Item 1.01. Entry into a Material Definitive Agreement.

On June 2, 2005, the Company entered into a Loan and Security Agreement ("Credit Agreement") with LaSalle Bank National Association, replacing the Company's previous credit facility. Under the terms of the Credit Agreement, the Company has a \$40.0 million revolving credit facility that expires in June 2008. The facility initially provides a \$25.0 million revolving credit commitment, which will be increased to \$40.0 million upon the successful syndication of the remaining \$15.0 million to other lenders. Availability will be based on accounts receivable and will be subject to certain restrictions and limitations set forth in the Credit Agreement.

The Credit Agreement is secured principally by a grant of a security interest in all personal property and fixtures of the Company. Under the terms of the Credit Agreement, the Company is also required to maintain certain financial and restrictive covenants which limit, among other things, the Company's ability to incur additional indebtedness, repurchase outstanding common shares, create liens, acquire, sell or dispose of certain assets, engage in certain mergers and acquisitions, pay dividends and to make certain restricted payments.

Borrowings under the Credit Agreement incur a floating interest rate based on the LIBOR index rate or an alternate base rate defined in the agreement. In addition, the Company pays a commitment fee on the unused portion of the revolving facility as well as fees on outstanding letters of credit.

Item 9.01. Financial Statements and Exhibits.

Exhibit 10.1 Loan and Security Agreement by and among LaSalle National Bank Association, as Agent, the Financial Institutions from time to time a party thereto as Lenders, and APAC Customer Services, Inc. as Borrower, dated as of June 2, 2005.
