holder hereof remaining liable for any deficiency.

A-4

(5) Warranties by Depositor. Each person depositing CPOs under the Deposit Agreement shall be deemed thereby to represent and warrant that such CPOs and the Shares represented thereby and each certificate therefor, if any, are validly issued and outstanding, fully paid and non-assessable and free of any preemptive rights, if any, and that the person making such deposit is duly authorized so to do. Such person shall also be deemed to represent (i) that CPOs deposited by that person are not Restricted Securities and (ii) that the deposit of CPOs or sale of Receipt by that person is not restricted, under the Securities Act of 1933. Such representations and warranties shall survive the deposit of CPOs and issuance and cancellation of Receipts.

(6) Charges of Depositary. The Depositary shall charge any party who makes a deposit or to whom Receipts are issued or any party who makes a withdrawal or who surrenders Receipts a fee of up to \$5.00 or less per 100 American Depositary Shares (or portion thereof). In addition, the Depositary shall charge to the Holders a fee of up to \$2.00 per 100 American Depositary Shares (or portion thereof) for any cash distribution made pursuant to the Deposit Agreement (including, but not limited to, Sections 4.02 through 4.05 thereof). The foregoing charges shall not be imposed to the extent prohibited by the rules of any securities exchange on which the American Depositary Shares are admitted for trading. Holders will also pay such charges, taxes, and other expenses as specified in the Deposit Agreement and Exhibit B thereto.

(7) Filing Proofs, Certificates, and Other Information. Any person presenting CPOs for deposit or any Holder may be required from time to time to file with the Depositary or the Custodian such proof of citizenship, residence or exchange control approval, if applicable, payment of all applicable Mexican taxes or other governmental charges, compliance with all applicable laws, regulations, and provisions of or governing Deposited Securities and, the terms of the Deposit Agreement, and legal or beneficial ownership of Receipts, Deposited Securities and other securities, and the nature of such interest, or to provide information relating to the registration on the books of the Company or the Trust (or the appointed agent of the Company or the Trust for transfer and registration of CPOs including Indeval) of the CPOs presented for deposit or other information, to execute such certificates and to make such representations and warranties, as the Depositary may deem necessary or proper or as the Company may require by written request to the Depositary consistent with its obligations as thereunder. The Depositary may withhold execution or delivery or registration of transfer of any Receipt or the distribution or sale of any dividend or other distribution of rights or of the proceeds thereof or the delivery of any Deposited Securities until such proof or other information is filed or such certificates are executed to the Depositary's satisfaction. The Depositary shall, upon the Company's written request, provide the Company and the CPO

A-5

Trustee, in a timely manner, with copies, or originals if necessary and appropriate, of (i) any such proofs and certificates which the Depositary receives, and (ii) any other information or documents which the Company may reasonably request and which the Depositary shall request and receive from the

Edgar Filing: GRUPO RADIO CENTRO SA DE CV - Form 424B3

Holder.

(8) Disclosure of Interests. The Company, the Depositary or the Custodian may from time to time request Holders to provide information as to the capacity in which, they hold or held Receipts and regarding the identity of any other persons then or previously-interested in such Receipts and the nature of such interest and various other matters. Each such Holder agrees to provide promptly any such information after request by the Company, the Depositary or the Custodian pursuant to this article.

(9) Ownership Restrictions. The Company may restrict transfers of the CPOs where such transfer might result in ownership of CPOs exceeding the limits under applicable law, the Trust or the CPO Deed, if any. The Company may also restrict, in such manner as it deems appropriate, transfers of the American Depositary Shares where such transfer may result in the total number of CPOs represented by the American Depositary Shares owned by a single Holder to exceed the limits under any applicable law, the Trust or the CPO Deed, if any. The company may instruct the Depositary to take action at the Company's expense with respect to the ownership interest of any Holder in excess of the limitation set forth in the preceding sentence, including but not limited to a mandatory sale or disposition on behalf of a Holder of the CPOs represented by the American Depositary Shares held by such Holder in excess of such limitations, if and to the extent such disposition is permitted by applicable law. Subject to Sections 5.03 and 5.08 of the Deposit Agreement, the Depositary shall use its reasonable efforts to comply with the Company's instructions as to Receipts in respect of any such enforcement or limitation and Holders shall comply with all such disclosure requirements and ownership limitations and shall cooperate with the Depositary's compliance with such instructions.

