TITAN MACHINERY INC.
Annual Meeting of Stockholders
June 4, 2015

PROXY STATEMENT

INTRODUCTION

Your proxy is solicited by the Board of Directors (the "Board") of Titan Machinery Inc. ("we," "us," "our," or the "Company") for our Annual Meeting of Stockholders to be held on June 4, 2015 (the "Annual Meeting"), at the location and for the purposes set forth in the Notice of Annual Meeting of Stockholders, and at any adjournment or postponement thereof. The proposals to be voted on are described in this Proxy Statement.

The mailing address of our principal executive offices is Titan Machinery Inc., 644 East Beaton Drive, West Fargo, North Dakota 58078. We expect that this Proxy Statement, the related proxy card, and the Notice of Annual Meeting of Stockholders will first be mailed to our stockholders on or about May 7, 2015.

GENERAL INFORMATION

At the Annual Meeting, our stockholders will act upon the following proposals outlined in the Notice of Annual Meeting of Stockholders:

Proposal 1 - Election of Directors

Purpose of the Annual Meeting

Proposal 2 - Advisory Vote to Approve the Company's Executive Compensation

Proposal 3 - Ratification of Independent Registered Public Accounting Firm

Following this, management of the Company will give a business update. Management will be available to respond to questions from stockholders.

What is a Proxy?

It is your legal designation of another person to vote the stock you own in the manner you direct. That other person is called a proxy. You may designate someone as your proxy in a written document, typically with a proxy card. We have authorized members of our senior management designated by the Board and named in your proxy card to represent you and to vote your shares as instructed. The proxies also may vote your shares at any adjournments or postponements of the Annual Meeting.

What is a Proxy Statement?

It is a document we give you when we are soliciting your designation of a proxy pursuant to Securities and Exchange Commission ("SEC") rules and regulations.

Stockholder of Record

If your shares are registered in your name with our transfer agent, Wells Fargo Shareowner Services, you are a stockholder of record with respect to those shares.

Shares held in "Street Name"

If you hold your shares in an account at a bank or broker, then you are the beneficial owner of shares held in "street name." Your bank or broker is considered the stockholder of record for purposes of voting at the

Annual Meeting, but you, as the beneficial owner, have the right to direct your bank or broker on how to vote the shares held in your account.

Number of Shares Required to be Present to Hold the Annual Meeting

In order to conduct the Annual Meeting, holders of a majority of the shares entitled to vote as of the close of business on the record date, April 9, 2015, must be present in person or by proxy. This constitutes a quorum. Your shares are counted as present if you attend the Annual Meeting and vote in person, or if you vote by proxy. Shares represented by proxies that include abstentions and broker non-votes (described below) will be counted as present for purposes of establishing a quorum. If a quorum is not present, we will adjourn the Annual Meeting until a quorum is obtained.

Proxy Solicitation and Cost

The cost of soliciting proxies, including the preparation, assembly and mailing of the proxies and soliciting material, as well as the cost of forwarding that material to beneficial owners of the Company's common stock, will be borne by the Company. Directors, officers and employees of the Company may, without compensation other than their regular remuneration, solicit proxy votes personally or by telephone.

VOTING INFORMATION

Shares Held of Record. All stockholders of record may vote by telephone, internet, or mail as described in the written proxy card or may vote in person at the Annual Meeting.

Voting Methods

Shares Held In Street Name. If your shares are held in "street name" you must instruct the record holder of your shares (i.e., your broker or bank) in order to vote. If your shares are held in "street name" and you want to attend the meeting and vote in person, you must obtain a legal proxy document from the record holder of your shares and bring it to the Annual Meeting.

Revoking Your Proxy or Changing Your Vote

Any stockholder giving a proxy designation may revoke it at any time prior to its use at the meeting by giving written notice of such revocation to the Secretary of the Company or by attending and voting at the meeting.

Proposal 1 - Election of Directors (page 8)

The Board has nominated two candidates for election to our Board of Directors. On the vote to elect directors, stockholders may:

- Vote FOR one or more of the nominees;
- WITHHOLD votes as to one or more of the nominees.

The Board recommends that stockholders vote FOR the election of each nominee.

Directors will be elected by plurality of the votes cast. This means that the two nominees who receive the greatest number of "FOR" votes cast will be elected as directors. If you "WITHHOLD" authority to vote with respect to any director nominee, your shares will be counted for purposes of establishing a quorum, but will have no effect on the election of that nominee.

Proposal 2 - Advisory Vote to Approve the Company's Executive Compensation (page 21)

The Board recommends that stockholders vote FOR the approval of the Company's executive compensation.

The Board is seeking an advisory vote to approve the Company's executive compensation. On the advisory vote on executive compensation (commonly referred to as "Say-on-Pay"), stockholders may:

Vote FOR the proposal;
Vote AGAINST the proposal; or
ABSTAIN from voting on the proposal.

The affirmative vote of a majority of the shares present in person or by proxy and entitled to vote on the matter is required to approve Proposal 2.

An "ABSTAIN" vote has the same effect as an "AGAINST" vote on Proposal 2.

Your vote on Proposal 2 is an advisory vote to approve the compensation of our named executive officers (as defined below under "Executive Compensation"). The Board will consider the results of this advisory vote when considering future executive compensation decisions.

Proposal 3 - Ratification of Independent Registered Public Accounting Firm (page 25)

The Board recommends that stockholders vote FOR ratification of the selection of Deloitte & Touche LLP.

What if I do not specify a choice for a matter when returning a proxy?

Broker Non-Votes

The Audit Committee has appointed Deloitte & Touche LLP as our independent registered public accounting firm for the year ending January 31, 2016. The Board is seeking stockholder ratification of this appointment. On the vote to ratify the appointment of Deloitte & Touche LLP, stockholders may:

- Vote FOR the proposal;
- Vote AGAINST the proposal; or
- ABSTAIN from voting on the proposal.

The affirmative vote of a majority of the shares present in person or by proxy and entitled to vote on the matter is required to approve Proposal 3.

An "ABSTAIN" vote has the same effect as an "AGAINST" vote on Proposal 3.

Stockholders should specify their choice for each proposal on their proxy card. If no specific voting instructions are given, proxies that are signed and returned will be voted as follows:

- FOR the election of all director nominees;
- FOR the advisory approval of the compensation of our named executive officers;
- FOR the ratification of the appointment of Deloitte & Touche LLP as our Independent Registered Public Accounting Firm.

