INNOVEX, INC.

PROXY STATEMENT

This proxy statement is furnished to the shareholders of Innovex, Inc. (the Company) in connection with the solicitation of proxies by the Board of Directors of the Company to be voted at the Annual Meeting of Shareholders to be held on January 17, 2006. The Company's corporate offices are located at 5540 Pioneer Creek Drive, Maple Plain, Minnesota 55359, and its telephone number is (763) 479-5300. The mailing of this proxy statement to shareholders of the Company commenced on or about December 14, 2005.

For your convenience, the Company is also offering a Webcast of the meeting. If you choose to view the Webcast, go to www.innovexinc.com/investor.shtml shortly before the meeting time and follow the instructions provided. If you miss the meeting, you can view a replay of the Webcast on that site until April 30, 2006.

Voting

The Company has outstanding only one class of stock, \$.04 par value common stock, of which 19,229,523 shares were issued and outstanding and entitled to vote at the close of business of December 1, 2005. Each share of common stock is entitled to one vote. Only shareholders of record at the close of business on December 1, 2005 will be entitled to vote at the meeting.

Quorum and Vote Requirements

Under Minnesota law, a quorum, consisting of a majority of the shares of common stock entitled to vote at the Annual Meeting, must be present in person or by proxy before action may be taken at the Annual Meeting. Votes cast by proxy or in person at the Annual Meeting of Shareholders will determine whether or not a quorum is present.

Shares held by brokers who do not have discretionary authority to vote on a particular matter and who have not received voting instructions from their customers are not counted or deemed to be present or represented for the purpose of determining whether shareholders have approved that matter, but they are counted as present for the purposes of determining the existence of a quorum at the Annual Meeting of Shareholders. Abstentions will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but as unvoted for purposes of determining the approval of the matter submitted to the shareholders for a vote. If you abstain from voting on any of the proposals, it has the same effect as a vote against that proposal.

A director nominee will be elected if approved by the affirmative vote of the holders of a plurality of the voting power of the shares present, in person or by proxy, and entitled to vote for the election of directors. You may either vote FOR or WITHHOLD authority to vote for each nominee for the Board of Directors. If you withhold authority to vote for the election of one of the directors, it has the same effect as a vote against that director.

Each other item of business properly presented at a meeting of shareholders generally must be approved by the affirmative vote of the holders of a greater of: (a) a majority of the voting power of the shares present, in person or by proxy, and entitled to vote on that item of business or (b) a majority of the voting power of the minimum number of shares that would constitute a quorum. You may vote FOR, AGAINST or ABSTAIN on any other proposal.

Whether or not you expect to attend the meeting, please complete, date, sign and return the enclosed proxy as promptly as possible (or follow instructions to grant a proxy to vote by means of telephone) in order to ensure your representation at the meeting. A return envelope (which is postage prepaid if mailed in the United States) is enclosed for that purpose. Even if you have given your proxy, you may still vote in person if you attend the meeting. Please note, however, that if your shares are held of record by a broker, bank or other nominee and you wish to vote at the meeting, you must bring to the meeting a letter from the broker, bank or other nominee confirming your beneficial ownership of the shares. Additionally, in order to vote at the meeting, you must obtain from the record holder a proxy issued in your name. You will not be able to vote your shares via the Webcast. If you plan to view the Webcast, please submit your vote using the enclosed proxy.

Revoking A Proxy

Any proxy may be revoked at any time before it is voted by written notice to the Secretary of the Company, by receipt of a proxy properly signed and dated subsequent to an earlier proxy, or by revocation of a written proxy by request in person at the Annual Meeting. If not so revoked, the shares represented by such proxy will be voted.

Solicitation

The cost of this solicitation will be borne by the Company. In addition to solicitation by mail, officers, directors and employees of the Company may solicit proxies by telephone, facsimile or in person. The Company may also request banks and brokers to solicit their customers who have a beneficial interest in the Company's common stock registered in the names of nominees and will reimburse such banks and brokers for their reasonable out-of-pocket expenses.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR
THE ELECTION OF EACH OF THE NOMINEES**

GOVERNANCE MATTERS

Board Attendance at Meetings

The Board of Directors met seven times during fiscal year 2005. Each nominee who served as a director in fiscal year 2005 attended at least 75% of the meetings of the Board of Directors and any committee on which he served held during his term of service. The Company does not have a formal policy on attendance at meetings of the Company's shareholders. However, the Company encourages all Board members to attend all meetings, including the Annual Meeting of Shareholders. Two directors attended the 2005 Annual Meeting of Shareholders in person.

