PROXY STATEMENT

We are providing these proxy materials in connection with the 2018 Annual Meeting of Stockholders of Del Frisco's Restaurant Group, Inc. This Proxy Statement, the accompanying proxy card or voting instruction card, and the Company's 2017 Annual Report on Form 10-K were first mailed to stockholders on or about May 10, 2018. This Proxy Statement contains important information for you to consider when deciding how to vote on the matters to be brought before the Annual Meeting. Please read it carefully. Unless the context otherwise indicates, references to "Del Frisco's Restaurant Group," "our company," "the Company," "us," "we" and "our" refer to Del Frisco's Restaurant Group, Inc. and its consolidated subsidiaries.

ABOUT THE ANNUAL MEETING

Who is soliciting my vote?

The Board of Directors of the Company is soliciting your vote in connection with the 2018 Annual Meeting of Stockholders.

What is the purpose of the Annual Meeting?

The meeting will be the Company's Annual Meeting of Stockholders. You will be voting on the following matters at the Annual Meeting:

1. Election of the one Class III director named in the Proxy Statement to hold office until the 2021 annual meeting; and
2. Ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the year ending December 25, 2018.
3. Approval, on an advisory basis, of the compensation of our named executive officers for the year ended December 26, 2017, as set forth in this Proxy Statement.
4. Vote, on an advisory basis, on the frequency of future advisory votes to approve named executive officer compensation.

Stockholders will also act upon any other business that may properly come before the Annual Meeting.

How does the Board of Directors recommend I vote?

The Board of Directors recommends a vote:

1. For the election of Norman J. Abdallah a Class III director; and
2. For the ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the year ending December 25, 2018.
3. For the approval, on an advisory basis, of the compensation of our named executive officers for the year ended December 26, 2017, as set forth in this Proxy Statement.
4. For One Year, on an advisory basis, for the frequency of future advisory votes approving named executive officers compensation.

Who is entitled to vote at the Annual Meeting?

The Board of Directors set April 30, 2018 as the record date for the Annual Meeting, or the Record Date. All stockholders who owned common stock of the Company at the close of business on the Record Date may attend and vote at the Annual Meeting.

Who is entitled to attend the Annual Meeting?

Only persons with evidence of stock ownership as of the Record Date or who are invited guests of the Company may attend and be admitted to the Annual Meeting. Stockholders with evidence of stock ownership as of the Record Date may be accompanied

Table of Contents

by one guest. Photo identification will be required (e.g., a valid driver's license, state identification or passport). If a stockholder's shares are registered in the name of a broker, trust, bank or other nominee, the stockholder must bring a proxy or a letter from that broker, trust, bank or other nominee or their most recent brokerage account statement that confirms that the stockholder was a beneficial owner of shares of stock of the Company as of the Record Date.

Cameras (including cell phones with photographic capabilities), recording devices and other electronic devices will not be permitted at the Annual Meeting.

How many votes can be cast by stockholders?

Each share of common stock is entitled to one vote. There is no cumulative voting. There were 20,376,725 shares of common stock outstanding and entitled to vote as of April 24, 2018.

How many votes must be present to hold the Annual Meeting?

A majority of the outstanding shares of common stock as of the Record Date must be present at the Annual Meeting in order to hold the Annual Meeting and conduct business. This is called a "quorum." Your shares are counted as present at the Annual Meeting if you are present at the Annual Meeting and vote in person or a proxy card or voting instruction card has been properly submitted by you or on your behalf or, if applicable, you have voted your shares on the Internet. Both abstentions and broker non-votes are counted as present for the purpose of determining the presence of a quorum. A "broker non-vote" is a share of common stock that is beneficially owned by a person or entity and held by a broker or other nominee, but for which the broker or other nominee (1) lacks the discretionary authority to vote on certain matters, and (2) has not received voting instructions from the beneficial owner in respect of those specific matters.

How many votes are required to elect directors and approve the other proposal?

Directors are elected by a plurality of the votes cast. This means that the individual nominated for election to the Board of Directors who receives the most "FOR" votes (among votes properly cast in person or by proxy) will be elected. Abstentions and broker non-votes will not affect the outcome of the director election.

The ratification of the selection of KPMG LLP as the Company's independent registered public accounting firm and the proposal to approve, on an advisory basis, the compensation of the Company's named executive Officers each require the affirmative vote of a majority of the shares of common stock present, in person or by proxy, at the Annual Meeting and entitled to vote. Abstentions have the same effect as a vote against the proposal; "broker non-votes" will not affect the outcome of either such proposal, although brokers have discretionary authority to vote on ratification of the appointment of KPMG LLP if they do not receive voting instructions from the beneficial owner.

The proposal to vote, on an advisory basis, on the frequency of future advisory votes on named executive officer compensation will be determined based on a plurality of the votes cast. This means that the option that receives the most votes will be recommended by the stockholders to the Board. Abstentions and "broker non-votes" will not affect the outcome of this proposal.

How do I vote by proxy?

You can vote your shares by completing and returning the proxy card or voting instruction card accompanying this Proxy Statement. In some instances, you may also be able to vote your shares on the Internet. Please see your proxy card or voting instruction card for more information on how to vote by proxy.

What if I don't vote for some of the items listed on my proxy card or voting instruction card?

If you return your signed proxy card or voting instruction card in the enclosed envelope or vote on the Internet but do not mark selections, your shares will be voted in accordance with the recommendations of the Board of Directors. In connection therewith, the Board of Directors has designated Norman J. Abdallah, Neil H. Thomson and BJ Wilson as proxies. If you indicate a choice with respect to any matter to be acted upon on your proxy card or voting instruction card or by Internet vote, your shares will be voted in accordance with your instructions.

