NO PERSONS HAVE BEEN AUTHORIZED TO GIVE ANY INFORMATION OR TO MAKE ANY REPRESENTATIONS OTHER THAN THOSE CONTAINED IN THIS PROXY STATEMENT IN CONNECTION WITH THE SOLICITATION OF PROXIES MADE HEREBY, AND, IF GIVEN OR MADE, SUCH INFORMATION OR REPRESENTATIONS MUST NOT BE RELIED UPON AS HAVING BEEN AUTHORIZED BY THE COMPANY OR ANY OTHER PERSON.

THE ANNUAL MEETING

MATTERS TO BE CONSIDERED

This proxy statement is furnished in connection with the solicitation of proxies by the board of directors of Skinvisible to be voted at the annual meeting of shareholders of Skinvisible (the "annual meeting"), which will be held at 10:00 a.m. Pacific Time on August 31, 2006, at 3273 E. Warm Springs Rd., Las Vegas, Nevada 89120. The purpose of the annual meeting is to consider and vote upon the election of its board of directors, to confirm the appointment of Sarna & Company as auditors for the Company, to approve the adoption of the 2006 Skinvisible, Inc. Stock Option plan, and to transact such other business as may properly come before the meeting. This proxy statement and the enclosed form of proxy are first being mailed to Skinvisible shareholders on or about August 15, 2006.

RECORD DATE

The board of directors of Skinvisible has fixed the close of business on July 17, 2006 as the record date for the determination of shareholders entitled to notice of and to vote at the annual meeting. At the record date, there were approximately 63,027,748 shares of common stock issued, outstanding, and entitled to vote at the annual meeting. Holders of common stock are entitled to one vote at the annual meeting for each share of common stock held of record at the record date. There are no separate voting groups or separate series of stock.

SOLICITATION OF PROXIES

In addition to the solicitation of proxies by the board of directors through use of the mails, proxies may also be solicited by Skinvisible and its directors, officers and employees (who will receive no additional compensation therefore) by telephone, telegram, facsimile transmission or other electronic communication, and/or by personal interview. Skinvisible will reimburse banks, brokerage houses,

custodians and other fiduciaries who hold shares of common stock in their name or custody, or in the name of nominees for others, for their out-of-pocket expenses incurred in forwarding copies of the proxy materials to those persons for whom they hold such shares. Skinvisible will bear the costs of the annual meeting and of soliciting proxies therefore, including the cost of printing and mailing this proxy statement and related materials. Skinvisible has spent approximately \$3,000 in legal and other expenses in the preparation of this proxy statement and other expenses connected with the solicitation of security holders. It is anticipated that Skinvisible will spend approximately an additional \$3,000 in solicitation of security holders before the meeting is held.

Any questions or requests for assistance regarding Skinvisible proxies and related materials may be directed in writing to the Chief Executive Officer, Terry Howlett, at 6320 South Sandhill Road, Suite 10, Las Vegas, Nevada 89120.

QUORUM

One Percent (1%) of the issued and outstanding shares of Common Stock entitled to vote as of the Record Date, represented in person or by proxy, is required for a quorum at the Annual Meeting.

VOTE REQUIRED AND VOTING

Election of directors shall be accomplished by the three candidates receiving a plurality of the votes cast at a shareholder's meeting by the shareholders entitled to vote in the election. Votes that are withheld will be counted as present for the purpose of determining the existence of a quorum, but will have no other effect on the election of directors.

Approval of the 2006 Skinvisible, Inc. Stock Option Plan and confirmation of Sarna & Company as auditors for the Company will require the affirmative vote of the holders of a majority of the votes cast, excluding abstentions, at any meeting at which a quorum is present.

Shares of Common Stock that are represented by properly executed proxies, unless such proxies shall have previously been properly revoked (as provided herein), will be voted in accordance with the instructions indicated in such proxies. If no contrary instructions are indicated, such shares will be voted FOR the nominees for the Board named herein and FOR the approval of all other proposals set forth in the accompanying Notice of Meeting and on the proxy card, and in the discretion of the persons named in the proxy as proxy appointees, as to any other matter that may properly come before the Annual Meeting (of which the Company is not presently aware). Shares represented by proxies that have voted against the propositions presented at the meeting cannot be used to postpone or adjourn the meeting in order to solicit more votes for the proposition.

