Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On May 2, 2013, ConAgra Foods, Inc. (the "Company") announced that Andre J. Hawaux, President, Consumer Foods, informed the Company of his intent to resign from the Company to become the chief financial officer of another public company in a different industry, allowing him to be located closer to extended family. Mr. Hawaux ceased to be an executive officer of the Company and hold his duties as President, Consumer Foods effective May 2, 2013. He will remain with the Company through May 26, 2013 (the last day of the Company's fiscal 2013) to assist with a smooth transition of responsibilities. Mr. Hawaux successfully held key leadership positions within the Company during his tenure, initially joining the Company as Chief Financial Officer in 2006, and serving as President, Consumer Foods, since 2009.

The Company's Board of Directors has appointed Tom McGough to serve as President, Consumer Foods, effective May 2, 2013. Mr. McGough joined the Company in 2007, and has provided leadership for many brand teams within ConAgra Foods, including Banquet, Hunt's and Reddi-wip during his tenure. Since 2012, Mr. McGough has served as President, Grocery Products, leading the largest business within the Consumer Foods segment. Mr. McGough has over twenty years of experience in the branded packaged foods industry, beginning his career at H.J. Heinz in 1990. Mr. McGough received an M.B.A. from the Duke Fuqua School of Business and a bachelor's degree from the Georgia Institute of Technology.

Item 7.01 Regulation FD Disclosure.

On May 2, 2013, the Company reaffirmed its fiscal 2013 earnings per share ("EPS") expectations. The Company continues to expect fiscal 2013 diluted EPS, adjusted for items impacting comparability, of approximately \$2.15, and sequential volume improvement in the Consumer Foods segment.

This Current Report on Form 8-K includes the non-GAAP financial measure of diluted EPS, adjusted for items impacting comparability. Management considers GAAP financial measures as well as such non-GAAP financial information in its evaluation of the Company's financial statements and believes this non-GAAP measure provides useful supplemental information to assess the Company's operating performance and financial position. The inability to predict the timing and amount of future items impacting comparability makes a detailed reconciliation of EPS projections for Regulation G purposes impracticable.
