Syms Corp. (the "Company") requires additional time to complete the financial statements, related footnotes and other disclosures in its Form 10-K for the fiscal year ended February 25, 2012. As previously disclosed, on November 2, 2011, the Company, pursuant to the provisions of the United States Bankruptcy Code (the "Bankruptcy Code"), filed a voluntary petition in the United States Bankruptcy Court for the District of Delaware seeking relief under the provisions of Chapter 11 of the Bankruptcy Code (the "Bankruptcy Case"). The Bankruptcy Case has resulted in a severe reduction in the Company's workforce and the Company has devoted substantially all of its remaining resources to the Bankruptcy Case, including the asset sale process. In accordance with Rule 12b-25 under the Securities Exchange Act of 1934, the Company anticipates filing its Form 10-K within several days, but in no event later than fifteen calendar days following the due date.

Part IV -- Other Information

- (1) Name and telephone number of person to contact in regard to this notification.

(Name and Title)

(Area Code) (Telephone Number)

(2) Have all other periodic reports required under Sections 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s).

Yes       No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes       No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

Due to adverse business conditions, the previously reported Chapter 11 filing and other circumstances, there was a significant adverse change in the Company's results of operations for the year ended February 25, 2012, as compared to the year ended February 26, 2011. During this period, the Company ceased its retail operations and liquidated its inventory, furniture and fixtures, and transitioned from the going concern basis to the liquidation basis of accounting. This transition has caused the presentation of assets and liabilities in the Company's financial statements to differ significantly from prior fiscal reporting periods. While the Company has not yet finalized its Chapter 11 Plan, the Company expects that its activities after the adoption of such plan will consist primarily of liquidating its remaining real estate assets. Therefore, in the filing of the 2011 Annual Report on Form 10-K to which this notification relates, the independent auditor's report on the Registrant's financial statements will state that the Company is in liquidation, and as a result the basis of accounting changed from a going concern basis to liquidation basis effective October 30, 2011. For these reasons, the Company is unable to reasonably estimate its results of operations for the year ended February 25, 2012.