A "broker non-vote" occurs when a broker has not received voting instructions from the beneficial owners of shares held in street name, and the broker does not have, or declines to exercise, discretionary authority to vote those shares. (Brokers generally have authority to vote on "routine matters," as determined by applicable self-regulatory organizations governing that broker). "Broker non-votes" have the following effect:

- Your shares will be counted as present for the purposes of determining whether there is a quorum at the Annual Meeting.
- Your shares will not be counted as votes FOR or WITHHOLD authority for the election of the director nominees at the Annual Meeting.
- Your shares will not be counted as votes FOR, AGAINST, or ABSTAIN on Proposal 2 ("Say-on-Pay") and Proposal 3 ("Ratification of Auditor").

OUTSTANDING SHARES AND VOTING RIGHTS

The Board has fixed April 9, 2015 as the record date for determining stockholders entitled to vote at the Annual Meeting. Persons who were not stockholders on such date will not be allowed to vote at the Annual Meeting. There were 21,397,231 shares of the Company's Common Stock issued and outstanding at the close of business on April 9, 2015. The Common Stock is the only outstanding class of capital stock of the Company entitled to vote at the Annual Meeting. Each share of Common Stock is entitled to one vote on each matter to be voted upon at the Annual Meeting. No holders of any capital stock of the Company are entitled to cumulative voting rights.

SECURITY OWNERSHIP OF PRINCIPAL STOCKHOLDERS AND MANAGEMENT

The following table sets forth, as of April 9, 2015, certain information regarding beneficial ownership of our Common Stock by:

Each person known to us to beneficially own 5% or more of our Common Stock;

Each executive officer (as that term is defined under the rules and regulations of the SEC) named in the Summary Compensation Table on page 19, who are collectively referred to herein as our "named executive officers";

Each of our directors (including nominees); and

All of our executive officers and directors as a group.

We have determined beneficial ownership in accordance with Rule 13d-3 under the Securities Exchange Act of 1934, as amended. Beneficial ownership generally means having sole or shared voting or investment power with respect to securities. Unless otherwise indicated in the footnotes to the table, each stockholder named in the table has sole voting and investment power with respect to the shares of Common Stock set forth opposite the stockholder's name. We have based our calculation of the percentage of beneficial ownership on 21,397,231 shares of Common Stock outstanding on April 9, 2015. Dr. Crosbie was appointed effective August 1, 2014, and received a prorated stock award based on the remaining number of months until the 2015 Annual Meeting, or \$58,339. Based on the \$12.36 closing price on the grant date (September 2, 2014) for Dr. Crosbie's equity award, he received 4,720 restricted shares.

STOCK OWNERSHIP/RETENTION GUIDELINES

Directors

In order to align director and stockholder interests, directors are encouraged to become stockholders of the Company. In furtherance of this goal, our restricted stock agreements with our non-employee directors require that the restricted shares received must be held by the director and not sold during his term of service.

Executive Officers

We do not have any stock retention or ownership guidelines for our executive officers, given Mr. Meyer's and Mr. Peter Christianson's substantial ownership stake in our Company. We will, however, continue to evaluate whether to implement a stock ownership policy for our executive officers.

Trading Restrictions

Our insider trading policy prohibits our directors and executive officers from trading our securities on a short-term basis and requires that any Company Common Stock purchased in the open market be held for a minimum of six months. This policy also requires that company personnel not "margin" or "sell short" Company Common Stock, buy or sell put or call options on Company Common Stock, or otherwise engage in speculative or hedging transactions in the Company's Common Stock.

CORPORATE GOVERNANCE

Board Leadership Structure

David J. Meyer serves in the combined role of Board Chair and Chief Executive Officer. The Board believes that this combined role is in the best interests of the Company and its stockholders for the reasons discussed below.

Mr. Meyer possesses unique familiarity with the Company's history, business and industry, making him most capable of effectively leading discussions among directors of diverse backgrounds and experience regarding the Company's operations and strategy. As the Chief Executive Officer, Mr. Meyer has responsibility for overseeing the Company's day-to-day operations. He must continually possess a comprehensive knowledge of the Company's business, including the Company's opportunities and challenges. Mr. Meyer is in the best position to prioritize the Board's agenda items, identify issues to bring to the Board, and to lead the development of the Board's strategic plans. We feel that certain

other practices initiated by the Board also secure

9

independent oversight of management without the need to separate the roles of Chief Executive Officer and Board Chair. These include the adoption of a Lead Independent Director, our policy that all members of our standing committees are independent, and the policy that the Board and its committees hold regular executive sessions outside the presence of the Chief Executive Officer and other management.

James Irwin, an independent director, was selected by the Board to serve as the Lead Independent Director. The Lead Independent Director has the responsibility of presiding at all executive sessions of the Board, consulting with the Board Chair and Chief Executive Officer on Board and committee meeting agendas, maintaining frequent contact with the Board Chair and Chief Executive Officer, advising the Board Chair and Chief Executive Officer on the efficiency of the board meetings, and facilitating teamwork and communication among the non-employee directors and management.

Independence

Our Board has determined that six of our nine directors are independent directors, as defined by Rule 5605(a)(2) of the listing standards of the Nasdaq Stock Market. The six independent directors are: John Bode, Theodore Crosbie, Stanley Dardis, James Irwin, James Williams and Theodore Wright. Mr. Mack will become an independent director upon his election. In making this determination, the Board considered the recommendation of the Governance/Nominating Committee, as well as any related person transactions and other relationships.

Code of Ethics

The Board has approved a Code of Ethics that applies to all employees, directors and officers, including the principal executive officer, principal financial officer, principal accounting officer and controller. The Code of Ethics addresses such topics as protection and proper use of our assets, compliance with applicable laws and regulations, accuracy and preservation of records, accounting and financial reporting, conflicts of interest and insider trading. The Code of Ethics is available under "Corporate Governance" on the "Investor Relations" page of the Company's website at www.titanmachinery.com. Titan Machinery Inc. intends to include on its website at www.titanmachinery.com any amendment to, or waiver from, a provision of its Code of Ethics that applies to the principal executive officer, principal financial officer, principal accounting officer and controller that relates to any element of the code of ethics definition enumerated in Item 406(b) of SEC Regulation S-K.

Board's Role in Risk Oversight

Our enterprise risk management program identifies, prioritizes and monitors risks inherent in the operation of our business and the implementation of our business plan. The Board oversees this enterprise risk management program. In addition to the Board's oversight, each standing committee of the Board oversees the management of enterprise risks that fall within that committee's scope of responsibility. In performing these oversight functions, the Board and each committee has full access to management, as well as the ability to engage advisors. As appropriate, each committee reports back to the full Board on its respective review of applicable enterprise risks. Further, management reports directly to the Board and its committees on a quarterly basis regarding the implementation of the enterprise risk management program.

