(c) Any changes to the data of any of the Shareholders indicated in Section 9.02(b) shall be immediately informed to the other Shareholders hereto through notice given pursuant to the terms of this Section 9.02.

Section 9.03. Registration at the Headquarters. (a) This Agreement and any subsequent amendments hereto may be filed by any of the Shareholders as per the terms and for the purposes of article 118 of the Corporations Law, at the headquarters of the Company and of the Portfolio Companies, being incumbent on them to watch over its due compliance, to refuse the registration in the corporate books and records of acts or omissions in violation of this Agreement and to immediately inform the Shareholders of any act or omission that results in a violation of this Agreement. In case of conflict between the provisions of this Agreement and of the Bylaws of the Company or of the Portfolio Companies, this Agreement shall prevail and the respective Bylaws shall be amended.

(b) For the purpose of ensuring the compliance with the obligations undertaken in this Agreement, the Shareholders agree to impose an onus on the Shares, as per the terms of articles 40 and 118 of the Corporations Law, enforceable against third parties, duly registered in the book of Registration of Nominative Shares of the Company. In the book of the Registration of Nominative Shares of the Company and in the certificates representing the Shares, if any were issued, the following text shall be written: The Shares represented by this registration (or certificate) are subject to the Shareholders Agreement of the Company dated April 25, 2008, filed at the Company's headquarters, also with regard to the transfer of or creation of liens on the Shares .

Section 9.04. Assignments and Transfers of Bound Shares. (a) None of the Shareholders may transfer, assign, create lien on or sell, directly or indirectly, to third parties, under any title whatsoever, including through succession, any of the Bound Shares, unless, cumulatively (i) such transfer, assignment, creation of lien or sale is carried out in accordance with the provisions of this Agreement or the Tag-Along Agreement, and (ii) the assignee or the successor of such Shareholder adheres to the terms of this Agreement and undertakes the obligation of complying with it under the same conditions applicable to the assigning Shareholder.

(b) In case of liquidation of the Offshore Fund or IIFIP while this Agreement is still in force, the Shares transferred to the respective quotaholders shall remain burdened pursuant to the terms of this Agreement.

Section 9.05. Specific Performance. The obligations of the Shareholders under this Agreement are irrevocable. The Shareholders acknowledge that, in case of default and/or breach of the obligations provided for in this Agreement, any possible compensation for damages and losses shall not constitute an adequate or sufficient recovery. Therefore, without prejudice to the damages and losses that may be required and of any other relief or remedy available, any obligation referred to in this Agreement that is not complied with by any of the Shareholders may be the subject of a specific performance, through a judicial or arbitration order to supplement or replace the act, vote or measure practised, refused or omitted in violation of the provisions of this Agreement, pursuant to paragraph 3 of article 118 of the Corporations Law. For that purpose, the Shareholders acknowledge that this Agreement constitutes an extrajudicial execution instrument, pursuant to article 585, II, of the Code of Civil Procedure, for all the purposes of article 632 of the Code of Civil Procedure.

Section 9.06. Partial Nullity. In case any provision of this Agreement becomes null or ineffective or is annulled, the validity or effectiveness of the remaining provisions shall not be affected, and shall remain in full force and effect and, in such case, the Shareholders shall engage in good faith negotiations aiming at replacing the ineffective provision with another that reaches the desired purposes and effects.

Section 9.07. Changes and Amendments. (a) None of the Shareholders hereto may enter into with third parties any other document ruling the matters provided for herein without the prior written consent of each of the Shareholders hereto.

(b) No change, amendment or modification of this Agreement shall be deemed valid with respect to a Shareholder or oblige a Shareholder, unless such change, amendment or modification is made in writing and is duly signed by such Shareholder.

Section 9.08. Tolerance. If one Shareholder fails to exercise any right, power or privilege pursuant to this Agreement, or exercise it with delay, such tolerance shall not constitute a waiver, relinquishment or novation of this Agreement (except with regard to the terms and conditions for the exercise of the right of first refusal and of the tag-along right as provided for in this Agreement), nor any isolated or partial exercise of it shall prevent any other exercise or future exercise of it or the exercise of any power or privilege pursuant to this Agreement. No Shareholder shall be considered as having waived any provision of this Agreement unless such waiver is submitted in writing and signed by such Shareholder. No waiver shall be deemed a continuous waiver unless so stated in writing.

Section 9.09. Construction Rules. The references and definitions contained herein shall be construed regardless of having been written in the plural or in the singular, or of gender difference. The headings of the sections have been inserted in order to facilitate localizing of the provisions and may not be invoked to disqualify or change the content of any of the sections of this Agreement.

Section 9.10. Powers of Attorney. The Shareholders may only grant powers of attorney to third parties to represent them before the Company and/or the Portfolio Companies, in any general meetings and in any corporate acts, on the condition that such third parties vote and/or act in the manner set forth in this Agreement, and such condition must be expressly included in the power of attorney.