Brokers who hold shares in a street name have the authority to vote when they have not received instructions from the beneficial owners. Brokers who do not receive instructions but who are present, in person or by proxy, at the annual meeting will be counted as present for quorum purposes.

OTHER MATTERS

It is not expected that any matters other than those referred to in this proxy statement will be brought before the annual meeting. If other matters are properly presented, however, the persons named as proxy appointees will vote in accordance with their best judgment on such matters. The grant of a proxy also will confer discretionary authority on the persons named as proxy appointees to vote in accordance with their best judgment on matters incident to the conduct of the annual meeting.

SHAREHOLDER PROPOSALS

No proposals have been received from any shareholder to be considered at the Annual Meeting.

DISSENTERS' RIGHT OF APPRAISAL

SHAREHOLDERS ARE URGED TO READ AND CAREFULLY CONSIDER THE INFORMATION PRESENTED IN THIS PROXY STATEMENT, AND SHAREHOLDERS ARE URGED TO COMPLETE, DATE, SIGN AND PROMPTLY RETURN THE ENCLOSED PROXY IN THE ACCOMPANYING PREPAID ENVELOPE.

COMMITTEES OF THE BOARD

Skinvisible, Inc. does not currently have a compensation committee, executive committee, or stock plan committee. Skinvisible, Inc. is currently quoted on the OTC Bulletin Board ("OTCBB"), which is sponsored by the NASD, under the symbol "SKVI." The OTCBB does not have any listing requirements mandating the establishment of any particular committees.

AUDIT COMMITTEE

We do not have a separately-designated standing audit committee. The entire Board of Directors performs the functions of an audit committee, but no written charter governs the actions of the Board when performing the functions of what would generally be performed by an audit committee. The Board approves the selection of our independent accountants and meets and interacts with the independent accountants to discuss issues related to financial reporting. In addition, the Board reviews the scope and results of the audit with the independent accountants, reviews with management and the independent accountants our annual operating results, considers the adequacy of our internal accounting procedures and considers other auditing and accounting matters including fees to be paid to the independent auditor and the performance of the independent auditor.

For the fiscal year ending December 31, 2005, the Board:

- 1) Reviewed and discussed the audited financial statements with management, and
- 2) Reviewed and discussed the written disclosures and the letter from our independent auditors on the matters relating to the auditor's independence.

Based upon the Board's review and discussion of the matters above, the Board authorized inclusion of the audited financial statements for the year ended December 31, 2005 to be included in the Annual Report on Form 10-KSB and filed with the SEC.

NOMINATION COMMITTEE

The Company's Board of Directors does not maintain a nominating committee. As a result, no written charter governs the director nomination process. The size of the Company and the size of the Board, at this time, do not require a separate nominating committee.

The Company's independent directors annually review all director performance over the past year and make recommendations to the Board for future nominations. When evaluating director nominees, the Company's independent directors consider the following factors:

- The appropriate size of the Company's Board of Directors;
- The needs of the Company with respect to the particular talents and experience of its directors;
- The knowledge, skills and experience of nominees, including experience in finance, administration or public service, in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board;
- Experience in political affairs;
- Experience with accounting rules and practices; and
- The desire to balance the benefit of continuity with the periodic injection of the fresh perspective provided by new Board members.

The Company's goal is to assemble a Board that brings together a variety of perspectives and skills derived from high quality business and professional experience. In doing so, the Board will also consider candidates with appropriate non-business backgrounds.

Other than the foregoing, there are no stated minimum criteria for director nominees, although the Board may also consider such other factors as it may deem are in the best interests of the Company and its stockholders. In addition, the Board identifies nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are considered for re-nomination. If any member of the Board does not wish to continue in service or if the Board decides not to re-nominate a member for re-election, the Board then identifies the desired skills and experience of a new nominee in light of the criteria above. Current members of the Board are polled for suggestions as to individuals meeting the criteria described above. The Board may also engage in research to identify qualified individuals. To date, the Company has not engaged third parties to identify or evaluate or assist in identifying potential nominees, although the Company reserves the right in the future to retain a third party search firm, if necessary. The Board does not typically consider shareholder nominees because it believes that its current nomination process is sufficient to identify directors who serve the Company's best interests.

MEETINGS OF THE BOARD OF DIRECTORS

During the 2005 fiscal year, the board met eight times, either in person or by telephonic conference. Each incumbent Director attended in excess of 75 percent of the total meetings of the Board.

