Item 1.01 Entry into a Material Definitive Agreement.

Avatar Properties Inc. ("Owner"), a wholly-owned subsidiary of Avatar Holdings Inc. ("Avatar"), entered into a First Amended and Restated Poinciana Parkway Regulatory Agreement, dated as of July 25, 2008, with Osceola County, Florida (the "First Amended Osceola Agreement"), amending and restating the Poinciana Parkway Regulatory Agreement, dated as of December 15, 2006 (the "Original Osceola Agreement"). As of July 25, 2008, Owner entered into an Amendment to Transportation Concurrency Agreement with Osceola County.

Pursuant to the Original Osceola Agreement, Owner has acquired the rights-of-way for development and construction of the Poinciana Parkway (the "Parkway"), a four-lane road traversing a distance of 9.66 miles in Osceola and Polk counties in Florida (the "Counties"). The Parkway will include a 4.15 mile segment to be operated as a private toll road (the "Toll Road"). Except for the Toll Road, the Parkway will be owned, maintained and operated by the Counties upon completion. Owner has agreed to toll rates (including maximum increases over time) that may be charged for use of the Toll Road. The Original Osceola Agreement provided that the Parkway be substantially complete and open to traffic by October 31, 2008, subject to delays beyond our control.

The principal amendments contained in the First Amended Osceola Agreement and Amendment to Transportation Concurrency Agreement are:

- * Requirement that Owner (i) complete financing for the acquisition, development and construction of the Parkway and commence actual construction not later than February 14, 2011 and (ii) then complete the Parkway by December 31, 2011 (the completion date is subject to extension for delays beyond Owner's control). If Owner fails to commence and complete the Parkway as required, it must pay Osceola County \$1,900,000 and Owner will become subject to concurrency requirements for future development on the same basis as other developers in Osceola County.
- * Elimination of Owner's affirmation of availability of all funds necessary to construct the Parkway and addition of provisions regarding Owner's ability to obtain lender financing under commercially reasonable terms.
- * Allowing Owner to enter into agreement(s) with a governmental or other service provider for operation and/or enforcement of the toll facilities.

Avatar and its subsidiaries have a relationship with Osceola County in connection with real estate development and other business operations conducted by Avatar in such County. Zoning, permitting and other approvals are obtained from the County in connection with Avatar's development activities. In addition, from time to time Avatar has contributed or sold parcels of land to Osceola County for public purposes, such as the construction of schools, and has contributed roads, which have been developed by Avatar within its communities.