Section 9.11. Other Necessary Measures. Without prejudice to the provisions of Section 3.07 above, each Shareholder obliges itself to take all the necessary measures to provide the provisions of this Agreement with effectiveness and shall make its best efforts to ensure that the provisions of this Agreement and the resolutions in Prior Meetings Among Major Shareholders prevail regardless of any provisions of any other shareholders' agreements or similar agreements that may prevent or limit the compliance of this Agreement by the Shareholders.

Section 9.14. Intervention and Consent of IEIL and the Company. IEIL, as the sole limited partner of the Offshore Fund, and the Company, intervene solely in order to consent to the provisions of this Agreement, except for the provisions of Sections 6.12 above.

SECTION TEN  
ARBITRATION, GOVERNING LAW AND JURISDICTION

Section 10.01. Arbitration. Any controversy, dispute or conflict (a Dispute ) arising out of or in connection with this Agreement or to its validity, its construction, its compliance or its execution shall be settled by arbitration in a single instance not subject to appeal. The arbitration shall be carried out in accordance with the Rules of the International Chamber of Commerce ICC (the Arbitral Chamber ), the arbitration institution designated to administer the arbitration, and the arbitral award to be rendered may be subject to judicial execution at the jurisdiction elected by the party that wins the arbitration.

Section 10.02. Beginning of the Arbitration. Any of the Shareholders (the Claimant Shareholder ) may deliver a written notice to one or more of the other Shareholders (the Respondent Shareholders , and, together with the Claimant Shareholder, the Shareholders in Dispute ) and to the Arbitral Chamber advising that it intends to institute an arbitration in connection with a Dispute, subject to the provisions of this Section Ten (an Arbitration Notice ).

Section 10.03. Selection and Appointment of Arbitrators.

(a) The Dispute shall be analyzed and decided by three (3) arbitrators, each one of them being independent and impartial arbitrators (the Arbitral Tribunal ).

(b) The Claimant Shareholder and the Respondent Shareholder shall each elect a person to act as arbitrator, within twenty (20) Business Days as of the receipt by the Respondent Shareholder of the Arbitration Notice. The two selected arbitrators shall, within ten (10) Business Days as of the acceptance of the second arbitrator, select a third arbitrator, who shall serve as chairman of the Arbitral Tribunal. In case the Arbitration Notice institutes a multilateral arbitration, in which there are more than two Shareholders in Dispute with distinct interests among each other, the three arbitrators shall be selected and appointed in accordance with the rules of the Arbitral Chamber.

(c) Should one of the parties fail to appoint an arbitrator pursuant to the provisions of Section 10.03(b) above, or if the arbitrators selected by the parties do not reach an agreement with regard to the choice of the third arbitrator, within ten (10) Business Days as of the acceptance of the second arbitrator, then such third arbitrator shall be selected and appointed pursuant to the rules of the Arbitral Chamber within fifteen (15) Business Days as of the date on which one of the parties notifies the Arbitral Chamber that such appointment is necessary. In the case of Section 10.03(b) and this Section 10.03(c), the Arbitral Tribunal shall be deemed instituted as of the acceptance by the third arbitrator of his appointment.

(d) The selected arbitrators shall be qualified in view of his/her academic education and professional background to analyze the matters in connection with the Dispute and to make a decision on the Dispute.

Section 10.04. Place and Language of the Arbitral Proceedings. The arbitration hearings shall be conducted in the Portuguese language and, if so requested by the Offshore Fund, in the English language, with simultaneous translation to both languages, and the place of arbitration shall be the City of Sao Paulo.

Section 10.05. Governing Law

(a) This Agreement shall be construed in accordance with and governed by the laws of Brazil, and the Arbitral Tribunal shall decide the Dispute in accordance with the laws of Brazil, regardless of any rule of private international law that may cause the laws of any other country or jurisdiction other than Brazil to be applicable.

(b) The arbitral proceedings shall be governed by the rules of the Arbitral Chamber, by the Arbitration Law and, when applicable, by the New York Convention on the Recognition and Enforcement of Foreign Arbitral Awards.

(c) The Arbitral Tribunal shall settle the matters that are submitted to it only according to the law, and its decision shall be grounded in the laws of Brazil. The Arbitral Tribunal shall not act as amicable mediator and shall not appeal to equity for the resolution of the Dispute submitted to it, with exclusive exception to the resolution of disputes in connection with the Controversial Matters that are submitted to the arbitral proceedings pursuant to Section 3.9 above.

Section 10.06. Arbitral Award.

(a) The arbitral award shall be rendered in writing, with versions in the Portuguese and in the English languages, and shall contain the grounds of the arbitral decision and shall be signed by all the arbitrators of the Arbitral Tribunal. In case of discrepancy between the Portuguese and the English versions of the arbitral award, the Portuguese version shall prevail.

