NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

(Unaudited)

Note 1 – Basis of presentation

The condensed consolidated interim financial statements included herein, presented in accordance with United States generally accepted accounting principles and stated in US dollars, have been prepared by All-American SportPark, Inc. (the “Company”), without audit, pursuant to the rules and regulations of the Securities and Exchange Commission. Certain information and footnote disclosures normally included in financial statements prepared in accordance with generally accepted accounting principles have been condensed or omitted pursuant to such rules and regulations, although the Company believes that the disclosures are adequate to make the information presented not misleading.

These statements reflect all adjustments, consisting of normal recurring adjustments, which, in the opinion of management, are necessary for fair presentation of the information contained therein. It is suggested that these condensed consolidated interim financial statements be read in conjunction with the consolidated financial statements of the Company for the year ended December 31, 2013 and notes thereto included in the Company's Form 10-K. The Company follows the same accounting policies in the preparation of consolidated interim reports.

Results of operations for interim periods may not be indicative of annual results.

Certain reclassifications have been made in prior periods' financial statements to conform to classifications used in the current period.

Note 2 – Going concern

As of June 30, 2014, we had an accumulated deficit of \$27,047,017. In addition, the Company's current liabilities exceed its current assets by \$12,049,864 as of June 30, 2014.

The Company's management believes that its continuing operations may not be sufficient to fund operating cash needs and debt service requirements over at least the next 12 months. As such, management plans on seeking other sources of funding including the restructuring of current debt as needed, which may include Company officers or directors and/or other related parties. In addition, management continues to analyze all operational and administrative costs of the Company and has made and will continue to make the necessary cost reductions as appropriate. The inability to build attendance to profitable levels beyond a 12-month period may require the Company to seek additional debt, restructure existing debt or equity financing to meet its obligations as they come due. There is no assurance that the Company would be successful in securing such debt or equity financing in amounts or with terms acceptable to the Company.

Nevertheless, management continues to seek out financing to help fund working capital needs of the Company. In this regard, management believes that additional borrowings against the TMGE could be arranged although there can be no assurance that the Company would be successful in securing such financing or with terms acceptable to the Company. Among its alternative courses of action, management of the Company may seek out and pursue a business combination

transaction with an existing private business enterprise that might have a desire to take advantage of the Company's status as a public corporation. There is no assurance that the Company will acquire a favorable business opportunity through a business combination. In addition, even if the Company becomes involved in such a business opportunity, there is no assurance that it would generate revenues or profits, or that the market price of the Company's common stock would be increased thereby.

The financial statements do not include any adjustments relating to the recoverability and classification of asset carrying amounts or the amount and classification of liabilities that might result should the Company be unable to continue as a going concern.

Note 3 – Recent accounting policies

The Company believes there are no additional new accounting pronouncements adopted but not yet effective that is relevant to the readers of our financial statements.

Note 4 – Non-controlling interest

Non-controlling interest represents the minority stockholders' proportionate share of the equity of All-American Golf Center ("AAGC") which is a 51% owned subsidiary of the Company. At June 30, 2014, we owned 51% of AAGC's capital stock, representing voting control and a majority interest. Our controlling ownership interest requires that AAGC's operations be included in the Condensed Consolidated Financial Statements contained herein. The 49% equity interest that is not owned by us is shown as "Non-controlling interest in consolidated subsidiary" in the Condensed Consolidated Statements of Operations and Condensed Consolidated Balance Sheets. As of June 30, 2014, St. Andrews Golf Shop, our minority interest partner and a related party, held a \$411,011 interest in the net asset value of our subsidiary AAGC and a \$93,200 interest in the net income from operations of AAGC.

The SAGS store is the retail tenant in the TMGE.

Amounts allocated to these related parties by the Company approximated \$15,653 and \$23,795 for the six months ended June 30, 2014 and 2013, respectively. The Company records this allocation by reducing the related expenses and allocating them to the related parties.

In addition to the administrative/accounting support provided by the Company to the above stores, the Company received funding for operations from these and various other stores owned by the Company's President and his brother, and the former Chairman. These funds helped pay

The amounts are non-interest bearing and due out of available cash flows of the Company. Additionally, the Company has the right to offset the administrative/accounting support against the funds received from these stores.

Both Ronald Boreta and John Boreta have continued to defer half of their monthly salaries until the Company is in a more positive financial state. The amounts deferred for the six months ending June 30, 2014 and 2013 were \$48,750 and \$48,750, respectively.

In March 2006, the Company exercised the first of two options, extending the lease to 2018. Also, the lease has a provision for contingent rent to be paid by AAGC upon reaching certain levels of gross revenues. The Company recognizes the minimum rental expense on a straight-line basis over the term of the lease, which includes the two five year renewal options.

Customer Agreement

On June 19, 2009, AAGC entered into a Customer Agreement with Callaway Golf Company ("Callaway") and Saint Andrews pursuant to which Callaway has agreed to make certain cash payments and other consideration to AAGC and Saint Andrews in exchange for an exclusive marketing arrangement for the golf center operated by AAGC. Callaway is a major golf equipment manufacturer and supplier.

