Date September 1, 2017, as amended November 13, 2017

**Performance Information on page 6 is replaced in its entirety by the following:**

**Bar Chart and Performance Table**

The bar chart shows calendar year returns and the average annual total return table indicates risk by illustrating how much returns can differ from one year to the next and how fund performance compares with that of a comparable market index. These figures assume that all distributions are reinvested. *The Fund's performance will fluctuate, and past performance (before and after taxes) is no guarantee of future results.* Updated performance information may be obtained on our website [www.sheltoncap.com](http://www.sheltoncap.com) or by calling (800) 955-9988.