If you are a beneficial owner and hold your shares in street name through a broker or other nominee and do not return the voting instruction card or, if applicable, vote your shares on the Internet, the broker or other nominee will vote your shares on each matter at the Annual Meeting for which he or she has the requisite discretionary authority. Under applicable rules, brokers have the discretion to vote on routine matters, such as the ratification of the selection of independent registered public accounting firms. However, brokers do not have the discretion to vote on the uncontested election of directors or on advisory votes with respect to executive compensation matters. It is therefore

important that you provide instructions to your broker if your shares are held by a broker or other nominee so that your shares will be voted at the Annual Meeting.

Who pays for the proxy solicitation and how will the Company solicit votes?

The Company bears the expense of printing and mailing proxy materials. In addition to this solicitation of proxies by mail, the Company's directors, officers and other employees may solicit proxies by personal interview, telephone, facsimile or email. These individuals will not be paid any additional compensation for any such solicitation. The Company will request brokers and other nominees who hold shares of common stock in their names to furnish proxy materials to the beneficial owners of such shares. The Company will reimburse such brokers and other nominees for their reasonable expenses incurred in forwarding solicitation materials to such beneficial owners.

Can I change or revoke my vote after I return my proxy card or voting instruction card?

Yes. Even if you sign and return the proxy card or voting instruction card in the form accompanying this Proxy Statement or, if applicable, vote your shares on the Internet, you retain the power to revoke your proxy or change your vote. You can revoke your proxy or change your vote at any time before it is exercised at the Annual Meeting by giving written notice to the Secretary of the Company, specifying such revocation. You may also change your vote by timely delivering a valid, later-dated proxy or voting instruction card or, if applicable, by voting again on the Internet, or by voting in person at the Annual Meeting. However, please note that if you would like to vote at the Annual Meeting and you are not the stockholder of record, you must request, complete and deliver a proxy from your broker or other nominee.

PROPOSAL NO. 1 — ELECTION OF DIRECTORS

At the Annual Meeting, stockholders will be asked to elect one director to serve on the Board of Directors. The Company's Certificate of Incorporation provides that the Board of Directors shall consist of not fewer than three nor more than 13 directors with the exact number to be determined from time to time by resolution adopted by the Board of Directors. The Board currently consists of seven directors. The Company's Certificate of Incorporation divides the Board of Directors into three classes with the terms of office of the directors of each Class ending in different years. The terms of directors in Classes III, I and II presently end at the annual meetings in 2018, 2019 and 2020, respectively. Classes I and III each currently has two directors, with Class II having three directors. Effective following the Annual Meeting, the size of the Board will be reduced to six Directors.

The Board of Directors has nominated Norman J. Abdallah for election as a Class III director for three-year term expiring at the 2021 annual meeting.

When elected, a director serves until his or her successor has been duly elected and qualified or until such director's earlier resignation or removal. Proxies cannot be voted for a greater number of persons than the number of nominees named. If you sign and return the accompanying proxy card or voting instruction card, or, if applicable, vote your shares on the internet, your shares will be voted for the election of the nominee recommended by the Board of Directors unless you choose to abstain or vote against the nominee. The Company did not receive any stockholder nominations for director.

If the nominee for any reason is unable to serve or will not serve, proxies may be voted for such substitute nominee as the proxy holder may determine. The Company is not aware of any reason the nominee will be unable to or will not serve as a director. Please see "The Board of Directors and Its Committees" below for information about the nominee for election as director and the current members of the Board of Directors, their business experience and other pertinent information.

Directors are elected by a plurality of the votes cast. This means election as a Class III director for three-year term expiring at the 2021 annual meeting.

The Board of Directors unanimously recommends that you vote FOR Norman J. Abdallah as a Class III director

PROPOSAL NO. 2 — RATIFICATION OF THE APPOINTMENT OF KPMG LLP

The Audit Committee has selected KPMG LLP, or KPMG, to audit the consolidated financial statements of the Company as of December 25, 2018, and for the fiscal year then ending. At the Annual Meeting, stockholders will be asked to ratify the selection of KPMG.

The Company has been advised by KPMG that the firm has no relationship with the Company or its subsidiaries other than that arising from the firm's engagement as auditors, tax advisors and consultants. The Company has also been advised that representatives of KPMG will be present at the Annual Meeting where they will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither the Company's Certificate of Incorporation nor the Company's bylaws require that stockholders ratify the selection of KPMG as the Company's independent registered public accounting firm. However, we are requesting ratification because we believe it is a matter of good corporate practice. If the Company's stockholders do not ratify the selection, the Audit Committee will reconsider whether or not to retain KPMG, but may, nonetheless, retain KPMG as the Company's independent registered public accountants. Even if the selection is ratified, the Audit Committee in its discretion may change the appointment at any time if it determines that the change would be in the best interests of the Company and its stockholders.

The affirmative vote of a majority of the shares of common stock present, in person or by proxy, at the Annual Meeting is necessary to ratify the appointment of KPMG as the Company's independent registered public accounting firm for the year ending December 25, 2018. Abstentions have the same effect as a vote against the proposal.

