As of the date hereof, the National Energy Policy Council CNPE, has approved all of the terms of the draft of the Transfer of Rights Agreement, which we expect to execute soon.

This announcement is not an offer of Petrobras shares. Petrobras shares may not be offered or sold in the United States absent registration or an exemption from registration, and Petrobras currently intends to register the proposed offering in the United States. Any public offering of Petrobras shares will be made by means of a prospectus containing detailed information about Petrobras and the offering.
