Re: Monthly Interest on Shareholders' Equity

Dear Sirs,

On September 1, 2016, Banco Bradesco S.A., in conformity with the System for the Payment of Monthly Interest on Shareholders' Equity, will pay interest on shareholders' equity related to August/2016, in the amount of R\$0.017249826 per common share and R\$0.018974809 per preferred share to shareholders of record on August 1, 2016 (declaration date and reference date for this right). The Company's shares will be traded "ex-right" on interest from August 2, 2016 on.

Payment will be made in the net amount of R\$0.014662352 per common share and R\$0.016128588 per preferred share, already net of fifteen percent (15%) withholding income tax, except for corporate shareholders that are exempt from said tax, who shall receive the declared amount, as follows:

- to shareholders whose shares are deposited at the Company and that keep their registration and banking data up-to-date, by means of a credit in the current account and financial institution indicated by them. Those who do not have such data up-to-date must present themselves at a Bradesco branch of their choice bearing their individual taxpayer's ID, identification document and proof of residence (utility bill) in order to update their registration data and receive the respective amounts to which they are entitled; and

- to shareholders whose shares are deposited at the BM&FBOVESPA S.A. – Bolsa de Valores, Mercadorias e Futuros (Securities, Commodities and Future Exchange), through the institutions and/or brokerage houses which keep their shareholding positions in custody.

**FORWARD-LOOKING STATEMENTS**

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