The Board of Directors unanimously recommends that you vote FOR the ratification of the selection of KPMG as the Company's independent registered public accounting firm for the year ending December 25, 2018

PROPOSAL NO. 3 — ADVISORY VOTE TO APPROVE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS (SAY-ON-PAY)

In accordance with the requirements of Section 14A of the Securities Exchange Act of 1934, as amended, or the Exchange Act, and as a matter of good corporate governance, we are asking our stockholders to approve, on an advisory basis, the compensation paid to our Named Executive Officers, or NEOs, as disclosed in the “Compensation Discussion and Analysis” section of this Proxy Statement and the compensation tables and narrative discussion that follow such section.

Although this vote is not binding on our company, it will provide information to the Compensation Committee of our Board of Directors regarding investor views about our executive compensation philosophy, policies and practices, which the Compensation Committee will consider when determining executive compensation in the future.

In connection with this proposal, you are encouraged to carefully review the Compensation Discussion and Analysis section as well as the information contained in the executive compensation tables and accompanying narrative discussion in this Proxy Statement. The Compensation Committee believes our executive compensation program is reasonable and aligned with stockholder interests.

Our stockholders are being asked to approve, by non-binding, advisory vote, the following resolution relating to the compensation of our Named Executive Officers as reported in this Proxy Statement:

“RESOLVED, that the stockholders of Del Frisco’s Restaurant Group, Inc. (the “Company”) approve, on an advisory basis, the compensation of the Company’s named executive officers disclosed in the Compensation Discussion and Analysis, the Summary Compensation Table and the related compensation tables, notes and narrative in the Proxy Statement for the Company’s 2018 Annual Meeting of Stockholders”.

The affirmative vote of a majority of the shares of common stock present, in person or by proxy, at the Annual Meeting is necessary to approve, on an advisory basis, the compensation awarded to named executive officers for the year ended December 26, 2017. Abstentions have the same effect as a vote against this proposal; broker non-votes will not affect the outcome of this proposal.

The Board of Directors unanimously recommends that you vote FOR the approval, on an advisory basis, of the compensation of the Company’s Named Executive Officers

Table of Contents

PROPOSAL NO. 4 — ADVISORY VOTE ON THE FREQUENCY OF FUTURE ADVISORY VOTES TO APPROVE EXECUTIVE COMPENSATION (SAY-ON-FREQUENCY)

Pursuant to Section 14A of the Exchange Act, we are asking our stockholders to vote on whether future advisory votes to approve our executive compensation should occur every year, every two years or every three years. Accordingly, stockholders will be able to specify one of four choices for this Proposal 4 when voting: one year, two years, three years or abstain. Stockholders are not voting to approve or disapprove the Board of Director's recommendation on this proposal.

After careful consideration, the Board of Directors has considered the matter and determined to recommend that stockholders vote for holding an advisory vote to approve our executive compensation every year. While our executive compensation program is designed to promote a long-term connection between pay and performance, the Board of Directors recognizes that executive compensation disclosures are made annually. Accordingly, the Board of Directors believes that an annual advisory say-on-pay vote will allow our stockholders to provide timely, direct input on our executive compensation philosophy, policies and practices as disclosed in our proxy statement each year. We understand that our stockholders may have different views as to what is an appropriate frequency for advisory votes to approve executive compensation. Although this advisory vote on the frequency of such future votes is not binding on the Board of Directors, we will carefully review the voting results on this proposal. Notwithstanding the Board of Directors' recommendation and the outcome of the stockholder vote, the Board of Directors may in the future decide to conduct advisory votes to approve our executive compensation on a more or less frequent basis and may vary its practice based on factors such as discussions with stockholders and the adoption of material changes to compensation programs.

The outcome of this proposal will be determined by a plurality of the votes cast. This means that the option that receives the most votes will be recommended by the stockholders to the Board. Abstentions and broker non-votes will not affect the outcome of this proposal.

The Board of Directors unanimously recommends that you vote, on an advisory basis, for "ONE YEAR" as the frequency to conduct future advisory votes to approve Named Executive Officer compensation.

The Board of Directors holds regularly scheduled meetings throughout the year and holds additional meetings from time to time as the Board of Directors deems necessary or desirable to carry out its responsibilities. The Board of Directors held four meetings in fiscal 2017. All directors attended at least 75% of all meetings of the Board of Directors and of the Committees thereof on which they served during the year. The Board of Directors has a policy that directors are expected to attend the annual meetings of stockholders absent unusual circumstances. One director attended the 2017 annual meeting of stockholders.

Director Independence

The Board of Directors has affirmatively determined that each of Messrs. Barr, Carter, Davis, and Lamar and Ms. Brown is independent under the rules of the Nasdaq Global Select Market, or Nasdaq. Nasdaq's definition of independence includes a series of objective tests, such as that the director is not an employee of the Company and has not engaged in various types of business dealings involving the Company, which would prevent a director from being independent.

Board Leadership Structure

The Company's Principles of Corporate Governance provide that the Board shall periodically evaluate and make a determination regarding whether or not to separate the roles of Chairman and Chief Executive Officer based upon the circumstances. Currently, the roles are separate and the Board is led by an independent non-executive Chairman, Mr. Ian Carter. The Board believes that having Mr. Carter serve as Chairman provides significant advantages to the Board, as it allows Mr. Abdallah to focus on the Company's day-to-day operations, while allowing the Chairman to

lead our Board of Directors in its role of providing oversight and advice to management. Our Principles of Corporate Governance, however, provide us with the flexibility to combine these roles in the future, permitting the roles of Chief Executive Officer and Chairman to be filled by the same individual. This provides our Board of Directors with flexibility to determine whether the two roles should be combined in the future based on our Company's needs and our Board of Directors' assessment of our leadership structure from time to time.