On March 9, 2013, AAGC entered into an amendment to its Customer Agreement with Callaway (the "Amendment"). The Amendment provided that AAGC was to use all reasonable efforts to negotiate and enter into a non-exclusive written contract with an alternative retail branding partner. In the event that AAGC was successful in executing a written contract with an alternative retail branding partner, the Customer Agreement would terminate on June 30, 2013.

Pursuant to the terms of the Amendment, Callaway was not required to pay any marketing funds or other fees or expenses required under the Customer Agreement during the first two quarters of 2013. The Amendment also provided that Callaway could, at its option, continue to feature its products in a second position at the golf center, of which they have chosen to do, after termination of the Customer Agreement, under certain terms and conditions.

Sponsorship Agreement

On March 27, 2013, AAGC entered into a Golf Center Sponsorship Agreement (“Sponsorship Agreement”) with Taylor Made Golf Company, Inc., doing business as TaylorMade-adidas Golf Company (“TMaG”) pursuant to which the golf center operated by AAGC was to be rebranded using TaylorMade® and other TMaG trademarks.

As part of the Sponsorship Agreement, TMaG agreed to reimburse AAGC for the reasonable costs associated with the rebranding efforts, including the costs associated with the build-out of the golf center and a new performance lab (described below), up to a specified maximum amount. In addition AAGC received a payment of \$200,000 upon execution of the Sponsorship Agreement and, so long as AAGC continues to operate the golf center and comply with the terms and conditions of the Sponsorship Agreement TMaG is to make additional payments to AAGC on each of March 26, 2014 and March 26, 2015. Their second payment was made April 3, 2014.

The Sponsorship Agreement provides that TMaG would install a performance lab at AAGC's facility that would include one nine-camera motion analysis system and one putting lab, and would provide additional services, equipment, supplies and resources for the golf center. The performance lab was installed in 2013. Phase I of the remodeling of the golf center included the entire golf shop, activities area/golf check-in and restaurant area and was completed in the first quarter of 2014. Phase II is expected to begin in the second or third quarter of 2014 and will involve remodeling the driving range area and additional construction in the golf shop.

The Sponsorship Agreement includes provisions concerning the display of TMaG merchandise, payment terms, retail sales targets and other related matters. Also, Saint Andrews Golf Shop, a tenant of AAGC which is owned by Ronald Boreta, the Company's President, and John Boreta, a Director of the Company, will receive a quarterly rebate based on the wholesale price of the TMaG merchandise purchased at the golf center. In addition, provided that the Las Vegas Golf and Tennis stores owned by Ronald Boreta and John Boreta maintain TMaG as their premier vendor at its locations, TMaG will pay such stores a quarterly rebate based on the wholesale price of the TMaG merchandise purchased at those locations.

The initial term of the Sponsorship Agreement is for five years. AAGC and TMaG may mutually agree in writing to extend the Sponsorship Agreement for an additional four year period; provided that the option to renew the Agreement shall be determined by the parties not later than ninety (90) days prior to the end of the initial term and shall be consistent with the AAGC's lease on its golf center property.

- the other risks and uncertainties detailed in this report.

Overview of Current Operations

On June 19, 2009, AAGC entered into a Customer Agreement with Callaway Golf Company (“Callaway”) and Saint Andrews pursuant to which Callaway agreed to make certain cash payments and other consideration to AAGC and Saint Andrews in exchange for an exclusive marketing arrangement for the Callaway Golf Center operated by AAGC. Callaway is a major golf equipment manufacturer and supplier. Saint Andrews subleases space at the Callaway Golf Center and operates a golf equipment store at the Callaway Golf Center.

The Customer Agreement with Callaway provided that Callaway would provide Saint Andrews with \$250,000 annual advertising contribution in the form of golf related products. In addition, Saint Andrews was given an opportunity to earn additional credits upon reaching a sales threshold.

In connection with the signing of the Customer Agreement, AAGC received several concessions to help in the operation of the business, upgrading certain areas, and remodel of some portions of the AAGC facility. Callaway also provided staff uniforms, range golf balls and rental golf equipment for AAGC’s use at the Callaway Golf Center. Both AAGC and Saint Andrews agreed to exclusively sell only Callaway golf products at the Callaway Golf Center for the term of the Customer Agreement.

On March 9, 2013, AAGC entered into an amendment to its Customer Agreement with Callaway (the “Amendment”). The effective date of the Amendment was January 20, 2013. The Amendment provided that AAGC was to use all reasonable efforts to negotiate and enter into a non-exclusive written contract with an alternate retail branding partner. In the event that AAGC was successful in executing a written contract with an alternative retail branding partner, the Customer Agreement was to terminate on June 30, 2013. In the event that an agreement with an alternative retail branding partner was not entered into by June 30, 2013, the Customer Agreement was to terminate on that date but AAGC would have the right to continue to feature its products in a second position at the TaylorMade Golf Experience after termination of Customer Agreement, under certain terms and conditions.