Various matters were also approved by consent resolution which in each case was signed by each of the members of the board of directors then serving.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE IN FAVOR OF THE NOMINEES. PROXIES SOLICITED BY SKINVISIBLE, INC. WILL BE SO VOTED UNLESS SHAREHOLDERS SPECIFY IN THEIR PROXIES A CONTRARY CHOICE.

PROPOSAL NO. 2 CONFIRMATION OF APPOINTMENT OF AUDITORS

APPROVE THE 2006 SKINVISIBLE, INC. STOCK OPTION PLAN

On July 15, 2006, the board of directors adopted the 2006 Skinvisible, Inc. Stock Option Plan (the "Plan") and has recommended it to the shareholders for approval. The purpose of this Plan is to strengthen Skinvisible, Inc. by providing incentive stock options as a means to attract, retain and motivate key corporate personnel, through ownership of Skinvisible, Inc. stock, and to attract individuals of outstanding ability to render services to and enter the employment of Skinvisible, Inc. The stock available for granting options under the Plan shall be shares of the Company's authorized but unissued, or reacquired, Common Stock. The maximum aggregate number of shares of the Company's common stock that may be issued pursuant to exercise of options granted under the Plan shall not exceed 10,000,000 shares of common stock, including shares previously issued under the Plan. Unless sooner terminated by the Board in its sole discretion, this Plan will expire on July 15, 2016. The full text of the Stock Option Plan is attached hereto as Appendix A.

The board has not as yet issued any options under the plan.

In summary, this plan provides as follows:

Types of Stock Options

There shall be two types of Stock Options (referred to herein as "Options" without distinction between such different types) that may be granted under this Plan: (1) Options intended to qualify as Incentive Stock Options under Section 422 of the Internal Revenue Code ("Qualified Stock Options"), and (2) Options not specifically authorized or qualified for favorable income tax treatment under the Internal Revenue Code ("Non-Qualified Stock Options").

Administration of the Plan

This Plan shall be administered by the Board of Directors or by a Compensation Committee (hereinafter the "Committee") composed of members selected by, and serving at the pleasure of, the Board of Directors (the "Plan Administrator"). Subject to the provisions of the Plan, the Plan Administrator shall have authority to construe and interpret the Plan, to promulgate, amend, and rescind rules and regulations relating to its administration, to select, from time to time, among the eligible employees and non-employee consultants (as determined pursuant to Section 5) of the Company and its subsidiaries those employees and consultants to whom Stock Options will be granted, to determine the duration and manner of the grant of the Options, to determine the exercise price, the number of shares and other terms covered by the Stock Options, to determine the duration and purpose of leaves of absence which may be granted to Stock Option holders without constituting termination of their employment for purposes of the Plan, and to make all of the determinations necessary or advisable for administration of the Plan. The interpretation and construction by the Plan Administrator of any provision of the Plan, or of any agreement issued and executed under the Plan, shall be final and binding upon all parties. No member of the Committee or Board shall be liable for any action or determination undertaken or made in good faith with respect to the Plan or any agreement executed pursuant to the Plan.

Grant of Options

The Company is hereby authorized to grant Incentive Stock Options as defined in section 422 of the Code to any employee or director (including any officer or director who is an employee) of the Company, or of any of its subsidiaries; provided, however, that no person who owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company, or any of its parent or subsidiary corporations, shall be eligible to receive an Incentive Stock Option under the Plan unless at the time such Incentive Stock Option is granted the Option price is at least 110% of the fair market value of the shares subject to the Option, and such Option by its terms is not exercisable after the expiration of five years from the date such Option is granted.

An employee may receive more than one Option under the Plan. Non-Employee Directors shall be eligible to receive Non--Qualified Stock Options in the discretion of the Plan Administrator. In addition, Non--Qualified Stock Options may be granted to employees, officers, directors and consultants who are selected by the Plan Administrator.

Stock Subject to Plan

The stock available for grant of Options under the Plan shall be shares of the Company's authorized but unissued, or reacquired, Common Stock. Subject to adjustment as provided herein, the maximum aggregate number of shares of the Company's common stock that may be issued pursuant to exercise of options granted under the Plan shall not exceed 10,000,000 shares of common stock, including shares previously issued under the Plan or other stock option plans created by the Company.