(b) In the arbitral award, the Arbitral Tribunal shall decide as to the responsibility for the fees and expenses of the arbitral proceedings and burden of defeat as it deems reasonable, taking into consideration the circumstances of the case, the behavior of the Shareholders in Dispute during the proceedings, any deposits effected during the course of the arbitral proceedings and the result of the arbitration. Unless otherwise provided by the Arbitral Tribunal in the arbitral award, (i) each Shareholder in Dispute shall bear its own costs and expenses; and (ii) the fees and expenses of the arbitral proceedings, including the fees and expenses of the arbitrator(s) and of any experts or assistants, shall be borne in equal proportion among the Shareholders in Dispute.

Section 10.07. Omission or Refusal to Participate in the Arbitral Proceedings. The omission or refusal to participate in any stage of the arbitral proceedings, by any Shareholder in Dispute that has been duly notified, shall not prevent the continuity of the arbitral proceedings, provided that such omission or refusal shall not cause the nullity or defeasibility of the arbitral award and shall not serve as grounds to challenge its validity or enforceability.

Section 10.08. Term for the Rendering of the Arbitral Award.

(a) Upon acceptance of his/her appointment, each arbitrator shall undertake to devote the time and dedication necessary for the conduction of the arbitral proceedings and for the resolution of the Dispute within six (6) months counted as of the execution of the Mission Minutes, as established by the rules of the Arbitral Chamber, except that any arbitration by equity instituted pursuant to Section 3.9 above shall be concluded within three (3) months as of the execution of the Mission Minutes.

(b) For the purposes of Article 23 of the Arbitration Law, the arbitral award shall be rendered by the Arbitral Tribunal within the term set forth in this Section 10.08, provided that such term may be modified by written agreement between the Shareholders in Dispute and the Arbitral Tribunal or by order of the Arbitral Tribunal.

(c) The failure by the Arbitral Tribunal to comply with the term specified for the rendering of the arbitral award shall not cause the nullity or defeasibility of the arbitral award and may not serve as grounds to challenge its validity or enforceability.

Section 10.09. Preliminary Injunction and Coercive Measures.

(a) At any time before the institution of the Arbitral Tribunal, any Shareholder may claim before the competent court the granting of preliminary injunction aiming at (i) ensuring the effectiveness of the provisions of this Agreement; (ii) preserving the *status quo* while the solution of the Dispute is pending; (iii) preventing or suspending the making of resolutions in shareholders' general meeting, meeting of the board of directors, meeting of the executive board or prior meeting of the Company or of the Portfolio Companies in disagreement with the provisions of this Agreement; (iv) preventing the destruction of documents and other information or things related to the Dispute; or (v) preventing the transfer, assignment, sale of or the creation of liens on the Shares, direct or indirect, in disagreement with the provisions of this Agreement; or (vi) preventing loss, value decrease or concealment of assets.

(b) The preliminary injunctions indicated above may be requested by any of the Shareholders before the competent court after the institution of the Arbitral Tribunal, as long as (i) the request is justified by the urgency of the matter, and (ii) such judicial measure is requested *ad referendum* of the Arbitral Tribunal pursuant to Section 10.09(e) below, so that any decision of the Arbitral Tribunal regarding such preliminary injunction prevails over the judicial measure granted after the institution of the Arbitral Tribunal.

(c) Any request of preliminary injunction submitted to the Judiciary shall not be deemed an act incompatible with the submission of the Dispute to the arbitration pursuant to this Agreement.

(d) The Arbitral Tribunal may request before the competent court of the Judiciary the granting of any preliminary injunctions and any coercive measures adequate to the fulfillment of the arbitral award, pursuant to the rules of the Arbitral Chamber and of paragraph 4, Article 22 of the Arbitration Law.

(e) The Shareholder that, after the institution of the Arbitral Tribunal, obtains a judicial measure pursuant to Section 10.09(b) above, undertakes to communicate the granting of the measure to the Arbitral Tribunal within ten (10) days counted as of the date of the judicial decision. In case the Arbitral Tribunal comes out against the judicial measure, the Shareholder that has obtained it shall waive it, voluntarily dismiss the lawsuit filed or take other applicable measures aiming at its revocation.

Section 10.10. Election of Jurisdiction. The Shareholders agree that any Disputes that by any reason may not be settled through arbitration pursuant to Section 10.01 above shall be settled by the jurisdiction of the Court of *Brasilia, Distrito Federal*, and the parties waive any other jurisdiction, as privileged as it may be or become, provided that this election of jurisdiction shall not be construed as a limitation to the provisions of Section 10.01 above.

**IN WITNESS WHEREOF**, the Shareholders executed this Agreement in six (6) counterparts of same tenor and content for one sole purpose, jointly with the undersigned witnesses.
