## Explanation of Responses:

\* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).

\*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(1) Each of Triam Onshore, Triam Offshore and TPSIF (each as defined below and collectively, the "Triam Option Holders") have entered into a series of privately negotiated back-to-back call and put transactions (the "Options") with two counterparties ("Counterparty 1" and "Counterparty 2") through which they acquired an economic interest in the indicated shares. In these transactions, simultaneously with the purchase of each call option from a counterparty, the Triam Option Holders also sold a put option to such counterparty for the same number of shares.

(2) (FN 1, contd.) Pursuant to the put option, if on the expiration date of the Options (which expiration date may be extended by Counterparty 1 or Counterparty 2, as applicable at its option, for 2 years or 18 months respectively, the "Expiration Date"), the exercise price per share of the call option were greater than the closing price of the shares on the Expiration Date (the "Closing Price"), then the counterparty would be entitled to cause the applicable Triam Option Holders, at their election, to either (i) pay the counterparty an amount in cash equal to the product of (a) the excess of the exercise price per share pursuant to such option (the "Exercise Price") over the Closing Price and (b) the number of shares set forth above or (ii) acquire from the counterparty the number of shares set forth above at the Exercise Price.

(3) (FN 2, contd.) The call options are exercisable into shares of common stock of the Issuer at any time, in whole or in part, prior to their expiration date. As part of these transactions, the Triam Option Holders pay each counterparty a financing fee based on the number of days that the Options that it holds are outstanding, which fee is calculated using a monthly rate equal to one month LIBOR plus an applicable spread.

(4) Cash settled exercise of put/call options (right and obligation to buy). Upon the exercise of the call options, a corresponding number of put options held by the applicable counterparty automatically terminated.

(5) Triam Fund Management, L.P. ("Triam Management") serves as the management company for Triam Partners, L.P. ("Triam Onshore"), Triam Partners Master Fund, L.P. (6) (FN 5, contd.) Mr. Peltz is a member of Triam Fund Management GP, LLC, which is the general partner of Triam Management, and therefore is in a position to determine the investment and voting decisions made by Triam Management on behalf of the Triam Entities. Accordingly, Mr. Peltz may be deemed to indirectly beneficially own (as that term is defined in Rule 13d-3 under the Securities Exchange Act of 1934) the shares beneficially owned by the Triam Entities.
