#### Edgar Filing: PETROBRAS - PETROLEO BRASILEIRO SA - Form 6-K

Contracting of FPSO for Sepia field

Rio de Janeiro, October 19, 2017 - Petróleo Brasileiro S.A. - Petrobras informs that on October 13, 2017 it signed a contract with Modec Group to charter a FPSO platform (a unit that produces, stores and transfers oil and gas) to be used in the Sepia field development project, derived from the Transfer of Rights Agreement, located in the pre-salt of the Santos Basin. The project considers the interconnection of up to 15 wells to the platform, and the start of production is planned for 2021.

The FPSO will be installed at about 250 km from the Brazilian coast, at a water depth of 2,140 meters and can process up to 180,000 bpd of oil and 6 million m3/dia of natural gas. The unit will be operated by the company responsible for the construction and chartered for up to 21 years.

The platform will have part of its construction carried out in Brazil, aligned with Petrobras' experience with other charters already performed.

#### FORWARD-LOOKING STATEMENTS

This release includes forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, that are subject to risks and uncertainties. The forward-looking statements, which address the Company's expected business and financial performance, among other matters, contain words such as "believe," "expect," "estimate," "anticipate," "optimistic," "intend," "plan," "aim," "will," "may," "should," "could," "would," "likely," and similar expressions. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date on which they are made. There is no assurance that the expected events, trends or results will actually occur. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.

The Company's actual results could differ materially from those expressed or forecast in any forward-looking statements as a result of a variety of assumptions and factors. These factors include, but are not limited to, the following: (i) failure to comply with laws or regulations, including fraudulent activity, corruption, and bribery; (ii) the outcome of ongoing corruption investigations and any new facts or information that may arise in relation to the "Lava Jato Operation"; (iii) the effectiveness of the Company's risk management policies and procedures, including operational risk; and (iv) litigation, such as class actions or proceedings brought by governmental and regulatory agencies. A description of other factors can be found in the Company's Annual Report on Form 20-F for the year ended December 31, 2016, and the Company's other filings with the U.S. Securities and Exchange Commission.