In addition, pursuant to the Company's Principles of Corporate Governance, the independent directors may appoint an independent director to serve as the lead independent director.

The Board's Role in Risk Oversight

The Board of Directors oversees the Company's risk management process. The Board oversees a Company-wide approach to risk management, designed to enhance stockholder value, support the achievement of strategic objectives and improve long-term organizational performance. The Board determines the appropriate level of risk for the Company generally, assesses the specific risks faced by the Company and reviews the steps taken by management to manage those risks. The Board's involvement in setting the Company's business strategy facilitates these assessments and reviews, culminating in the development of a strategy that reflects both the Board's and management's consensus as to appropriate levels of risk and the appropriate measures to manage those risks. Pursuant to this structure, risk is assessed throughout the enterprise, focusing on risks arising out of various aspects of the Company's strategy and the implementation of that strategy, including financial, legal/compliance, operational/strategic, health and safety, and compensation risks. The Board also considers risk when evaluating proposed transactions and other matters presented to the Board, including acquisitions and financial matters.

While the Board maintains the ultimate oversight responsibility for the risk management process, its committees oversee risk in certain specified areas. In particular, the Audit Committee reviews and discusses the Company's practices with respect to risk assessment and risk management. The Audit Committee also focuses on financial risk, including internal controls, and discusses the Company's risk profile with the Company's independent registered public accounting firm. In addition, the Audit Committee oversees the Company's compliance program with respect to legal and regulatory requirements, including the Company's codes of conduct and policies and procedures for monitoring compliance and the Company's policy regarding related party transactions. The Compensation Committee periodically reviews compensation practices and policies to determine whether they encourage excessive risk taking, including an annual review of management's assessment of the risk associated with the Company's compensation programs covering its employees, including executives, and discusses the concept of risk as it relates to the Company's compensation programs. Finally, the Nominating and Corporate Governance Committee manages risks associated with the independence of directors and Board nominees. Management regularly reports on applicable risks to the relevant committee or the Board, as appropriate, including reports on significant Company projects, with additional review or reporting on risks being conducted as needed or as requested by the Board and its committees.

Committees of the Board of Directors

The Board of Directors has established three standing committees: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. Each of these Committees is governed by a charter adopted by the Board of Directors. These charters establish the missions of the respective Committees as well as Committee membership guidelines. They also define the purpose, duties, and responsibilities of each Committee in relation to the Committee's role in supporting the Board of Directors and assisting the Board in discharging its duties in supervising and governing the Company. The charters are available on the Company's website at www.dfrg.com by following the links to "Investor Relations" and "Corporate Governance" or upon written request to the Company, as set forth under "Corporate Governance — Availability of Documents" below.

Audit Committee — The primary responsibilities of the Audit Committee are to oversee the accounting and financial reporting processes of our company as well as our subsidiary companies, and to oversee the internal and external audit processes. The Audit Committee also assists the Board of Directors in fulfilling its oversight responsibilities by reviewing the financial information provided to stockholders and others, and the system of internal controls established by management and the Board of Directors. The Audit Committee oversees the independent auditors, including their independence and objectivity. However, the Committee members do not act as professional accountants or auditors, and their functions are not intended to duplicate or substitute for the activities of management and the independent auditors. The Audit Committee is empowered to retain independent legal counsel and other advisors as it deems necessary or appropriate to assist it in fulfilling its responsibilities, and to approve the fees and other retention terms of the advisors.

The Audit Committee is comprised of Messrs. Barr, Davis and Lamar, with Mr. Barr serving as chair. The Board of Directors has determined that each of Messrs. Barr, Davis and Lamar is independent as defined under and required by

the federal securities laws and the Nasdaq rules. The Board of Directors has determined that Mr. Barr qualifies as an audit committee financial expert under the federal securities laws and that each member of the Audit Committee has or had the financial sophistication required under Nasdaq rules. The Audit Committee held four meetings in fiscal 2017.

Compensation Committee — The primary responsibility of the Compensation Committee is to periodically review and approve the compensation and other benefits for our employees, officers and independent directors. This includes reviewing and approving corporate goals and objectives relevant to the compensation of our executive officers in light of those goals and objectives, and setting compensation for these officers based on those evaluations. The Compensation Committee also administers and has discretionary authority over the issuance of stock awards under the Company's 2012 Long-Term Equity Incentive Plan, or the

2012 Plan. The Compensation Committee may delegate authority to review and approve the compensation of our employees to certain of our executive officers, including with respect to awards made under the 2012 Plan. Even where the Compensation Committee does not delegate authority, our executive officers will typically make recommendations to the Compensation Committee regarding compensation to be paid to our employees and the size of grants of stock option, restricted stock and other forms of stock-based compensation.

From December 29, 2015 to November 21, 2016, the Compensation Committee was comprised of Messrs. Abdallah, Carter and Lamar, with Mr. Abdallah serving as chair. From December 28, 2016 through March 31, 2017, the Compensation Committee was comprised of Messrs. Barr, Carter and Lamar, with Mr. Lamar serving as chair. Effective April 1, 2017, Ms. Brown joined the Compensation Committee. The Board has determined that each of Messrs. Barr, Carter and Lamar and Ms. Brown is independent, as defined under and required by the federal securities laws and the Nasdaq rules. The Compensation Committee held three meetings in fiscal 2017.

Compensation Committee Interlocks and Insider Participation — During the last completed fiscal year, Messrs. Barr, Carter and Lamar and Ms. Brown served as members of our Compensation Committee. None of these directors or our executive officers currently serves or has served during the last completed fiscal year, as a member of the board of directors, or as a member of the compensation or similar committee, of any entity that has one or more executive officers who served on our Board of Directors.

