**Item 2.04 Triggering Events That Accelerate or Increase a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement.**

By letter dated August 16, 2006, J.P. Morgan Trust Company, trustee for certain of the Company's notes and debentures, accelerated the payment of the Company's 7.625% Debentures due May 1, 2013, principal amount of \$25 million (the "Debentures"). The Company reported the event of default triggering the acceleration, the delayed filing of financial statements and an Officer's Certificate relating to the Company's compliance with the terms of the indenture, in its Form 10-K filed on March 31, 2006 and its 8-K filed April 10, 2006. On August 18, 2006, the Company repaid the Debentures in full at a cost of \$25,571,875.00 (principal plus all accrued and unpaid interest). As anticipated, the Company has drawn on the term loans in its credit facility to meet the accelerated payment requirements.