Board Independence

The Board undertook a review of director independence in October 2005. As part of that process, the Board reviewed all transactions and relationships between each director (or any member of his or her immediate family) and the Company, the Company's executive officers and the Company's auditors, and other matters bearing on the independence of directors. As a result of this review, the Board affirmatively determined that Messrs. Ankeny, Buhmaster, Nooyi and Porter are independent as defined by the Nasdaq Marketplace Rules and the rules of the Securities and Exchange Commission.

Description of Committees of the Board of Directors

The Company's Board of Directors has established an Audit Committee, a Compensation Committee and a Governance Committee. The composition and function of these committees are set forth below.

Audit Committee. The Audit Committee assists the Board by reviewing the integrity of the Company's financial accounting and reporting, the system of internal controls established by management, and the adequacy of auditing relative to these activities. The Audit Committee has the ultimate authority for engaging the Company's independent auditors, pre-approving all fees and audit and non-audit services to be provided by the auditors, overseeing the auditors, reviewing and evaluating significant matters relating to the financial statement audit and audit of internal controls of the Company. It also reviews the scope and results of the audits and considers comments regarding internal controls by the Company's independent auditors. In addition, the Audit Committee reviews the audited financial statements of the Company and considers major changes and questions of choice regarding appropriate auditing and accounting principles and practices to be followed in the preparation of the Company's financial statements.

The Audit Committee operates under a written Charter last amended by the Board of Directors on October 15, 2004. A copy of the current Charter of the Audit Committee is available on the Investor Relations section of the Company's website, www.innovexinc.com. The Company's Audit Committee presently consists of Messrs. Ankeny (Chair), Nooyi and Porter. Mr. Porter became a member of the Audit Committee when he joined the Board of Directors on January 20, 2005. During fiscal year 2005, the Audit Committee met seven times.

The Board of Directors has determined that each member of the Audit Committee is an independent director as that term is defined by Nasdaq Marketplace Rules and Rule 10A-3 of the Securities Exchange Act of 1934 (the 1934 Act). The Company's Board of Directors has reviewed the education, experience and other qualifications of each of the members of its Audit Committee. After review, the Board of Directors has determined that Mr. Ankeny meets the Securities and Exchange Commission definition of an audit committee financial expert. A report of the Audit Committee is set forth below.

Compensation Committee. The Compensation Committee operates under a written Charter, available on the Investor Relations section of the Company's website, www.innovexinc.com, and reviews and approves the compensation and terms of employment of the Company's Chief Executive Officer and senior management of the Company. Among its other duties, the Compensation Committee oversees all significant aspects of the Company's compensation plans and benefit programs. The Compensation Committee annually reviews and approves corporate goals and objectives for the Chief Executive Officer and other executive officers and evaluates their performance in light of these goals and objectives. The current members of the Compensation Committee are Messrs. Nooyi (Chair), Buhmaster and Porter. Mr. Porter became a member of the Compensation Committee when he joined the Board of Directors on January 20, 2005. During fiscal year 2005, the Compensation Committee met eleven times. A report of the Compensation Committee is set forth below.

The Charter of the Compensation Committee requires that the Committee consist of no fewer than two members, each of whom must be independent according to the Nasdaq Marketplace Rules and the rules of the Securities and Exchange Commission, and each of whom must be an outside director for purposes of Section 162(m) of the Internal Revenue Code. Each member of the Company's Compensation Committee meets these requirements.

Governance Committee. The Governance Committee operates under a written Charter and is responsible for (i) identifying, evaluating and approving individuals qualified to serve as members of the Board, (ii) administering the Company's governance guidelines, (iii) reviewing the overall corporate governance of the Company and making improvements, when necessary; and (iv) overseeing the evaluation of the Board and management. The current members of the Governance Committee are Messrs. Buhmaster (Chair), Ankeny and Nooyi. During fiscal year 2005, the Governance Committee met four times.