Nominating and Corporate Governance Committee — The Nominating and Corporate Governance Committee oversees all aspects of our corporate governance functions. The Committee makes recommendations to the Board of Directors regarding director candidates and assists the Board of Directors in determining the composition of the Board and its Committees. From December 28, 2016 through March 31, 2017, the Nominating and Corporate Governance Committee was comprised of Messrs. Barr, Davis and Lamar, with Mr. Lamar serving as chair. Effective April 1, 2017, Ms. Brown joined the Nominating and Corporate Governance Committee. The Board has determined that each of Messrs. Barr, Davis and Lamar and Ms. Brown is independent under Nasdaq rules. The Nominating and Corporate Governance Committee held two meetings in fiscal 2017.

Director Nomination Procedures

The Board of Directors believes the Board, as a whole, should possess the requisite combination of skills, professional experience, and diversity of backgrounds to oversee the Company's business. The Board of Directors also believes there are certain attributes each individual director should possess, as reflected in the Board of Directors' membership criteria. Accordingly, the Board of Directors and the Nominating and Corporate Governance Committee consider the qualifications of directors and director candidates individually as well as in the broader context of the Board's overall composition and the Company's current and future needs. The Nominating and Corporate Governance Committee is responsible for periodically reviewing with the Board on the appropriate skills and characteristics required of Board members in the context of the current make-up of the Board. This assessment enables the Board to update the skills and experience it seeks in the Board as a whole, and in individual directors, as the Company's needs evolve. This assessment takes into consideration all factors deemed relevant by the Nominating and Corporate Governance Committee, including the matters described above. For incumbent directors, the factors also include past performance on the Board of Directors and its committees. Additionally, our bylaws permit stockholders to nominate director candidates for consideration at the annual meeting of stockholders as discussed in greater detail under "Stockholder Proposals" below. The Nominating and Corporate Governance Committee expects to use a similar process to evaluate candidates nominated by stockholders as the one it uses to evaluate candidates it otherwise identifies.

AUDIT COMMITTEE MATTERS

Report of the Audit Committee

The Audit Committee hereby reports as follows:

Management has primary responsibility for the accuracy and fairness of the Company's consolidated financial statements as well as the processes employed to prepare the consolidated financial statements, and the system of internal control over financial reporting.

The Audit Committee represents the Board of Directors in discharging its responsibilities relating to the Company's accounting, financial reporting, financial practices and system of internal controls. As part of its oversight role, the Audit Committee has reviewed and discussed with Company's management the Company's audited consolidated financial statements included in its 2017 Annual Report on Form 10-K.

The Audit Committee has discussed with the Company's independent registered public accounting firm, KPMG, the overall scope of and plans for its audit. The Audit Committee has met with KPMG, with and without management present, to discuss the Company's financial reporting processes and system of internal control over financial reporting in addition to those matters required to be discussed by Auditing Standard No. 1301, Communications with Audit Committees, as adopted by the Public Company Accounting Oversight Board, or the PCAOB.

The Audit Committee has received the written disclosures and the letter from KPMG required by applicable requirements of the PCAOB regarding the independent accountant's communications with the Audit Committee concerning independence, and has discussed with KPMG their independence.

Based on the review and discussions referred to in paragraphs (1) through (4) above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 26, 2017 for filing with the SEC.

Audit Fees

Set forth below are the fees billed to the Company by its independent registered public accounting firm, KPMG, for the fiscal periods indicated.

	2017	2016
Audit fees	\$811,250	\$515,250
Total	\$811,250	\$515,250

Audit Fees — Consist of fees for professional services provided in connection with the annual audit of the Company's consolidated financial statements; the reviews of the Company's quarterly results of operations and reports on Form 10-Q; and the services that an independent auditor would customarily provide in connection with audits of the Company's subsidiaries, other regulatory filings, and similar engagements for each fiscal year shown, such as attest services, consents, and reviews of documents filed with the SEC.

Pre-Approval Policies and Procedures

In connection with our initial public offering, the Board of Directors adopted a written policy for the pre-approval of certain audit and non-audit services which the Company's independent registered public accounting firm provides. The policy balances the need to ensure the independence of the Company's independent registered public accounting firm while recognizing that in certain situations the Company's independent registered public accounting firm may possess both the technical expertise and knowledge of the Company to best advise the Company on issues and matters in addition to accounting and auditing. In general, the Company's independent registered public accounting firm cannot be engaged to provide any audit or non-audit services unless the engagement is pre-approved by the Audit Committee in compliance with the Sarbanes-Oxley Act of 2002. Certain basic services may also be pre-approved by the Chairman of the Audit Committee under the policy. However, any service that is not specifically pre-approved under the policy must be specifically pre-approved by the Audit Committee if it is to be provided by the independent registered public accounting firm. All of the fees identified in the table above were approved in accordance with SEC requirements and pursuant to the policies and procedures described above.

•Norman J Abdallah, President and Chief Executive Officer;

•Neil H. Thomson, Chief Financial Officer;

•Scott C. Smith, President, Sullivan's;

•Ray D. Risley, President, Del Frisco's Double Eagle;

•William S. Martens, Executive Vice President, Chief Development Officer; and

•Thomas J. Pennison, Jr., Former Chief Financial Officer (terminated employment with the Company effective as of May 31, 2017).