Stockholder Communications with the Board of Directors

Stockholders may communicate directly with the Board of Directors. All communications should be directed to the Company's Secretary at the address below:

Titan Machinery Inc. Board of Directors

Attention: Corporate Secretary

644 East Beaton Drive

West Fargo, North Dakota 58078

The communication should prominently indicate on the outside of the envelope the director or directors to whom it is directed. The Company's Secretary will forward the communications to all specified directors or, if no directors are specified, to the entire Board.

Directors' Attendance at Annual Meetings

Directors' attendance at annual meetings of stockholders can provide stockholders with an opportunity to communicate with directors about issues affecting the Company. The Board's policy is that, subject to unavoidable personal or business conflicts, directors shall attend stockholders' meetings. All of our directors attended the Annual Meeting of Stockholders held on May 29, 2014.

Board and Committees Meetings

During fiscal 2015, the Board held six meetings. The directors also participate in monthly telephonic conference calls with management for purpose of reviewing updates on financial performance and business operations. The independent

10

directors meet in executive session at least quarterly. When appropriate, the Board takes formal action by written consent of all directors, in accordance with the Company's Certificate of Incorporation and Bylaws and Delaware law. Our Board has three standing committees: the Audit Committee, the Compensation Committee, and the Governance/Nominating Committee. Members of such committees met formally and informally from time to time throughout fiscal 2015 on committee matters.

All directors attended 75% or more of the aggregate number of meetings of the Board and of committees of which each respective director was a member.

Committee Membership

The following table sets forth the membership of each of the Company's committees during fiscal 2015.

| Audit Committee | Governance/Nominating Committee | Compensation Committee |
|-------------------|---------------------------------|------------------------|
| John Bode (Chair) | James Williams (Chair) | Stanley Dardis (Chair) |
| James Williams | Theodore Crosbie | James Irwin |
| Theodore Wright | Stanley Dardis | Theodore Wright |
| | James Irwin | |

Audit Committee

The Audit Committee acts pursuant to a written charter. The charter, which is reviewed annually by the Audit Committee, may be amended upon approval of the Board and was last amended on March 6, 2014. The Audit Committee charter is available under "Corporate Governance" on the "Investor Relations" page of our website at www.titanmachinery.com. Among other matters, our Audit Committee:

- assists the Board of Directors in fulfilling its oversight responsibility to our stockholders and other constituents with respect to the integrity of financial statements;

- appoints and has oversight over our independent auditors, determines the compensation of our independent auditors, reviews the independence and the experience and qualifications of our independent auditors' lead partner, and pre-approves the engagement of our independent auditors for audit and permitted non-audit services;

- meets with the independent auditors and reviews the scope and significant findings of audits and meets with management and internal financial personnel regarding these findings;

- reviews the performance of our independent auditors;

- discusses with management, the manager of internal audit, and our independent auditors the adequacy and effectiveness of our financial and accounting controls, practices and procedures, the activities and recommendations of our auditors and our reporting policies and practices, and makes recommendations to the Board for approval; establishes procedures for the receipt, retention and treatment of complaints regarding internal accounting controls or auditing matters and the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters; and

- prepares the audit committee report required by the SEC rules to be included in our annual Proxy Statement.

Our independent auditors, internal audit manager, and management have regular contact with our Audit Committee.

The Audit Committee regularly reports to our Board respecting its actions, decisions and recommendations.

Our Board of Directors has determined that two members of the Audit Committee qualify as "audit committee financial experts," as defined under the SEC rules. These directors are John Bode and Theodore Wright. Each member of our Audit Committee satisfies the Nasdaq Stock Market independence standards and the independence standards of Rule 10A-3(b)(1) of the Securities Exchange Act of 1934, as amended. Each member of our Audit Committee possesses the financial qualifications required of Audit Committee members set forth in the Nasdaq Stock Market listing rules.

The Audit Committee met six times in fiscal 2015.

Governance/Nominating Committee

The Governance/Nominating Committee acts pursuant to a written charter. The charter, which is reviewed annually by the Governance/Nominating Committee, may be amended upon approval of the Board and was last amended on November 26,

2013. The Governance/Nominating Committee charter is available under "Corporate Governance" on the "Investor Relations" page of our website at www.titanmachinery.com.

Our Governance/Nominating Committee makes recommendations to our Board regarding candidates for directorships, the size and composition of our Board of Directors, and the organization and membership of our committees. In addition, our Governance/Nominating Committee oversees our code of ethics and other governance policies and matters. The Governance/Nominating Committee regularly reports to the Board respecting its actions, decisions and recommendations.

The Governance/Nominating Committee will review director nominees proposed by stockholders. Stockholders may recommend a nominee to be considered by the Governance/Nominating Committee by submitting a written proposal to the Chair of the Board of Directors at Titan Machinery Inc., 644 East Beaton Drive, West Fargo, North Dakota 58078. A consent signed by the proposed nominee agreeing to be considered as a director should accompany the written proposal. The proposal should include the name and address of the nominee, in addition to the qualifications and experience of said nominee. Please see the section below entitled "Stockholder Proposals" with regard to timing requirements for nominations made directly by a stockholder for consideration at an annual meeting of stockholders. When selecting candidates for recommendation to the Board, the Governance/Nominating Committee will consider the attributes of the candidates and the needs of the Board and will review all candidates in the same manner, regardless of the source of the recommendation. In evaluating director nominees, a candidate should have certain minimum qualifications, including the ability to read and understand basic financial statements, familiarity with our business and industry, high moral character and mature judgment, and the ability to work collegially with others. In addition, factors such as the following are also considered:

- appropriate size and diversity of the Board;
- needs of the Board with respect to particular talent and experience;
- knowledge, skills and experience of a nominee;
- legal and regulatory requirements;
- appreciation of the relationship of our business to the changing needs of society; and
- desire to balance the benefit of continuity with the periodic injection of the fresh perspective provided by a new member.

The Governance/Nominating Committee does not have a formal diversity policy at this time; however, as summarized above, the Governance/Nominating Committee seeks to nominate candidates with a diverse range of knowledge, experience, skills, expertise, and other qualities that will contribute to the overall effectiveness of the Board of Directors.

The Governance/Nominating Committee met five times in fiscal 2015.

