Introduction

On February 16, 2016, PGT, Inc. (“PGTI”), through its wholly-owned subsidiary PGT Industries, Inc. (“PGT”), completed the purchase (the “Acquisition”) of all of the issued and outstanding shares of the common stock of WinDoor Incorporated, a Florida corporation (“WinDoor”), par value \$.01 per share, and all of the issued and outstanding membership units of LTE, LLC, a Florida limited liability company (“LTE”, and together with WinDoor, the “Acquired Companies”), in accordance with the terms and conditions of that certain Stock Purchase Agreement, dated November 25, 2015, (the “Purchase Agreement”) by and among PGT, the Acquired Companies, R. Frank Lukens, Jr. Revocable Trust, solely in its capacity as the representative of the equity holders of the Acquired Companies (the “Representative”) and the sellers identified on the signature pages thereto (the “Sellers”). As a result of the Acquisition, the Acquired Companies became wholly-owned subsidiaries of PGT.

Item 1.01 Entry Into A Material Definitive Agreement.

On February 16, 2016, PGTI entered into a Credit Agreement (the “Credit Agreement”), by and among PGTI, the lending institutions identified in the Credit Agreement, and Deutsche Bank AG New York Branch, as Administrative Agent and Collateral Agent. The Credit Agreement establishes new senior secured credit facilities in an aggregate amount of \$310.0 million, consisting of a \$270.0 million Tranche B term loan facility maturing in six years that will amortize on a basis of 1.00% annually during the six-year term, and a \$40.0 million revolving credit facility maturing in five years that includes a swing line facility and a letter of credit facility. PGTI’s obligations under the Credit Agreement are secured by substantially all of its and its direct and indirect subsidiaries’ assets.

Interest on all loans under the Credit Agreement is payable either quarterly or at the expiration of any LIBOR interest period applicable thereto. Borrowings under the term loans and the revolving credit facility accrue interest at a rate equal to, at our option, a base rate (with a floor of 200 basis points in respect of the term loan) or LIBOR (with a floor of 100 basis points in respect of the term loan) plus an applicable margin. The applicable margin is 575 basis points in the case of LIBOR and 475 basis points in the case of the base rate. We will pay quarterly fees on the unused portion of the revolving credit facility equal to 50 basis points per annum as well as a quarterly letter of credit fee at 575 basis points per annum on the face amount of any outstanding letters of credit.

The Credit Agreement contains a springing financial covenant, if PGTI draws in excess of twenty percent (20%) of the revolving facility, which requires us to maintain a maximum total net leverage ratio (based on the ratio of total debt for borrowed money to trailing EBITDA, each as defined in the Credit Agreement), and will be tested quarterly based on the last four fiscal quarters and is set at levels as described in the Credit Agreement.

The Credit Agreement also contains a number of affirmative and restrictive covenants, including limitations on the incurrence of additional debt, liens on property, acquisitions and investments, loans and guarantees, mergers, consolidations, liquidations and dissolutions, asset sales, dividends and other payments in respect of our capital stock, prepayments of certain debt and transactions with affiliates. The Credit Agreement also contains customary events of default. Upon the occurrence of an event of default, the amounts outstanding under the Credit Agreement may be accelerated and may become immediately due and payable.

The foregoing description of the Credit Agreement is not complete and is subject to, and qualified in its entirety by, the full text of the Credit Agreement, a copy of which is attached to this Current Report on Form 8-K (this “Current Report”) as Exhibit 10.1 and is incorporated herein by reference.

Item 1.02 Termination of a Material Definitive Agreement.

On February 16, 2016, in connection with the Acquisition, PGTI terminated its Credit Agreement (the “Existing Credit Agreement”), dated as of September 22, 2014, by and among PGTI, the lending institutions identified in the Existing Credit Agreement, and Deutsche Bank AG New York Branch, as Administrative Agent and Collateral Agent. A portion of the proceeds from the Credit Agreement were used to repay all amounts outstanding under the Existing Credit Agreement and pay related fees and expenses. There were no penalties associated with the termination of the Existing Credit Agreement.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On February 16, 2016, PGT completed the Acquisition in accordance with the terms of the Purchase Agreement. As a result of the Acquisition, the Acquired Companies became wholly-owned subsidiaries of PGT. Under the terms of the Purchase Agreement, at the effective time of the Acquisition, PGT paid to all holders of outstanding shares of common stock of WinDoor and membership units of LTE an aggregate consideration of \$100.3 million in cash, adjusted with respect working capital, cash, indebtedness and unpaid transaction expenses of the Acquired Companies as of the closing date of the Acquisition. The Sellers may also earn a potential one-time payment of up to \$3 million based upon the Acquired Companies' 2016 financial performance.

The foregoing description of the Purchase Agreement is not complete and is subject to, and qualified in its entirety by, the full text of the Purchase Agreement, which was attached as Exhibit 2.1 to PGTI's Current Report on Form 8-K filed with the SEC on November 30, 2015, the terms of which are incorporated herein by reference.