The Company directly employs Mr. Abdallah, Mr. Thomson, Mr. Smith and Mr. Risley. All of our other corporate-level employees, including Mr. Martens and Mr. Pennison, are or were employed and compensated by Center Cut Hospitality, Inc. (CCH) or DFRG Management, LLC, direct, wholly-owned subsidiaries of the Company. Nevertheless, our Board of Directors has retained final oversight and responsibility with respect to the compensation provided to the employees of our subsidiaries and our Compensation Committee, or the Committee as used in this Executive Compensation section, oversees and approves the compensation of all of our executive officers.

Compensation Philosophy and Compensation Setting Process

Compensation Program Objectives and Elements

Our executive compensation program is designed to attract and retain talented individuals who can drive our success, motivate our executive officers to achieve our short-term and long-term financial and operational objectives, reward the achievement of such objectives, and align stockholder and management interests. In order to achieve these objectives, we establish compensation levels and elements that are competitive within the market in which compete for talent, provide balanced incentives that encourage executives to achieve our goals without taking excessive risks, and grant a significant portion of overall compensation opportunities in the form of incentive based or equity arrangements.

During 2017, our executive compensation program included the following elements:

Element	Description	Objective
Base Salary	Fixed level of annual cash compensation	Provides a competitive level of base pay designed to attract and retain qualified executives
Annual Cash Incentives	Annual performance-based cash incentive payable in connection with the attainment of specified short-term financial performance objectives	Motivates executives to achieve short-term Company goals and rewards strong individual performance
Long-Term Equity Incentives	Grants of both time-based restricted stock units that vest in one-third increments on each of the first three anniversaries of the date of grant and performance-based restricted stock units that vest in full following the completion of a three-year performance period subject to the achievement of performance criteria tied to the Company's stock price and return on invested capital	Motivates executives to achieve long-term Company goals; Aligns executive and stockholder interests; Promotes retention during vesting period
Other Benefits and Perquisites	Participation in welfare and retirement benefit programs consistent with those offered by other companies in our industry and limited automobile allowances	Provides competitive benefits and limited perquisites to attract and retain executives.

Table of Contents

For 2017, over 79% of our Chief Executive Officer's target total direct compensation (i.e., base salary, target cash incentive opportunity, and time- and performance-based restricted stock unit grants) was at risk.

Independent Compensation Consultant

The Committee retained the services of Aon Hewitt, an independent compensation consultant, in determining 2017 compensation for our Named Executive Officers. The compensation consultant advises the Committee regarding various components of executive compensation. For 2017, the Committee provided advice on the market competitiveness of compensation for our Named Executive Officers with regard to their respective base salaries, target total annual compensation (base salary and target annual cash incentives), and target total direct compensation (base salary, target annual cash incentives, and target long-term equity incentive awards). In accordance with Nasdaq rules, the Committee has considered the factors set forth under Exchange Act Rule 10C-1(b)(4) and other relevant factors and has determined that the compensation consultant's work for the Committee has not raised any conflicts of interest.

Role of Chief Executive Officer

Mr. Abdallah annually evaluates the performance of each of the other Named Executive Officers and provides recommendations to the Committee on compensation levels for such officers. The Committee, however, retains final discretion to approve the compensation payable to each Named Executive Officer.

Peer Group

Based on guidance and input from the compensation consultant, we selected a peer group against which to analyze the compensation of our Named Executive Officers for 2017. The peer group was selected primarily to reflect our size (assumed revenue of \$350 million) and industry. Our peer group was comprised of the following 13 companies, which we refer to as the Peer Group in this Proxy Statement:

1 Darden Restaurants	1 Bloomin' Brands	1 Brinker International
1 Cheesecake Factory	1 Buffalo Wild Wings	1 Texas Roadhouse
1 BJ's Restaurants	1 Dave & Busters Entertainment	1 Kona Grill
1 Bravo Brio Restaurant Group	1 Ruth's Hospitality Group	1 Chuy's Holdings
1 Dine Brands Global (formerly DineEquity)		

Although the Committee does not benchmark any specific level of compensation, the Committee considers market data compiled by the compensation consultant for this peer group when establishing compensation elements and overall compensation levels.

Elements of Compensation

Base Salary

The Company's Chief Executive Officer annually reviews the base salary levels of the Company's other Named Executive Officers and recommends any increases to the Committee for consideration and approval. The Committee annually reviews the Chief Executive Officer's performance and approves any changes to his base salary level. In connection with his promotion to President, Del Frisco's Double Eagle in January of 2017, and after consideration of market base salary levels among the Peer Group, Mr. Abdallah recommended and the Committee approved an increase in Mr. Risley's base salary level to \$250,000. In connection with his promotion to Executive Vice President and Chief Development Officer in October of 2017, and after consideration of market base salary levels among the Peer Group, Mr. Abdallah recommended and the Committee approved an increase in Mr. Marten's base salary level to \$275,000. Mr. Smith's base salary was originally set at \$250,000 per year when he was hired by the Company in January of 2017 and was increased to \$300,000 per year from approval of guaranteed bonus of \$50,000. These increases were intended to reflect the increased scope of each executive's responsibilities in his new role and bring base salary levels more in line with the market median. Base salary increases are not guaranteed each year, and none of the other Named Executive Officers received an increase in base salary for 2017.

