## **2. PRINCIPALS AND RESERVATIONS**

The following information is important and should be read carefully.

This report has been drawn up in strict compliance with the fundamental principles listed below:

- § The consultants have no direct or indirect interest in the companies involved or in the operation, nor is there any other relevant circumstance that could constitute a conflict of interest.
- § APSIS' professional fees have no relation whatsoever to the conclusions of this report.
- § To the best of the consultants' knowledge and belief, the analysis, opinions and conclusions expressed in this Report are based on true and accurate data, investigations, research and surveys.
- § The information received from third parties is deemed to be accurate as its sources are cited in this Report.
- § For projection purposes, we have assumed there are no liens or encumbrances of any nature, judicial or extra-judicial, on the companies in question, other than those listed in this Report.
- § This Report presents all the limiting conditions, if any, imposed by the adopted methodologies that may affect the analyses, opinions and conclusions of said Report.
- § The Report was prepared by APSIS and no one apart from its own consultants was involved in preparing its analyses and corresponding conclusions.
- § APSIS assumes total responsibility for the appraisal material, including implicit content, for the exercise of its functions, especially that established in laws, codes or internal regulations.
- § This Report has been drawn up in accordance with the criteria and recommendations established by the Brazilian Standards Bureau (ABNT), the Uniform Standards of Professional Appraisal Practice (USPAP) and the International Valuation Standards Council (IVSC), as well as requirements imposed by different bodies such as the Accounting Pronouncements Committee (CPC), the Ministry of Finance, the Central Bank, Banco do Brasil, the Brazilian Securities and Exchange Commission (CVM), the Superintendence of Private Insurance (SUSEP), Income Tax Regulations (RIR) and the Brazilian Committee of Business Appraisers (CBAN), among others.
- § The controlling company and management of the companies involved did not direct, limit, place difficulties upon or practice any acts that could have jeopardized access to, as well as the use or knowledge of the information, goods, documents or working methods that were important to the conclusions of this Report.

### **3. DISCLAIMER**

§ When preparing this Report, APSIS made use of data and information from historical accounting registers audited by third parties or unaudited, furnished in writing by the company's management or obtained from cited sources. Consequently, APSIS has assumed that the data and information obtained for this Report is true and consistent and therefore accepts no responsibility in relation to its veracity or otherwise.

§ The scope of this work does not include auditing the company's financial statements or reviewing the work of its auditors. Consequently, APSIS is not expressing any opinion on the financial statements of the requesting company.

§ We accept no responsibility for any losses suffered by the requesting company and its subsidiaries, partners, officers, creditors or other parties, resulting from the use of the data or information supplied by the company and presented in this Report.

§ Our work was developed exclusively for the use of the requesting company and its partners for the purpose described above.

## **4. APPRAISAL METHODOLOGY**

Examination of the already mentioned supporting documentation, in order to verify good bookkeeping in line with the legal, regulatory, normative and structural provisions governing the material, in accordance with accounting practices adopted in Brazil.

We examined PRADA's accounting books and all other necessary documents for the preparation of this Report, which was based on PRADA's balance sheet on August 31, 2013 (Exhibit 1).

In the opinion of the appraisers, PRADA's assets and liabilities have been duly recorded.

## 5. APPRAISAL OF PRADA'S NET ASSETS

PRADA's accounting books and all other necessary documents for the preparation of this Report were duly examined.

The appraisers concluded that the value of PRADA's net assets, which will be partially spun-off for the purpose of their merger by CSN was fourteen million, two hundred seventy thousand, three hundred and forty-one reais and twenty-four centavos (R\$14,270,341.24), on August 31, 2013, as shown in the adjacent table:

**FORWARD-LOOKING STATEMENTS**

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
