## 2011 Phantom Unit Grant

On February 18, 2011, in accordance with the Compensation Policy, the Committee approved the following phantom unit awards and associated distribution equivalent rights for Mr. Cary Brown, and, with respect to the remaining executive officers, recommended the following phantom unit awards to the Board and the Board approved such awards.

**Subjective or Service-Based Component.** Each executive officer was awarded 100% of the percentage of 2010 salary as set forth in the table below under the heading “Subjective Grant - Subjective Factor,” with the number of phantom units (and associated dividend equivalent rights) granted determined by using the 20-day average closing price of Partnership units ended on the last trading day prior to February 18, 2011, or \$29.39. Such awards will be subject to a three-year vesting schedule as set forth in the Compensation Policy.

**Objective or Performance-Based Equity Compensation.** The number of phantom units for the objective component of equity-based compensation was granted as prescribed by the Compensation Policy at the maximum level, in an amount based on the average closing price of Partnership units for the 20 trading day period ended the last trading day prior to January 1, 2011, or \$27.04. Each year, in accordance with the Compensation Policy, the objective or performance-based component is granted at a number determined by the “Objective Factor” percentage of the respective executive officer’s prior fiscal year salary as set forth in the table below. Over a three-year period, 1/3 each of such award is subject to vesting, but the actual number vested will be determined based on performance criteria based on the Partnership’s total unitholder return during the preceding fiscal year. Unvested phantom units will be forfeited.

On February 18, 2011, in accordance with the objective component of Compensation Policy, the Board approved the vesting of the first 1/3 tranche of phantom units granted to each executive officer on February 18, 2010.

As set forth in the Compensation Policy, the phantom units granted pursuant to the objective or performance-based component are subject to vesting over a three-year vesting period, subject to the Partnership's performance during 2010 as measured by the ratio of the Partnership's total unitholder return to a peer group index and the Partnership's ranking among the peer group. In accordance with such performance criteria, 100% of the first 1/3 tranche of phantom units awarded to each executive officer in 2010 under the objective component of the Compensation Policy vested on February 18, 2011:
