Notice to the Market

Banco Bradesco and Banco do Brasil sign a Heads of Agreement with Caixa Econômica to establish its interest in the operation of Elo, a Brazilian card brand and to create new business in the prepaid card segment

Banco Bradesco S.A., complementing the Material Fact disclosed on April 27th, 2010, informs to its shareholders, customers, employees and the market in general that, together with Banco do Brasil S.A., it signed a non-binding Heads of Agreement (Heads of Agreement), on this date, with Caixa Econômica Federal (Caixa), aiming at:

- Caixa's interest in a company to be incorporated, which will manage Elo, a Brazilian brand of credit, debit and prepaid cards to the customers of both banks, whether they are account holders or not;
- evaluating the possibility of developing new prepaid card business, through the creation of a payment means company or the use of already existing companies that are in line with the business.

The Banks also announce that they are studying the possibility to:

- increase Caixa's interest in Cielo S.A.;
- discuss a possible participation of Caixa in a project to share ATM terminals.

The conclusion of the operation is subject to technical, legal and financial studies, the satisfactory negotiation of the final documents and compliance with the applicable legal and regulatory requirements.

Additional information will be disclosed opportunely to the market as negotiations move forward.

Cidade de Deus, Osasco, SP, August 9th, 2010

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