Named Executive Officer	2016 Annual Base Salary ⁽¹⁾	2017 Annual Base Salary ⁽¹⁾	Percentage Change
Norman J. Abdallah	\$600,000	\$600,000	—
Neil Thomson	—	\$350,000	—
Scott C. Smith	—	\$300,000	(2)
Ray D. Risley	\$230,000	\$250,000	8.7%
William S. Martens	\$225,000	\$275,000	22.2%
Thomas J. Pennison, Jr.	\$300,000	\$300,000	—

(1) Reflects annualized salary level as in effect on the last day of applicable fiscal year, or for Mr. Pennison, as in effect on his last day of employment.

(2) Mr. Smith received a 20% increase in his base salary level as originally established in January of 2017 as discussed above.

Annual Cash Incentives; 2017 Bonus Payments

We maintain an annual cash incentive bonus program in which certain corporate-level employees of the Company and its subsidiaries, including CCH, participate. Under this program, all participants, including our Named Executive Officers, are eligible to receive an annual performance-based bonus equal to a target percentage of their respective annual salaries, based upon their corresponding level of individual responsibility within the organization. Whether an individual's target is achieved depends upon whether various financial performance metrics tied to each individual's responsibilities are satisfied. The Chief Executive Officer then recommends bonus amounts for each individual's target bonus (other than his own) based upon such individual's overall performance and contributions over the prior year as defined in the 2017 Restaurant Support Center Bonus Plan. The Chief Executive Officer's recommendations are reviewed by the Compensation Committee, which retains final discretion in determining the amount of any bonuses actually paid.

Each Named Executive Officer's employment agreement specifies a target annual incentive plan bonus as a designated percentage of his annual base salary. Such agreements, other than Mr. Martens, also specify threshold and maximum bonus levels at 50% and 200%, respectively, of the applicable target bonus amount. For 2017, the Committee considered each executive's role and responsibilities for the year/competitive market data for the peer group and set target annual incentive plan bonuses for each of

Table of Contents

the Named Executive Officers as follows:

Named Executive Officer	Target Bonus (as Percentage of Base Salary)	Target Bonus (\$)
Norman J. Abdallah	100%	600,000
Neil Thomson	50%	175,000
Scott C. Smith	50%	143,132
Ray D. Risley	50%	125,000
William S. Martens	50%	137,500
Thomas J. Pennison, Jr.	50%	150,000

The Committee determines performance metrics and their associated weightings for each executive based on such executive's areas of primary responsibility and ability to influence the Company's financial results. For 2017, applicable performance measures and weightings for each executive were as follows:

Named Executive Officer	Adjusted Earnings Per Share ⁽¹⁾	Restaurant Level EBITDA ⁽²⁾	Company Comparable Sales ⁽³⁾	Brand Level EBITDA ⁽⁴⁾
Norman J. Abdallah	50%	25%	25%	—%
Neil Thomson	50%	25%	25%	—%
Scott C. Smith	8 1/3%	8 1/3%	8 1/3%	75%
Ray D. Risley	8 1/3%	8 1/3%	8 1/3%	75%
William S. Martens	50%	25%	25%	—%
Thomas J. Pennison, Jr.	50%	25%	25%	—%

Adjusted earnings per share is a non-GAAP measure calculated as our adjusted net income (loss) divided by the weighted average number of shares of our common stock outstanding. Adjusted net income (loss) represents GAAP net income (loss) plus the sum of GAAP income tax expense (benefit), lease termination and closing costs, consulting project costs, reorganization severance, non-recurring legal expenses, easement clearance, donations, non-recurring restaurant expenses, impairment charges and change in estimate for gift card breakage minus income tax expense (benefit) at an effective tax rate of 23% during 2017.

Restaurant-level EBITDA is calculated by adding back to operating income (loss), depreciation and amortization, pre-opening costs, general and administrative costs, donations, consulting project costs, reorganization severance, lease termination and closing costs, and insurance settlement proceeds.

We consider a restaurant to be comparable during the first full fiscal quarter following the eighteenth month of operations. Changes in comparable restaurant sales reflect changes in sales for the comparable group of restaurants over a specified period of time. Changes in comparable sales reflect changes in customer count trends as well as changes in average check.

Brand Level EBITDA is calculated similarly to Restaurant Level EBITDA for each of the Double Eagle, Grille and the Sullivan's concepts, as applicable.

Threshold, target, and maximum goals were set at levels intended to motivate our Named Executive Officers to achieve key Company financial objectives. The Brand Level EBITDA targets are not disclosed below, but were set at levels that were intended to be rigorous, yet achievable. In early 2018, the Committee assessed the achievement of the performance metrics for 2017.

Metric	Threshold	Target	Maximum	Actual
Adjusted EPS	\$0.76	\$0.84	⁽¹⁾	\$0.75
Restaurant Level EBITDA	\$76.3M	\$77.3M	—	\$73.0M
Company Comparable Sales (2017 FY compared to 2016 FY)	(0.5)%	0.5%	—%	(2.0)%

⁽¹⁾ For every penny above the targeted Adjusted EPS, the executive could earn an additional 10% of the target bonus amount, up to a maximum of 200% the target bonus amount.

Although we did not achieve our rigorous financial targets for 2017, and our Named Executive Officers earned no payouts under our cash incentive bonus program, in recognition of the achievement of our Restaurant Support Center annual initiatives for the year, the Committee approved final 2017 annual bonuses for each of our Named Executive Officers as follows:

Named Executive Officers	Bonus Paid
Norman J. Abdallah	\$150,000
Neil Thomson	\$26,130
Scott C. Smith	\$62,500
Ray D. Risley	\$31,250
William S. Martens	\$29,546
Thomas J. Pennison, Jr.	— (1)

(1) Mr. Pennison was not awarded any annual cash incentive for 2017 in light of his resignation of employment. In connection with his entry into an amended employment agreement in October of 2017, Mr. Martens also received a \$100,000 one-time bonus, which amount is subject to full repayment in the event that Mr. Martens terminated his employment for any reason prior to October 4, 2019.

