#### Item 1.01 Entry into a Material Definitive Agreement.

On January 31, 2007, CMS Enterprises Company ("Enterprises"), a wholly owned subsidiary of CMS Energy Corporation ("CMS Energy") signed a binding letter of intent ("LOI") with Lucid Energy LLC ("Lucid"). The LOI provides that Enterprises will sell substantially all of its Argentine assets and its northern Michigan non-utility gas gathering, processing and pipeline businesses for \$180 million to Lucid, whose financial partners include Sociedad Argentina de Energia S.A., an Argentine company. The proposed sale, subject to negotiation and execution of a definitive purchase and sale agreement, is expected to close in the first half of 2007. See the News Release dated February 1, 2007, which is attached as Exhibit 99.1 for additional information.

The LOI provides Lucid an exclusivity period for negotiation through March 15, 2007. Lucid and Enterprises agree in the LOI that a definitive purchase and sale agreement will contain a number of customary representations and warranties and closing conditions found in similar transactions, including the expiration of the waiting period under the Hart-Scott-Rodino Antitrust Improvement Acts of 1976. The LOI also provides that under the definitive purchase and sale agreement Enterprises liability for breaches of representation and warranties will be capped at the amount of \$25 million for those relating to the Argentine assets and \$5 million for those relating to the Michigan businesses. The LOI will terminate upon the earlier of March 15, 2007 or the date upon which the parties determine that they will be unable to agree upon the terms of a definitive purchase and sale agreement.

A copy of the LOI is attached as Exhibit 99.2.