Compensation Committee

The Compensation Committee acts pursuant to a written charter. The charter, which is reviewed annually by the Compensation Committee, may be amended by approval of the Board and was last amended on November 26, 2013. The Compensation Committee charter is available under "Corporate Governance" on the "Investor Relations" page of our website at www.titanmachinery.com.

The primary duties and responsibilities of the Compensation Committee include the following:

- develop and periodically review with management the Company's philosophy of compensation, taking into consideration enhancement of stockholder value and the fair and equitable compensation of all employees;
- review and approve corporate goals and objectives relevant to the compensation of our Chief Executive Officer, Chief Financial Officer and President, evaluate the performance of these officers in light of those goals and objectives, and set the compensation of these officers based on such evaluations;
- determine and approve equity grants to directors and employees made pursuant to the Company's equity incentive plans;
- develop, recommend to the Board, review and administer senior management compensation policy and plans, including incentive plans, benefits and perquisites;
- develop, recommend, review and administer compensation plans for non-employee directors;
- annually consider the relationship between the Company's strategic and operating plans and the various compensation plans for which the Committee is responsible;

periodically review with management, and advise the Board with respect to, employee deferred compensation plans; periodically review with management and advise the Board with respect to employee benefits; conduct periodic compensation risk assessments, as further discussed below; and review and discuss with management the Compensation Discussion and Analysis ("CD&A") required by SEC rules. Based on such review and discussion, the Committee determines whether to recommend to the full Board that the CD&A be included in the annual report or Proxy Statement.

Our Chief Executive Officer, Chief Financial Officer, and President do not participate in the Compensation Committee's deliberations or decisions regarding their own compensation. The Compensation Committee also provides input to our Chief Executive Officer on compensation for our other officers and employees, but compensation levels for those officers and employees and the corporate goals and objectives relating to compensation are set by our Chief Executive Officer. The Compensation Committee regularly reports to the Board respecting its actions, decisions and recommendations. The Compensation Committee does not have authority to delegate any of its duties or responsibilities.

The Compensation Committee has conducted a risk assessment of our employee compensation programs, including our executive compensation programs. The Compensation Committee has concluded that our employee compensation programs are designed with the appropriate balance of risk and reward in relation to our overall business strategy and do not incent executives or other employees to take unnecessary or excessive risks. As a result, we believe that risks arising from our employee compensation policies and practices are not reasonably likely to have a material adverse effect on the Company.

Each member of the Compensation Committee satisfies the Nasdaq Stock Market independence standards.

The Compensation Committee met four times in fiscal 2015.

COMPENSATION DISCUSSION AND ANALYSIS

In the following Compensation Discussion and Analysis, we describe the material elements of the compensation awarded to, earned by or paid to David J. Meyer, our Chief Executive Officer, Peter Christianson, our President, and Mark Kalvoda, our Chief Financial Officer. In this Proxy Statement, we refer to Messrs. Meyer, Christianson and Kalvoda as our "named executive officers."

Executive Summary

Key Compensation Highlights for Fiscal 2015

Commencing with fiscal 2015, we incorporated into our long-term equity incentive program performance-based restricted stock units ("Performance Based RSUs") for Mr. Meyer and Mr. Christianson.

Our annual performance cash bonus program was modified for fiscal 2015 to be entirely performance-based for our named executive officers and other executive management. In fiscal 2015 our named executive officers and other executive management did not receive an annual performance bonus.

We compared our compensation program and the compensation of our named executive officers with our peer group, and concluded that our current executive compensation is reasonable and appropriate.

We believe that our compensation changes implemented in fiscal 2015 will further align the interests of our named executive officers with our stockholders, with approximately 60% of the total realizable compensation for our Chief Executive Officer and President being performance-based.

We are committed to considering our Stockholders' views on executive compensation

We receive direct feedback from stockholders on our compensation programs through the advisory vote on the compensation paid to our named executive officers (commonly known as a "say-on-pay" vote). We hold the "say-on-pay" vote at each annual meeting. At our 2014 Annual Meeting of Stockholders, the say-on-pay proposal received 98.1% approval, indicating strong stockholder support for our approach to executive compensation. Our Compensation Committee will continue to monitor our stockholders' views with respect to our executive compensation practices and take those views into account when making decisions regarding executive compensation.

Compensation Objectives and Philosophy

We have designed our compensation programs with the following objectives:

• There should be an appropriate relationship between executive compensation and our short-term and long-term success, including creation of stockholder value.

• Our compensation program should be designed and implemented in a manner that will attract, retain and motivate executives of outstanding ability.

• Total compensation opportunities should be competitive within the industry and other comparable companies but also consistent with our conservative and prudent approach to executive compensation.

Our Executive Compensation Compares Very Favorably with our Peer Group.

Our Compensation Committee performed a peer group analysis of the target total direct compensation of our named executive officers, consisting of base salary, annual performance bonus, the grant date fair value of restricted stock equity awards and the target value for performance based RSUs. The total direct compensation of our Chief Executive Officer in fiscal year 2015 was in the bottom quartile of the benchmark data of the U.S. companies in our peer group, supporting our Compensation Committee's belief that our executive compensation is conservative.

The results of the peer group analyses are considered important by the Compensation Committee. However, the Compensation Committee does not target compensation at a particular benchmark of the peer group analysis or otherwise make any determination of, or change to, compensation in reaction to market data alone. Rather, the Compensation Committee uses this information as one of several considerations to make its judgments and determinations of appropriate compensation levels.

Role of Compensation Committee and Named Executive Officers in Setting Compensation

Our Compensation Committee sets the compensation for Messrs. Meyer, Christianson and Kalvoda. None of these individuals makes recommendations or participates in the discussions and decisions respecting his own compensation.

Mr. Meyer provides input to the Compensation Committee on Mr. Christianson's and Mr. Kalvoda's compensation.

Our Chief Executive Officer and President evaluate the performance of all other executive officers and work with the Compensation Committee to set the compensation for those executive officers.

Consideration of Tax and Accounting Implications

In setting executive officer compensation, we are generally aware of the tax implications under Sections 162(m) and 409A of the Internal Revenue Code or compensation expense charges under ASC 718, Compensation-Stock Compensation, and we may consider these factors when making future compensation decisions. Section 162(m) of the Internal Revenue Code restricts the ability of publicly held companies to take a federal income tax deduction for compensation paid to certain of their executive officers to the extent that compensation exceeds \$1 million per covered officer in any fiscal year. However, this limitation does not apply, among other things, to compensation that is performance-based. Our annual performance bonus program and the Performance-Based RSUs (awarded to Mr. Meyer and Mr. Christianson) are designed to be performance-based compensation exempt from the Section 162(m) limitation. We may determine to award compensation that does not qualify as performance based compensation exempt from the Section 162(m) limitation, if appropriate.