The Charter of the Governance Committee requires that the Committee consist of no fewer than two members who satisfy the independence requirements of the Nasdaq Marketplace Rules. Each member of the Company's Governance Committee meets these requirements. A copy of the current Governance Committee Charter is available on the Investor Relations section of the Company's website, www.innovexinc.com.

Director Nominations

The Governance Committee will consider candidates for Board membership suggested by its members, other Board members, as well as management and shareholders. Shareholders who wish to recommend a prospective nominee should follow the procedures set forth below in the section entitled "Shareholder Proposals for Nominees".

Criteria for Nomination to the Board. The Governance Committee is responsible for identifying, evaluating and approving qualified candidates for nomination as directors. The Committee has not adopted minimum qualifications that nominees must meet in order for the Committee to recommend them to the Board of Directors, as the Committee believes that each nominee should be evaluated based on his or her merits as an individual, taking into account the needs of the Company and the Board of Directors. The Governance Committee evaluates each prospective nominee against the standards and qualifications set out in the Company's Governance Guidelines, including:

Edgar Filing: INNOVEX INC - Form DEF 14A

Background, including high personal and professional ethics, integrity and values, and the ability to exercise good business judgment and enhance the Board's ability to contribute to the Company's overall corporate goals of technology leadership, low cost manufacturing, effective execution, high customer satisfaction, superior employee working environment and creation and preservation of shareholder value.

Commitment, including the willingness to devote adequate time to the work of the Board and its committees, and the ability to represent the interests of all shareholders and not a particular interest group.

Board skills needed, in the context of the existing makeup of the Board, and the candidate's qualification as independent and qualification to serve on Board committees.

Diversity, in terms of knowledge, experience, skills, expertise, and other demographics that contribute to the Board's diversity.

Business experience and educational background.

The Committee also considers such other relevant factors as it deems appropriate. The Governance Committee will consider persons recommended by the shareholders in the same manner as other nominees.

Process for Identifying and Evaluating Nominees. The process for identifying and evaluating nominees to the Board of Directors is initiated by identifying a slate of candidates who meet the criteria for selection as a nominee and have the specific qualities or skills being sought based on input from members of the Board and, if the Governance Committee deems appropriate, a third-party search firm. The Governance Committee evaluates these candidates by reviewing the candidates' biographical information and qualifications and checking the candidates' references. One or more Committee members will interview the prospective nominees in person or by telephone. After completing the evaluation, the Committee makes a recommendation to the full Board of the nominees to be presented for the approval of the shareholders or for election to fill a vacancy.

Board Nominees for the 2006 Annual Meeting. The nominees for this 2006 Annual Meeting were selected by the Governance Committee. All nominees were elected by shareholders at the Company's 2005 Annual Meeting, except Mr. Porter. Mr. Porter was recommended to the Governance Committee as a nominee by Mr. Murnane and was elected as a director effective January 20, 2005. The Company has not engaged a third-party search firm to assist it in identifying potential director candidates, but the Governance Committee may choose to do so in the future.

Shareholder Proposals for Nominees. The Governance Committee will consider written proposals from shareholders for nominees for director. Any such nominations should be submitted to the Governance Committee c/o the Secretary of the Company and should include the following information: (a) all information relating to such nominee that is required to be disclosed pursuant to Regulation 14A under the 1934 Act (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); (b) the name and record address of the shareholder and of the beneficial owner, if any, on whose behalf the nomination will be made, and (c) the class and number of shares of the corporation owned by the shareholder and beneficially owned by the beneficial owner, if any, on whose behalf the nomination will be made. As to each person the shareholder proposes to nominate, the written notice must also state: (a) the name, age, business address and residence address of the person, (b) the principal occupation or employment of the person and (c) the class and number of shares of the Company's capital stock beneficially owned by the person. To be considered, the written notice must be submitted in the time frame described under the caption "Shareholder Proposals for 2007 Annual Meeting" below.

Communications with Directors

Shareholders may communicate with the Board as a group, the chair of any committee of the Board of Directors or any individual director by sending an e-mail to chair.director@innovexinc.com or by directing the communication in care of the Corporate Secretary, at the address set forth on the front page of this proxy statement. All communications will be received and processed by the Corporate Secretary. You will receive a written acknowledgement from the Corporate Secretary upon receipt of your communication.

CODE OF ETHICS

The Company has adopted a Code of Ethics and Business Conduct that applies to all directors, officers and employees, including the Company's principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. The Code of Ethics and Business Conduct may be found on the Investor Relations section of the Company's website, www.innovexinc.com.

- (1) The value of unexercised in-the-money options is calculated by determining the difference between the fair market value of the shares underlying the options at September 30, 2005 and the exercise price of the options, multiplied by the number of options outstanding. Fair market value was determined based on a per share price of \$4.07 which was the average of the high and low sale prices for the Company's common stock on September 30, 2005, the last trading day of the Company's fiscal year.

Employment Agreements*Employment Agreement with Chief Executive Officer*

On October 19, 2005, the Compensation Committee of the Board of Directors of Innovex, Inc. approved, and recommended that the Board of Directors approve, an employment agreement (the Agreement) with William P. Murnane relating to his service as President and Chief Executive Officer of the Company. Also on October 19, 2005, the independent directors of the Board of Directors of the Company approved the Agreement. Mr. Murnane has served as the Company's President and Chief Executive Officer since January 19, 2000.

Pursuant to the Agreement, Mr. Murnane will serve as the Company's CEO and receive an annual base salary of \$330,000 in biweekly installments with a salary review to occur at least once per year. Under the Agreement, Mr. Murnane will also be eligible for a bonus award pursuant to a bonus plan determined by the Board and subject to the terms of the applicable bonus plan. Any bonus awarded may take the form of cash or stock options, or a combination thereof, and must be paid within the two and a half months following the end of the fiscal year. All bonus awards are subject to Mr. Murnane's continued employment with the Company through the last day of the fiscal year upon which the bonus is based, except where Mr. Murnane's employment is terminated by the Company for good cause or by Mr. Murnane for good reason, as such terms are defined in the Agreement. The Company will also reimburse or advance Mr. Murnane his ordinary business expenses and provide Mr. Murnane with an annual vehicle allowance. Mr. Murnane is also eligible for such other employee benefits as are applicable to other employees of the Company.

If Mr. Murnane terminates his employment for good reason or if the Company terminates Mr. Murnane's employment for other than good cause and such termination is not related to a change in control, Mr. Murnane will continue to be paid his regular salary and employee benefits for 12 months after the date of termination of employment. If Mr. Murnane's employment is terminated without good cause or Mr. Murnane resigns for good reason within 12 months following a change of control,

as such term is defined in the Agreement, Mr. Murnane will receive continuation of his base salary for 18 months, payment of the employer share of his group health and dental premiums for up to 18 months and immediate 100% vesting of any unvested stock options. The change of control benefits are contingent upon Mr. Murnane not resigning within 90 days following a change of control. If a change of control had occurred as of the end of fiscal year 2005, Mr. Murnane would have received approximately \$157,000 in payments under the agreement in place at that time.

If Mr. Murnane's employment is terminated by reason of Mr. Murnane's disability, as that term is defined in the Agreement, Mr. Murnane will receive those benefits available to him under disability plans sponsored by the Company, except that if Mr. Murnane is covered under a group short-term disability plan, the Company will continue to pay Mr. Murnane 40% of his base salary for the duration of the short-term disability period and if Mr. Murnane is covered by a long-term disability plan, the Company will not make any additional payments to Mr. Murnane. If Mr. Murnane's employment terminates by reason of his death, Mr. Murnane's estate will be entitled to the biweekly installment of his base salary otherwise due and payable at the end of the biweekly period in which Mr. Murnane dies.

All severance, change of control or other salary continuation benefits will be reduced by other benefits payable to Mr. Murnane by the Company and any unemployment benefits received by Mr. Murnane and will be subject to Mr. Murnane entering into a standard release agreement in favor of the Company and subject to Mr. Murnane's compliance with his obligations as to the Company's confidential information, assignment of inventions, non-competition, non-solicitation and non-interference.