Long-Term Equity Incentive Plan Awards

During 2017, each of the Named Executive Officers received an award of both time- and performance-based restricted stock units, as outlined in the table below.

Named Executive Officers	Time-Based RSUs	Performance-Based RSUs	Targeted Approximate Value
Norman J. Abdallah	50,000	50,000	\$1,715,000

Scott C. Smith	7,288	7,289	\$250,000
Ray D. Risley	7,288	7,289	\$250,000
William S. Martens	3,645	3,644	\$125,000
Thomas J. Pennison, Jr.*	16,035	16,035	\$550,000

*Mr. Pennison forfeited these equity awards in connection with his resignation of employment in May of 2017.

All of the equity awards were granted on March 10, 2017, in connection with the Committee's review of our 2016 performance with the exception of Mr. Thomson's, which was granted on May 22, 2017, the date that he commenced employment with the Company. Each of Mr. Abdallah's and Mr. Thomson's equity awards were granted pursuant to the terms of their employment agreements.

For 2017, the Committee determined to award approximately 50% of the targeted grant date fair value of the awards in the form of time-based restricted stock units that vest in one-third increments on each of the first three anniversaries of the date of grant.

The remaining portion of the targeted grant date fair value of the awards was granted in the form of performance-based restricted stock units that vest in full on the third anniversary of the date of grant subject to the achievement of a three-year Company stock price target (weighted 50%) and a three-year return on invested capital target (weighted 50%). The Company stock price target was set as the achievement of a 30-day moving average Company common stock price of \$19.93 thirty days prior to the third anniversary of the grant date or as otherwise determined by the Committee. The return on invested capital target was set as the achievement of a 28% return on invested capital on a pre-tax basis of all restaurants opened in 2016, 2017 and 2018 (on a third year pro forma basis). Return on invested capital is defined as EBITDA as a percentage of the sum of total buildout, furniture, fixtures & equipment (FF&E) and preopening costs, net of tenant allowances.

Nonqualified Deferred Compensation

CCH maintains the Del Frisco's Restaurant Group Nonqualified Deferred Compensation Plan under which a select group of highly compensated management employees, generally employees who are at the level of district manager or above, may elect to defer a portion of their annual compensation, including base pay and/or bonuses. Employees who are eligible to participate in this plan are not eligible to participate in the Del Frisco's Restaurant Group 401(k) Plan. The benefits under the deferred compensation plan are unfunded and evidenced by an account entry credited with the amount deferred each year plus earnings. However, all contributions by the employee and matching contributions by CCH are contributable to a grantor trust, which is invested in certain insurance policies. These assets, although not required by the plan, are segregated to pay benefits to the plan participants. In the event of CCH's bankruptcy, these assets will be subject to the claims of CCH's creditors.

Each year, plan participants elect a percentage of pay they wish to defer for the following year. Additionally, CCH makes a matching contribution of up to 50% of a participant's deferrals (although such contributions in 2017 were only 25%), up to the first 20% of a participant's annual pay contributed to the plan. This matching contribution is also credited to a participant's account under the plan. Matching contributions vest at a rate of 25% per year over four years. Participants may, consistent with applicable procedures, allocate the amount of deferral and Company contributions credited to their account to or between deemed investment alternatives offered by the plan for purposes of determining earnings on a participant's account. The plan, however, has no obligation to actually invest any amounts in a participant's account in these investment alternatives. Generally, a participant's account balance will be distributed upon death, termination of employment, retirement or on a fixed date, subject to certain limitations. In addition, and in the sole discretion of the plan administration committee, a participant may receive a distribution of all or a portion of his or her account balance in the event of an unforeseen emergency. Each of our Named Executive Officers, with the exception of Mr. Smith, participated in the Nonqualified Deferred Compensation Plan in 2017.

The following table shows the contributions, earnings and account balances for the Named Executive Officers under the Del Frisco's Restaurant Group Nonqualified Deferred Compensation Plan for the 2017 fiscal year.

For information about the executive officers of the Company, see Part I, Item 1 — Business, in the Company's 2017 10-K.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In connection with our initial public offering we implemented a written policy pursuant to which our Board of Directors will review and approve transactions with our directors, officers and holders of more than 5% of our voting securities and their affiliates (each, a related party). Prior to approving any transaction with a related party, our Board of Directors will consider the material facts as to the related party's relationship with the company or interest in the transaction. Related party transactions will not be approved unless the audit committee has approved of the transaction.

Share Repurchase

On March 10, 2017, the Company repurchased 1,200,000 shares of its common stock from Fidelity National Financial, Inc., which at the time was a greater than 5% stockholder, for \$20.3 million, or \$16.90 per share. We have entered into indemnification agreements with each of our executive officers and directors that provide, in general, that we will indemnify them to the fullest extent permitted by law in connection with their service to us or on our behalf. The form of indemnification agreement was approved by our Board of Directors prior to the completion of our initial public offering and therefore was not approved pursuant to the policy described above.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as “householding,” provides extra convenience for stockholders and cost savings for companies. The Company and some brokers household proxy materials, delivering a single proxy statement to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders.

Once you have received notice from your broker or the Company that they or the Company will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, or if you are receiving multiple copies of the proxy statement and wish to receive only one, please notify your broker if your shares are held in a brokerage account or the Company if you hold common stock directly.
