Item 1.01.

Entry into a Material Definitive Agreement

Effective November 30, 2009, Imperial Industries, Inc. (as guarantor), its principal subsidiaries Premix-Marbletite Manufacturing Co., DFH, Inc., and Just-Rite Supply, Inc., (Just-Rite) (collectively the Company), Michael Phelan, as assignee for Assignment for the Benefit of the Creditors of Just-Rite (the Assignee) and Wachovia Bank, N.A. (the Lender), executed a Fourth Amendment to Forbearance Agreement (the Fourth Amendment), which further amends the Company s Consolidating, Amended and Restated Financing Agreement dated as of January 28, 2000 (the Line of Credit). Under the Fourth Amendment, the Lender agreed to extend the Line of Credit from November 30, 2009 to January 29, 2010. In addition, the Company agreed to make weekly payments on certain lease obligations of Just-Rite payable to the Lender which are in default commencing the first week of December. The Company had guaranteed the payment of the lease obligations to the Lender pursuant to the underlying lease documents. The following summary is qualified in its entirety to the Fourth Amendment which is attached as Exhibit 10.1 hereto.

The Fourth Amendment to the Forbearance Agreement which extended the expiration date of the Line of Credit from November 30, 2009 to January 29, 2010 modified the Line of Credit principally as follows:

The Lender, in its sole and absolute discretion, may continue to make revolving loans under the Line of Credit without regard to the Company s or Assignee s compliance with the terms of the Line of Credit, or existence of any Event of Default.

Company shall pledge a \$100,000 certificate of deposit (CD) issued by the Lender as collateral for all obligations due to the Lender from the Company.

Lender shall receive a forbearance fee equal to \$20,000 on January 4, 2010.

Lender shall maintain the existing maximum credit at \$100,000.

The Company shall pay to Lender the principal amount of certain guaranteed lease obligations due to the Lender, excluding late fees, legal fees and other expenses and charges, equaling approximately \$164,000, at the rate of \$10,000 per week beginning on or before December 4, 2009 and continuing on the Friday of each calendar week thereafter.

As of the opening of business on November 30, 2009, the Company and the Assignee had a combined outstanding balance of approximately \$13,000 under the Line of Credit. Excess availability for borrowings under the Line of Credit at November 30, 2009 was \$87,000, after giving effect to the maximum credit of \$100,000 at that date.

Item 2.04

Triggering Events that Accelerate or Increase a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement.

On or about July 9, 2009, and thereafter, the Lender orally advised the Company and the Assignee that they were not in compliance with the borrowing formulas and certain reporting requirements under the Forbearance Agreement and continued funding the Line of Credit in accordance with the terms of the Forbearance Agreement. The Lender thereafter required the Company to enter into the First Amendment to the Forbearance Amendment as of August 7, 2009, which was subsequently amended by a Second Amendment as of August 28, 2009, a Third Amendment as of September 30, 2009 and further amended by the Fourth Amendment as described in Item 1.01 above.