Employment Agreements with Other Executive Officers

The Company has employment agreements with Mr. Paulson, Mr. Dauenhauer, Mr. Foerster and Mr. Atchison. Those employment agreements provide, among other things, for those individuals' employment to continue for a period of 90 days following, and for a lump sum cash severance payment of from 6 to 12 months' salary in the event of, involuntary termination other than for cause, termination of the Company's operations due to bankruptcy or insolvency, total disability of the employee, a change in control of the Company or constructive termination of the employee. In general, a change in control would occur when there has been any change in the controlling persons reported in the Company's proxy statements, when 20% or more of the Company's outstanding voting stock is acquired by any person, when current members of the Board of Directors or their successors elected or nominated by such members cease to constitute a majority of the Board of Directors, when the Company merges or consolidates with or sells substantially all its assets to any person or entity, or when the Company's stockholders vote to liquidate or dissolve the Company. However, a change in control would not occur if any of these events are authorized, approved or recommended by the Board of Directors. The employment agreement also prohibits disclosure of confidential information concerning the Company and requires disclosure of and assignment of inventions, discoveries and other works relating to those individuals' employment. The employment agreement contains a covenant not to compete with the Company at any time during employment with the Company and for a period of 6 months after employment is terminated.

Potential Change in Control Payments

If a change in control had occurred as of the end of fiscal year 2005, the following individuals would have received the approximate payment indicated pursuant to the employment agreements: Mr. Murnane, \$157,500; Mr. Paulson, \$222,630; Mr. Dauenhauer, \$213,200; Mr. Foerster, \$90,000; Mr. Atchison, \$185,000; and all current executive officers as a group \$1,321,940.

Director Compensation

Directors who are not employees of the Company (all directors except Mr. Haley and Mr. Murnane) must select one of two compensation plans prior to their election or re-election. Each non-employee director selecting the cash payment plan would be paid an annual cash retainer fee of \$7,000, \$1,000 for each Board of Directors meeting attended and \$500 for each Board committee meeting attended. In addition, each non-employee director would receive an automatic grant of options to purchase 1,000 shares of common stock at an exercise price equal to the fair market value of such common stock on the date on which such director is re-elected. Each non-employee director selecting the option compensation plan will receive a grant of options to purchase 10,000 shares of common stock at an exercise price equal to the fair market value of such common stock on the date on which such director is re-elected, but will receive no retainer or meetings fees for that year.

In addition, any non-employee director elected for the first time by the shareholders or the Board of Directors shall receive options to purchase 20,000 shares of common stock at an exercise price equal to the fair market value of such common stock on the date on which such director is elected. These options will be in addition to any other share option grant provided under the 1994 Stock Option Plan. Any director who is first elected during a particular year and not at an annual meeting shall receive a pro-rata amount of the retainer and meeting fees for the year in which such director is elected. On January 20, 2005, the date of his appointment to the Board, Mr. Porter received a ten-year option to purchase 20,000 shares of the Company's common stock at an exercise price of \$5.13, the fair market value of a share of common stock on that date, which option vests and becomes exercisable on the six-month anniversary of the date of grant.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the 1934 Act requires the Company's directors and executive officers, and persons who own more than 10% of a registered class of the Company's equity securities, to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of common stock and other equity securities of the Company. The insiders are required by Securities and Exchange Commission regulations to furnish the Company with copies of all Section 16(a) forms they file, including Forms 3, 4, and 5.

To the Company's knowledge, based solely on review of the copies of such reports furnished to the Company and written representations that no other reports were required, during the fiscal year ended September 30, 2005, all Section 16(a) filing requirements applicable to the Company's insiders were complied with.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Board of Directors consists of Messrs. Nooyi (Chair), Buhmaster and Porter, each of whom is an outside director and an independent director under the Nasdaq Marketplace Rules and the rules of the Securities and Exchange Commission. The Compensation Committee is responsible for setting the salaries, levels of incentive awards, and stock options for the officers and key personnel of the Company.

