Petrobras signs lease agreement for the Inhaúma Shipyard

Rio de Janeiro, June 11th, 2010, Petróleo Brasileiro S.A Petrobras announces that it approved the execution of lease agreement with Companhia Brasileira de Diques - CDB for the Inhaúma Shipyard - also known as Ishibras Shipyard for 20 years. The lease payment is approximately R\$ 4 million per month.

The Inhaúma Shipyard is located in sheltered waters of Guanabara Bay, with a draft of 7 meters and inserted in the urban network of the city of Rio de Janeiro, and may be used for the conversion of vessels to FPSO (Floating Production, Storage and Offloading) which is currently being made abroad. It will also serve as support base for Petrobras barges and will support other operations.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results o f operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