Peer Group

In fiscal 2014, the Compensation Committee retained a compensation consultant to develop the Company's peer group for compensation benchmarking purposes. The Compensation Committee did not retain the compensation consultant to review the peer group in fiscal 2015, but the Committee conducted its own review and concluded that the peer group was still appropriate. The Company's executive officers did not participate in the selection of the companies for inclusion in the peer group. The peer group is stated as follows:

Alamo Group, Inc.

Asbury Automotive Group, Inc.

Cervus Equipment Corporation

Finning International Inc.

H&E Equipment Services Inc.

hhgregg, Inc.

Lithia Motors Inc.

Rent-A-Center, Inc.

Rocky Mountain Dealerships, Inc.

Rush Enterprises, Inc.

Strongco Corporation

Toromont Industries Ltd.

Tractor Supply Company

United Rentals, Inc.

Executive Compensation Components for Fiscal 2015

The principal elements of our executive compensation program for fiscal 2015 were:

- Base Salary;
- Annual Performance Bonus;
- Long-Term Equity Incentive Compensation; and
- Perquisites and other Employee Benefits.

In allocating compensation across these elements, the Compensation Committee does not follow any strict policy or guidelines. However, consistent with the general compensation objectives and philosophies outlined above, the Compensation Committee sought to place a meaningful percentage of an executive's compensation at risk, subject to achievement of specific performance objectives and long-term equity value creation. In addition, the Compensation Committee generally places a greater proportion of total compensation at risk for our Chief Executive Officer and our President, based on their greater responsibility for, and ability to influence, overall Company performance.

Base Salary

Base salary provides executives with a fixed, regular, non-contingent earnings stream. We provide competitive base salaries to our named executive officers in recognition of their job responsibilities. In addition to competitive data, we consider individual work experience, leadership, time in position, performance of our Company (based upon achievement of strategic initiatives) and job performance of each executive officer. As a result of the Compensation Committee's evaluation of these factors, the Compensation Committee may adjust base salaries to better align individual compensation with comparative market compensation, to provide merit increases based upon individual or Company achievement, or to account for changes in roles and responsibilities. The Compensation Committee reviews each executive officer's salary following the close of each fiscal year.

As of January 31, 2015, the annual base salary for Messrs. Meyer and Christianson was \$500,000 and Mr. Kalvoda's base salary was \$310,000. The Compensation Committee and the named executive officers have agreed that the base salaries for Messrs. Meyer, Christianson, and Kalvoda, will be reduced by 5% for fiscal 2016, in response to challenging industry conditions.

Annual Performance Bonus

We establish competitive annual performance bonus opportunities for our named executive officers that:

- motivate attainment of short-term goals; and
- link annual cash compensation to achievement of the annual priorities and key objectives of the business.

Under our fiscal 2015 Executive Bonus Plan, Messrs. Meyer, Christianson, and Kalvoda were eligible for and earned cash bonuses as follows:

| | Percent of Base Salary Eligible for Cash Bonus | Eligible Max Cash Bonus Amount | Bonus Earned | Bonus Earned as a % of Maximum |
|--------------------|--|--------------------------------|--------------|--------------------------------|
| David Meyer | 200% | \$1,000,000 | \$— | 0.0% |
| Peter Christianson | 200% | \$1,000,000 | \$— | 0.0% |
| Mark Kalvoda | 90% | \$279,000 | \$— | 0.0% |

The fiscal 2015 annual performance bonus plan provided that the "Eligible Max Cash Bonus Amount" set forth above (hereafter the "Eligible Bonus Amount") would be allocated among three categories as described below:

| Performance Category | % Allocation of Eligible Bonus Amount |
|----------------------|---------------------------------------|
| Pre-Tax Income (1) | 40% |
| Total Sales | 30% |
| Return on Assets (1) | 30% |

(1) The Pre-Tax Income and Return on Assets performance goals for the fiscal 2015 annual bonus plan were based on the Company's adjusted pre-tax income, calculated as GAAP loss before income taxes adjusted for charges for realignment/store closing costs, Ukraine foreign currency remeasurement losses, and impairment of intangibles and long-lived assets.

Within each performance category, the Compensation Committee established threshold goals, target goals, and maximum goals. If the threshold goal was not satisfied for any financial performance category, then no bonus was payable for that category. If the actual performance for any financial performance category exceeds the threshold, then the percentage of bonus payable for that category is calculated proportionately based on where the actual performance falls within the range of the pre-determined goals. The annual performance bonus is paid in cash.

The following discusses the details of the bonus for each performance category:

1. Pre-Tax Income

The goals and percentage of bonus payable at each goal level are stated below:

| | Pre-Tax Income Goals | % of Bonus Amount Payable | |
|-----------|----------------------|---------------------------|---|
| Threshold | \$28,007,563 | 1.8 | % |
| Target | \$37,343,417 | 50 | % |
| Maximum | \$44,812,100 | 100 | % |

Our fiscal 2015 adjusted pre-tax income was \$2,274,00, which is below the threshold goal. Therefore, our named executive officers did not receive a cash bonus attributable to pre-tax income. A reconciliation of fiscal 2015 loss before income taxes to adjusted pre-tax income is contained in exhibit 99.1 to our Current Report on Form 8-K filed with the SEC on April 15, 2015.

2. Total Sales

The goals and percentage of bonus payable at each goal level are stated below:

| | Total Sales Goals | % of Bonus Amount Payable | |
|-----------|-------------------|---------------------------|---|
| Threshold | \$1,929,762,065 | 4.5 | % |
| Target | \$2,144,180,072 | 50 | % |
| Maximum | \$2,358,598,079 | 100 | % |

Our fiscal 2015 total sales was \$1,900,246,000, which was below the threshold goal. Therefore, our named executive officers did not receive a cash bonus attributable to total sales.

3. Return on Assets

We define return on assets as our adjusted pre-tax income (excluding short-term executive incentive compensation expense) divided by our monthly average total assets. The goals and percentage of bonus payable at each goal level are stated below:

| | Return on Assets Goals | % of Bonus Amount Payable | |
|-----------|------------------------|---------------------------|---|
| Threshold | 2.4 | % 10 | % |
| Target | 2.7 | % 50 | % |
| Maximum | 3.0 | % 100 | % |

Our return on average assets was 0.2%, which was below the threshold goal. Therefore our named executive officers did not receive a cash bonus attributable to return on assets.