Compensation Philosophy. The Compensation Committee's governing philosophy for determining compensation levels is designed to attract and retain the highest quality personnel possible consistent with the Company's resources and capabilities. Within this philosophy, the Committee targets base salaries near the median of the market with target bonuses and long-term incentive from stock option grants also near the market median. Total compensation should only be in excess of the market median if warranted by performance. An external compensation consultant was engaged by the Committee to determine appropriate levels of executive compensation for fiscal 2005. The consultant's recommendations considered base salaries, bonus plans and stock option grants of peer companies, performance related to peer companies and stock option plan overhang. Executive compensation is broken into the following components:

1. *Base Salaries.* Base salaries for executive management and officers of the Company are intended to be competitive with companies of similar market capitalization and revenue levels. The base salaries are also intended to recognize individual achievements and assist the Company in attracting and retaining qualified executives. The Compensation Committee reviews base salaries for executives annually to ensure that they fulfill the Company's objective of attracting, retaining and rewarding its executive officers.
2. *Bonus Plan.* On October 15, 2004, the Compensation Committee adopted the Fiscal Year 2005 Innovex, Inc. Bonus Plan under which executive officers of the Company are eligible for cash bonuses. Also on October 15, 2004, the Board of Directors ratified the adoption of the Bonus Plan.

The Bonus Plan had two components, corporate objectives and individual objectives. With respect to corporate objectives, the Compensation Committee has established performance targets to be met related to operating profit, return on invested capital, operational improvement, customer satisfaction and employee satisfaction. In addition, individual objectives for executive officers were established in connection with the Bonus Plan.

Under the Bonus Plan, executive officers of the Company, other than the Company's Chief Executive Officer, were eligible for maximum aggregate bonuses of between up to 70% and up to 80% of such executive officer's base salary at the end of fiscal year 2005 if both corporate objectives and individual objectives were achieved. With respect to fiscal year 2005 performance, the corporate objectives were not achieved. No payouts were made under the fiscal 2005 Bonus Plan.

3. *Stock Options.* The Compensation Committee believes that stock option grants to executive officers encourage and reward effective management that results in long-term corporate financial success, as measured by stock price appreciation. The Compensation Committee believes that stock options help align management's and shareholder's interests in enhancing shareholder value. The Compensation Committee generally approves annual stock option grants in recognition of performance of executive officers for the prior fiscal year.

The Compensation Committee granted stock options to purchase 493,350 shares of the Company's common stock with respect to fiscal year 2005 performance. Of these fiscal year 2005 option grants, options to purchase 275,000 shares were awarded to individuals who were executive officers on the grant date including Mr. Murnane. All stock options granted with respect to fiscal year 2005 had an exercise price equal to the market value of the Company's common stock on the date of grant and a ten-year term.

Chief Executive Officer Compensation. The Compensation Committee determined the base salary of William Murnane, the Company's Chief Executive Officer, for fiscal year 2005 consistent with its philosophy on base salaries of all executive officers. For fiscal year 2005, the Compensation Committee set Mr. Murnane's base salary at \$315,000 per year. The Compensation Committee also determined the salary of the Company's Chairman, Thomas Haley, for fiscal year 2005 and set this amount at \$100,000 per year. Effective October 19, 2005, Mr. Murnane's base salary is \$330,000 per year as reflected in the employment agreement between the Company and Mr. Murnane dated October 19, 2005.

Under the Bonus Plan, Mr. Murnane was eligible for a maximum aggregate bonus of up to 120% of his base salary at the end of the 2005 fiscal year if both corporate objectives and individual objectives were achieved. Mr. Haley does not participate in the Bonus Plan. Neither Mr. Haley nor Mr. Murnane received any cash bonus under the Bonus Plan for fiscal year 2005.

On October 15, 2004, in recognition of Mr. Murnane's service in fiscal year 2004, the Compensation Committee granted to Mr. Murnane a stock option to purchase 55,000 shares of the Company's common stock at an exercise price of \$4.40, the fair market value of one share of the Company's common stock on the date of grant. On October 19, 2005, in recognition of Mr. Murnane's service in fiscal year 2005, the Compensation Committee granted to Mr. Murnane a stock option to purchase 55,000 shares of the Company's common stock at an exercise price of \$3.06, the fair market value of one share of the Company's common stock on the date of grant. Each stock option vests over a five year period and has a ten year term.