It is expressly acknowledged by the Holders that in accordance with the provisions governing the Trust and under Mexican Law, Holders and holders of CPOs are not entitled to withdraw the Shares underlying the CPOs for the term of duration of the Trust, and withdrawal of Shares will be made only by persons eligible to hold Shares, as provided in the Estatutos.

(10) Title to Receipts. It is a condition of this Receipt, and every successive Holder hereof by accepting or holding the same consents and agrees, that title to this Receipt (and to the American Depositary Shares evidenced hereby), when properly endorsed or accompanied by proper instruments of transfer, is transferable by delivery with the same effect as in the case of a

A-6

negotiable instrument; provided, however, that the Depositary, notwithstanding any notice to the contrary, may deem and treat the person in whose name this Receipt is registered on the books of the Depositary as the absolute owner hereof for the purpose of determining the person entitled to distribution of dividends or other distributions or to any notice provided for in the Deposit Agreement and for all other purposes.

(11) Validity of Receipt. This Receipt shall not be entitled to any benefits under the Deposit Agreement or be valid or obligatory for any purpose, unless this Receipt shall have been executed by the Depositary by the manual signature of a duly authorized officer or, if a Registrar for the Receipts shall have been appointed, such signature may be a facsimile if this Receipt is countersigned by the manual signature of a duly authorized officer of such Registrar.

(12) Available Information. The Company is subject to the periodic reporting requirements of the Securities Exchange Act of 1934 and is required to

Edgar Filing: GRUPO RADIO CENTRO SA DE CV - Form 424B3

Such reports and information will be available for inspection and copying by Holders at the public reference facilities maintained by the Commission located at the date hereof at Judiciary Plaza, 450 Fifth Street (Room 1024), N.W., Washington, D.C. 20549.

(FORM OF REVERSE OF RECEIPT)

SUMMARY OF CERTAIN ADDITIONAL PROVISIONS
OF THE DEPOSIT AGREEMENT

(13) Dividends and Distributions; Rights. Whenever the Custodian or the Depositary shall receive any cash dividend or other cash distribution on any Deposited Securities, the Depositary or the Custodian will, if at the time of receipt thereof any amounts received in a foreign currency can in the judgment of the Depositary be converted on a reasonable basis into United States dollars distributable to the Holders entitled thereto and, subject to the provisions of the Deposit Agreement, as soon as practicable convert such dividend or distribution into United States dollars and will remit the amount thus received to the Depositary which shall, after fixing a record date pursuant to Section 4.07 of the Deposit Agreement, distribute such amount to the Holders of record on the Record Date, in proportion to the number of American Depositary Shares representing such Deposited Securities held by them respectively after deduction or upon payment of the fees, if any, and expenses of the Depositary; provided, however, that the Depositary (i) shall make appropriate adjustments in the amount so distributed in respect of any of such Deposited Securities being not entitled, by reason of its date of issuance or otherwise, to receive all or any portion of such distribution and (ii) the amount distributed will be reduced by any amounts required to be withheld by the Company, the CPO Trustee, the Depositary or the Custodian in respect of taxes or other governmental charges. The Depositary shall distribute only such amount, however, as can be distributed without attributing to any Holder a fraction of one cent and any balance not so distributable shall be held by the Depositary (without liability for interest thereon) and shall be added to and become part of the next sum received by the Depositary for distribution to Holders then outstanding. If in the judgment of the Depositary, amounts received in foreign currency may not be converted on a reasonable basis into United States dollars distributable to the Holders entitled thereto, or may not be so convertible for all of the Holders entitled thereto, the Depositary may in its discretion make such conversion, if any, and distribution in United States dollars to the extent permissible to the Holders entitled thereto and may distribute the balance of the foreign currency received and not so convertible by the Depositary to, or hold (without liability for interest thereon) such balance for the account of, the Holders entitled thereto. If in the opinion of the Depositary any distribution other than cash or CPOs upon any Deposited Securities cannot be made proportionately among the Holders entitled thereto, or if for any other reason the Depositary deems such

Edgar Filing: GRUPO RADIO CENTRO SA DE CV - Form 424B3

distribution not to be feasible, the Depositary may adopt such method as it may deem equitable for the purpose of effecting such distribution, including the sale (at public or private sale) of the securities or property thus received, or

