Item 1.01 Entry Into a Material Definitive Agreement

On August 27, 2010, IntelGenx Technologies Corp. (IntelGenx or the Company) completed an offering of 6,500,000 units (the Units) at CAD\$0.40 per Unit for gross proceeds of CAD\$2.6 million (the Offering) pursuant to the terms of subscription agreements with its investors (the Subscription Agreements). Each Unit consists of one common share in the capital of the Company (a Common Share) and one common share purchase warrant (a Warrant). Each Warrant entitles the holder thereof to purchase one common share in the capital of the Company (a Warrant Share) at an exercise price of CAD\$0.50 expiring on August 27, 2013. The exercise price of the Warrants is subject to adjustment for certain events, including without limitation, dividends, distributions or split of the Company's common stock, subsequent rights offerings by the Company, or in the event of the Company's consolidation, merger or reorganization. The proceeds of the private placement will be used to support the Company s strategic development projects and for working capital purposes.

Pursuant to an agency agreement (the Agency Agreement) entered into on August 27, 2010, the Company engaged Bolder Investment Partners, Ltd. (the Agent) to act as placement agent for the Offering on a commercially reasonable best efforts basis. The Company (a) paid the Agent cash compensation equal to 8% of the gross proceeds of the Offering, (b) a corporate finance fee of CAD\$20,000 and (c) issued 520,000 compensation options (Compensation Options) which was equal to 8% of the number of Units sold in the Offering. Each Compensation Option entitles the Agent to purchase one common share in the capital of the Company (the Compensation Option Shares) at an exercise price of CAD\$0.50 expiring on August 27, 2012. The exercise price of the Compensation Options is subject to adjustment for certain events, including without limitation, dividends, distributions or split of the Company's common stock, subsequent rights offerings by the Company, or in the event of the Company's consolidation, merger or reorganization.

In connection with the Offering, the Company entered into a Registration Rights Agreement with each of the investors (the Registration Rights Agreement) providing for the filing of a registration statement (the Registration Statement) with the Securities and Exchange Commission registering the Common Shares, the Warrants, the Warrant Shares, the Compensation Options and the Compensation Option Shares. The Company is obligated to file the Registration Statement no later than 30 days from the date of closing and to use its best efforts to cause the Registration Statement to be declared effective no later than 120 days after the date of closing.

The Units, the Common Shares, the Warrants, the Warrant Shares, the Compensation Options and the Compensation Option Shares are subject to resale restrictions in Canada for a period of 4 months after today's date (December 28, 2010) and to statutory resale restrictions under the United States Securities Act of 1933, as amended (the Act).

The foregoing issuances were exempt from registration under Section 4(2) of the Act and/or Regulation S, promulgated pursuant to the Act. None of the purchasers are U.S. persons, no sales efforts were conducted in the U.S., and the Units, the Common Shares, the Warrants, the Warrant Shares, the Compensation Options and the Compensation Option Shares contain, or will contain upon issuance, a legend restricting the sale of such securities in accordance with applicable exemptions from the registration requirements of the Act.

The foregoing summary of the Offering is qualified in its entirety by reference to the transaction documents which are filed as exhibits contemporaneously herewith.