Long-Term Equity Incentive Awards

We establish competitive long-term incentive opportunities for our named executive officers that:

- motivate achievement of long-term operational goals and increased total shareholder return; and
- align the interests of participants with stockholders.

Under the terms of their respective employment agreements, each of Mr. Meyer and Mr. Christianson is entitled to receive an equity incentive award on June 1 (or the first business day thereafter) of each year in an amount determined by dividing his annual base salary in effect on the date of grant by the closing sale price of the Company's common stock on the date of grant, under such terms as determined by the Compensation Committee. For fiscal 2015, the long-term equity awards to the Chief Executive Officer and President consisted of Performance Based RSUs (50%) and time-vested restricted stock (50%) as discussed below. Under the terms of his employment agreement, Mr. Kalvoda is entitled to receive an equity incentive award on June 1 (or the first business day thereafter) of each year in an amount determined annually by the Compensation Committee,

under such terms as established by the Compensation Committee. Mr. Kalvoda received a time-vested restricted stock award as discussed below. The equity incentive awards granted to each of named executive officers were made on June 2, 2014.

Restricted Stock Grant.

50% of the total long-term equity incentive award for each of Mr. Meyer and Mr. Christianson was in the form of time-vested restricted stock. Accordingly, each of Mr. Meyer and Mr. Christianson received \$250,002 of restricted stock (13,797 shares at \$18.12 per share) on June 2, 2014. One-third of the restricted stock vests on each of April 1, 2015, 2016 and 2017, respectively. Mr. Kalvoda was granted 11,038 shares of restricted stock (with a value of \$200,009) on June 2, 2014. Mr. Kalvoda's restricted stock award vests proportionately at a rate of 20% per year commencing on April 1, 2016, and each April 1st anniversary thereafter, for a total vesting period of approximately six (6) years.

Performance Based RSUs.

50% of the total long-term equity incentive award for each of Mr. Meyer and Mr. Christianson was in the form of RSUs. Accordingly, each of Mr. Meyer and Mr. Christianson received \$250,002 in RSUs (13,797 units at \$18.12 per unit) on June 2, 2014. The RSUs that vest, if any, will be settled in shares of common stock following the close of fiscal 2017 based on the Company's cumulative after-tax return on equity ("ROE") over the 3-year performance period starting February 1, 2014, and ending January 31, 2017. The vested RSUs will be settled based on one share of common stock for each vested RSU. The threshold and target ROE's and associated vesting schedule are stated as follows:

| Level of Performance | Award Payout (% of RSUs Vested) | |
|---------------------------------------|------------------------------------|---|
| Below Threshold ROE (less than 6.45%) | 0 | % |
| Threshold ROE (equal to 6.45%) | 25 | % |
| Target ROE (8.6% or greater) | 100 | % |

The vesting percentage is calculated on a linear basis (from 25% to 100%) based on the actual ROE within the range of 6.45% to 8.6%.

The Compensation Committee may modify this mix of time-based restricted stock awards and Performance Based RSUs for future long-term equity awards, considering the Company's compensation objectives and the goal of aligning executive compensation with Company performance.

All grants of restricted stock and Performance Based RSUs were made under our 2014 Equity Incentive Plan, which is administered by our Compensation Committee. Consistent with our compensation philosophies related to performance-based compensation, long-term stockholder value creation and alignment of our management's interests with those of our stockholders, we may make future grants of long-term compensation in the form of stock options, restricted stock units, or restricted stock grants to our executive officers and other key employees. In the future, we may from time to time make one-time grants to recognize promotion or consistent long-term contribution, or for specific incentive purposes. We may also make grants in connection with the hiring of new employees.

Perquisites and Other Benefits

We offer only limited perquisites to our executive officers. We provide each of Messrs. Meyer, Christianson and Kalvoda with a cellular phone and cellular phone service. All of our executive officers are eligible for insurance, vacation, 401(k) Company match and other benefits at the same levels provided to all of our full-time employees. Mr. Christianson received spousal travel benefits related to his frequent travel to our European operations.

Employment Agreements

We have written employment agreements with David Meyer to serve as our Chief Executive Officer, Peter Christianson to serve as our President, and Mark Kalvoda to serve as our Chief Financial Officer.

Each of Mr. Meyer's and Mr. Christianson's current employment agreement has an initial 3-year term that commenced on February 1, 2013, with automatic annual one-year extensions, subject to earlier termination, as described below. Pursuant to the agreements, Messrs. Meyer and Christianson are each paid a base salary of \$500,000 per year, subject to annual review and adjustment by our Compensation Committee. For fiscal 2016, the parties agreed to a 5% reduction in the base salary. Messrs. Meyer and Christianson are also eligible for an annual incentive bonus of up to 200% of their base salary pursuant to terms, conditions and annual objectives established by our Compensation

Committee, as further discussed above under "Annual Performance Bonus". Each agreement also provides for yearly equity incentive awards in a dollar amount equal to the applicable base salary, as further discussed above under "Long-Term Equity Incentive Awards", pursuant to terms, conditions and annual objectives established by our Compensation Committee. Messrs. Meyer and Christianson are eligible to participate in any employee benefit plans and programs generally available to our other executive officers.

Mr. Kalvoda's current employment agreement has an initial 3-year term that commenced on February 1, 2014, with automatic annual one-year extensions, subject to earlier termination, as described below. Pursuant to the agreement, Mr. Kalvoda is paid a base salary as established by, and subject to annual review and adjustment, by our Compensation Committee. As of January 31, 2015, Mr. Kalvoda's base salary was \$310,000 per year. For fiscal 2016, Mr. Kalvoda and the Compensation Committee agreed to a 5% reduction in his base salary. Mr. Kalvoda is also eligible for an annual incentive bonus pursuant to the terms and conditions established by the Compensation Committee. The agreement also provides for yearly equity incentive awards in a dollar amount established by the Compensation Committee, as further discussed above under "Long-Term Equity Incentive Awards", pursuant to terms and conditions established by our Compensation Committee. Mr. Kalvoda is eligible to participate in any employee benefit plans and programs generally available to our other executive officers.

The employment agreements with Messrs. Meyer, Christianson and Kalvoda each contain a restrictive covenant prohibiting them from owning, operating or being employed by competing agricultural or construction equipment stores during their employment with us and for 24 months following termination of their employment with us. Each agreement is terminable by either us or Messrs. Meyer, Christianson and Kalvoda at any time upon 60 days written notice for any reason, or immediately by us for cause. If Messrs. Meyer or Christianson is terminated by us without cause prior to the expiration of the term or if either of them resign for good reason, we are obligated to pay severance in an amount equal to two times the sum of (i) the annual base salary then in effect, plus (ii) the amount of the annual performance bonus last paid prior to the termination. These severance payments would be made in 24 equal monthly installments. If such termination occurs we would also be required to allow Mr. Meyer or Mr. Christianson to continue to participate in our group medical and dental plans at our expense for a period of 24 months. All non-vested restricted stock and RSUs would be forfeited in the event of such a separation of employment. If Mr. Kalvoda is terminated by us without cause prior to the expiration of the term or if he resigns for good reason: (a) we are obligated to pay severance in an amount equal to the sum of (i) the annual base salary then in effect, plus (ii) the amount of the annual performance bonus last paid prior to the termination; and (b) his non-vested restricted equity awards that vest with the passage of time will not be forfeited and will vest in accordance with the normal vesting schedule. These severance payments would be made in 12 equal monthly installments. If such termination occurs we would also be required to allow Mr. Kalvoda to continue to participate in our group medical and dental plans at our expense for a period of 12 months. In order to receive the severance and continued benefits described above, each officer would be required to sign a release of claims against us, fulfill his non-competition obligations, cooperate with transitioning his duties and execute a non-disparagement agreement with us. We arrived at these terms based on the advice and experience of our advisors and directors, including their knowledge of practices and agreements at public companies.

As provided under "Compensation Discussion and Analysis-Employment Agreements," we are party to employment agreements with Mr. Meyer and Mr. Christianson, which provide that if Messrs. ADVISORY VOTE ON EXECUTIVE COMPENSATION (PROPOSAL 2)

During our 2011 Annual Meeting of Stockholders, our stockholders cast an advisory vote on how frequently to conduct a stockholder advisory vote on the compensation of our named executive officers (commonly referred to as a "say-on-pay" vote). Consistent with the 2011 stockholder advisory vote, the Board has determined that the Company will conduct the say-on-pay vote at each annual meeting. The Company will next conduct a stockholder advisory vote on how often to conduct a say-on-pay vote no later than its 2017 Annual Meeting.

Our compensation philosophy is described in the Compensation Discussion and Analysis contained in this Proxy Statement. Stockholders are urged to read the Compensation Discussion and Analysis and to review the "Summary Compensation Table" and other related tables and narrative disclosure which describe the compensation of our Chief Executive Officer, our President, and our Chief Financial Officer in fiscal 2015 set forth under "Executive Compensation" above. The Compensation Committee and the Board believe the policies and procedures articulated in the Compensation Discussion and Analysis are effective in implementing our compensation philosophy and in

achieving our goals and that the compensation of our named executive officers in fiscal 2015 reflects and supports these compensation policies and procedures.

Stockholders are being asked to vote on the following resolution:

"RESOLVED, that the stockholders of Titan Machinery Inc. approve, on an advisory basis, the compensation of the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis section, the compensation tables, and related narrative disclosures as contained in this Proxy Statement."

This advisory vote on executive compensation, commonly referred to as a "say-on-pay" advisory vote, is required under Section 14A of the Securities Exchange Act of 1934, as amended, and is not binding on our Board. However, the Board and Compensation Committee will take into account the result of the vote when determining future executive compensation arrangements.

The Board recommends that you vote "FOR" the adoption of the resolution set forth in this Proposal 2.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Review and Approval of Transactions with Related Persons

We have a written Related Party Transactions Policy that requires our independent directors to review and approve or ratify any "related person transaction" of the type required to be disclosed by Item 404 of Regulation S-K. "Related persons" include directors, officers, shareholders beneficially owning more than 5% of our common stock, and their respective immediate family members. The policy covers all transactions, arrangements or relationships (or any series of similar transactions, arrangements or relationships) in which the Company or any of its subsidiaries was, is or will be a participant, in which the amount involved exceeds \$120,000, and in which any related person had, has or will have a direct or indirect material interest. All of our directors, officers and employees are required to report to our General Counsel any related party transactions (as required to be disclosed under Item 404 of Regulation S-K). All related person transactions are reviewed and may be approved or ratified by the independent directors (not including any director that is a related person with respect to the transaction at issue). The independent directors take into account, among other factors they deem appropriate, whether the transaction is on terms generally available to an unaffiliated third-party under the same or similar circumstances and the extent of the related person's interest in the transaction. The independent directors may impose such conditions as they deem necessary and appropriate on the Company or the related person in connection with the transaction. In the case of a transaction presented to the independent directors for ratification, the independent directors may ratify the transaction or determine whether rescission of the transaction is appropriate.

Related Person Transactions in Fiscal 2015

Described below are transactions that occurred during fiscal 2015 to which we were a participant in which:

• the amounts involved exceeded or will exceed \$120,000; and

• a director, executive officer, beneficial owner of more than five percent of any class of our voting securities or any member of their immediate family had or will have a direct or indirect material interest.

1. Real Estate Lease Agreement with C.I. Farm Power Inc.

We lease one dealership site located in Fargo, North Dakota from C.I. Farm Power Inc., an entity owned and controlled by Mr. Peter Christianson (our President and a member of our Board of Directors) and his immediate family. The monthly lease payment is \$12,000. We paid \$144,000 in lease payments to this entity during fiscal 2015. The lease agreement expires on July 31, 2018, subject to the right of either party to terminate upon 60 days' written notice. We are responsible for paying real estate taxes, insurance, maintenance and utilities. We believe the terms of this lease to be commercially reasonable, and the lease is not any less favorable to us than could be obtained in an arm's length transaction with an unrelated party.

2. Immediate Family Members who are Employees of the Company

During fiscal 2015, Ted Christianson served as our Treasurer and received total cash compensation of approximately \$248,083 and a restricted stock award of 1,433 shares of our common stock, with a grant-date fair value of \$25,966. Ted Christianson is the brother of Peter Christianson (our President and a member of our Board of Directors) and of Tony Christianson (a member of our Board of Directors).

During fiscal 2015, Sam Christianson, the son of Peter Christianson (our President and a member of our Board of Directors), was an employee of the Company and received total cash compensation of approximately \$126,105 pursuant to a standard sales commission-based plan of compensation applicable to all of our field marketers, and a restricted stock award of 239 shares of our common stock, with a grant-date fair value of \$4,331.

Both of the above identified employees participated in employee benefits plans and programs available to our other full time employees.

3. Construction Management Services Performed by C.I. Construction, LLC

C.I. Construction, LLC ("CI"), performs construction management services for certain of the Company's new store construction projects, shop additions, and remodel projects. CI is owned by Rob Thompson, who is the brother-in-law

of Peter Christianson (our President and a member of our Board of Directors) and of Tony Christianson (a member of

22

our Board of Directors). CI performs construction management services including developing designs/specifications and drawings, preparing bid packages, advising on the selection of suppliers and contractors, and overseeing the construction process. CI is also an authorized reseller of certain steel buildings that the Company frequently incorporates into its construction projects.

CI receives a fee equal to 4.5% of the construction costs, excluding expenditures for certain fixtures and fixed assets that the Company originates. CI is also reimbursed for the labor costs of CI's site supervisors and on-site staff, and utilities, equipment rental, travel, and other direct costs incurred by CI in performing the services. CI also receives payment as a reseller of the steel buildings used in certain of our construction projects. We are not obligated to retain CI on an ongoing basis, and this decision is made for each project based on the best interests of the Company. At times, we have utilized a competitive bidding process for construction management services.

During fiscal 2015, CI received an aggregate amount of \$1.9 million in direct or indirect payments from the Company for the performance of construction-related services and the purchase of steel buildings, as well as reimbursement for other construction-related costs. We do not believe the terms of any of the transactions and agreements described above are any less favorable to us than could be obtained in an arm's length transaction with an unrelated party.

AUDIT COMMITTEE REPORT

In accordance with its written charter adopted by the Board of Directors, as amended, the Audit Committee assists the Board of Directors with fulfilling its oversight responsibility regarding the quality and integrity of the accounting, auditing and financial reporting practices of the Company. - (3)

Based upon the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended January 31, 2015, as filed with the SEC.

FEES OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

General Information

Deloitte & Touche LLP ("Deloitte") has acted as the Company's Independent Registered Public Accounting Firm for the fiscal years ended January 31, 2015 and 2014. Eide Bailly LLP ("Eide Bailly") acted as the Company's Independent Registered Public Accounting Firm for fiscal years ended January 31, 2013 and 2012 and for the period February 1, 2013 through June 27, 2013.

Effective June 27, 2013, the Audit Committee of the Board of Directors of the Company approved the dismissal of Eide Bailly as the Company's independent registered public accounting firm, and engaged Deloitte as its independent registered public accounting firm, effective on the same day.

Eide Bailly's audit reports on the consolidated financial statements of the Company as of January 31, 2013 and 2012 and for each of the years in the three year period ended January 31, 2013 did not contain any adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principles. During the fiscal years ended January 31, 2013 and 2012 and the subsequent interim period through June 27, 2013, there were: (i) no disagreements with Eide Bailly on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to the satisfaction of Eide Bailly, would have caused Eide Bailly to make reference to the subject matter of the disagreement(s) in connection with its reports, and (ii) no "reportable events" as defined in Item 304(a)(1)(v) of Regulation S-K.

Eide Bailly was provided a copy of the above disclosures and has furnished the Company with a letter addressed to the Securities and Exchange Commission stating that it agrees with the above statements, which letter was filed with the SEC on July 11, 2013 as Exhibit 16.1 on Form 8-K/A.

During the fiscal years ended January 31, 2013 and 2012, and the subsequent interim period through June 27, 2013, the Company did not consult with Deloitte regarding either (i) the application of accounting principles to a specific completed or contemplated transaction, or the type of audit opinion that might be rendered on the Company's consolidated financial statements and neither a written report nor oral advice was provided to the Company that was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue or (ii) any matter that was either the subject of a disagreement as defined in (a)(1)(iv) of Item 304 of Regulation S-K or a reportable event as that term is defined in (a)(1)(v) of Item 304 of Regulation S-K.

Audit Fees

The following fees were billed by Deloitte & Touche LLP and Eide Bailly LLP for fiscal years 2015 and 2014:

| | 2015 | 2014 |
|--------------------|-----------|-----------|
| Audit Fees | \$619,800 | \$586,900 |
| Audit-Related Fees | 9,200 | 14,900 |
| Tax Fees | — | — |
| All Other Fees | — | — |
| Total | \$629,000 | \$601,800 |

Audit fees are for professional services rendered for the audit of the Company's annual financial statements and review of financial statements included in the Company's Form 10-Q filings or services that are normally provided by the Independent Registered Public Accounting Firm in connection with regulatory filings with the SEC.

Audit-related fees are primarily for the assurance and related services performed by our auditors that are reasonably related to the performance of the audit or review of the Company's financial statements. For fiscal 2015 and fiscal 2014, this primarily consisted of accounting research assistance and services related to our Form S-8 filing and SEC Comment Letters.

Tax fees may include services such as tax compliance, tax advice and tax planning, amongst others. There were no such fees during fiscal 2015 or 2014.

All other fees relate to services provided by the independent registered public accounting firm that are not classified as audit fees, audit-related fees or tax fees. There were no such fees during fiscal 2015 or 2014.

Pursuant to its written charter, the Audit Committee is responsible for pre-approving all audit and permitted non-audit services to be performed for the Company by its Independent Registered Public Accounting Firm or any other auditing or accounting firm. During fiscal 2015, the Audit Committee approved all audit and non-audit services provided to the Company by Deloitte & Touche LLP. The Committee's current practice is to consider for pre-approval annually all audit and non-audit services proposed to be provided by the Independent Registered Public Accounting Firm. In making its decision to appoint Deloitte & Touche LLP as the Company's Independent Registered Public Accounting Firm, the Audit Committee has considered whether the provision of the non-audit services rendered by Deloitte & Touche LLP is compatible with maintaining that firm's independence and has determined that such services are compatible with maintaining Deloitte & Touche's independence.

**RATIFICATION OF PUBLIC ACCOUNTING FIRM
(PROPOSAL 3)**

The Audit Committee has selected Deloitte & Touche LLP, an independent registered public accounting firm, as the Company's independent registered public accounting firm for the fiscal year ending January 31, 2016.

Our bylaws do not require that our stockholders ratify the selection of Deloitte & Touche LLP as the independent registered public accounting firm. However, the Board is submitting the appointment of Deloitte & Touche LLP to our stockholders for ratification as a matter of good corporate governance. Even if the selection of Deloitte & Touche LLP is ratified, the Audit Committee may change the appointment at any time during the year if it determines that a change would be in the best interests of the Company and its stockholders.

Representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting. They will be given the opportunity to make a statement if they desire and are expected to be available to respond to appropriate questions.