A-8

any part thereof, and the net proceeds of any sale (after deduction of any taxes and fees, if any, and expenses of the Depositary) will be distributed by the Depositary to the Holders entitled thereto as in the case of a distribution received in cash. If any distribution upon any Deposited Securities consists of a dividend in, or free distribution of Shares, the Depositary may with the Company's approval, and shall if the Company shall so request, distribute to the Holders of record of outstanding Receipts entitled thereto, in proportion to the number of American Depositary Shares representing such Deposited Securities held by them respectively, additional Receipts for an aggregate number of American Depositary Shares representing the number of CPOs received as such dividend or free distribution. In lieu of delivering Receipts for fractional American Depositary Shares in any such case, the Depositary will sell the number of CPOs represented by the aggregate of such fractions and distribute the net proceeds, all in the manner and subject to the conditions set forth in the Deposit Agreement. In the event that the Company shall offer or cause to be offered to the holders of any Deposited Securities any rights to subscribe for additional CPOs, Shares or any rights of any other nature and the Company or CPO Trustee as a holder of Shares shall offer or cause to be offered to the holders of CPOs the right to instruct the Company or the CPO Trustee, as the case may be, to subscribe for such holders' proportionate share of such additional Shares, CPOs, or other securities, the Depositary, after consultation with the Company, will have discretion as to whether such rights are to be made available to the Holders or in disposing of such rights on behalf of such Holders or in allowing such rights to lapse; provided, however, that the Depositary may, and if requested by the Company shall, either (a) make such rights available to all Holders or certain Holders but not others by means of warrants or otherwise, if lawful and feasible, or (b) if making such rights available is not lawful or not feasible, or if the rights represented by such warrants or other instruments are not exercised and appear to be about to lapse, sell such rights or warrants or other instruments at public or private sale, at such place or places and upon such terms as the Depositary may deem proper, and allocate the proceeds of such sales for the account of the Holder otherwise entitled thereto upon an averaged or other practicable basis without regard to any distinctions among such Holders because of exchange restrictions or the date of delivery of any Receipt or Receipts, or otherwise and distribute such net proceeds to the extent practicable as in the case of cash dividends. If by the terms of such rights offering or by reason of applicable law, the Depositary may neither make such rights available to such Holders nor dispose of such rights and make the net proceeds available to such Holders, then the Depositary shall allow the rights to lapse (without incurring liability to any person as a consequence thereof).

A-9

The Depositary shall not be responsible for any failure to determine that it may be lawful or feasible to make such rights available to Holders in general or any Holder or Holders in particular.

If registration under the Securities Act of 1933 of the securities to which any rights relate is required in order for the Company to offer such rights to Holders and sell the securities represented by such rights, the Depositary will not offer such rights to the Holders (i) unless and until a registration statement under the Securities Act of 1933 covering such offering

Edgar Filing: GRUPO RADIO CENTRO SA DE CV - Form 424B3

is in effect, or (ii) unless the Company furnishes the Depositary an opinion of counsel for the Company in the United States satisfactory to the Depositary or other evidence satisfactory to the Depositary to the effect that the offering and sale of such securities to the Holders of such Receipts are exempt from or do not require registration under the provisions of the Securities Act of 1933. The Company or the CPO Trustee shall have no obligation to register such rights or such securities under the Securities Act of 1933.

(14) Record Dates. Whenever the Depositary shall receive notice from the Company or CPO Trustee of the fixing of a record date by the Company for the determination of holders of Deposited Securities entitled to receive any cash dividend or other cash distribution or any distribution other than cash, or any rights to be issued, or whenever for any reason the Depositary causes a change in the number of CPOs that are represented by each American Depositary Share with respect to the Deposited Securities, or whenever the Depositary shall receive notice of any meeting of holders of CPOs, Shares or other Deposited Securities, or whenever the Depositary shall find it necessary or convenient in connection with the giving of any notice, solicitation of any consent or any other matter, the Depositary, after consultation with the Company, will fix a record date (which, to the extent practicable, shall be the same corresponding record date for CPOs or other Deposited Securities set by the Company, the CPO Trustee or Indeval) for the determination of the Holders who will be entitled to receive such dividend, distribution, rights or the net proceeds of the sale thereof, or changed number of CPOs, or to give instructions for the exercise of voting rights at any such meeting, or to receive such notice or solicitation, or to otherwise take action, or to give or withhold such consent, subject to the provisions of the Deposit Agreement.

