This report on Form 6-K is incorporated by reference in the Registration Statement on Form F-3 of Petróleo Brasileiro -- Petrobras (No. 333-163665).

### Acquisition of exploration blocks in Gabon

Rio de Janeiro, June 17 2011 -Petróleo Brasileiro S.A. - Petrobras, announces it has acquired, by means of its wholly-owned subsidiary Petrobras Participaciones S.L. – PPSL, 50 per cent of the stakes in the Ntsina Marin and Mbeli Marin Blocks, located in the Coastal Basin of Gabon, offshore the Gabonese Republic, on the Western Coast of Africa. The region has geological structures that are considered comparable to the areas developed in Brazil.

The blocks were purchased from Ophir Energy, which is headquartered in the UK and will keep the remaining 50 per cent of the interests. The deal was completed today and is pending final approval by the Government of Gabon.

The region the two blocks are in covers an area of 6,683 square kilometers, in water depths ranging from shallow to up to 2,400 meters. Petrobras commits to carry out a minimum program, which includes 2,000 square kilometers of 3D seismics until March 2012.

After this stage, Petrobras has the right to assess whether or not it will remain in the next phase of the exploration program, which includes drilling wells.

#### FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results o f operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
