On August 6, 2013, Pacific Green Technologies Inc. (“we”, “us”, “our” or “our company”) entered into two share exchange agreements (each, an “Agreement”) with two shareholders (the “Shareholders”) of EnviroTechnologies, Inc., a Delaware corporation (“Enviro”). Pursuant to the terms of the Agreement, we agreed to acquire 440,000 issued and outstanding common shares of Enviro from one Shareholder in exchange for shares of common stock of our company on an one (1) for ten (10) basis. Pursuant to the terms of the other Agreement, we agreed to acquire 600,000 issued and outstanding common shares of Enviro from one Shareholder in exchange for shares of common stock of our company on an one (1) for fifteen (15) basis. We did not issue any fractional shares of our company. In lieu of such fractional shares, the Shareholders entitled to such fractional shares had such fraction rounded up to the nearest whole number of shares of our company.

On August 6, 2013, pursuant to the Agreement, we closed on the above share exchange. We issued an aggregate of 84,000 common shares to two (2) non-US persons (as that term is defined in Regulation S of the Securities Act of 1933), in an offshore transaction relying on Regulation S of the Securities Act of 1933, as amended.

Enviro, a company incorporated in Delaware, has protected intellectual property rights throughout most of the world for emission abatement systems.

Brief Description of the Terms and Conditions of the Agreement

The following is a brief description of the terms and conditions of the Agreement that are material to our company:

1. the representations and warranties of the Shareholders and our company set forth in the Agreement remain true, correct and complete in all respects as at the closing;
2. all of the covenants and obligations that the respective parties are required to perform or to comply with pursuant to the Agreement at or prior to the closing must have been performed and complied with in all material respects;
3. the Shareholders and our company having received duly executed copies of all third party consents and approvals contemplated by the Agreement, if any; and
4. the Shareholders and our company having each been reasonably satisfied with their respective due diligence investigations of the other party that is reasonable and customary in transactions of this kind.

The foregoing description of the Agreement is qualified in its entirety by the contents of the Agreement attached as Exhibit 10.1 to this current report.