The maximum number of shares for which an Option may be granted to any Optionee during any calendar year shall not exceed five percent (5%) of the issued and outstanding common shares of the Company. In the event that any outstanding Option under the Plan for any reason expires or is terminated, the shares of Common Stock allocable to the unexercised portion of the Option shall again be available for Options under the Plan as if no Option had been granted with regard to such shares.

Terms and Conditions of Options

Specific requirements for the terms and conditions of all Option Agreements entered into are detailed in the Plan.

Termination of Amendment of the Plan

The Board may at any time terminate or amend the Plan; provided that, without approval of the holders of a majority of the shares of Common Stock of the Company represented and voting at a duly held meeting at which a quorum is present or the written consent of a majority of the outstanding shares of Common Stock, there shall be (with limited exception) no increase in the total number of shares covered by the Plan, no change in the class of persons eligible to receive

options granted under the Plan, no reduction in the limits for determination of the minimum exercise price of Options granted under the Plan, and no extension of the limits for determination of the latest date upon which Options may be exercised; and provided further that, without the consent of the Optionee, no amendment may adversely affect any then outstanding Option or any unexercised portion thereof.

Indemnification

The Plan Administrator shall be indemnified by the Company against reasonable expense, including attorney's fees, actually and necessarily incurred in connection with the defense of any action, suit or proceeding, or in connection with any appeal therein to which they, or any of them, may be a party by reason of any action taken or failure to act under or in connection with the Plan or any Option granted thereunder, and against any and all amounts paid by them in settlement thereof (provided such settlement is approved by independent legal counsel selected by the Company).

Effective Date and Term of the Plan

This Plan became effective (the "Effective Date") on July 15, 2006, the date of adoption by the board of directors. Unless sooner terminated by the Board in its sole discretion, this plan will expire on July 15, 2016.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE RATIFYING THE STOCK OPTION PLAN. PROXIES SOLICITED BY SKINVISIBLE, INC. WILL BE SO VOTED UNLESS SHAREHOLDERS SPECIFY IN THEIR PROXIES A CONTRARY CHOICE.

2. Types of Stock Options

There shall be two types of Stock Options (referred to herein as "Options" without distinction between such different types) that may be granted under this Plan: (1) Options intended to qualify as Incentive Stock Options under Section 422 of the Internal Revenue Code ("Qualified Stock Options"), and (2) Options not specifically authorized or qualified for favorable income tax treatment under the Internal Revenue Code ("Non-Qualified Stock Options").

3. Definitions

The following definitions are applicable to the Plan:

- (a) **Board.** The Board of Directors of the Company.
- (b) **Code.** The Internal Revenue Code of 1986, as amended from time to time.
- (c) **Common Stock.** The shares of Common Stock of the Company.
- (d) **Company.** Skinvisible, Inc., a Nevada corporation.
- (e) **Consultant.** An individual or entity that renders professional services to the Company as an independent contractor and is not an employee or under the direct supervision and control of the Company.
- (f) **Disabled or Disability.** For the purposes of Section 7, a disability of the type defined in Section 22(e)(3) of the Code. The determination of whether an individual is Disabled or has a Disability is determined under procedures established by the Plan Administrator for purposes of the Plan.
- (g) **Fair Market Value.** For purposes of the Plan, the "fair market value" per share of Common Stock of the Company at any date shall be: (a) if the Common Stock is listed on an established stock exchange or exchanges or the NASDAQ National Market, the closing price per share on the last trading day immediately preceding such date on the principal exchange on which it is traded or as reported by NASDAQ; or (b) if the Common Stock is not then listed on an exchange or the NASDAQ National Market, but is quoted on the NASDAQ Small Cap Market, the NASDAQ electronic bulletin board or the National Quotation Bureau pink sheets, the average of the closing bid and asked prices per share for the Common Stock as quoted by NASDAQ or the National Quotation Bureau, as the case may be, on the last trading day immediately preceding

such date; or (c) if the Common Stock is not then listed on an exchange or the NASDAQ National Market, or quoted by NASDAQ or the National Quotation Bureau, an amount determined in good faith by the Plan Administrator.

- (h) **Incentive Stock Option.** Any Stock Option intended to be and designated as an "incentive stock option" within the meaning of Section 422 of the Code.
- (i) **Non-Qualified Stock Option.** Any Stock Option that is not an Incentive Stock Option.
- (j) **Optionee.** The recipient of a Stock Option.