On March 27, 2013, AAGC entered into a Golf Center Sponsorship Agreement with Taylor Made Golf Company, Inc., doing business as TaylorMade-Adidas Golf Company (“TMaG”) pursuant to which the golf center operated by AAGC will be rebranded using TaylorMade® and other TMaG trademarks.

As part of the Sponsorship Agreement, TMaG has agreed to reimburse AAGC for the reasonable costs associated with the rebranding efforts, including the costs associated with the build-out of the golf center and a new performance lab (described below), up to a specified maximum amount. In addition, AAGC received a payment of \$200,000 within a few days of signing the Sponsorship Agreement and, so long as AAGC continues to operate the golf center and comply with the terms and conditions of the Agreement TMaG will make additional payments to AAGC on each of March 26, 2014 and March 26, 2015. The second payment in the amount of \$150,000 was received on April 3, 2014. The Company will recognize these payments as revenue on a straight-line basis over the term of the agreement. Their second payment was made April 3, 2014.

The Sponsorship Agreement provides that TMaG would install a performance lab at AAGC's facility that would include one nine-camera motion analysis system and one putting lab, and would provide additional services, equipment, supplies and resources for the golf center. The performance lab was installed in 2013. Phase I of the remodeling of the golf center included the entire golf shop, activities area/golf check-in and restaurant area and was completed in the first quarter of 2014. Phase II is expected to begin in the second or third quarter of 2014 and will involve remodeling the driving range area and additional construction in the golf shop.

The Sponsorship Agreement includes provisions concerning the display of TMaG merchandise, payment terms, retail sales targets and other related matters. Also, Saint Andrews Golf Shop, a tenant of AAGC which is owned by Ronald Boreta, the Company's President, and John Boreta, a Director of the Company, will receive a quarterly rebate based on the wholesale price of the TMaG merchandise purchased at the golf center. In addition, provided that the Las Vegas Golf and Tennis stores owned by Ronald Boreta and John Boreta maintain TMaG as its premier vendor at its locations, TMaG will pay such stores a quarterly rebate based on the wholesale price of the TMaG Merchandise purchased at those locations.

The initial term of the Sponsorship Agreement is for five years. AAGC and TMaG may mutually agree in writing to extend the Agreement for an additional four year period; provided that the option to renew the Sponsorship Agreement shall be determined by the parties not later than ninety (90) days prior to the end of the initial term and shall be consistent with the AAGC's lease on its golf center property.

On January 25, 2011, The 305 Group leased the restaurant at the TaylorMade Golf Experience. They renamed the restaurant The Upper Deck Grill and Sports Lounge. The tenant remodeled the entire restaurant space and opened to the public on April 28, 2011. They offer fresh made foods for the restaurant and bar. In 2014 the restaurant was unable to make appropriate lease payments and the lease was terminated and a new lease was entered into effective March 1, 2014 that places the restaurant on a month to month lease at a rate of \$3,320 a month plus percentage rent when certain sale amounts are reached.

Liquidity and Capital Resources

A critical component of our operating plan impacting our continued existence is the ability to obtain additional capital through additional equity and/or debt financing. We have partnered with TaylorMade/adidas Golf Company ("TMaG") to create an updated facility with a new name and brand. This is expected to help us in generating positive internal operating cash flow.

The following table summarizes our current assets, liabilities, and working capital at June 30, 2014 compared to December 31, 2013.

	June 30, 2014	December 31, 2013	Increase / (Decrease)	
			\$	%
Current Assets	\$ 44,945	\$ 4,632	\$ 40,313	970.32 %
Current Liabilities	12,094,809	11,923,443	171,366	1.44 %
Working Capital Deficit	\$ 12,049,864	\$ 11,918,811		

Internal and External Sources of Liquidity

Cash Flow . Since inception, we have primarily financed our cash flow requirements through related party debt transactions. If that source of funding is eliminated it may have a material, adverse effect on our operations. We are currently operating at a loss but with positive cash flow because of deferring related party payables and interest payments. Though this has allowed us to currently minimize the deferral of our payables, we continue to depend on this source of financing. Should we lose our ability to defer those payables, without a return to profitability, our cash resources will be limited.

Satisfaction of our cash obligations for the next 12 months.

As of June 30, 2014, our cash balance was \$30,829. Our plan for satisfying our cash requirements for the next twelve months is to use the payment to be received from TMaG in late March 2015 for working capital. So long as AAGC continues to operate the golf center and comply with the terms and conditions of the Agreement TMaG will make an additional payment to AAGC on March 26, 2015.

Given our operating history, predictions of future operating results are difficult to make. Thus, our prospects must be considered in light of the risks, expenses and difficulties frequently encountered by companies in their various stages of commercial viability. Such risks include, but are not limited to, an evolving business model and the management of growth. To address these risks we, among other things, plan to continue to modify our business plan, implement and execute our marketing strategy, develop and upgrade our facilities in a response to our competitor's developments.
