Dear Mr. Kemper:

Full Value Offshore Partners L.P. is the beneficial owner of shares of Insured Municipal Income Fund Inc. (the Fund) that are valued in excess of \$2,000.00. We have held our shares continuously for at least 12 months and intend to hold them through the next annual meeting. We hereby submit the following proposal and supporting statement pursuant to rule 14a-8 of the Securities Exchange Act of 1934 for inclusion in managements proxy materials for the next meeting of stockholders.

RESOLVED: The board is requested to take action, subject to market conditions, to afford common and preferred shareholders an opportunity to realize the net asset value of their shares.

Supporting Statement

Since its launch in 1993 the Funds common shares have persistently traded at a discount to their net asset value. For example, as of December 5, 2008, the common shares were trading at a whopping 20% discount from NAV.

In addition, the preferred shares are now illiquid and can only be sold at a steep discount from their \$50,000 liquidation value.

We think both the common shareholders and the preferred shareholders deserve an opportunity to realize the intrinsic value of their shares.

Edgar Filing: INSURED MUNICIPAL INCOME FUND INC - Form SC 13D/A

If you agree, please vote for this proposal.

Very truly yours,

Phillip Goldstein