(15) Voting of Deposited Securities. Pursuant to the provisions of the Trust, Holders may not vote the Shares represented by the CPOs. The voting rights in respect of Shares underlying the CPOs may be voted only by the CPO Trustee, which is required under the Trust to vote the Shares in the same manner as holders of the majority of Shares that are not held in the Trust shall have voted such Shares at the relevant meeting. As soon as practicable after after

A-10

receipt of notice pursuant to Section 5.06 of the Deposit Agreement of a CPO General Meeting (as hereinafter defined) or any meeting of holders of other Deposited Securities, the Depositary shall fix a record date, as provided in Section 4.07 of the Deposit Agreement, for determining the Holders entitled to give instructions for the exercise of voting rights at a CPO General Meeting, if any, and shall mail to the Holders of record a notice which shall contain: (a) such information as is contained in such notice of meeting (including any statement by the CPO Trustee requiring holders of CPOs to give notice of their intention to attend the meeting in person or by proxy), and (b) a statement that the Holders of record at the close of business on a specified record date will be entitled, subject to any applicable provisions of the Trust or Mexican law and of the Estatutos (which provisions, if any, shall be summarized in pertinent part), to instruct the Depositary as to the exercise of the voting rights at a CPO General Meeting, if any, pertaining to the number of CPOs or other Deposited Securities represented by their respective American Depositary Shares evidenced by their respective Receipts. Upon the written request of a Holder on such record date, received on or before the date established by the Depositary for such purpose, the Depositary shall endeavor insofar as is practicable to vote or cause to be voted the amount of Deposited Securities represented by such American Depositary Shares evidenced by such Receipt in accordance with the instructions set forth in such request, or to cause such notice of intention to attend the meeting to be timely delivered to Indeval.

Edgar Filing: GRUPO RADIO CENTRO SA DE CV - Form 424B3

The Depositary agrees not to, and shall ensure that the Custodian and each of their nominees do not, vote the CPOs or other Deposited Securities represented by the American Depositary Shares evidenced by a Receipt other than in accordance with such instructions from the Holder.

Holders of CPOs representing at least 10% of the aggregate number of CPOs outstanding may request that the Common Representative call a meeting of holders of CPOs (a "CPO General Meeting"). Whenever any Holder gives a notice to the Depositary or the Custodian containing a request for a CPO General Meeting concerning any business of the Trust or at which holders of CPOs may be entitled to vote, the Custodian shall, as a holder of CPOs, give notice to the Common Representative containing such request in the same form as provided in the notice from such Holder. Such notice by the Custodian shall state that it is given in the Custodian's capacity as the holder of that number of CPOs represented by the American Depositary Shares evidenced by the Receipts held by such Holder.

A-11

In order for holders of CPOs to be entitled to attend CPO General Meetings, such holders must request from Indeval, through an authorized depositary, not less than two days prior to the date fixed for the meeting, a deposit receipt and must submit such receipt with the institution designated for such purposes in the notice for such meeting on or before the date prior to the date fixed for the meeting. Persons appointed by an instrument in writing as proxy for a holder or holders of CPOs will be entitled to attend CPO General Meetings. Holders of Receipts will not be treated as holders of CPOs for these purposes.

(16) Chances Affecting Deposited Securities. Upon any change in nominal or par value, split-up, consolidation or any other reclassification of Deposited Securities, any termination or reorganization of the Trust (whether or not a new or successor trust or CPO trustee is formed or appointed) upon any recapitalization, reorganization, merger or consolidation or sale of assets affecting the Company or to which it is a party, any CPOs or any other securities which shall be received by the Depositary or a custodian in exchange for, in conversion of or replacement or otherwise in respect of Deposited Securities shall be treated as new Deposited Securities under the Deposit Agreement, and American Depositary Shares shall thenceforth represent, in addition to existing Deposited Securities, the new Deposited Securities or CPOs so received in exchange, conversion, replacement or otherwise, unless additional or new Receipts are delivered pursuant to the following sentence. In any such case the Depositary may with the Company's approval, and shall if the Company shall so request, execute and deliver additional Receipts as in the case of a stock dividend, or call for the surrender of outstanding Receipts to be exchanged for new Receipts. Notwithstanding the foregoing, in the event that any security so received may not be lawfully distributed to some or all Holders, the Depositary (after consultation with the Company) may sell such securities at public or private sale, at such place or places and upon such terms as it may deem proper, and shall allocate the net proceeds of such sales for the account of the Holders otherwise entitled to such securities upon an averaged or other practicable basis without regard to any distinctions among such Holders and distribute the net proceeds so allocated to the extent practicable as in the case of a distribution received in cash.

(17) Reports; Inspection of Transfer Books. The Depositary will make available for inspection during business hours by Holders at its Principal office and at the principal office of each custodian copies of the Deposit Agreement, any notices, reports or communications received from the Company, the

Edgar Filing: GRUPO RADIO CENTRO SA DE CV - Form 424B3

CPO Trustee or Indeval, including any proxy soliciting material, which are both (a) received by the Depositary, the Custodian or the nominee of either, as the holder of the Deposited Securities, and (b) made generally available to the

A-12

holders of such Deposited Securities by the Company, the CPO Trustee or Indeval. The Depositary will also send to Holders copies of such notices, reports and communications when furnished by the Company or the CPO Trustee to the Depositary as provided in the Deposit Agreement. The Depositary will keep books for the registration of Receipts and their transfer which at all reasonable times will be open for inspection by the Company and Holders, provided that such inspection shall not be for the purpose of communicating with Holders in the interest of a business or object other than the business of the Company or a matter related to the Deposit Agreement or the Receipts.

(18) Withholding. In connection with any distribution to Holders, the CPO Trustee, the Company or its agent or the Depositary or its agent, as appropriate, will remit to the appropriate governmental authority or agency all amounts (if any) withheld and owing to such authority or agency. The Depositary will forward to the Company or its agent such information from its records as the Company or the CPO Trustee may reasonably request to enable the CPO Trustee or the Company or its agent to file necessary reports with governmental authorities or agencies, and the Custodian, the Depositary or the Company or its agents may file any such reports necessary to obtain benefits under applicable tax treaties for the Holders. Notwithstanding any other provisions of the Deposit Agreement, in the event that the Depositary determines that any distribution in property (including CPOs or rights to subscribe therefor) is subject to any tax or other governmental charge or assessment which the Depositary or the Custodian is obligated to withhold, the Depositary may (after consultation with the Company) dispose of all or a portion of such property (including CPOs and rights to subscribe therefor) in such amounts and in such manner as the Depositary deems necessary and practicable to pay such taxes, charges or assessments by public or private sale, and the Depositary shall distribute the net proceeds of any such sale or the balance of any such property after deduction of such taxes, charges or assessments to the Holders entitled thereto (and net of fees of the Depositary).

(19) Liability of the Company and Depositary. Neither the Depositary, nor the Company, nor any of their directors, employees, agents or affiliates shall incur any liability to any Holder or any other person, if, by reason of any provision of any present or future law, or of any other governmental authority or regulatory authority or stock exchange, or by reason of any provision, present or future, of the Estatutos, the Trust or the CPO Deed or the provisions of or governing any Deposited Securities, or by reason of any act of God or war or other circumstances beyond its control, the Depositary, its agents or the Company, or its agents, shall be prevented or forbidden from or subjected to any civil or criminal penalty or restraint on account of, or delayed in, doing or performing any act or thing which by the terms of the Deposit Agreement it is provided shall be done or performed; nor shall the

A-13

Depositary or its agents or the Company or its agents incur any liability to any Holder or other person by reason of any non-performance or delay, caused as aforesaid, in performance of any act or thing which by the terms of the Deposit Agreement it is provided shall or may be done or performed, or by reason of any exercise of, or failure to exercise, any discretion provided for in the Deposit

Edgar Filing: GRUPO RADIO CENTRO SA DE CV - Form 424B3

Agreement, the Estatutos, the CPO Trust and the CPO Deed. Where, by the terms of a distribution pursuant to Sections 4.02, 4.03, or 4.04 of the Deposit Agreement, or an offering or distribution pursuant to Section 4.05 of the Deposit Agreement, or for any other reason, such distribution or offering may not be made available to Holders, or some of them, and the Depositary may not dispose of such distribution or offering on behalf of such Holders and make the net proceeds available to such Holders, then the Depositary shall not make such distribution or offering, and shall allow any such rights, if applicable, to lapse.

The Company and its agents assume no obligation and shall be subject to no liability under the Deposit Agreement or this Receipt to Holders or other persons except that it agrees to perform its obligations set forth in the Deposit Agreement without negligence or bad faith.

Each of the Depositary and its agents assumes no obligation and shall be subject to no liability under the Deposit Agreement or this Receipt to Holders or other persons (including without limitation, liability with respect to the validity or worth of the Deposited Securities), except that it agrees to perform its duties set forth in the Deposit Agreement without negligence or bad faith. Each of the Company and the Depositary and their respective agents undertakes to perform such duties and only such duties as are specifically set forth in the Deposit Agreement, and no implied covenants or obligations shall be read into the Deposit Agreement or this Receipt against the Company, the Depositary or their respective agents.
