Item 1.01. Entry into a Material Definitive Agreement.

On February 8, 2005, the Compensation Committee (the "Compensation Committee") of the Board of Directors of APAC Customer Services, Inc. (the "Company") adopted an amended and restated APAC Customer Services, Inc. Management Incentive Plan (the "MIP"), which authorizes the Company to award annual and long-term financial incentives to certain eligible employees based on stated performance goals of the Company and, in some cases, specified individual goals. Employees are eligible to participate in the MIP as determined by the Compensation Committee. Awards may be payable in cash, or in shares of Company common stock authorized for issuance under the Company's Amended and Restated 1995 Incentive Stock Plan ("Incentive Stock Plan") or successor plans and registered accordingly. The MIP became effective February 8, 2005 for fiscal periods commencing January 3, 2005, and will remain in effect through February 8, 2015, subject to termination or amendment by the Compensation Committee pursuant to the provisions of the MIP. The MIP will be subject to shareholder approval for any awards granted under the MIP after the Company's 2005 annual shareholder meeting, but not for awards granted before such annual meeting.

The foregoing description of the MIP is qualified in its entirety by the copy of the MIP attached hereto as Exhibit 10.1 and incorporated herein by reference. Also filed with this current report as Exhibit 10.2 is the form of Management Incentive Plan Annual Award Agreement and, as Exhibit 10.3, the form of Management Incentive Plan Long-Term Award Agreement, both of which are incorporated herein by reference.

On February 8, 2005, the Compensation Committee approved an annual incentive program providing for awards to executive officers and other key employees as designated by the Compensation Committee. The awards will be issued under the MIP pursuant to Annual Award Agreements, a form of which is attached hereto as Exhibit 10.2.

On February 8, 2005, the Compensation Committee also approved option grants to executive officers and certain other officers of the Company of nonqualified stock options under the Incentive Stock Plan having an exercise price per share equal to the fair market value of Company common stock on the date of grant. The stock options will vest ratably over five annual vesting dates, subject to acceleration in whole or in part under certain events of termination of employment or change in control of the Company. Unless sooner terminated, the options expire ten years from the date of grant. The form of Stock Option Agreement is attached hereto as Exhibit 10.4 and is incorporated herein by reference.

Also on February 8, 2005, the Compensation Committee approved a long-term incentive program providing for awards to certain management employees of the Company not receiving option grants. These awards are payable in cash based on the achievement of certain stated performance goals for the 2007 fiscal year. The awards will be issued under the MIP pursuant to Long-Term Award Agreements, a form of which is attached hereto as Exhibit 10.3.