- (k) **Plan Administrator.** The board or a committee designated by the Board pursuant to Section 4 to administer and interpret the terms of the Plan.
- (l) **Stock Option.** Any option to purchase shares of Common Stock granted pursuant to Section 7.

4. Administration of the Plan

This Plan shall be administered by a "Compensation Committee" or "Plan Administrator" composed of members selected by, and serving at the pleasure of, the Board of Directors. Subject to the provisions of the Plan, the Plan Administrator shall have authority to construe and interpret the Plan, to promulgate, amend, and rescind rules and regulations relating to its administration, to select, from time to time, among the eligible employees and non-employee consultants (as determined pursuant to Section 5) of the Company and its subsidiaries those employees and consultants to whom Stock Options will be granted, to determine the duration and manner of the grant of the Options, to determine the exercise price, the number of shares and other terms covered by the Stock Options, to determine the duration and purpose of leaves of absence which may be granted to Stock Option holders without constituting termination of their employment for purposes of the Plan, and to make all of the determinations necessary or advisable for administration of the Plan. The interpretation and construction by the Plan Administrator of any provision of the Plan, or of any agreement issued and executed under the Plan, shall be final and binding upon all parties. No member of the Committee or Board shall be liable for any action or determination undertaken or made in good faith with respect to the Plan or any agreement executed pursuant to the Plan.

All of the members of the Committee shall be persons who, in the opinion of counsel to the Company, are outside directors and "non-employee directors" within the meaning of Rule 16b-3(b)(3)(i) promulgated by the Securities and Exchange Commission. From time to time, the Board may increase or decrease the size of the Committee, and add additional members to, or remove members from, the Committee. The Committee shall act pursuant to a majority vote, or the written consent of a majority of its members, and minutes shall be kept of all of its meetings and copies thereof shall be provided to the Board. Subject to the provisions of the Plan and the directions of the Board, the Committee may establish and follow such rules and regulations for the conduct of its business as it may deem advisable.

At the option of the Board, the entire Board of Directors of the Company may act as the Plan Administrator during such periods of time as all members of the Board are "outside directors" as defined in Prop. Treas. Regs. §1.162-27(e)(3), except that this requirement shall not apply during any period of time prior to the date the Company's Common Stock becomes registered pursuant to Section 12 of the Securities Exchange Act of 1934, as amended.

5. Grant of Options

The Company is hereby authorized to grant Incentive Stock Options as defined in section 422 of the Code to any employee or director (including any officer or director who is an employee) of the Company, or of any of its subsidiaries; provided, however, that no person who owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company, or any of its parent or subsidiary corporations, shall be eligible to receive an Incentive Stock Option under the Plan unless at the time such Incentive Stock Option is granted the Option price is at least 110% of the fair market value of the shares subject to the Option, and such Option by its terms is not exercisable after the expiration of five years from the date such Option is granted.

An employee may receive more than one Option under the Plan. Non-Employee Directors shall be eligible to receive Non-Qualified Stock Options in the discretion of the Plan Administrator. In addition, Non-Qualified Stock Options may be granted to Consultants who are selected by the Plan Administrator.

6. Stock Subject to Plan

The stock available for grant of Options under this Plan shall be shares of the Company's authorized but unissued, or reacquired, Common Stock. The aggregate number of shares that may be issued pursuant to exercise of Options granted under the Plan, as amended, shall not exceed 10,000,000 shares of common stock (subject to adjustment as provided herein), including shares previously issued under this Plan. The maximum number of shares for which an Option may be granted to any Optionee during any calendar year shall not exceed 5% of the issued and outstanding shares. In the event that any outstanding Option under the Plan for any reason expires or is terminated, the shares of

Common Stock allocable to the unexercised portion of the Option shall again be available for Options under the Plan as if no Option had been granted with regard to such shares.

