Item 2.01. Completion of Acquisition or Disposition of Assets.

On January 10, 2019, LendingTree, LLC (“Buyer”), a wholly-owned subsidiary of LendingTree, Inc. (the “Company”), acquired Value Holding Inc., a Delaware corporation (“Value Holding”) pursuant to a Stock Purchase Agreement, dated December 20, 2018, among Buyer, Value Holding and all of the shareholders of Value Holding (collectively, the “Sellers”), and Jonathan Wu as the Sellers’ Representative (the “Stock Purchase Agreement”). ValuePenguin Inc., a wholly-owned subsidiary of Value Holding, is a personal finance website that offers consumers objective analysis on a variety of financial topics from insurance to credit cards.

Buyer paid \$105 million of cash consideration to the Sellers, subject to adjustments for working capital, indebtedness and transaction expenses, in exchange for all of the equity interests of Value Holding. Buyer paid \$90 million of the purchase price using funds borrowed under the Company’s Revolving Credit Facility (as amended and as described in our Form 10-K for the year ended December 31, 2017) and the balance using cash on hand. A portion of the closing consideration was deposited into escrow to secure the Sellers’ obligations under the Stock Purchase Agreement.

The description of the Stock Purchase Agreement contained herein is qualified in its entirety by reference to the full text of the Stock Purchase Agreement, a copy of which is included as Exhibit 2.1 to this report. The Stock Purchase Agreement contains representations and warranties by Buyer and the Sellers with respect to matters as of specified dates. The representations and warranties: reflect negotiations between the parties to the Stock Purchase Agreement and are not intended as statements of fact to be relied upon by the Company’s stockholders; in certain cases, merely represent risk-allocation decisions among the parties; have been modified or qualified by certain disclosure schedules that have been omitted in accordance with the rules of the Securities and Exchange Commission; may no longer be true as of a given date; and may apply standards of materiality in a way that is different from what may be viewed as material by stockholders. As such, the representations and warranties are solely for the benefit of the parties to the Stock Purchase Agreement and may be limited or modified by a variety of factors, including: subsequent events, information included in public filings, disclosures made during negotiations, correspondence between the parties and disclosure schedules to the Stock Purchase Agreement. Accordingly, the representations and warranties may not describe the actual state of affairs at the date they were made or at any other time and the Company’s stockholders should not rely on them as statements of fact. Moreover, information concerning the subject matter of the representations and warranties may have changed after the date of the Stock Purchase Agreement, which subsequent information may or may not be fully reflected in the Company’s public disclosures.

The Company issued a press release on January 15, 2019 announcing the acquisition of Value Holding, a copy of which is attached as Exhibit 99.1 to this report.

Item 2.03. Creation of Direct Financial Obligation Under Off-Balance Sheet Arrangement.

As discussed in Item 2.01 above, on January 10, 2019, the Company borrowed \$90 million under the Revolving Credit Facility in connection with the acquisition of Value Holding.
