Clarification: Announcement of New Discovery in Angola

Rio de Janeiro, November 12, 2009 Petróleo Brasileiro S.A. - Petrobras, in compliance with Resolution 358 of the Brazilian Securities Exchange Commission (CVM) and in line with the best corporate governance practices, announces, regarding the news issued yesterday by its Press Agency, about a new oil discovery in Block 15/06, in deep Angolan waters, in which it holds 5% stakes via its Petrobras Internacional Braspetro B.V. subsidiary.

The discovery was made in the Cabaça Norte-1 well, which is located about 350 kilometers away from Luanda. This is the second discovery announced for Block 15/06, in which Sonangol E.P. is the concessionaire, and Eni Angola the operator, with 35% of the stakes.

Well Cabaça Norte-1 was drilled at a depth of 500 meters from the water line and reached a total depth of 2,830 meters. In the production tests, the well produced more than 6,500 barrels of oil per day.

The other partners in Block 15/06 are SSI Fifteen Limited (15%), Sonangol P&P (15%), Total (15%), Falcon Oil Holding Angola AS (5%), and Statoil Angola Block 15/06 AS (5%).

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