7. Terms and Conditions of Options

Options granted under the Plan shall be evidenced by agreements (which need not be identical) in such form and containing such provisions that are consistent with the Plan as the Plan Administrator shall from time to time approve. Such agreements may incorporate all or any of the terms hereof by reference and shall comply with and be subject to the following terms and conditions:

- (a) **Number of Shares.** Each Option agreement shall specify the number of shares subject to the Option.
- (b) **Option Price.** The purchase price for the shares subject to any Option shall be determined by the Plan Administrator at the time of the grant, but shall not be less than 85% of Fair Market Value per share. Anything to the contrary notwithstanding, the purchase price for the shares subject to any Incentive Stock Option shall not be less than 100% of the Fair Market Value of the shares of Common Stock of the Company on the date the Stock Option is granted. In the case of any Option granted to an employee who owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company, or any of its parent or subsidiary corporations, the Option price shall not be less than 110% of the Fair Market Value per share of the Common Stock of the Company on the date the Option is granted. For purposes of determining the stock ownership of an employee, the attribution rules of Section 424(d) of the Code shall apply.
- (c) **Notice and Payment.** Any exercisable portion of a Stock Option may be exercised only by: (a) delivery of a written notice to the Company prior to the time when such Stock Option becomes unexercisable herein, stating the number of shares being purchased and complying with all applicable rules established by the Plan Administrator; (b) payment in full of the exercise price of such Option by, as applicable, delivery of: (i) cash or check for an amount equal to the aggregate Stock Option exercise price for the number of shares being purchased, (ii) in the discretion of the Plan Administrator, upon such terms as the Plan Administrator shall approve, a copy of instructions to a broker directing such broker to sell the Common Stock for which such Option is exercised, and to remit to the Company the aggregate exercise price of such Stock Option (a "cashless exercise"), or (iii) in the discretion of the Plan Administrator, upon such terms as the Plan Administrator shall approve, shares of the Company's Common Stock owned by the Optionee, duly endorsed for transfer to the Company, with a Fair Market Value on the date of delivery equal to the aggregate purchase price of the shares with respect to which such Stock Option or portion is thereby exercised (a "stock-for-stock exercise"); (c) payment of the amount of tax required to be withheld (if any) by the Company, or any parent or subsidiary corporation as a result of the exercise of a Stock Option. At the discretion of the Plan Administrator, upon such terms as the Plan Administrator shall approve, the Optionee may pay all or a portion of the tax withholding by: (i) cash or check payable to the Company, (ii) a cashless exercise, (iii) a stock-for-stock exercise, or (iv) a combination of one or more of the foregoing payment methods; and (d) delivery of a written notice to the Company requesting that the Company direct the transfer agent to issue to the Optionee (or his designee) a certificate for the number of shares of Common Stock for which the Option was exercised or, in the case of a cashless exercise, for any

shares that were not sold in the cashless exercise. Notwithstanding the foregoing, the Company, in its sole discretion, may extend and maintain, or manage for the extension and maintenance of credit to any Optionee to finance the Optionee's purchase of shares pursuant to the exercise of any Stock Option, on such terms as may be approved by the Plan Administrator, subject to applicable regulations of the Federal Reserve Board and any other laws or regulations in effect at the time such credit is extended.

- (d) **Terms of Option.** No Option shall be exercisable after the expiration of the earliest of:
- (a) ten years after the date the Option is granted, (b) three months after the date the Optionee's employment with the Company and its subsidiaries terminates, or a Non-Employee Director or Consultant ceases to provide services to the Company, if such termination or cessation is for any reason other than Disability or death, (c) one year after the date the Optionee's employment with the Company, and its subsidiaries, terminates, or a Non--Employee Director or Consultant ceases to provide services to the Company, if such termination or cessation is a result of death or Disability; provided, however, that the Option agreement for any Option may provide for shorter periods in each of the foregoing instances. In the case of an Incentive Stock Option granted to an employee who owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company, or any of its parent or subsidiary corporations, the term set forth in (a) above shall not be more than five years after the date the Option is granted.

