Consent Order

Old National Bank (the "Bank"), a wholly-owned subsidiary of Old National Bancorp ("ONB"), entered into a Stipulation and Consent to the Issuance of a Consent Order (the "Consent Order") with its primary regulator, the Office of the Comptroller of the Currency, relating to the Bank's Bank Secrecy Act/Anti-Money Laundering ("BSA/AML") Compliance Program.

The Consent Order requires the Bank to, among other things: Continue to review, update, and implement a written institution-wide, ongoing BSA/AML Risk Assessment that accurately identifies BSA/AML Risks; ensure that Bank management reviews, updates, and implements its risk-based processes to obtain and analyze appropriate customer due diligence information to monitor for and investigate suspicious activity; ensure adherence to a written program for appropriate identification, analyzing and monitoring of transactions with greater than normal risk; maintain an effective BSA independent testing function; and ensure and maintain sufficient personnel with requisite expertise and skills who receive adequate on-going training.

Immediately upon the identification of these deficiencies approximately 16 months ago, the Bank devoted significant time and resources toward the improvement of its BSA/AML Compliance Program. Major advancements toward the deficiencies specified in the Consent Order have been made as a result of the Bank's dedication of significant resources. These advancements include the following:

- purchase and installation of a new transaction monitoring system;
- an enhanced BSA Risk Assessment for all Bank activities and products;
- the strengthening of the Bank's core BSA/AML management teams by hiring key employees with extensive experience in the industry and with respect to BSA/AML;
- enhancements to the customer due diligence processes; and
- the enhancement and supplementation of the BSA/AML expertise, staffing and methodology within the Bank's Internal Audit function.