- (e) **Exercise of an Option.** No Option shall be exercisable during the lifetime of the Optionee by any person other than the Optionee. Subject to the foregoing, the Plan Administrator shall have the power to set the time or times within which each Option shall be exercisable and to accelerate the time or times of exercise; provided however, the Option shall provide the right to exercise at the rate of at least 20% per year over five years from the date the Option is granted. Unless otherwise provided by the Plan Administrator, each Option granted under the Plan shall become exercisable on a cumulative basis as to one-third (1/3) of the total number of shares covered thereby at any time after one year from the date the Option is granted and an additional one-third (1/3) of such total number of shares at any time after the end of each consecutive one-year period thereafter until the Option has become exercisable as to all of such total number of shares. To the extent that an Optionee has the right to exercise an Option and purchase shares pursuant hereto, the Option may be exercised from time to time by written notice to the Company, stating the number of shares being purchased and accompanied by payment in full of the exercise price for such shares.
- (f) **No Transfer of Option.** No Option shall be transferable by an Optionee otherwise than by will or the laws of descent and distribution.
- (g) **Limit on Incentive Stock Option.** The aggregate Fair Market Value (determined at the time the Option is granted) of the stock with respect to which an Incentive Stock Option is granted and exercisable for the first time by an Optionee during any calendar year (under all Incentive Stock Option plans of the Company and its subsidiaries) shall not exceed \$100,000. To the extent the aggregate Fair Market Value (determined at the time the Stock Option is granted) of the Common Stock with respect to which Incentive Stock Options are exercisable for the first time by an Optionee during any calendar year (under all Incentive Stock Option plans of the Company and any parent or subsidiary corporations) exceeds \$100,000, such Stock Options shall be treated as Non-Qualified Stock Options. The determination of which Stock Options shall be treated as Non-Qualified Stock Options shall be made by taking Stock Options into account in the Order in which they were granted.
- (h) **Restriction on Issuance of Shares.** The issuance of Options and shares shall be subject to compliance with all of the applicable requirements of law with respect to the issuance and sale of securities, including, without limitation, any required qualification under state securities laws. If an Optionee acquires shares of Common Stock pursuant to the exercise of an Option, the Plan Administrator, in its sole discretion, may require as a condition of issuance of shares covered by the Option that the shares of Common Stock be subject to restrictions on transfer. The Company may place a legend on the share certificates reflecting the fact that they are subject to restrictions on transfer pursuant to the terms of this Section. In addition, the Optionee may be required to execute a buy-sell agreement in favor of the Company or its designee with respect to all or any of the shares so acquired. In such event, the terms of any such agreement shall apply to the optioned shares.
- (i) **Investment Representation.** Any Optionee may be required, as a condition of issuance of shares covered by his or her Option, to represent that the shares to be acquired pursuant to exercise will be acquired for investment and without a view toward distribution thereof, and in such case, the Company may place a legend on the share certificate(s) evidencing the fact that they were acquired for investment and cannot be

sold or transferred unless registered under the Securities Act of 1933, as amended, or unless counsel for the Company is satisfied that the circumstances of the proposed transfer do not require such registration.

- (j) **Rights as a Shareholder or Employee.** An Optionee or transferee of an Option shall have no right as a stockholder of the Company with respect to any shares covered by any Option until the date of the issuance of a share certificate for such shares. No adjustment shall be made for dividends (Ordinary or extraordinary, whether cash, securities, or other property), or distributions or other rights for which the record date is prior to the date such share certificate is issued, except as provided in paragraph (m) below. Nothing in the Plan or in any Option agreement shall confer upon any employee any right to continue in the employ of the Company or any of its subsidiaries or interfere in any way with any right of the Company or any subsidiary to terminate the Optionee's employment at any time.
- (k) **No Fractional Shares.** In no event shall the Company be required to issue fractional shares upon the exercise of an Option.

- (l) **Exercise in the Event of Death.** In the event of the death of the Optionee, any Option or unexercised portion thereof granted to the Optionee, to the extent exercisable by him or her on the date of death, may be exercised by the Optionee's personal representatives, heirs, or legatees subject to the provisions of paragraph (d) above.
- (m) **Recapitalization or Reorganization of the Company.** Except as otherwise provided herein, appropriate and proportionate adjustments shall be made (1) in the number and class of shares subject to the Plan, (2) to the Option rights granted under the Plan, and (3) in the exercise price of such Option rights, in the event that the number of shares of Common Stock of the Company are increased or decreased as a result of a stock dividend (but only on Common Stock), stock split, reverse stock split, recapitalization, reorganization, merger, consolidation, separation, or like change in the corporate or capital structure of the Company. In the event there shall be any other change in the number or kind of the outstanding shares of Common Stock of the Company, or any stock or other securities into which such common stock shall have been changed, or for which it shall have been exchanged, whether by reason of a complete liquidation of the Company or a merger, reorganization, or consolidation with any other corporation in which the Company is not the surviving corporation, or the Company becomes a wholly-owned subsidiary of another corporation, then if the Plan Administrator shall, in its sole discretion, determine that such change equitably requires an adjustment to shares of Common Stock currently subject to Options under the Plan, or to prices or terms of outstanding Options, such adjustment shall be made in accordance with such determination.

To the extent that the foregoing adjustments relate to stock or securities of the Company, such adjustment shall be made by the Plan Administrator, the determination of which in that respect shall be final, binding, and conclusive. No right to purchase fractional shares shall result from any adjustment of Options pursuant to this Section. In case of any such adjustment, the shares subject to the Option shall be rounded down to the nearest whole share. Notice of any adjustment shall be given by the Company to each Optionee whose Options shall have been so adjusted and such adjustment (whether or not notice is given) shall be effective and binding for all purposes of the Plan.

In the event of a complete liquidation of the Company or a merger, reorganization, or consolidation of the Company with any other corporation in which the Company is not the surviving corporation, or the Company becomes a wholly-owned subsidiary of another corporation, any unexercised Options granted under the Plan shall be deemed cancelled unless the surviving corporation in any such merger, reorganization, or consolidation elects to assume the Options under the Plan or to issue substitute Options in place thereof; provided, however, that notwithstanding the foregoing, if such Options would be cancelled in accordance with the foregoing, the Optionee shall have the right exercisable during a ten-day period ending on the fifth day prior to such liquidation, merger, or consolidation to exercise such Option in whole or in part without regard to any installment exercise provisions in the Option agreement.

- (n) **Modification, Extension and Renewal of Options.** Subject to the terms and conditions and within the limitations of the Plan, the Plan Administrator may modify, extend or renew outstanding options granted under the Plan and accept the surrender of outstanding Options (to the extent not theretofore exercised). The Plan Administrator shall not, however, without the approval of the Board, modify any outstanding Incentive Stock Option in any manner that would cause the Option not to qualify as an Incentive

Stock Option within the meaning of Section 422 of the Code. Notwithstanding the foregoing, no modification of an Option shall, without the consent of the Optionee, alter or impair any rights of the Optionee under the Option.

- (o) **Other Provisions.** Each Option may contain such other terms, provisions, and conditions not inconsistent with the Plan as may be determined by the Plan Administrator.

8. Termination or Amendment of the Plan

The Board may at any time terminate or amend the Plan; provided that, without approval of the holders of a majority of the shares of Common Stock of the Company represented and voting at a duly held meeting at which a quorum is present or the written consent of a majority of the outstanding shares of Common Stock, there shall be (except by operation of the provisions of paragraph (m) above) no increase in the total number of shares covered by the Plan, no change in the class of persons eligible to receive options granted under the Plan, no reduction in the exercise price of Options granted under the Plan, and no extension of the latest date upon which Options may be exercised; and provided further that, without the consent of the Optionee, no amendment may adversely affect any then outstanding Option or any unexercised portion thereof.

9. Indemnification

In addition to such other rights of indemnification as they may have as members of the Board Committee that administers the Plan, the members of the Plan Administrator shall be indemnified by the Company against reasonable expense, including attorney's fees, actually and necessarily incurred in connection with the defense of any action, suit or proceeding, or in connection with any appeal therein to which they, or any of them, may be a party by reason of any action taken or failure to act under or in connection with the Plan or any Option granted thereunder, and against any and all amounts paid by them in settlement thereof (provided such settlement is approved by independent legal counsel selected by the Company). In addition, such members shall be indemnified by the Company for any amount paid by them in satisfaction of a judgment in any action, suit, or proceeding, except in relation to matters as to which it shall have been adjudged that such member is liable for negligence or misconduct in the performance of his or her duties, provided however that within 60 days after institution of any such action, suit, or proceeding, the member shall in writing offer the Company the opportunity, at its own expense, to handle and defend the same.

10. Effective Date and Term of the Plan

This Plan shall become effective (the "Effective Date") on the date of adoption by the board of directors as evidenced by the date and signature below. Options granted under the Plan prior to shareholder approval are subject to cancellation by the Plan Administrator if shareholder approval is not obtained within 12 months of the date of adoption. Unless sooner terminated by the Board in its sole discretion, this Plan will expire on July 15, 2016.

IN WITNESS WHEREOF, the Company by its duly authorized officer, has caused this Plan to be executed this 15th day of July, 2006.
